October 14, 2022

Dear Gull Lake Families and Staff,

Over the past 24 hours, our kids have been participating in *Apple Crunch Day*. This event is a statewide effort to have school buildings do a synchronized bite at an apple generously provided, in our case, by Gull Meadow Farms! The appealing and unblemished apples arrived on site and our buildings have coordinated the big moment so that we can capture the event and celebrate healthy food choices that are locally sourced.

So many of us have fond memories of October and apple harvest. One of my favorite moments was bobbing for apples at the old VFW building on our rural road with neighbors and friends. Local apples and hot cider with donuts were the staple for this event and it was a happy gathering for all. Gull Meadow Farms has kept their own wonderful tradition going in a big way for folks from far and wide, right here in our community.

Healthy food, family and friends go well together.  
Grab an apple and celebrate *Apple Crunch Day* with us!

Have a great weekend,

Raphael Rittenhouse/Superintendent  
Gull Lake Community Schools
