An exciting learning adventure for tech-loving kids ages 7-14!

- Learn to code and have a blast whilst building video games.
- Create, play, and learn at your own pace as you gain ninja skills in problem solving, critical thinking, and STEM.
- Advance from white to black belt and receive colour-coded wristbands to mark your achievements.
- Get support and encouragement from Code Senseis® in our state-of-the-art dojo.
- Drop-in at your convenience during weeknight and weekend student hours.
- Access our world-class curriculum remotely from the comfort of your own home.

Downingtown Area School District does not sponsor or endorse this program, activity or event.
