

## **Board Member Development Opportunities**

The Board of Education places a high priority on the importance of a planned and continuing program of in-service education for its members. The central purpose of the program is to enhance the quality and effectiveness of public school governance. The Board shall plan specific in-service activities designed to assist Board members in their efforts to improve their skills as members of a policy making body; to expand their knowledge about trends, issues and new ideas affecting the continued welfare of local schools, and to learn about and practice effective governance.

The public shall be kept informed about the Board's continuing in-service education and about the programs anticipated for short- and long-range benefits to the schools.
