

Welcome to the Endsleigh Insurance Portal

Endsleigh are pleased to be working with Culford School to provide cover for your child's insurance needs through our new, easy to use, insurance portal.

We're here so you can choose to be protected if the worst were to happen and your child goes sick, they are injured, or their possessions are damaged - without a stack of paperwork to fill in!

Register to confirm your cover:

1. Click here to register <https://portal.endsleigh.co.uk/registration?code=52>
2. Register your details and add your child's details. If you have more than one child at school, you'll be able to add them separately.
