### STATEMENT OF PANDEMIC IMPACT ON CLASS OF 2023

The Class of 2023 was online from February through April 2020; thereafter our school has usually been open for in-person learning for those present in China. The 2020-21 school year commenced in August with 90% of students and 40% of staff on campus using a blended model with substitute teachers supervising many lessons in person. The 2021-2022 school year resumed with all staff on campus. Beginning February 27, 2022, online learning resumed due to increasing Covid cases within the Shenzhen area. SIS resumed in-person learning on April 11, 2022, and internal exams were still held in May 2022. The 2022-2023 school year resumed with in-person learning, however, due to increasing Covid cases within the Shenzhen area, we began online learning on August 30, 2022.
