Student Name: _____ Date: _____

In order that the requirements of various State and Federal laws are met, the following information is necessary for the registration of students in the Berlin Township School District:

1. RESIDENCY REQUIREMENT

If the student is the child of a parent or guardian, or an adult student, whose permanent home is in the Berlin Township School District or if the student is living with a parent or guardian temporarily residing within the Berlin Township School District, even if the parent has a domicile elsewhere — please provide, if possible, TWO or more of the following:

- Property tax bills, deeds, contracts of sale, leases, mortgages, signed letters from landlords and other evidence of property ownership, tenancy or residency.
- Voter registrations, licenses, permits, financial account information, utility bills, delivery receipts, and other evidence of personal attachment to a particular location.
- Court orders, State agency agreements and other evidence of court or agency placements or directives.
- Receipts, bills, cancelled checks and other evidence of expenditures demonstrating personal attachment to a particular location, or, where applicable, to support of the student.
- Medical reports, counselor or social worker assessments, employment documents, benefit statements, and other evidence of circumstances demonstrating, where applicable, family or economic hardship, or temporary residency.
- Affidavits, certifications and sworn attestations pertaining to statutory criteria for school attendance, from the parent, guardian, person keeping an “affidavit student,” adult student, person(s) with whom a family is living, or others as appropriate.
- Documents pertaining to military status and assignment.
- Any business record or document issued by a governmental entity.
- Any other form of documentation relevant to demonstrating entitlement to attend school.

Please Note: The forms of documentation may demonstrate your student’s eligibility for enrollment in the district. The totality of information and documentation you offer will be considered in evaluating an application, and, unless expressly required by law, the student will not be denied enrollment based on your inability to provide certain form(s) of documentation where other acceptable evidence is presented. You will not be asked for any information or document protected from disclosure by law, or pertaining to criteria which are not legitimate bases for determining eligibility to attend school. You may voluntarily disclose any document or information you believe will help establish that the student meets the requirements of law for entitlement to attend school in the district, but we may not, directly or indirectly, require or request: income tax returns, documentation/information relating to citizenship or immigration/visa status or social security numbers.

If the student’s parents are domiciled in different districts, regardless of which parent has custody, please provide a copy of a court order or written agreement between the parents of the student designating the district for school attendance.

If the student resides with a Berlin Township School District resident (other than a parent or guardian), please provide ALL of the following:

- Student Residency Form (included in this registration packet).
- A sworn statement from the student's parent or guardian, together with documentation to support its validity, that he or she is not capable of supporting or providing care for the student due to family or economic hardship and the student is not residing with the Berlin Township School District resident solely for the purpose of receiving a free public education.
- A sworn statement from the person keeping the student that he or she is domiciled within the school district, is supporting the child without remuneration and intends to do so for a time longer than the school term, and will assume

all personal obligations for the student pertaining to school requirements *and* a copy of his or her lease if a tenant, a sworn landlord's statement if residing as a tenant without written lease, or a mortgage or tax bill if an owner.

Please Note: A student will not be considered ineligible because required sworn statements(s) cannot be obtained, so long as evidence is presented that the underlying requirements of the law are being met. A student will not be considered ineligible when evidence is presented that the student has no home or possibility of school attendance other than with a non-parent district resident who is acting as the sole caretaker and supporter of the student. A student will not be considered ineligible solely because a parent or guardian provides gifts or limited contributions, financial or otherwise, toward the welfare of the student, provided that the resident keeping the student receives no payment or other remuneration from the parent or guardian for the student's actual housing and support. Receipt by the resident of social security or other similar benefits on behalf of the student do not render a student ineligible. It is not necessary that guardianship or custody be obtained before a student will be considered for enrollment on an "affidavit" basis.

2. DOCUMENTATION OF RELATIONSHIP TO STUDENT

- Parent – Provide a certified copy of the student's birth certificate (within thirty days of registration)
- Legal Guardian – Provide official records appointing the student's legal guardian
- Foster Parent – Provide official records from the agency appointing the student's foster parent
- Domicile Affidavit (signed by Berlin Township resident)
- Affidavit of Non-Support (signed by Parent – corresponds with above)

3. DOCUMENTATION OF GRADE PLACEMENT

Please provide one or more of the following items as documentation of grade placement:

- Transfer Card
- Current Report Card
- Official Transcript

Please Note: Absence of a student's prior educational record does not affect a student's eligibility to enroll in school, although the initial educational placement of the student may be subject to revision upon receipt of records or further assessment by the District.

4. DOCUMENTATION OF HEALTH

Please provide one of the following items as documentation of health:

- Immunization Record
- Religious Exemption Letter

Please Note: Absence of student medical information does not affect a student's eligibility to enroll in school, although actual attendance at school may be deferred as necessary in compliance with rules regarding immunization of students.

Any person who fraudulently allows a child of another person to use his residence and is not the primary financial supporter of that child AND any person who fraudulently claims to have given up custody of his child to a person in another district commits a disorderly person offense. It is illegal for any person to make a false statement on this form in an attempt to cause the Berlin Township School District to provide a free education to a person under false pretenses. It is illegal for any person to offer a written instrument that contains a false statement or false information to the Berlin Township School District in an attempt to secure a free education.

In accordance with Board Policy 3570.1, Electronic Signatures, parents will be asked to complete Berlin Township School District's forms and permission slips online and sign them electronically, thus replacing the handwritten form and wet signatures. The new process will require all documents to be sent through the Berlin Township School District's Formality program.

This Electronic Signature Authorization will allow us to use your electronic signature on all important forms and permission slips from July 2021 until student graduates from BTWP.

Electronic Signature Agreement

You agree your electronic signature is the legal equivalent of your manual/handwritten signature on this Agreement. You further agree that your e-signature, used on our online document forms (through Formality), is as valid as if you signed the document in writing. You also agree that no certification authority or other third party verification is necessary to validate your E-Signature, and that the lack of such certification or third party verification will not in any way affect the enforceability of your E-Signature or any resulting agreement between you and Berlin Township School District. You are also confirming that you are the parent or legal guardian authorized to enter into this Agreement. You further agree that each use constitutes your agreement to be bound by the terms and conditions of these Disclosures and Agreement as they exist on the date of your signature on this form.

You are acknowledging that you are able to use Formality and are able to retain Electronic Communications by printing and/or downloading and saving this Agreement and any other agreements, Electronic Communications, documents, or records that are signed using your E-Signature. You accept Electronic Communications provided via Formality as reasonable and proper notice for the purpose of fulfilling any and all rules and regulations, and agree that such Electronic Communications fully satisfy any requirement that communications be provided to you in writing or in a form that you may keep.

Special Education Medicaid Initiative (SEMI) Parental Consent form

Our school district is participating in the Special Education Medicaid Initiative (SEMI) program that allows school districts to bill Medicaid for services that are provided to students.

In accordance with the Family Educational Rights and Privacy Act, 34 CFR §99.30 and Section 617 of the IDEA Part B, consent requirements in 34 CFR §300.622 require a one-time consent before accessing public benefits.

This consent establishes that your child's personally identifiable information, such as student records or information about services provided to your child, including evaluations and services as specified in my child's Individualized Education Program (IEP) (occupational therapy, physical therapy, speech therapy, psychological counseling, audiology, nursing and specialized transportation,) may be disclosed to Medicaid and the Department of the Treasury for the purpose of receiving Medicaid reimbursement at the school district.

As parent/guardian of the child named below, I give permission to disclose information as described above and I understand and agree that Medicaid may access my child's or my public benefits or insurance to pay for special education or related services under Part 300 (services under the IDEA).

I understand that billing for these services by the district **does not** impact my ability to access these services for my child outside of the school setting, **nor will any cost be incurred by my family including co-pays, deductibles, loss of eligibility or impact on lifetime benefits.**

3. **Medical Conditions** - Please list any ongoing medical conditions that might impact the child's health and well being in the child care or school setting.

a. Note any significant medical conditions or major surgical history. **If the child has a complex medical condition, a special care plan should be completed and attached for any of the medical issue blocks that follow.** A generic care plan (CH-15) can be downloaded at www.nj.gov/health/forms/ch-15.dot or pdf. Hard copies of the CH-15 can be requested from the Division of Family Health Services at 609-292-5666.

b. **Medications** - List any ongoing medications. Include any medications given at home if they might impact the child's health while in child care (seizure, cardiac or asthma medications, etc.). Short-term medications such as antibiotics do not need to be listed on this form. Long-term antibiotics such as antibiotics for urinary tract infections or sickle cell prophylaxis should be included.

PRN Medications are medications given only as needed and should have guidelines as to specific factors that should trigger medication administration.

Please be specific about what over-the-counter (OTC) medications you recommend, and include information for the parent and child care provider as to dosage, route, frequency, and possible side effects. Many child care providers may require separate permissions slips for prescription and OTC medications.

c. **Limitations to physical activity** - Please be as specific as possible and include dates of limitation as appropriate. Any limitation to field trips should be noted. Note any special considerations such as avoiding sun exposure or exposure to allergens. Potential severe reaction to insect stings should be noted. Special considerations such as back-only sleeping for infants should be noted.

d. **Special Equipment** - Enter if the child wears glasses, orthodontic devices, orthotics, or other special equipment. Children with complex equipment needs should have a care plan.

e. **Allergies/Sensitivities** - Children with life-threatening allergies should have a special care plan. Severe allergic reactions to animals or foods (wheezing etc.) should be noted. Pediatric asthma action plans can be obtained from The Pediatric Asthma Coalition of New Jersey at www.pacnj.org or by phone at 908-687-9340.

f. **Special Diets** - Any special diet and/or supplements that are medically indicated should be included. Exclusive breastfeeding should be noted.

g. **Behavioral/Mental Health issues** - Please note any significant behavioral problems or mental health diagnoses such as autism, breath holding, or ADHD.

h. **Emergency Plans** - May require a special care plan if interventions are complex. Be specific about signs and symptoms to watch for. Use simple language and avoid the use of complex medical terms.

4. **Screening** - This section is required for school, WIC, Head Start, child care settings, and some other programs. This section can provide valuable data for public health personnel to track children's health. Please enter the date that the test was performed. Note if the test was abnormal or place an "N" if it was normal.

- For lead screening state if the blood sample was capillary or venous and the value of the test performed.
- For PPD enter millimeters of induration, and the date listed should be the date read. If a chest x-ray was done, record results.
- Scoliosis screenings are done biennially in the public schools beginning at age 10.

This form may be used for clearance for sports or physical education. As such, please check the box above the signature line and make any appropriate notations in the Limitation to Physical Activities block.

5. Please sign and date the form with the date the form was completed (note the date of the exam, if different)
