Jasmine Gonzalez teaches Spanish here at South and was nominated by a colleague: "We had a Spanish speaking family come in to make a fee payment. Without asking, Ms. Gonzalez greeted the family in Spanish and talked to this family for 20 minutes about issues they were having in school, like language issues in Algebra class for their son. Then she walked back with the mother and father and assisted with the fee payment. Jasmine was in the office assisting this family for over 30 minutes!" Thank you Ms. Gonzalez for going above and beyond in service to South families!

*Email Dr. Dain to nominate a South staff member for the Hard Hat Hero Award*

## ACT Test Prep Class

Want to increase your ACT score? Apply for more scholarships? Improve your chances for admission at your college of choice? Then this class is for you.

**WHEN:** Friday, Oct 14, 2022; 8:30 AM – 2:15 PM CT

- **Math** - Learn what problem-solving skills and math skills you need.
- **Reading** - Learn your best method for doing well on ACT reading.
- **Science** - Learn common question types and what's really required to do well.

**COST:** \$65 per student

**REGISTRATIONS AFTER 10/07/22 ARE \$75**

About the Program: Carolyn Devane has been teaching ACT classes and helping thousands of students improve their scores since 1999. Here's what students are saying:

"My score increased from a 26 to a 29, and I pushed my superscore up to a 31. Really glad I attended. Thanks." - Dalton, Purcell HS, OK (July 2021)

"I took your class at the K-State campus in August 2020! I was the kid who said you raised my score by 3 points! Well, guess what? You have outdone yourself once again! I received, with a super score, a 26 on the ACT! That's a 2-point increase from my previous score! I also have to say that my score in my math section raised 5 points!! I used all your tips. I am in no shape or form the best at math, but this math score really made me proud of myself. I just wanted to let you know that both of your classes have helped me to become a better test taker and a more accomplished student, and I want to thank you!!" -Tobias, SM West HS (October 2020)

"Not going to lie. I'm scared to tell my mom that this singular course was much more effective than the ACT course she enrolled me in. I think I can finally get my 36 and be less scared to apply to my dream Ivy League School. — Anonymous Student, KSU ACT Class (June 2019)

"I took the class a week before the April ACT, and I improved my composite score by 3 points to a 30. I brought my English score from a 24 to a 31 and my Science from a 25 to a 31. The class really helped me with strategies." -Bobby, Eudora HS (May 2018)

"I heard a lot about the class from my brother and, while it helped him raise his composite score by four points, I was a bit skeptical that one class could make such a difference. I was wrong! My composite score rose four points as well and my science score went from a consistent 22 to a 31 on the test right after I took the class! I am grateful that I was able to raise my score, allowing me to qualify for thousands more dollars in scholarships, and I credit all of this to the great class." - Ben, Abilene HS (June 2017)
