

Advisory Committees

The Board of Education of Fountain-Fort Carson School District #8 encourages the participation of citizens of the district in decisionmaking processes. However, the legal responsibility for decisionmaking in all matters of policy and operation rests with the Board.

1. **Board appointed advisory committees**, both district-wide and at the school level, shall function within organizational frameworks approved by the Board. A staff member or members will be assigned to each group to help it develop an appropriate constitution and/or bylaws, carry out its functions and coordinate its work with other advisory and staff groups. Only the Board shall have the authority to dissolve committees it has created.
2. **School and district-level advisory committees that are required under federal and state programs** shall be formed and shall function in accordance with the requirements pertaining to each specific federal or state program. The Board shall grant to those bodies the advisory responsibilities relevant to the planning, implementation and evaluation of such program or project as required by law.
3. **Community groups** that are neither appointed by the Board nor formed as required under federal or state programs are encouraged to offer suggestions and advice to the Board in order to assist it in the decision-making process. The final responsibility for all decisions, however, rests with the Board of Education alone.

Appointments of citizens to advisory committees shall be approved by the Board. An advisory committee member shall be removed from office by the Board if that member does not attend three consecutive meetings unless the committee by resolution approves any additional absences or unless such absences are due to temporary disability or illness. In addition, the committee by majority vote may request the removal from office of any member. Such removal shall require subsequent Board approval.

Committee meetings shall be open to the public as required by law. Meeting notices shall be posted in the same place and manner as notices of Board meetings.
