Dear Parents,

On behalf of the KIS administration and the KIS athletic department, we welcome you to another exciting year of KIS (Wolves) athletics.

This athletic handbook has been developed to assist student-athletes and their families gain a better understanding of the procedures, policies, guidelines, responsibilities and expectations of participation in KIS athletics.

The KIS athletic program has grown tremendously over the last several years. The growth which has taken place has enabled us to develop a good reputation and become a competitive member in the conferences we participate in. The KIS athletic department and administration understand and support the importance of co-curricular activities. We understand that through athletics student-athletes gain an opportunity to learn and demonstrate sportsmanship, cooperation, leadership, teamwork and resilience. Through our high quality athletic program student-athletes will challenge themselves to be the best while ensuring good sportsmanship is always at the forefront of what they do.

This year KIS will compete as a full member of the Confederation of Almaty Schools and Head Teachers (COASH) and we aspire to become an associate member of the Central & Eastern European Schools Association (CEESA) & Central Asian Football Association (CAFA) in March 2023. Our competitions will allow KIS student-athletes to compete in a high quality atmosphere both locally and internationally.

We are excited to begin the school year and feel lucky to be part of a great athletic program. We look forward to working with you throughout the year creating competitive sports teams and a program we can be very proud of.

Sincerely,

*Kyle Cloete*

Kyle Cloete  
Athletic Director

## SECTION A: STATEMENT OF PURPOSE

### 1.0 KIS - Mission Statement

The KIS community nurtures a growth mindset through a holistic education that connects cultures.

### 2.0 KIS – Core Values

At KIS we value the following:

- **WE VALUE LEARNING.**
  - Knowing how to learn is key to success in one’s life; learning takes place not only in academics, but also in relationships, self-development and general wellness.
- **WE VALUE SAFETY**
  - In order to learn, people must be in a physically and psychologically safe environment.
- **WE VALUE DIGNITY**
  - all people have dignity and deserve to be treated with respect.
- **WE VALUE DIVERSITY**
  - All people can learn and all learners learn differently.
  - We believe there are different ways to be “right”.
- **WE VALUE RESILIENCE**
  - setbacks and mistakes are learning opportunities in all areas of learning.
- **WE VALUE RELATIONSHIPS**
  - when trust is broken, it must be repaired.

### **3.0 KIS Athletic Department – Mission Statement**

KIS athletics supports the mission statement of the school and contributes to the overall educational program. The KIS athletic department will provide competitive athletic opportunities to as many students as possible, believing participation in athletics will enhance the development of the overall student.

KIS athletics strives for broad participation and competitive excellence, while encouraging the highest levels of sportsmanship and fair play.

The KIS Athletic Department believes the welfare of each student is our primary concern – academically, physically and emotionally.

### **4.0 KIS Athletic Department – Philosophy Statement**

The KIS Athletic Department strives to create and maintain an environment conducive to the academic and athletic growth of each student based upon the guidelines emphasized:

- a) The KIS Athletic Department will offer a number of sporting opportunities enhancing the educational development of each student. The experiences gained through athletic participation will aid in the development of favorable habits and attitudes.
- b) The students who participate in athletics at KIS will learn valuable lifelong lessons in sportsmanship, teamwork, collaboration, resilience, and competition, all of which are integral parts of each athletic team's goals.
- c) KIS athletics will play an important role in helping each student develop a healthy self concept and a healthy mind and body.

### **5.0 KIS Statement of Sportsmanship**

The purpose of the KIS Athletic Department is to provide opportunities for students to compete in a safe, challenging, educational and professional environment. Students will be provided opportunities to showcase their talents while maintaining a spirit of respect and cooperation with fellow athletes, coaches and officials.

Each event includes students and adults in various roles; athletes, coaches, officials, spectators. Everyone involved must uphold the spirit of good sportsmanship and fair play. This spirit is upheld by athletes demonstrating respect for fellow competitors, coaches providing positive comments and encouragement, officials offering impartial judgment during contests, spectators showing respectful enthusiasm.

Adults act as role models for our athletes. Therefore, profanity, deliberately distracting noises to interfere with the performance of a competing athlete, the verbal or gesturing condemnation of coaches or officials, or any behavior that is disrespectful or degrading to KIS Athletic Department's mission statement and philosophy jeopardizes the quality of experience for the athletes.

Finally, the KIS Athletic Department asks all athletes, coaches, officials, parents and spectators to demonstrate good sportsmanship and be mindful of their actions during athletic contests.
