

TRINITY *After School*

2023-2024

Trinity's After School Programs reinforce and support our Christian mission and honor our commitment to unhurried education, leaving children lots of time for unstructured play and opportunities to extend their learning informally after school. Students who are engaged in clubs and other activities after school are able to go to and from the Neighborhood. All students are expected to be under appropriate adult supervision while on campus outside of school hours.

The program provides a wonderfully unhurried experience, with books, toys, games, crafts, activities related to the curriculum, and more. Families who participate in After School have shared that their children love attending and are able to complete their homework, which allows for more family time.

TK/K Program • 1:15–2:30 p.m. • \$1,000 per year

TK/K Program • 1:15–5:30 p.m. • \$5,000 per year

*After School
Care aligned with
Trinity's Mission*

**Please note that hours vary slightly on certain days depending on the school day schedule. Capacity is dependent on space restrictions.*

TRINITY *Neighborhood*

Trinity Neighborhood Director Ms. Joy Campbell is a parent of two boys and knows the importance of ensuring children have safe, fun, and engaging activities when the school day is over. Joy believes in supporting families while continuing the school's curriculum in after school care.

Joy has worked with children from preschool through sixth grade for over 10 years. She enjoys making great working relationships with families in order to have a smooth transition from school to after school. Joy has a special background in managing after school care and has planned many activities for the school year that students will love.

Joy leads a team of mentors who are trained in preschool and elementary education and provide a consistent environment that feels like an at-home adventure. Joy's favorite quote is, "I live up to my name!"

TRINITY *Lions on Campus*

Mr. Ricky Oliver, Trinity Lions on Campus (TLC) Coordinator, attended the University of Denver on a basketball scholarship and graduated with Bachelors' degrees in Sociology and Psychology as well as a teaching license. After graduating, he immediately began teaching. He earned a Master's degree in Social Work and has completed Principal Licensure accreditation. He has over thirty years of experience in both public and private schools as a teacher, school social worker, and administrator.

Galatians 2:20 is a Scripture that Ricky prays to truly be realized in his life, and it is his prayer for the Trinity Community.
