HIGH SCHOOL

HIGHER ACHIEVEMENT PROGRAM

HAP 2023: A 56-Year Tradition

June 27-July 27, 2023

Monday-Friday • 8:30 a.m.-2:30 p.m.

What is HAP?

The Jesuit Higher Achievement Program (HAP) at Xavier provides a free, five-week enrichment program for rising 8th graders who excel academically, have leadership potential, and are open to growth. HAP is committed to serving young men from diverse backgrounds and means. HAP provides young men with a feel for the opportunities of a college preparatory school like Xavier. The majority of HAP faculty are teachers at Xavier or other Jesuit schools, and many are Xavier alumni.

How to Apply

Please visit www.xavierhs.org/applytohapp to access HAP application materials. Each applicant must complete and submit the following documents:

- HAP application and essay (completed online)
- Copy of his most recent report card
- Required medical and immunization form
- Two recommendations (one must be from a current teacher)
- Mail or email (happ@xavierhs.org) all required application materials before the application deadline of April 25, 2023

Tuition

HAP is a free program for all students. While Xavier High School and the USA East Province of the Society of Jesus (the Jesuits) make tremendous gifts to support HAP, we depend on the generosity of HAP families to keep the program free. Please consider making a donation to keep HAP accessible to students of diverse backgrounds and means. Every gift, whether large or small, is beneficial! You can donate at www.xavierhs.org/donatetohapp.

Questions?

Contact Patrick Mahon '04, HAP Director, at happ@xavierhs.org or call Xavier's Admissions office at (212) 924-7900, ext. 1442.
