## SENIOR NEWS

As we move towards November, it is important that seniors prioritize pursuing scholarship opportunities. This requires additional time and effort, but the payoff is worth the work. As mentioned in the presentation to seniors last month, there are "layers" of scholarships to pursue: national, state, regional, local, and college/program specific scholarships. Here are some important dates to remember:

- October 1: FAFSA opened. If you have not yet completed this task, this is the first priority.
- November 1: OSAC (Oregon Student Assistance Commission) scholarship portal opens
- December 1: Benton Community Foundation Scholarships open
- January 1: Philomath Community Foundation Scholarships open

The PHS Counseling Department also keeps a running list of [state and local scholarships](#).
