Background / information presented:	
<u>Calendar:</u>	<p>Ari Bennett, regarding the calendar:</p> <ol style="list-style-type: none"> 1) There were suggestions on having 3-day weekends every 5 weeks to avoid burn out, but it extended the school year. 2) Include someone, president of the CEU Classified Union (Manny Barrientos) for review of calendar 2023-2024.

Science Department feedback:

- 3) There's an error on Tuesdays (former PD day)
- 4) Suggestion on having one day off each month
- 5) Move the unassigned day in September to October so we have a day off each month.

Counseling Department feedback:

- 6) Suggestion to not observe April 24 (Armenian Genocide)
- 7) Not take so many unassigned days and end the school year earlier

Math Department Feedback:

- 8) Nothing to report

English Department Feedback:

- 9) School year is being extended or seems like it is

Ari Bennett: Do we want three-day weekends to get stamina to continue?

Social Science Department Feedback:

- 10) Same observations, but do we know if we want to copy LAUSD?

Aaron Purther: Will give a copy of the calendar to Manny Barrientos and have him come to the next meeting or have him send a rep to report feedback.

Next month the committee will vote on the calendar, if not we will call a meeting in December to do so.

Requirement:

Ethnic Studies

- 11) We are seeing it at a 9th grade level at schools.
- 12) Will be in effect for the Class of 2027.
- 13) Sami Brown: This will likely be included in freshman year...what would it push out? An Elective? LOTE? What will it replace? How will it affect the matrix?
- 14) Ari Bennett: we want the 9th grade team, social studies and counselors to come together to discuss. We want to be intentional. It is not 'this is coming in and something else is coming out'.
- 15) Perhaps will serve as a social studies foundation before moving on to World and US History.
- 16) Aaron Purther: Can be good for presentation skills
- 17) Sami Brown: Will this be required for UC/CSU
- 18) Sami will send email for information about this (Had UC conference today but this was not discussed)

C&I By-

- 19) If you are participating, you should be able to vote. (Ari Bennett)
