

## State Performance Plan/Annual Performance Report (SPP/APR) Share Your Voice! Stakeholder Feedback Sessions Division for Special Education Services & Supports

The SPP/APR is a report submitted annually to the federal government to examine the progress and status of Georgia in implementing the Individuals with Disabilities Education Act (IDEA) for students with disabilities. The input of Georgia's stakeholders in this process is critical!

Families, educators, and students with disabilities are invited to register and participate in one of the stakeholder input sessions below to review the current SPP/APR Indicator data including the areas of graduation, dropout, assessment, and environment. Participants will have the opportunity to provide input on possible baseline and target changes as indicated by the data.
