

**High School Science Teacher (Full Time Position)
Northwest Catholic High School
West Hartford, Connecticut**

Northwest Catholic High School is searching for a dynamic Science teacher. We are currently accepting applications for a position teaching biology and anatomy and physiology.

Ideal candidates will demonstrate the ability to differentiate curriculum, teach multiple levels within a department, foster a positive work environment, and be a contributing member of our team. Preference will be given to those who possess strong leadership ability. Prior experience successfully teaching high school biology preferred.

Professional qualifications:

- Must be a practicing member of a faith community
- Passion for and understanding of his or her field of study
- At least a bachelor's degree in field or 24 credit hours in the primary content taught
- 12 hours of education classes or a valid state certificate in content area preferred
- Willingness to support high school students in his or her spiritual and intellectual formation
- Able to apply current principles, theories, methods, techniques, and strategies pertaining to classroom instruction within his or her area of expertise
- Understanding of, and willingness to use, curriculum design and mapping
- Interest in (and strong ability to use) educational technology in the classroom including the use of 1-1 iPad technology, Apple Classroom, etc.
- 1-3 years' experience and a Master's Degree preferred

Please send a cover letter, resume, three references, and college transcripts to Mrs. Jennifer Montoney, Principal at employment@nwcath.org.

Northwest Catholic High School is a coeducational, diverse, college preparatory school established and maintained in the Catholic educational tradition. It aims to foster a life-orienting faith, at the same pursuing academic excellence, commitment to principles of peace and justice, and service to community on all levels, within a context of awareness of the global dimension of modern life. The school offers an exceptional academic curriculum with numerous AP Courses and a 1-1 iPad program, extremely competitive athletic teams, and a variety of opportunities in the arts and outside activities. Northwest Catholic provides opportunities for all students to learn and grow in a remarkable educational setting, grounded in Catholic faith and moral values. The diverse student body, expert faculty and staff, and forward-looking philosophies make it the ideal place for tomorrow's leaders to prepare for success in our evolving global society.
