TIGER STORE

PBIS REWARDS APP

PBIS
Rewards®

The screenshot shows the PBIS Rewards app interface for Longden Elementary School. The main heading is "REWARD A STUDENT". Below this, there is a search bar for a student and a list of student avatars. A "TEST" badge indicates "Test Student Data Not Recorded" with a "Current Balance: 100" and "No Check N/A". There are checkboxes for "Kind", "Safe", and "Responsible", and a "Comment (optional)" field. A "REWARD 1" button is visible. On the right, a user profile for "Denny Ramirez" shows a "Star Yearly Total 15" and "Admin Favorited Reports".

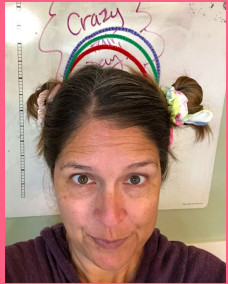

GOING ALL THE WAY UP!

- The PBIS School Recognition Application process recognizes schools for fidelity of PBIS implementation and for achieving valued outcomes at the Bronze, Silver, Gold, or Platinum Levels.
- The process highlighted the work Longden had done in implementing the PBIS framework with fidelity and culminated with classroom walkthroughs by an external reviewer from the Los Angeles Office of Education (LACOE)
- Longden applied for silver recognition, and we achieved that goal!
- Longden will be going for the **GOLD** this year!

FUN TIMES @ LONGDEN

THANK YOU!
