### CURRICULUM AND GRADING

- The Episcopal Academy does not rank students.
- All courses are college preparatory.
- A GPA is calculated at the end of every academic year and includes grades earned at EA and for Global Online Academy classes completed in summer 2020.
- EA considers AP and honors courses to be of similar rigor and accordingly weights both AP and honors courses by adding .3 to the regular grade. An A+ in a regular class is a 4.3; for honors and AP classes, an A+ is a 4.6.
- Due to the structure of the curriculum and scheduling parameters, few students take AP classes prior to junior year.
- EA offers 47 honors courses and 24 AP courses, which include:

Art History	Computer Science:	French	Statistics
Biology	Java	Human Geography	Studio Art
Calculus AB	Computer Science	Latin	US Government
Calculus BC	Principles	Macroeconomics	& Politics
Chemistry	Environmental	Microeconomics	US History
Chinese	Science	Physics 1, 2, & C	World History
	European History	Spanish	

### COVID-19 INFORMATION

In March 2020, EA moved to online learning as a result of COVID-19. The rigor and high standards for which EA is known remained the same, as did the grading system. The 20-21 school year began online; students returned to the physical classroom on Sept. 21. During that period, the time for extracurriculars and athletics was limited.

### 2022 ADVANCED PLACEMENT SCORES

304 students sat for 651 exams in 24 subjects; 78% of scores were 3 or higher.

### MAY TERM

May Term is a two-week, interdisciplinary program at the end of the second semester. Students take one intensive course on or off-campus. Courses are hands-on, experiential and/or project based. Due to COVID-19, May Term was cancelled in spring 2020 and 2021.

### GLOBAL ONLINE ACADEMY (GOA)

Global Online Academy is a group of leading independent schools around the world. Students with particular academic passions or who wish to pursue topics not offered within the EA curriculum may enroll in for-credit courses through GOA. Except for summer 2020, the grades earned are not calculated in the GPA; the classes, credits, and grades are included on the transcript.

### AMERICAN STUDIES

A two-credit course that meets both the American Literature and US History requirements, American Studies is an interdisciplinary approach to the study of colonial to modern American culture through investigating the interplay of national identity, class, race, and gender.

### LILLEY FELLOWSHIPS

Established in fall 2018, the Lilley Fellowship Fund awards fellowships to students who exemplify academic curiosity, intellectual rigor, and scholarly passion. The Fellowship program is modeled after Yale University's Scholars of the House program that ran from 1945-1995.

The Lilley Fellowship Program offers two research opportunities available to Upper School students who work in conjunction with faculty mentors:

The traditional *Fellowship* interdisciplinary project is awarded to students for work undertaken from January to August. Students devise and curate their own topic and project/initiative.

The *Advanced Independent Study* is a graded, honors-level course that allows students to deeply explore a topic firmly within a particular discipline for either a semester or entire year.
