<u>UNIVERSAL PHILOSOPHY:</u> <i>FINANCING A COLLEGE EDUCATION IS "A PARTNERSHIP"</i>	<u>FILOSOFÍA UNIVERSAL:</u> <i>FINANCIAR UNA EDUCACIÓN UNIVERSITARIA ES "UNA ASOCIACIÓN"</i>
• Students and their parent(s) have the primary responsibility to pay for college (to the extent they are able). • Financial aid assessment is NOT a cash flow analysis but rather an evaluation of an individual family's appropriate economic strength. • The contribution is determined by a standard formula that assesses a family's ability to pay. • Special circumstances matter; they can and do affect ability to pay. • Communication is vital. • The Financial Aid Office is your advocate!	• Los estudiantes y sus padres tienen la responsabilidad principal de pagar la universidad (en la medida de lo posible). • La evaluación de la ayuda financiera NO es un análisis de flujo de efectivo, sino una evaluación de la solidez económica adecuada de una familia individual. • La contribución se determina por una fórmula estándar que evalúa la capacidad de pago de una familia. • Las circunstancias especiales importan; estas pueden y afectan la capacidad de pago.
