## **SPECIFICATIONS**

### **Scope of Bid:**

The District would like to purchase approximately 1,400 cases of toilet tissue per year. Due to the District’s warehouse capacity, the District typically orders about 200 cases a month, over the course of seven months, during the District’s school year.

An outline of desired roll size, sheets per roll, and roles per case, among other desired features, is provided in **Attachment A**. Any applicable brands and models listed in Attachment A have been tested and approved by District staff; vendors are welcome to propose pricing for equivalent brands, models, and specifications, with the understanding that these alternatives may require testing and review by the District to evaluate product equivalency; such equivalency determination will be at the sole discretion of the District.

### **Bid Response Form:**

An individual having full authority to submit a bid and execute any resulting contract for products or services (“authorized representative”) must complete and submit the attached Bid Response Form (**Attachment B**) or submit a signed letter of transmittal that contains the same information and statements as indicated in the bid response form.

### **Terms and Conditions:**

The District’s desired terms and conditions, including the District’s standard contractual provisions, are listed in **Attachment D**.

### **Special Conditions:**

The quantities listed in this ITB represent a good-faith estimate of the District’s current annual usage. However, the quantities listed are not a guarantee of specific order quantities, and the District may alter the quantities ordered, based on District needs, and communicate such changes to the selected Bidder(s) prior to requesting an order shipment.

The District shall have the right to return/cancel payment on any items that do not meet the District's needs as outlined in the ITB or through subsequent written communications between the District and the selected Bidder(s). Also, the District reserves the right to discontinue planned future orders if the quality of products and services does not meet the District's needs.

Initial orders will be made in the District's current fiscal year (July 1, 2022 through June 30, 2023) and quoted pricing shall remain firm during this period. The District reserves the right to renew annual service with the selected Bidder(s) for up to four (4) renewals of annual service under the following conditions:

- Any annual price increases shall not exceed to the annual Consumer Price Index rate as of June of the preceding fiscal year;

The District may require that select Bidder(s) provide physical samples of the Bidder(s)' proposed air filter brands for review and evaluation. Any such sample requests shall be provided promptly to the District, at the Bidder(s) expense.

**The District desires that the selected Bidder(s) be able to ship all ordered toilet tissue items no later than fourteen (14) calendar days after receiving a purchase order from the District, although the District may consider longer delivery time frames. Delivery timeframes may be considered by the District in awarding a contract for the purchase of the items listed in this ITB.**
