

# SECONDARY SCHOOL SCIENCE TEACHER

Start date: Immediate Hire

[https://www.aas.ru/  
about-us/employment](https://www.aas.ru/about-us/employment)

*The Anglo-American School of Moscow only accepts resumes in English. Interviews and communications are conducted in English language. Fluent spoken and written English language (C1 or a C2 level) is a must.*

**TYPE OF JOB:** Full time

**ROLE LEVEL:** Non-managerial

**REPORTS TO:** School-Wide Principal(s)

## GENERAL DESCRIPTION

The Teacher is responsible for teaching science to students in Middle and/or High School. The person in this position must be flexible, qualified & capable of instruction in a variety of levels across Secondary School. Class sizes range from 8-18, typically averaging 12 students. The number of students per class is dependent upon student enrollment/selection of each course, and may vary from semester to semester.

The Teacher plans and organizes lessons in accordance with the AAS adopted curriculum and the students' grade level. The Teacher must be able to communicate well with students, parents, leadership and colleagues, and possess the ability to be flexible and creative with lesson plans to reach students of varying abilities. S/he also helps students develop social skills and positive learning habits in an enthusiastic, stimulating, and positive, inquiry-based classroom environment.

A primary responsibility is to develop and implement curriculum, in collaboration with colleagues; and plan engaging lessons. The Teacher interacts frequently with students' parents/guardians, in a variety of ways, to effectively communicate progress using standards-based assessments, and is responsible for a variety of other communications. The Teacher also is responsible for additional supervision during the school day outside of classes taught. The Teacher proactively participates in continuing professional education on a regular basis.

The Teacher maintains the highest levels of confidentiality and establishes professional relationships with students, parents/guardians, staff, substitutes, and all AAS Community members.

## The Secondary School Teacher

- Communicates effectively with proficiency in English.
- Embraces the AAS Mission, Vision, and Core Values.
- S/he promotes the School and the services provided by the School in all words, actions, and behaviors.
- Responsible for the written, taught and assessed curriculum.

## QUALIFICATIONS AND REQUIREMENTS

### Required

- Two or more years of full-time, full-year teaching experience upper elementary, middle and/or high school classrooms
- Academic background or experience in the area to be taught

- Bachelor's degree or higher education
- Certification in Elementary Education or Secondary Education
- Commitment to being an integral part of the AAS learning community
- Dedication to being a reflective practitioner
- Collegial and cooperative relationships with colleagues
- Ability to lead co-curricular activities
- Experience and willingness to lead co-curricular activities
- Demonstrated proficiency with common technology applications (Microsoft Suite, GSuite, Outlook, etc.) and ability to learn new technology and applications
- Speak, read and write in English fluently, according to the CREF standards, C1 or a C2 level, as determined by the external AAS testing provider
- Must be eligible to receive a security clearance certification (provided by AAS)

### Preferred

- 5 years experience as a classroom teacher
- Master's Degree in Education
- Understanding of and experience using standards-based grading and reporting
- Understanding of and experience also in inquiry based science curriculum

### KNOWLEDGE, SKILLS AND ABILITIES

- Excellent communication skills, both verbal and written
- Ability to work independently and as part of a team
- Ability to work cooperatively and collaboratively with others
- Demonstrated analytical, problem solving and time management skills
- Ability to work in a fast-paced environment, manage shifting priorities
- Demonstrated poise, tact, and diplomacy

*The above statements are intended to describe the general nature and level of work performed. They are not to be construed as an exhaustive list of all responsibilities, duties, and skills required of this position.*
