School Environment

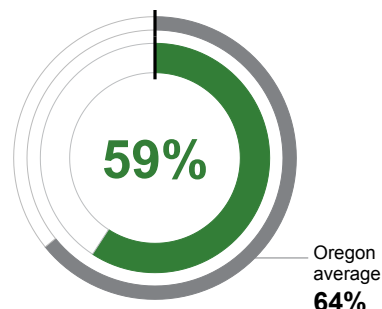

CLASS SIZE

Median size of classes in core subjects.

REGULAR ATTENDERS

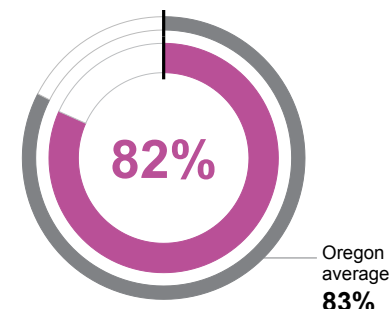

Students who attended more than 90% of their enrolled school days.

Academic Progress

ON-TRACK TO GRADUATE

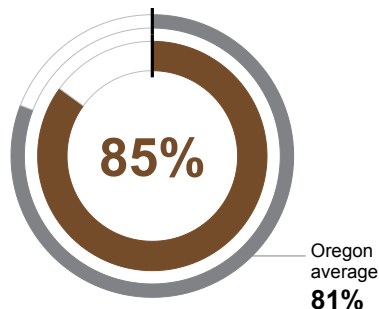

Students earning one-quarter of graduation credits in their 9th grade year.

Academic Success

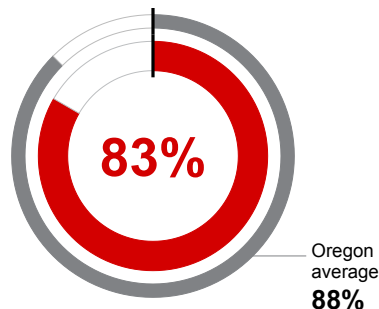

ON-TIME GRADUATION

Students earning a diploma within four years. Cohort includes students who were first-time ninth graders in 2017-18 graduating in 2020-21.

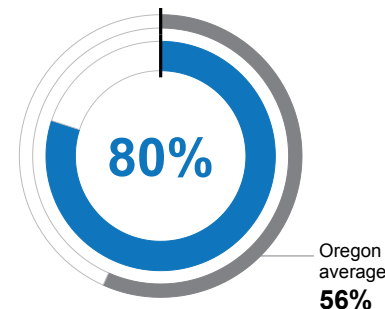

FIVE-YEAR COMPLETION

Students earning a high school diploma or GED within five years. Cohort includes students who were first-time ninth graders in 2016-17 finishing in 2020-21.

COLLEGE GOING

Students enrolling in a two or four year college within 16 months of completing high school in 2019-20. Data from the National Student Clearinghouse.

School Goals

Our goals are to provide a strong education in reading, writing, and math; to focus on bringing those who are behind up to grade level or higher; to allow students to reach their full potential academically; to contribute to the development of life-long learners, and for students to have ownership for their individual achievement. KVCS strives to achieve academic excellence for all students while promoting self-motivation, responsibility and a positive attitude.

State Goals

The Oregon Department of Education is partnering with school districts and local communities to ensure a 90% on-time, four year graduation rate by 2025. To progress toward this goal, the state will prioritize efforts to improve attendance, provide a well-rounded education, invest in implementing culturally responsive practices, and promote continuous improvement to close opportunity and achievement gaps for historically and currently underserved students.

Safe & Welcoming Environment

KVCS implemented Positive Behavior Interventions and Supports (PBIS) including SOAR "Safe, Ownership, Attitude, Respect" as school-wide expectations. Our small school size helps students feel known and cared about. Students interact with each other at multiple age levels - elementary students have "reading buddies," and middle/high students can be aides in the elementary classrooms. This builds relationships across the grade levels. Our school counselor is available for student support.

About Our School

ADVANCED COURSEWORK

WORLD LANGUAGE COURSES: French and Italian classes are offered in High School. French is offered in Middle School. Chinese is offered in grades 1 to 5. HONORS & DUAL ENROLLMENT COURSES: AP Courses are offered for high school students. Students from grades 9 through 12 attempt AP Sciences, History, Government, and Literature. AP Math courses have also been offered. Honors courses in Literature are also available. We offer College Now and LBCC Partnership courses.

CAREER & TECHNICAL EDUCATION

- Culinary CTE Pathway and have plans to grow the program into ag sciences and natural resources.
- Our Leadership, and Career Foundations courses encourage students to learn skills, plan, and prepare for work and life beyond high school.
- We utilize the Virtual Job Shadow Platform to help students learn and plan for opportunities after high school.
- Juniors participate in the Benton County Career Convention
- Students in 12th grade participate in an internship experience.

EXTRACURRICULAR ACTIVITIES

We strive to ensure students have various opportunities to build relationships and have new experiences. Field trips are a significant part of learning at KVCS. They give opportunities for exploring beautiful natural areas near the school, building relationships with peers and adults, providing community service, and putting classroom learning into hands-on practice. This includes overnights at outdoor school, around the state in high school, and even around the world through EF tours. Students in all grades can participate in athletics through local programs and cooperatives with other districts.

PARENT & COMMUNITY ENGAGEMENT

- Parents are encouraged to volunteer 20 hours/year.
- Monthly "Project Days" allow parents to teach elementary students a special skill or craft. Parents can also be assistants in these classes. Community members also have come in to present and teach students.
- We encourage parent volunteers in the classroom and chaperone field trips.
- The KVCS Parent Teacher Organization offers a way to support the school with fundraising and community activities.
- KVCS offers 3 sets of conference dates throughout the school year to facilitate communication regarding student progress.
