

## Truancy Procedures

A student absent without the consent of his/her parents is truant and will be given an unexcused absence. An absence can be noted as a medical excuse by bringing in a dated slip from the doctor's office stating that the student was seen.

A student is truant for any of the following reasons:

- Leaves school without signing out in the front office.
- Leaves school at lunch.
- Is absent from school without prior permission from the parents.
- Is absent from class without permission.
- Obtains a pass to go to a certain place and doesn't report there.
- Comes to school but does not attend classes.

Excessive Truancy may result in school level consequences, up to suspension.
