## 2021 School Accountability Report Card

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at [www.cde.ca.gov/ta/ac/sa/](http://www.cde.ca.gov/ta/ac/sa/)

For more information about the LCFF or the LCAP, see the CDE LCFF web page at [www.cde.ca.gov/fg/aa/lc/](http://www.cde.ca.gov/fg/aa/lc/)

For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at [dq.cde.ca.gov/dataquest/](http://dq.cde.ca.gov/dataquest/) that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) [www.caschooldashboard.org/](http://www.caschooldashboard.org/) reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2021-22 School Overview

### District Vision

It is the vision for each student to become a life-long learner and productive citizen, leading a fulfilled life. Included in the vision of the Charter is the drive to enable students to become educated citizens, who will be literate, have problem solving skills, be self-motivated, able to utilize technology, and become socially responsible. We work everyday to find a way for all students to learn.

### Principal's Message

Linking community traditions to our continuously working to meet educational goals and providing universal access is the core of Roosevelt School's philosophy. The first Roosevelt School established in 1921 was the third school built in Kingsburg. The Works Project Administration under Franklin D. Roosevelt constructed the current building in 1938. We are currently an all First Grade School. Roosevelt was initially established as a sixth, seventh, and eighth grade school and was restructured into a fifth and sixth grade school in 1992. In 1996, the staff of the Kingsburg Elementary School District, in conjunction with the citizens of the community, adopted a charter school compact. This allowed Roosevelt School to become a charter school within the Kingsburg Elementary School District, the second in the State. Through this living document, the charter, Roosevelt, has been able to adopt creative methods of educating, using researched-based best practices, while maintaining the traditional high standards expected by the Kingsburg Community.

Roosevelt is a family of 199 students and 31 staff members with a commitment to excellence. With the unique grade configuration of the schools in our District, there is a common thread that unites the students as they transition into and out of the schools throughout the years. Together, they develop strong friendships where diversity is welcomed. The staff takes pride in knowing generations of families. Roosevelt has developed a strong partnership with the community it serves, where high expectations for academic standards, citizenship, community service, recreation, and traditional values are embraced in the framework of a caring community. The parent community who works alongside our students on a regular basis are evidence of this fact.

The Roosevelt staff is a highly-qualified and enthusiastic group of professionals, who are dedicated to bringing out the best qualities in our students, ourselves, and in the work that we do together. We are truly an organization that respects learning, honors teaching, and teaches so students gain understanding. The staff collaborates in many ways, with a focus on the academic success of each student embedded into every aspect of planning, organization, and use of resources—materials,

fiscal and personnel. The maintenance staff is an important part of the learning community, taking pride in making this historical building a place where students and staff are honored to attend. In addition to maintaining grounds and facilities, it is not uncommon to find this staff assisting students, decorating Christmas trees, and enjoying each other's company. Roosevelt is proud to be a member of the Kingsburg Elementary Community Charter District. We will find a way for all students to learn!

## A. Conditions of Learning

### State Priority: Basic

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair

Note: For more information refer to the Updated Teacher Equity Definitions web page at <https://www.cde.ca.gov/pd/ee/teacherequitydefinitions.asp>

## 2020-21 Teacher Preparation and Placement

<b>Total Teaching Positions</b>	10.0	100.0	96.5	100.0	274759.1	100.0

Note: The data in this table is based on Full Time Equivalent (FTE) status. One FTE equals one staff member working full time; one FTE could also represent two staff members who each work 50 percent of full time. Additionally, an assignment is defined as a position that an educator is assigned to based on setting, subject, and grade level. An authorization is defined as the services that an educator is authorized to provide to students.

## 2021-22 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Roosevelt utilizes McGraw Hill math, Houghton Mifflin for English Language Arts and for our English Learner (EL) instruction. All textbooks are adopted from the most recent State-approved list and consistent with the content of the California Frameworks. All students, including English Learners, have equal access to their own textbooks and instructional materials, to use in class and to take home.

## School Facility Conditions and Planned Improvements

Roosevelt Elementary School was originally constructed in 1938 and is comprised of 22 classrooms, an auditorium, a cafeteria, a library, computer lab, staff room, and a playground.

**Cleaning Process:** The principal coordinates with the custodial staff of two to ensure that the cleaning of the school is maintained to provide for a clean and safe school. The District Governing Board has adopted cleaning standards for all schools in the District. A summary of these standards is available at the District Office for review. Additional steps to reduce the chance of virus' spreading have been taken, such as each room is treated with a sanitizing mist before the next school session. Surfaces are wiped down daily.

**Maintenance and Repair:** District maintenance staff ensures that the repairs necessary to keep the school in good repair and work orders are completed in a timely manner. A work order process is used to ensure efficient service and the highest priority are given to emergency repairs.

The District participates in the State School Deferred Maintenance Program, which provides State-matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repair or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems.

## B. Pupil Outcomes

### State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

#### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

#### SARC Reporting in the 2020-2021 School Year Only

Where the most viable option, LEAs were required to administer the statewide summative assessment in ELA and mathematics. Where a statewide summative assessment was not the most viable option for the LEA (or for one or more grade-level[s] within the LEA) due to the pandemic, LEAs were allowed to report results from a different assessment that met the criteria established by the State Board of Education (SBE) on March 16, 2021. The assessments were required to be:

- Aligned with CA CCSS for ELA and mathematics;
- Available to students in grades 3 through 8, and grade 11; and
- Uniformly administered across a grade, grade span, school, or district to all eligible students.

#### Options

Note that the CAAs could only be administered in-person following health and safety requirements. If it was not viable for the LEA to administer the CAAs in person with health and safety guidelines in place, the LEA was directed to not administer the tests. There were no other assessment options available for the CAAs. Schools administered the Smarter Balanced Summative Assessments for ELA and mathematics, other assessments that meet the SBE criteria, or a combination of both, and they could only choose one of the following:

- Smarter Balanced ELA and mathematics summative assessments;
- Other assessments meeting the SBE criteria; or
- Combination of Smarter Balanced ELA and mathematics summative assessments and other assessments.

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative test suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

The 2020-2021 data cells have N/A values because these data are not comparable to other year data due to the COVID-19 pandemic during the 2020-2021 school year. Where the CAASPP assessments in ELA and/or mathematics is not the most viable option, the LEAs were allowed to administer local assessments. Therefore, the 2020-2021 data between school years for the school, district, state are not an accurate comparison. As such, it is inappropriate to compare results of the 2020-2021 school year to other school years.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

The 2019-2020 data cells with N/A values indicate that the 2019-2020 data are not available due to the COVID-19 pandemic and resulting summative testing suspension. The Executive Order N-30-20 was issued which waived the assessment, accountability, and reporting requirements for the 2019-2020 school year.

For any 2020-2021 data cells with N/T values indicate that this school did not test students using the CAASPP Science.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2021-22 Opportunities for Parental Involvement

Parents and the community are very supportive of the education program at Roosevelt Elementary School, and participate on the School Site Council/English Learner Advisory Council. The Roosevelt Parent Club benefits all children and is open for all parents to participate. Roosevelt Elementary School's students in need receive assistance from Kingsburg Community Assistance Programs (KCAPS). KCAPS provides students from needy families with backpacks, clothes, food, and counseling services. We also have several staff members that when they see a need take care of it themselves out of the kindness of their heart.

Parents who wish to participate in Roosevelt Elementary School's Site Council, English Learner Advisory Council, school committees, school activities, or become a volunteer may contact the school at (559) 897-5193.

### State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety

### Suspensions and Expulsions

This table displays suspensions and expulsions data collected between July through June, each full school year respectively. Data collected during the 2020-21 school year may not be comparable to earlier years of this collection due to differences in learning mode instruction in response to the COVID-19 pandemic.

Subject	School 2018-19	School 2020-21	District 2018-19	District 2020-21	State 2018-19	State 2020-21

<b>Expulsions</b>	0.00	0.00	0.00	0.00	0.08	0.00

This table displays suspensions and expulsions data collected between July through February, partial school year due to the COVID-19 pandemic. The 2019-2020 suspensions and expulsions rate data are not comparable to other year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to other school years.

## 2021-22 School Safety Plan

Roosevelt Elementary School provides a safe and clean environment for students, staff, and volunteers. Safety of students and staff is a primary concern of Roosevelt Elementary School.

The school is always in compliance with the laws, rules, and regulations pertaining to hazardous materials and state earthquake standards. At the beginning of the year the staff and School Site Council review the safety plan. Key elements of the safety plan include identifying the level of a potential threat, protective options, staff initial action/response, incident coordinator, and incident management team. We practice fire drills once a month and earthquake as well as lockdown drills at least twice a year.

The teachers, paraprofessionals, and the principal supervise students continuously throughout the day. There are designated areas for student drop-off and pick-up. Visitors must register at the office and receive a visitor's pass that must be displayed at all times. Kingsburg Elementary Charter School District encourages volunteers in the classroom, field trips, and with special projects. All school volunteers in direct contact with students are required to complete a District application form, provide evidence of a clear tuberculosis (TB) screening, and receive a Megan's Law check. The District clears all volunteers with the local police department through an automated record check. Volunteers working more than 10 days per month will need to fill out additional forms and submit to fingerprinting.

Sanitizing and safety precautions to address COVID concerns have been added to this year's safety plan.

The Safety Plan was reviewed with staff on: August 2021 and approved by School Site Council on 12-2-21.

Professional Development

Staff members build teaching skills and concepts through participation in professional learning communities (PLCs) and workshops throughout the year such as SIOP, ELD, Guided Reading, and ELA training. This includes district wide, two professional development days.  
(The annual preservice PD days were cancelled, due to COVID. This year teachers had the option to participate in a half day virtual professional development series of workshops.)

Kingsburg Elementary Charter School District's Beginning Teacher Support and Assessment (BTSA) program provides new teachers (those with less than three years of full-time teaching experience) and affected veteran teachers with personal support, guidance, modeling, direction, and mentoring in the areas of subject matter knowledge, teaching strategies, classroom management, and overall professional competence. In addition, the District also provides time and resources for collaboration, planning, and professional development for all staff.

We have had ongoing PD for our Writing Units of Study to deepen our understanding and delivery of the writing framework with whole staff training and then individual coaching offered for all teachers. We recently have had profession development training on the use of Zoom the live connection format used to deliver instruction. We have also had training for all teachers on the supplemental ELD program Imagine Learning.

This table displays the number of school days dedicated to staff development and continuous improvement.
