

Strategies for Generating Personal Narrative Writing

Think of a **person** who matters to you, list small moment stories connected to him/her and write one.

Think of **first times, last times, or times you realized something**, list stories you could tell about each and write one.

Think of a **place** that matters, list small moments that occurred in that place and write one.

Think of a **strong feeling**. List stories of particular times you felt it and write one.

Live differently because you are a writer. Notice small moments, and capture them in entries.

Read the words another author has written and allow them to spark your own story ideas.
