Purpose and Mission

The purpose of the South St. Paul Dance Team is to promote school spirit, involvement, teamwork, dedication, create a strong work ethic, respect and to represent the school and community at all dance team appearances and competitions.

A successful team is a result of two things: mutual respect among team members and a common vision about where the team is going.

The mission of the South St. Paul Dance Team is to provide dancers with a successful and meaningful experience in a positive and healthy environment. Team members have personal goals of high academic achievement, increasing their dance ability, learning effective time management, forming strong relationships, practicing positive sportsmanship, and learning to become a valuable team member. The success of the team is due to the incredible dedication from the dancers, coaches, and parent involvement. Dancers should exhibit great sportsmanship, positive attitudes toward teammates, competitors, schools and parents. The dancers have the utmost respect for their coaches and one another.

- If a dancer is cut from formations there is no guarantee they will be put back in. Additionally, if a dancer misses practice 7 days prior a competition or is asked to leave practice they will be cut with no guarantee of being put back in; at the coaches discretion.

No placement is final. As coaches we make decisions we think are best for the team. If needed we may switch spots, placements, and teams

Practices

- Please notify coaches prior to an absence via email, phone call, or text. Notices less than 24 hours must be a phone call to the HEAD COACH.
- Please schedule all work, appointments, family events, etc. around dance team practice during the winter season.

2. Attire/Water Bottles/Cellphones

- Wear the appropriate practice attire and shoes. Sweats are acceptable for warm up. After warm up, dancers can be wearing leggings, running shorts, or booty shorts for bottoms. For the top they must wear a tank top, fitting t-shirt, or fitting long sleeve, supportive undergarments, etc. Tennis shoes and jazz shoes are required every day.
- Hair must be pulled back in a pony or bun. Hair needs to be ready to go before practice and stay without falling out during the duration of practice. No re-doing hair multiple times. No scrunchies as binders.
- No gum or jewelry.
- Bring a water bottle everyday. Do not share water.
- Fuel your body with nutritious food prior to practice if needed.
- NO CELL PHONE USE AT PRACTICE
- Be quiet during all instruction, including warmups, dance reviews and new step instruction. Hands must be raised to ask questions in order to run a productive and efficient practice.
- Please bring inhalers, and other medications or required braces to practice each day as necessary. Please bring a doctor's note to the coach at the beginning of the season containing specific instructions of what to do in case of an emergency.
- Please bring a doctor's note on any physical therapy issues and/or exercise necessary.

- No visitors, parents, or guests are allowed to attend practice without the coaches permission. This is the same with the dancers getting ready for games and meets! Parents this means all practices are closed, please don't just "drop by" it disrupts practice. If you need to stop by for some reason, please let the coaching staff know by email, prior to that day's practice. No one but dancers in multipurpose, the PAC, or the Cafeteria.

- A dancer may be asked to leave practice if they are not prepared for practice or if behavior is unacceptable. This will count as an unexcused absence.

Attendance Policy

Only the reasons listed below are excused absences from any dance team activity.

Limit: 2 excused absences per person, per season.

1. Personal illness or accident (confirmed by the attendance office).
2. Funeral or death in the family.
3. Religious holidays.
4. Special school activity with the permission of the coaches at least 1 week in advance.
5. Any major contagious illness (as noted by doctor).

*COVID RELATED ABSENCES MUST HAVE PROOF OF A TEST TO FOLLOW. Tests must be taken as soon as possible (within 24 hours of symptoms/absence).

- Students who miss part of the school day due to illness must be in attendance by 10:02am in order to participate in a contest or practice on that day.

- Absences in excess of 2 practice days may result in formation changes or cuts if the dancer is not able to demonstrate the ability to do a given routine.

- If a team member is not in school due to illness, she will not be allowed to participate in any dance activity that day.

- A team member should contact a coach via telephone or email before being absent from a practice or performance.

- When a team member is absent, it is their duty to find out what was missed and be prepared for the following day.

All dance team members are required to attend all performances, games and competitions whether they perform or not. Failure to attend will result in an unexcused absence. Team members will be dismissed from the team if there are any additional unexcused absences. Unexcused absences may include, but not limited to, skipping practice, work, excessive tardiness, doctor appointments, studio practice, hair/beauty appointments, sporting events, vacations, family events or behavioral incidents.

Consequences for missed practices:

Absence 7 days prior to a meet/competition: Pulled from the dance. No exceptions.

Unexcused tardiness 7 days prior to a meet competition: Pulled from the dance

One unexcused absence will result in the ineligibility to receive any team, conference or state awards. Two unexcused absences will result in the eligibility to letter for the season. Anything beyond this will be at the coaches discretion and the dance may be removed from the routine.

If the dancer makes the decision to quit, they will no longer be part of the team, they will not be able to participate in any further dance related events. Uniforms and/or team items must be returned right away. They will not be allowed to tryout for the team again until the next school year.

Concerns/Conflicts

- Please go to the coaches **FIRST** with concerns! This will lead to a quicker solution. The coach can direct you to the right person if it deals with the Booster Club. Talking to other parents on what might be a half truth or rumors only creates confusion.
- Any concerns must be brought to the coaches by the dancer first. We will not respond to any parent emails/phone/text without talking to the dancer first.
- Parents must wait 24 hours to contact the coach after a discrepancy.
- Coaching decisions on placements will be discussed with parents, but thoroughly discussed with dancers. Placements are not final. Every dancer has to earn their spot. A dancer's seniority or how long they have been on the team WILL NOT play a factor on if they are or are not dancing.

Fundraising

- Each dancer is expected to take an active role in all fundraisers. Coaches are encouraged to show support but are not required to have an active role in any fundraising activity.
- The Booster is responsible for all fundraising activities for the dance team. The coaches are not the contact or authority on any matters.

Substance Abuse Policy

- The use of alcohol, tobacco, or illegal drugs will NOT be tolerated.
- All MSHSL rules will be strictly followed and enforced.
- If a dance team member gets a 2nd violation, they will no longer be a part of the Dance Team.
- If a dancer has a violation, they will serve the consequences of the school's policies on substance abuse.

Scholastic Eligibility

In order to participate on the South St. Paul Dance Team, each participant must make satisfactory academic progress. To be eligible for participation a student must meet a 1.70 Grade Point Average (C average) the previous 6 week marking period. A student who has failed to meet the 1.70 Grade Point Average (C average) will be placed on academic probation according to the following conditions:

1. Academic probation.
 - a. The student is permitted to practice or rehearse, and may compete or perform in a contest or performance during the period of academic probation (3 weeks).
2. Regain Eligibility or Ineligible
 - a. Following the three week period of academic probation, if a review of the students academic performance indicates the student is performing at a satisfactory level, eligibility will be regained.

If the review indicates the student is failing to meet the 1.70 Grade Point Average (C average), they cannot regain eligibility or participate in games or events until the end of the 6 week grading period.

In order for a dancer to letter, a 2.50 Grade Point Average must be maintained throughout the winter season.

Minnesota Association of Dance Teams (MADT) states that All State Academic Team awards will be given to teams holding a 3.33 Grade Point Average. Senior Academic All State Awards are given to seniors holding a 3.85 Grade Point Average.

Clarification: If a student is ineligible at the end of a 6 week grading period and is still ineligible at the start of the next 6 week grading period, they do not get to go back on academic probation. A student must first regain eligibility to be eligible for academic probation.

**If a student becomes academically ineligible at the end of the school year, that student will serve the above mentioned academic probation during the first three weeks of the school year. Probation and ineligibility do carry over from one school year to the next.

Transportation

All participants must complete and sign the School District's Transportation Agreement Form prior to participation. Participants must travel to and from out of town contests in transportation provided by the school unless prior arrangements are made by the parents or legal guardians for exceptional situations. Participants will only be permitted to leave out of town contests or events with their parents or legal guardians if a signed parent or guardian note is turned in to the Activities Office by noon of the day of the event. A duplicate copy will be forwarded to the coach.

Participants will remain with their squad and under the supervision of the coach or advisor when attending away contests. Participants who do not ride on the team bus will not be allowed to participate in the contest unless there are extenuating circumstances as determined by the overseeing administration. All regular school bus rules will be followed.

Lettering Policy

- Each member must have never been placed on probation or academic leave of absence to receive a letter for the season.
- If a dancer is strictly a JV dancer they will not letter.
- A dancer must compete with the varsity team at least 4 times.
- A dancer must maintain a 2.5 Grade Point Average.
- Selection of the award is left to the coaches discretion.
- If a dancer decides to quit at any point in the season, they will not letter.

Any 2 unexcused absences by a dancer will result in ineligibility to letter.

Sportsmanship In Action

Be Supportive of Coaches

In front of your child be supportive and positive of the coaches decisions. If you have problems with what the coach is doing, it is best to talk directly with the coach.

Teach Respect for Authority

There will be times when you disagree with a coach or official but always remember they are trying their best and are trying to be fair. Show good sportsmanship by being positive.

Let the Coach do the Coaching but you can do some of the Teaching

When your child is on the field, court, or ice, let the coach do the coaching. You can teach sportsmanship and how to deal with success and failure. Develop their character and teach life skills that athletics and activities bring to the forefront.

Help your Children Learn through Failure

The way your child handles failure can help them to face the certain failures life will throw them in the future. The worst time for you as a parent to give advice is immediately after a disappointment. Let your child cope in their own way.

Focus on your Child as an Individual

Focus on what your child does well and where they need to improve. Encouragement is essential.

Listen to your Child, but Stay Rational

Always support and listen to your child, but remember to stay rational until you have investigated the situation.

Be Mindful of your Role as a Role Model

Take a good honest look at your actions and reaction in the athletic arena. These actions are a big cue to your child and to the others around you.

Show Unconditional Love

The most important thing...show your child you love them, win or lose.

Sportsmanship is Everyone's Responsibility

We hope you'll join us by being a good sport always!

Be Proud: Wear maroon and white to every sporting event to show support

Be Loud: Cheer loudly for the Packers and not against our opponent from beginning to end. Congratulate every routine on a job well done

Be Great: Show that we are the best fans in the state by behaving responsibly, being respectful of others, and encouraging others to do the same.

Go Packers!
