Revised 09/2020

**CALIFORNIA-HAWAII ELKS  
MAJOR PROJECT, INC.**

**ELKS PROGRAM  
FOR CHILDREN WITH  
DISABILITIES REFERRAL  
PROCEDURES**

**for  
Riverside and  
San Bernardino  
Counties**

## **California-Hawaii Elks Major Project has been providing therapy services to children since 1950.**

### **ELIGIBILITY REQUIREMENTS**

1. The child would benefit from home-based therapy services. This is determined by the Major Project therapist after evaluating the child and/or review of past reports and recommendations.
2. The child is not receiving nor is eligible to receive Physical Therapy services from any other agency or professional.
3. The child is younger than 18 years of age.
4. A parent/guardian or designated adult must be present for all therapy sessions.
5. A parent/guardian is required to be actively involved and follow through with home program activities/suggestions made by the therapist
6. The environment in which service will be provided must be safe and conducive to meet therapy goals.

### **LOCATION OF THERAPY SERVICES:**

Therapy services take place at the child's home or at a location that is mutually agreed upon.

### **FEEES**

There is no fee for these services. The program is funded entirely by the generous donations of members and friends of the California-Hawaii Elks Association.

### **HOW TO REFER**

Children can be referred to the program by a number of people; i.e., parents, Elk members, teachers, etc. However the parent/guardian must contact the therapist directly to initiate services.

We appreciate hearing from you regarding potential clients. Please include the following with your referral:

1. Child and parent/guardian's legal names.
2. Contact phone number, mailing address, and home address.
3. Diagnosis and reason for referral.
4. Birth history, current and pertinent medical information and assessments (brief).
5. List of agencies involved, contact person and phone numbers; i.e., CCS, Regional Center, Easter Seals, School District, etc.

There may be a waiting list for services.

**Thank you for supporting children in our community.**
