Demographics

Demographics Summary

International Leadership of Texas is a public charter school system with the mission of providing students with an exceptional leadership role in the international community by emphasizing servant leadership, mastering the English, Spanish, and Chinese languages, and strengthening the mind, body, and character. ILTexas Saginaw K-5 began serving the community of Saginaw in the school year 2017-2018. As an international school, ILTexas has attracted families from a wide range of ethnic backgrounds and socio-economic statuses. We also pride ourselves in surrounding our students with educators with a wide range of ethnic backgrounds and experiences.

Demographics Strengths

We use a number of sources to find high caliber staff such as our campus website, the Teacher Job Network (TJN), and Region 10 and 11 job fairs. The majority of core and LOTE teachers are at a highly qualified status in accordance with ESSA. We have 84 staff members who hold a teaching position with 31 having a Texas certification. Our interview process clearly outlines the mission, philosophy, and expectations for our campus. We have recruited teachers from Spain and China to teach our trilingual model. The International Leadership of Texas, Saginaw campus will continue to work with regions 10 & 11 and the district to actively find qualified teacher candidates to fill positions within the school. Teachers have the professional freedom to be innovative and creative. They have opportunities to have input into decision making on campus. We will continue to have ethnic diversity in our faculty/staff population, we are truly international. We have faculty/staff from Mexico, Puerto Rico, Spain, China, and more. Finding highly qualified teachers to teach our trilingual model has required us to look outside of the US for teachers. This year we have the recruitment of teachers from Spain and China. This year we have also increased the number of teachers that meet certified status. There have also been salary increases for teachers, making our salary a little more competitive with local Independent School Districts.

Problem Statements Identifying Demographics Needs

Problem Statement 1 (Prioritized): ILTexas Saginaw is not inclusive of all constituents in campus decision making **Root Cause:** System for increasing campus leadership not followed with consistency to increase participation and empowerment of staff.

Problem Statement 2 (Prioritized): The campus is experiencing difficulty retaining teachers. High percentage of staff has 2 years, or less, as classroom teachers. **Root Cause:** Teachers and staff do not get paid equal to the surrounding ISD's. The teaching job market is competitive where ISD's are able to pay higher salaries.

Student Learning

Student Learning Summary

From the 2021 STAAR test, Saginaw K-8 lagged behind the state in all contents and all grades. The largest gap was in math.

2021 STAAR Math

Student Learning Strengths

In past years the campus was above the state average in reading. This year reading scores were below the state average in approaches, meets, and masters. However, the gap was the lowest in 4th grade reading, with the campus below the state by 5.88 percentage points. Fourth grade reading also had a gap of 7.8 in the masters category, which was the smallest gap.

Our teachers, students, parents, and community members work well to support the learning for all students. Parents work in collaboration with the school community to support the efforts to ensure that every child reaches their full potential. We celebrate our student's academic success, character development, and putting "Others Before Self". We also recognize the staff in displaying the characteristics of putting "Others Before Self" as well.

Problem Statements Identifying Student Learning Needs

Problem Statement 1 (Prioritized): PD/PLC is not targeted toward data analysis, reteach, and school-wide instructional practices. **Root Cause:** PD/PLC is not followed up with support, check on implementation, and there is long time gaps between follow-up PD sessions.

Problem Statement 2 (Prioritized): Campus Reading STAAR scores were 10-12 percentage points below the state in categories of Approaches, Meets, and Masters. **Root Cause:** Lack of consistency in implementation of balanced literacy and small group instruction.

Problem Statement 3 (Prioritized): Campus Math STAAR scores were 10-30 percentage points below the state in categories of Approaches, Meets, and Masters. **Root Cause:** Lesson planning and data analysis did not happen consistently during PLC to ensure lessons were rigorous to address student needs.

School Processes & Programs

School Processes & Programs Summary

We use a number of sources to find high caliber staff such as our campus website, the Teacher Job Network (TJN), and Region 10 and 11 job fairs. The majority of core and LOTE teachers are at a highly qualified status in accordance with NCLB. Our interview process clearly outlines the mission, philosophy and expectations for our school. We have recruited teachers from Columbia, Venezuela, Puerto Rico, Spain, and China to teach our trilingual model. ILTexas will continue to work with region 10 & 11 and the district to actively find qualified teacher candidates to fill positions within the school. Teachers have professional freedom to be innovative and creative. They have opportunities to have input into decision making on campus.

Finding highly qualified teachers to teach our trilingual model has required us to look outside of the US for teachers. This year we have recruitment of teachers from Spain, Columbia, Venezuela and China. This year we have also increased the number of teachers that meet highly qualified status. There has also been a significant salary increase for teachers, making our salary a little more competitive with local ISDs.

We have wonderful ethnic diversity in our faculty/staff population, we are truly international. We have faculty/staff from Columbia, Venezuela, Puerto Rico, Spain and China.

The Campus Leadership, Grade Level Administrators, Instruction Coach and District Coordinators will work with staff to develop a course of action so that all students have the opportunity to successfully meet grade level academic performance gains and STAAR performance gains. Teachers will teach the TEKS following the TEKS RS Scope and Sequence and curriculum programs for all core subject areas, as well as participate in activities designed to analyze data based on the state, district and local assessments. All classroom instruction will be data driven.

K-2 will take Istation monthly in both English and Spanish. 2nd graders take MAP math three times a year. K-2 uses Imagine Math Facts.

Third grade students will take STAAR Reading and Math Tests. Fourth graders will take STAAR Reading, Math and Writing Tests. Fifth Graders will take STAAR Reading, Math, and Science Tests. Sixth graders will take STAAR Math and Reading. Seventh Graders will take STAAR Math, Reading and Writing. Eighth graders will take STAAR Math, Reading, Social Studies, Science, English 1 and Algebra 1. Students will take Math and Reading MAP testing in 3rd-8th Grades three times a year. Istation reading ISIP is taken in grades K-8th. In addition, all 2nd-8th grade students will take district ECAs. The student's language proficiency is holistically rated using the ACTFL Proficiency for Spanish and Chinese for grades 3rd-8th. Every six weeks students in K-8 are rated in Spanish and Chinese levels. Grades 5th & 8th take the AAPPL test at the end of the year to determine their levels. Grades 3rd-8th take the Interim STAAR for each tested subject.

Critical thinking and problem solving skills will be emphasized in all core subject areas. Service learning is also an important component of our K-8 curriculum and culminates into an End Of Year service learning project for each grade level.

Economically disadvantaged, LEP, and at risk student population groups who have established a pattern of non-mastery will be targeted for remediation. Small group instruction, tutorials during extended day enrichment, parent-teacher conferences and consistent written and oral communication between home and school. This will ensure that home and school work together to provide the necessary support for student success. ILTexas-Saginaw will provide student support services as outlined in IEPs and 504 accommodations for qualifying students.

In order for students to be successful and maximize academic achievement, they must attend school on a regular basis. Student absences will be closely monitored by homeroom teachers, school registrar and school counselors. Parents will be contacted by their teacher if they are absent more than 2 consecutive days. Students with perfect attendance for the year will be recognized at the end of the year during our award's program. We also award students for other academic achievements including A, AB Honor roll, Eagle of the Year for each grade level, leadership trait, most improved and citizenship awards. Continuous monitoring and recognition of high achievement is a high priority supported in every area.

All staff members have been provided a laptop. We have document cameras and Interactive/whiteboards in all classrooms.

School Processes & Programs Strengths

Professional Development on an ongoing basis is key to the success of our school programs. District and campus professional development and trainings have/will be provided in the following areas:

- Dual Language Program
- Two Way SIOP
- Strategies for meeting needs of Limited English Proficient Students
- Data Disaggregation and Test Analysis
- TEKS RS Scope and Sequence
- District Data Management System
- Differentiated Instruction
- PE/Character Development Program
- Curriculum Programs in ELA/Reading & Math
- Federal & State Mandated Trainings

Perceptions

Perceptions Summary

We will have a learning community and atmosphere of collegiality. Our grade level teams plan together to work towards common goals. Our staff members are able to rely on each other for support; during the school day as well as afterschool professional development, suggestions and assistance.

Our parents work in partnership with teachers, by engaging in open communication through weekly newsletter, emails, and phone calls. PTO will assist in gaining parent involvement to assist in various volunteer opportunities.

PTO will organize events and fund raising activities throughout the school year with assistance from staff. The school partners with the PTO to organize major events such as Hispanic Heritage celebrations, Black History Month Presentation, Chinese New Year, National Neighborhood Night Out, and Spirit Nights. The PTO will also hold monthly meetings.

The student council, the voice of the students, will engage in monthly meetings with the principal for an open discussion about the school. These conversations allow the students to highlight the positive as well as identify areas of improvement within the school.

According to our campus survey, the majority of responders feel supported by their campus teams, administrators and coaches.

Perceptions Strengths

Our teachers, students, parents and community members work well to support the learning for all. Parents work in collaboration with the school community to support the efforts to ensure that every child reaches their full potential. We celebrate our student's academic success, character development, and putting "Others Before Self". We also recognize the staff in displaying the characteristics of putting "Others Before Self" as well. We recognize our volunteers through various activities throughout the year for example, certificate of appreciation, appreciation breakfast to recognize parents and other community members for their support of our students.

Teachers plan with their grade level teams. Teachers have dedicated DATA days every 6 weeks to review student levels and instructional needs. They also have extended time daily to meet with grade level team or partner teachers. Teachers have the support of partners and team members, Teachers plan lessons, activities, and assessments together as a team, Several GLAs/teachers have attended TEKS RS Training, Teachers have access to several online programs: Study Island, Reading A-Z, Accelerated Reader, Brain Pop, Measuring Up, etc. Teachers utilize Eduphoria. The school will have in place several vehicles to facilitate parent communication to include: Campus Leadership Newsletter, Curriculum Night, PTO monthly meetings, Family Home-school Spirit Nights, Parent Portal, Parent-Teacher Conferences, School/Grade level/Teacher websites, School Messenger.

Performance Objective 1 Problem Statements:

Demographics

Problem Statement 2: The campus is experiencing difficulty retaining teachers. High percentage of staff has 2 years, or less, as classroom teachers. **Root Cause:** Teachers and staff do not get paid equal to the surrounding ISD's. The teaching job market is competitive where ISD's are able to pay higher salaries.

Student Learning

Problem Statement 1: PD/PLC is not targeted toward data analysis, reteach, and school-wide instructional practices. **Root Cause:** PD/PLC is not followed up with support, check on implementation, and there is long time gaps between follow-up PD sessions.
