

We are looking to hire someone for the tentative position of **High School Science Teacher** for the next school year (2023-2024), according to the following skills and qualifications:

Position Details

Position Name: High School Science Teacher

Position dependence: High School Principal

Time commitment: Full-time

Qualifications and Experience

- Biology, Chemistry, Physics teaching experience (grade 9/10 level);
- Science teaching experience using the Next Generation Science Standards (NGSS) **(required)**;
- IB science teaching and training in IB Environmental Systems & Societies (ESS).
- Solid conceptual and applied knowledge of current research and trends in curriculum, instruction, and assessment;
- Demonstrated experience collaborating with colleagues;
- A minimum of 2 years of teaching experience;
- High level of English proficiency required.

Skills, Attitudes, and Dispositions

- Genuine enjoyment of working with high school aged students;
- Excellent communication skills;
- Commitment to engaging in collaborative processes;
- Ability to reflect and demonstrate a growth mindset;
- Willingness to explore, embrace, and value Chilean culture;
- Understanding and appreciation of multicultural contexts.

School Core Values

- **Engagement:** Approach life and work with complete attention, involvement and curiosity with the responsibility to make a positive difference in the world
- **Ingenuity:** Exhibit creative problem solving through experimentation, collaboration, research, and play
- **Adaptability:** Being able to adjust and thrive in a complex, rapidly changing environment
- **Generosity:** Ability to treat others with empathy, kindness, and respect in both word and action
- **Happiness:** Demonstrate to pursue happiness as a life goal, with awareness that some of the journey will be difficult, requiring self-knowledge and fortitude

Primary Responsibilities

- Contribute to fostering the mission, vision, and values of Nido;
- Engage in the Nido community by promoting a positive, collaborative school culture;
- Teach five sections of science courses;
- Collaborate with the Science department to further develop and improve the Science curriculum- this includes participating in weekly curricular planning meetings with course-alike teaching partners;
- Serve as an Advisor for a small group of 8-12 high school students;
- Engage in the co-curricular program at Nido by advising a club or coaching an athletic team;
- Participate in the annual Week Without Walls program.

International School Nido de Aguilas is an equal opportunity employer. We thrive on being a diverse environment and seek the best talents who will contribute to generating an inclusive work environment. All qualified applicants will receive consideration for employment without regard to their gender, age, religion, race, ethnicity, marital status, cultural background, sexual orientation, languages, abilities, or any other personal characteristic.

Interested candidates should address their letter of interest along with their CV and reference list in English to Kate McKenna, High School Principal (kmckenna@nido.cl). Candidates should note in their interest letter if they are registered with any recruiting agencies, such as Search Associates, ISS, GRC, Carney Sandoe, etc.
