Good evening Leopard Families,

This is superintendent Michele Shaffer. I wanted to update you on some exciting events we have scheduled in the coming weeks.

First, as part of Louisville Community Academy, our middle school will be hosting a Parent Cafe for all families in the district on Tuesday, November 1 from 6:00-7:00 p.m. The topic will be Internet Safety. Our speaker will be providing families with helpful and valuable tips related to digital wellbeing, cyberbullying, and how to be more engaged with your child's Internet life. A registration form will be sent to all families via email tomorrow, Monday, October 17, so you can let us know you'll be attending.

This past week we also opened registration for Louisville Community Academy's parent-child and adult classes. Within an hour and a half, two classes were already filled. We added more spots to our parent-child class, and within eight minutes, it was full again. Our CPR class still has available spots. If you're interested, you can find the registration link under the Community portion of our website. Watch for more class offerings to come in 2023.

With that, our website now has a fresh, new look. Thank you to our PTOs, athletic boosters, staff, and community members for your feedback. We hope it is now more intuitive and easy to navigate.

Finally, our fall Paw Prints should have been delivered to mailboxes this weekend. We filled it with students' pictures and district events and activities. Please call our administrative office if you did not receive your copy.

Thank you for your time. Enjoy the rest of your evening, and Go Leopards!

Michele Shaffer
