

Report Cards/Progress Reports

The Board feels that it is essential for parents to be kept fully informed of their student's progress in school.

The type of progress reports sent to parents/guardians shall be devised by the professional staff in each building.

Except for the college entrance exam, results of the Colorado State Assessment Program shall be included on each student's final report card for that school year and made part of the student's permanent academic record. Results of the college entrance exam shall be included on each student's transcript. However, if a student retakes the exam at a later time at the student's expense, the student may request that the later results be placed on the transcript in place of the earlier results.

A report shall be provided to all parents four times a year with supplementary reports as needed. Supplementary reports shall be required for students in danger of failure. It also is recommended that notes of praise or letters noting outstanding achievement be sent whenever a teacher feels a student deserves recognition. Conferences also shall be used as an integral part of the reporting system.
