OUR PRINCIPAL'S MESSAGE

Halloween Parade

We are encouraging our students to wear their costumes to school on Monday, October 31st. **Our Halloween Parade will be at 3pm!** Our elementary students will first head upstairs where they will be greeted by our ML students, then they will come downstairs and out the front doors. At that point, parents, you can line yourselves up from the front door around the school on the sidewalk toward the gym doors on the south side of Eldorado. Students will follow the sidewalk to the gym doors, and then back into the school. We appreciate your flexibility and willingness to help make this parade a success! ML will not participate in the parade, they are just watching!

Elementary teachers will communicate with you about their individual classroom parties and needs around Halloween.

Costume Expectations

- No Fake **Blood**

MIDDLE LEVEL NEWS

We want your child to be successful in school, and that means supporting and encouraging their whole development. While excelling in academic classes is important, students also need skills for learning challenges, making good decisions, handling strong emotions, and getting along with others. This year, we are using the Second Step® Middle School, a research-based social-emotional learning program designed to improve students' social-emotional skills, such as emotion management, impulse control, problem solving, and empathy. Second Step skills and concepts are designed to help students both in and out of school.

These include:

Mindsets and Goals: Students learn how to develop a growth mindset and apply research-based goal-setting strategies to their social and academic lives. Recognizing **Bullying and Harassment:** Students learn how to recognize bullying and harassment, stand up safely to bullying, and respond appropriately to harassment.

Thoughts, Emotions, and Decisions: Students learn how to recognize strong emotions and unhelpful thoughts, and apply strategies to manage their emotions and reduce stress.

Managing Relationships and Social Conflict: Students learn strategies for developing and maintaining healthy relationships, perspective-taking, and dealing with conflict.

We are starting the Bullying and Harassment Unit in November. Please see the grade level appropriate letter for more detailed information about what your child will be learning.
