OUR SCHOLARS

Dollars for Scholars

Our founder, St. John Baptist de La Salle, set the overall Lasallian mission more than 300 years ago to serve all students, but “especially the poor.” Centuries later, we are fortunate to be able to carry out St. La Salle’s vision to make Catholic education accessible to all who seek it despite financial obstacles. Your generosity makes it possible to distribute \$3.2 million in need-based financial assistance to more than 50% of our students.

With more than half of our students receiving financial assistance, you are guaranteed your DFS gift makes La Salle a joyful reality for students who directly enrich your children’s experience and life at La Salle – their friends, teammates, castmates, fellow artists and musicians, study partners, lab partners, carpool buddies and many others – *relationships that often last a lifetime.*

The Dollars for Scholars paddle raise supports tuition assistance efforts for student scholars who make us **believe** in the power of Lasallian education.
