

SEARCH TO FIND CHILDREN IN NEED OF SPECIAL EDUCATION

USD 423 and the McPherson County Special Education Cooperative are seeking to identify every student from birth through age 21 who lives within the boundaries of USD 423 and who has developmental delays or may be in need of special education.

Areas of special education include: early childhood-disability (birth through age two— infant toddler), developmentally delayed, visual impairments including blindness, hearing impairments including deafness, deaf-blindness, autism, traumatic brain injury, emotional disturbance, specific learning disabilities, intellectual disability, multiple disabilities, orthopedic impairments, other health impairments, speech or language impairments, and gifted.

Parents are advised that all special education services are designed to offer the utmost in educational opportunities for each qualifying student, as well as to provide assistance and support in the areas of physical, mental, emotional, and social growth. State and federal laws are followed in providing each student with a free appropriate public education in the least restrictive environment.

Contact the person below if you have a child or know of a child who may need special education services.
