Graduation and Retention Requirements

Transportation

Families can find their bus routes in the student or parent portal of Infinite Campus.

Log in, and choose the "Transportation" tab.

If your student was enrolled at Lincoln within the last two weeks, they may not have transportation arranged yet. While your student's route is being created, please plan on alternate modes of transportation when possible.

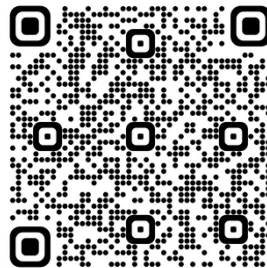

Did your address change? If so, you will need to update it with our front office and present one proof of residency, such as a rental agreement or mortgage contract.
