October 14, 2022

A Message from Mr. Kruse, Principal

Students and Families,

I hope that your fall is off to a great start. There will be many moving parts happening at SHS next week.

Parent/Teacher conferences will take place on Wednesday and Thursday next week, virtually or in-person. Please see the information below for details.

As you know, October is Safety Awareness Month at Stoughton Area School District. We will be conducting a controlled Active Threat/ALICE Drill next week at SHS. Students can expect pre- and post-drill discussions with their teachers. SHS will also be letting you know when the drill has concluded through an IC Messenger notification.

If your student has concerns before or after the drill, please have them check in with a Student Services team member, a teacher, or an administrator. We are always glad to help and support with these concerns or questions.

SHS is a great place for students and staff, and we are fortunate to have wonderful family and community support. Thank you!!

Have a wonderful and safe weekend,
MJK
