# What is the FSA ID?

- An account username and password is used by students, parents, and borrowers to log in to U.S. Department of Education online systems and to electronically sign documents.
- You use it to
  - apply for federal student aid;
  - sign for a federal student loan; and
  - perform important activities such as choosing a repayment plan or applying for a deferment on your federal student loan.

# Do Parents Need an FSA Account?

If you're a dependent student, then your parent will need an account username and password in order to sign your *Free Application for Federal Student Aid* (FAFSA®) form electronically.

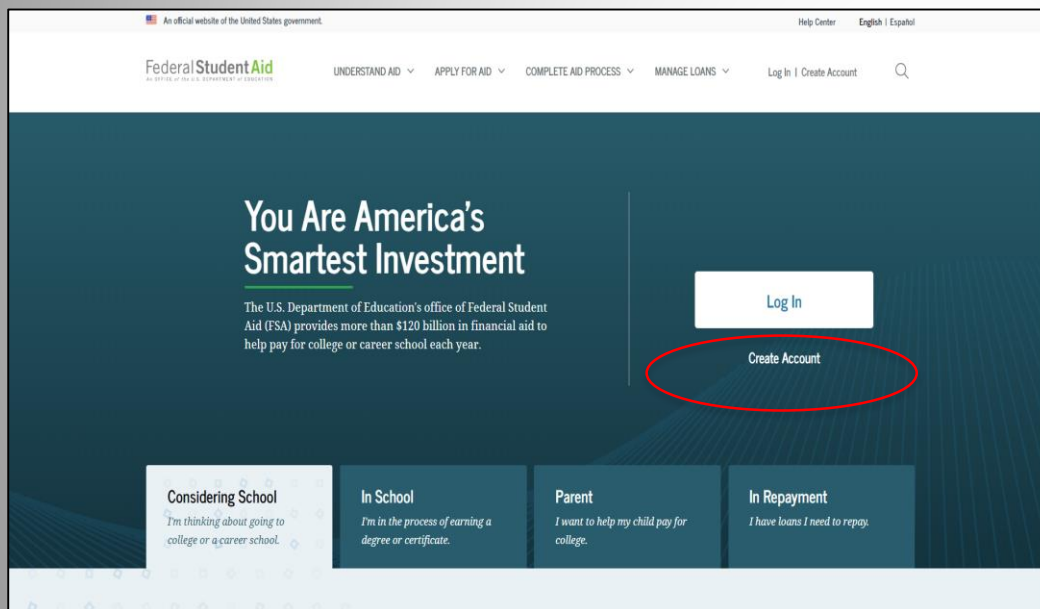

## IMPORTANT

- You and your parent must have different account usernames and passwords (NOTE: A Social Security number can be associated with only one account username and password).
- You must create your own account username and password—it's your electronic signature and you need to own it.
- Your parent must create his or her own account username and password.
- You and your parent should each use your own email address and mobile phone number when creating an account username and password (NOTE: A mobile phone or an email address can be associated with only one account username and password).

# **HOW DO YOU CREATE YOUR FSA ID?**

Parents and students must create their own accounts.' The form contains several input fields: 'Username' (with the value 'janedoe' and a green confirmation message 'Username is available.'), 'Email Address' (with a blue tip: 'Use an email address you will continue to have access to after you leave school.'), 'Confirm Email Address', 'Password' (with a 'Show Password' link and a list of requirements: Uppercase, Lowercase, Number, 8+ characters), and 'Confirm Password' (with a 'Show Password' link). # Your Account Is Created

- If you provided an email address, you'll receive a confirmation email.
- You can immediately use your account username and password to sign an original (first-time) FAFSA form.
- Your info will be sent to the Social Security Administration (SSA) for confirmation.
- SSA review will take 1–3 days.
- Until your info is verified, you won't be able to take certain actions, such as correcting your FAFSA form, submitting a FAFSA Renewal, or signing forms such as the *Income-Driven Repayment Plan Request* and *Direct Consolidation Loan Application*.

## Your Account Was Successfully Created— What's Next?

Thanks for creating your account and taking the first step in your federal student aid journey.
