This provision shall not be construed or applied to prohibit the Director of Finance and Operations from taking reasonable steps to verify the reason given for any absence for which the Employee seeks sick leave benefits.

The Board reserves the right to require an Employee to submit to an examination by a physician selected by the Director of Human Resources at the Board's expense at any time.

**Section 3.** Any Employee who attempts to utilize a sick day on any regular work day when schools are closed for students due to snow (a "Snow Day") shall, within a reasonable time after any such absence on a Snow Day, provide a statement from the Employee's physician confirming that (i) the Employee visited the physician in connection with the medical reasons for which the Employee was absent on the Snow Day; (ii) the Employee's absence on the Snow Day was for medical reasons; and (iii) the Employee's medical condition prevented the Employee from performing the Employee's job on the Snow Day. The Superintendent or designee may require the Employee to undergo an examination by a Board-appointed physician at Board expense to verify this information.

Any Employee who attempts to utilize a sick day on a Snow Day and who fails to provide the medical statement required in this Section or whose medical statement has been reviewed and rejected by a Board-appointed physician shall not be permitted to utilize a sick day for such absence.

In the event that the Governor of the State of Connecticut declares a weather related state of emergency and travel ban, employees shall not report to work but will be paid for the day without accessing accrued personal or vacation days

Nothing in this Section shall be construed or applied to limit or modify the Board's rights under Section 2 of this Article XIV.

**Section 4. TAX SHELTERED ANNUITY** Each Employee who elects to participate will be paid an annuity equal to 1.5% of base pay annually, in addition to the appropriate salary rate in Appendix A attached hereto. This annuity payment will be paid by the Board into an annuity fund selected by the Employee from an approved list of funds determined by the Board, and shall be paid in June of each year on the same date the Employee receives his/her last paycheck of that work year. To be eligible to receive the annuity under this Section in any given fiscal year, the Employee must first open an annuity fund during that fiscal year so that there is a fund available to receive payments from the Board under this Section. If the fund imposes any fees associated with maintaining the fund, the parties agree to jointly select another fund. At no time will the Board pay for any fees associated with the Employee's annuity fund.

## **ARTICLE XV - WORKERS' COMPENSATION**

**Section 1. Application of Prorated Sick Leave.** Employees absent because of compensable injuries (i.e., those for which they are eligible to receive Workers' Compensation benefits) shall have their sick leave pay prorated so that the amount an Employee receives in daily sick leave pay will equal only that amount necessary to make up the difference between his/her regular daily rate of pay at straight-time under this Agreement (for a maximum of eight [8] hours per day) and the amount he/she receives as daily workers' compensation pay. The prorated pay will be exclusive of the three (3) days waiting period required by Workers' Compensation on a per injury basis, and the sick leave policy procedure shall apply to the three (3) day waiting period.

Similarly, the amount of sick leave time off to which the Employee is entitled at the beginning of his/her period of absence will be charged with only so much as he/she used on a daily basis, so that for example, if workers' compensation benefits account for two-thirds of the Employee's daily pay, and sick leave benefits one-third, then one-third sick leave day shall be charged against the Employee's accumulated sick leave for every full day of such absence.

The maximum amount of sick leave that can be charged against the Employee's accumulated balance for a compensable injury is twenty (20) sick days.

Such supplement shall end after nine (9) months, after which time an affected Employee shall only receive any Workers' Compensation pay.

**Section 2. a.** The procedures of this Section shall be implemented when an employee has been absent due to long term disability (both job-related and non-job-related) for a period of twenty-six (26) weeks from the date of disability.

b. Upon notification from the Board to the employee pursuant to "a" above, the employee must within sixty (60) days present certification from his or her physician that the employee is able to perform or will be able to perform his or her job within twelve (12) months of the date of

disability. Date of disability shall be the first day the employee was unable to report to work due to disabling illness or injury. Successive periods of disability separated by less than three (3) calendar months are considered as the same disability when the illness or injury rendering the employee disabled remains the same. A return-to-work light duty on either a full-time or part-time basis shall not alter the original date of disability. If the employee's physician does not certify that the employee is able to perform, without limitation, the duties of his or her position or of any other available position offered by the Board or, if in the opinion of a physician selected by the Board, the employee is found to be unable to perform said duties, the Board, may terminate the employee. In such case, any disability benefits for which the employee may be eligible shall continue unaffected.

c. When there is a conflict between the opinion of the employee's physician and the opinion of the physician selected by the Board, a third medical opinion shall be obtained. For such purpose the employee shall select a physician from a list of three (3) physician providers (with the appropriate medical specialty) selected by the Board. Once the three (3) physicians are submitted to the employee, the employee shall have thirty (30) days to select one of the three (3). The third medical opinion shall prevail.

d. In the event the employee does not report for required medical evaluations and/or fails to follow any of the timelines set forth in subparagraphs a through c, the employee may be terminated and such termination shall be deemed to be for just cause.

In the event the employee returns to work within the above-referenced twelve (12) months, he/she shall suffer no loss in continuous service or seniority rights.

If any illness or injury results in a disability that has prevented the employee from performing the essential functions of the position with reasonable accommodations for the period of either twelve (12) consecutive months or eighteen (18) months during a twenty-four (24) month period, the Board shall have the right to retire or discharge the employee.

If any illness or injury results in a disability, the Board shall have the right to retire or discharge the employee whenever the undisputed medical prognosis indicates that the employee will not be able to perform the essential functions of the position with reasonable accommodations that the employee held prior to the injury or illness.

**Section 3. Return-to-Work Program.** Nothing herein shall prevent the Board from implementing a managed care system and a "light duty" requirement in connection with its Workers' Compensation coverage.

## **ARTICLE XVI - LEAVE**

**Section 1. Personal Leave.** Personal days may only be used for pressing personal business which requires the presence of the Employee and which may not be conducted with reasonable convenience outside the school day or year, and shall not exceed three (3) days per year. For example, personal days may be used for legal obligations (e.g., court appearances) or

for serious illness of members of the Employee's immediate family (spouse, child) for whose care the Employee is responsible. All requests for personal leave shall be made to the Director of Facilities as far in advance as practicable and shall be accompanied by a written statement describing the need for leave in terms sufficiently specific in the judgment of the Director of Facilities so that the Director of Facilities can make a decision as to the appropriateness of the leave. No leave may be taken without prior approval of the Director of Facilities. Personal days may not be granted on days immediately before or after school holidays or vacations except in the absolute discretion of the Director of Facilities.

**Section 2. Bereavement Leave.** In the event of the death of a member of the Employee's immediate family, Employees shall be allowed bereavement leave with pay, not to exceed five (5) days per year per occurrence. "Immediate family" shall mean the Employee's parent, spouse, child, brother, sister, grandparent, parent-in-law, aunt, or uncle.

**Section 3.** An Employee may be granted time off without pay to discharge his/her obligations for military reserve duty. This will not be considered part of his/her vacation unless he/she so desires. If the military duty and vacation period coincide, the Employee will receive his/her normal pay for the period.

## **ARTICLE XVII - REIMBURSEMENT FOR TOOLS/MILEAGE/UNIFORM**

**Section 1.** The Board will supply those tools that are necessary in carrying out the regular duties of Employees.

**Section 2.** Employees requested to use their cars on occasion on school business shall receive a mileage rate equal to the mileage rate recognized by the Internal Revenue Service.

**Section 3: Uniforms:** The Board shall furnish each Employee ten (10) items of clothing (including one jacket) and three (3) items of foul weather gear as the Employee may select from clothing and foul weather gear options made available by the Board. Upon an Employee's request, the Board will provide the Employee with a reflective coat for use while the Employee is working outside. The Board may replace an Employee's reflective coat upon an Employee's request if the Director of Facilities determines, in his/her sole discretion, that replacement is necessary in light of the age and condition of the reflective coat. The Board reserves the right to provide uniform pants and shirts for Employees in lieu of the purchase of uniforms identified in this Section. The Board will also reimburse employees up to \$175.00 per year for the purchase of safety shoes. The safety shoes must be worn while at work. Employees are required to be in a Board provided uniform at all times while on duty. Employees may not wear shorts while school is in session for students without the prior approval of the Director of Facilities.

## **ARTICLE XVIII - DISCIPLINARY ACTION**

No Employee who has successfully completed his or her probationary period of employment (a "non-probationary Employee") shall thereafter be discharged or disciplined without just cause,

provided that only cases of discharge and disciplinary suspensions without pay may be processed to arbitration. Disciplinary warnings (verbal or written) issued to a non-probationary Employee may be the subject of a grievance but shall not be processed beyond Step 2 of the grievance procedure. Any non-probationary Employee who disputes a written warning may append to the warning a copy of his or her grievance and a statement setting forth the basis for his or her disagreement with it, provided that nothing in this Section will preclude a non-probationary Employee from challenging at an arbitration hearing over his or her disciplinary suspension or discharge prior disciplinary warnings that are used by the Board to support such suspension or discharge.

## **ARTICLE XIX - GRIEVANCE AND ARBITRATION**

**Section 1.** The procedure set forth in this Article shall be the exclusive means for addressing disputes between the Board and an Employee or group of Employees, collectively or individually, or the Union, involving the interpretation and/or application of an express provision of this Agreement.

### **Section 2. Definitions**

(a) Grievant - A custodian or group of custodians or the Union filing a Grievance.

(b) Grievance - A written complaint by a Grievant that there has been a violation, misinterpretation, or misapplication of an express provision of this Agreement by the Board or its Administration, which directly affects the Grievant. All Grievances shall include the name and position of the Grievant, the Section and Article of this Agreement alleged to have been violated, misinterpreted or misapplied, the time when and the place where the alleged events or conditions constituting the Grievance occurred, the identity of the party alleged to be responsible for causing the said events or conditions and a general statement as to the nature of the Grievance and the redress sought by the Grievant.

(c) Days - regular working days.

### **Section 3. Procedures.**

(a) **Step One** 1. Within five (5) working days following the incident giving rise to the Grievance, the Grievant shall file a Grievance with the Director of Facilities.

2. Within five (5) working days following receipt of the Grievance, the Director of Facilities and Grievant shall discuss the Grievance in an attempt to resolve the Grievance.

(b) **Step Two** 1. If the Grievant is not satisfied with the decision at Step One, or the time limit for the Step One discussion has expired, he/she may submit the Grievance to the Director of Human Resources, but Grievant must do so within five (5) working days after the Step One discussion, or within five (5) working days after the time for the Step One discussion has expired, whichever is earlier.

2. Within five (5) working days after receipt of the Grievance, the Director of Human Resources shall meet with the Grievant in an attempt to resolve the Grievance. The Grievant may be accompanied by a representative of the Union at this meeting.

3. The Director of Human Resources shall send his/her decision to the Grievant within five (5) working days after the meeting with the Grievant, and a copy of the decision to the Union.

(c) **Step Three** 1. If the Grievant is not satisfied with the decision at Step Two, or if no decision has been rendered within five (5) working days after his/her meeting with the Director of Human Resources, he/she may submit the Grievance to the Superintendent, but the Grievant must do so within five (5) working days after receipt of the decision at Step Two, or absent such decision, within five (5) working days following the expiration of the time for rendering such decision.

2. Within five (5) working days after receipt of the Grievance, the Superintendent or designee shall meet with the Grievant in an attempt to resolve the Grievance. The Grievant may be accompanied by a representative of the Union at this meeting.

3. The Superintendent or designee shall send his/her decision to the Grievant within five (5) working days after the meeting with the Grievant, and a copy of the decision to the Union.

(d) **Step Four.** If the Grievance is not resolved at Step Three, and the Union wishes to proceed further, the Union must file a Demand for Arbitration with the American Arbitration Association (AAA) in accordance with its Voluntary Rules for Labor Arbitration then subsisting, subject to the following terms and conditions:

1. The Grievance must arise out of and involve the interpretation or application of a specific provision expressed in this Agreement and will not be arbitrable if it claims a right, benefit or obligation not expressly set forth in a specific provision of this Agreement.

2. The Demand for Arbitration must be made in writing by certified mail, return receipt requested, with a copy to the Director of Finance, postmarked within the ten (10) calendar days immediately following the Grievant's receipt of the Superintendent's response at Step Three (3), or absent such response, within ten (10) calendar days following the expiration of the time for providing such response.

3. The Arbitration must be in accordance with the American Arbitration Association's Voluntary Rules for Labor Arbitration in existence at the time the Demand for Arbitration is filed.

4. The Demand for Arbitration must be limited to the same Grievance submitted to the Superintendent in Step Three.

5. The Arbitrator's authority will be limited to determining whether, by the allegations contained in the Grievance, the Board violated or misapplied the specific provision

expressed in this Agreement as alleged in the Grievance. The Arbitrator will have authority to render appropriate "make whole" awards consistent with the provisions of this Agreement and other applicable rules governing the Arbitrator's conduct and authority.

6. The decision of the Arbitrator will be final and binding, subject to the right of either party to have the award confirmed, vacated or modified according to law.

7. The cost of the Arbitrator's fees and hearing room rental, if any, will be shared equally by the Board and the Union, but each party will bear the cost of its own representatives, transcripts and other items.

8. Grievances must be filed for arbitration separately, and an Arbitrator may not hear multiple Grievances unless the Director of Finance and the Union agree in writing to allow the Arbitrator to do so.

9. Only the Union will have the authority to submit a Grievance to Arbitration.

**Section 4. Time Limits.** The time limits specified herein are of the essence and may only be extended by mutual written agreement of the Director of Human Resources and the Union. Failure to process a Grievance within the time limits provided herein shall be deemed a waiver of such Grievance, and the Grievance shall be considered resolved in accordance with the position of the Board, unless a written agreement to extend the time limit has been entered into prior to the expiration of the specified time limit. Failure by the Board representatives to meet or respond to the Grievance within the time limits provided herein shall permit the Grievant or the Union, as appropriate, to process the Grievance to the next Step provided they do so within the time limits set forth herein.

**Section 5. Representation.** Grievant will be permitted to be accompanied by the Union's President and/or the Union's Business Representative at all grievance meetings and arbitration hearings except at Step 1, where only the Union's President will be permitted. Grievances shall not be processed and Grievance meetings or discussions shall not be held during work time without the express prior approval of the Director of Human Resources, although arbitration hearings may be held during work time according to a schedule mutually acceptable to the Board, the Union and the Arbitrator.

**Section 6. Confidentiality.** The Grievance and the Grievance process, including arbitration, shall be kept confidential to the extent permitted by law.

**Section 7. Union Authority.** Nothing contained herein shall require the Union to process any Grievance which in its opinion is without merit, and no Employee shall have the right to process a Grievance to arbitration, as such right is reserved exclusively to the Union.

**Section 8. Settlements.** Grievance settlements reached at Step 1 shall not be used as evidence or precedent in any other Grievance, at arbitration or in any other forum.

**Section 9. Union Grievance.** The Union shall have the right to file a Grievance at Step Three of the procedure set forth in Section 3(c) but only if the Grievance involves a claim that a specific provision of the Agreement has been violated, misinterpreted or misapplied as to the Bargaining Unit as a whole or, in the very least, as to a group of custodians (more than three) identically affected assigned to different schools. Such a Grievance shall conform in all respects to all the provisions, procedures and time limits set forth above. In such cases, the Union shall be accorded the status of a "Grievant".

**Section 11.** The Union's Field Representative shall not attend or participate in Step One of these procedures, but may participate as the representative of the Grievant at any step beyond Step One.

## **ARTICLE XX - WORK CONTINUITY**

The Union and its officers, in behalf of themselves and the Employees in the bargaining unit, agree that they will not engage in, encourage, or tolerate any strike, picketing, leafleting, slowdown, sit down, or any interruption of work in any form for the term of this Agreement.

## **ARTICLE XXI - PAYROLL DEDUCTIONS**

Section 1\_ Upon receipt of an employee's signed authorization to deduct membership dues or voluntary fees, the Employer agrees to deduct from the pay of the employee an amount as established and periodically adjusted by the union. Such deductions shall continue unless the Employer is notified in writing, by the union, that the employee is no longer a member. The Union reserves the right to modify and/or replace the deduction authorization form.

The parties recognize that the authorization of the Union to payroll deductions is an agreement solely between the Union and its members which the member may revoke consistent with the Union's membership rules. Should a bargaining unit member approach the Employer or its agent to terminate or modify his or her contractual relationship with the Union, that bargaining unit member will be directed to communicate such intent directly with the Union.

The Board agrees to deduct from the pay of each employee who has signed an authorized payroll deduction card, a sum certified by the Secretary/Treasurer of the Union as Union dues. Such deduction will be periodically made from the payroll at times agreed upon by the Employer and the Union, and the total deductions so made shall be mailed or electronically delivered to AFSCME Council 4 on a weekly/bi-weekly/monthly basis. Such deduction shall continue for the duration of this Agreement and/or any extension hereof unless otherwise notified by Council 4.

**Section 2.** The Union agrees that it will indemnify and hold the Employer harmless from any claims, actions or proceedings by any employee arising from deductions made by the Employer hereunder. Once the funds collected by the Employer hereunder are remitted to the Union, the disposition of such funds

thereafter shall be the sole and exclusive obligation of the Union, and the Employer shall have no further obligation, financial or otherwise, under Section 1 of this Article.

Section 3. Payroll deductions will be made in weekly/bi-weekly pay periods for properly executed deduction authorization forms received at the Employer's payroll office on or before the fifth day of the preceding month. However, the Employer assumes no responsibility either to the employee or to the Union for any failure to make or for any errors made in making such deductions, but will make such efforts as it deems appropriate in correcting any such errors or omissions.

Section 4. Deductions shall be remitted to the AFSCME Council 4 not later than twenty (20) days after the end of the preceding month during which deductions were made.

Section 5. All new hires which are represented by the bargaining unit, within fifteen (15) days of their start date, shall be released from work, for one (1) hour without loss of pay, to attend a Union orientation. Management shall not be present during the Union's orientation.

#### ARTICLE XXII - DURATION

This Agreement will take effect upon execution and shall remain in full force and effect without reopening of any kind except as provided in Article XI up to and including June 30, 2025. If a Successor Contract is not reached by July 1, 2025, the provisions of this Agreement shall remain in effect until a successor agreement is entered into or the statutory processes for resolving disputes over terms and conditions for a successor agreement have been exhausted.

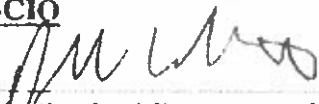

IN WITNESS WHEREOF, the parties hereto have signed this Agreement on this \_\_\_\_\_ day of \_\_\_\_\_, 2022.
