

2021-2022

IMPACT

ANNUAL REPORT OF GIFTS

HOLY CHILD
SCHOOL AT
ROSEMONT

dear friends

Our Foundress Cornelia Connelly encouraged her community to “**Be generous and of great heart.**” This annual report chronicles the ways that our parents, past parents, grandparents, alumni, and supporters have responded to that call or, stated differently, the ways that your “actions” reflect those “words”.

Your generosity enables us to *Nurture Excellence in [this] Joyful Catholic Community* in an intentional and meaningful way for the current generation of Holy Child students.

Two things I promise you about your support:

- **We do not take it for granted.** I pray often for our Benefactors, and am well aware that other worthy organizations seek your support. That is why I am most grateful for the decision you make to contribute to the Holy Child Fund, and/or EITC, and/or the Capital Campaign, et al.
- **We are very good stewards of our financial resources.** That starts with the Finance and Investment Committees of our Board of Trustees and their oversight and leadership, and it flows through the hard work of the members of our Business Office, and then through our various departments and grade-level teams that manage their budgets carefully and wisely for the benefit of our students.

Your gifts help fund all aspects of our curricular and co-curricular program, including our robust technology backbone and program, the professional development of our teachers and staff, and the ongoing maintenance of our beautiful campus and facilities.

Because of your support, the financial underpinnings of the school are extremely strong, and that is one of the many reasons that Holy Child School at Rosemont continues to be so successful in this crowded marketplace.

I hope you take pride in supporting this wonderful school.

On behalf of the Board of Trustees, our Senior Leadership team, the faculty and staff — and especially on behalf of the 325 children entrusted to our care — **I thank you.**

Most sincerely,

Thomas G. Lengel P'12

WHY WE GIVE

We are proud to support Holy Child and feel blessed to watch our son James thrive there. We were both educated at faith-based schools. We recall the benefits of integrating religion and academics when we see James at Holy Child. Understanding God simultaneously humbles you and calls you to serve a mission bigger than yourself. Pursuing excellence for the sake of excellence is a daunting task, at best. Pursuing excellence because you are serving a mission leads to joy, even when you falter. Holy Child is the rare school to understand this paradox, and to center its own mission on a joyful excellence for young children.

WHY WE GIVE

The athletic program at Holy Child School at Rosemont offers a great balance to the challenging academic program offered at the school. Students are able to participate in several team-oriented sports throughout the year, including field hockey, football, basketball and track and field. My two children have had the pleasure of playing in all of these programs. The teams are competitive and they play local schools in the Catholic Academy League. They are coached by the teachers of the school, who carry out the Catholic principles taught in the classroom. My children have gained self confidence and have learned the value of teamwork participating in the sports programs at Holy Child. We are grateful for all the opportunities these programs have provided.

WHY I GIVE

Our family joined the Holy Child community in 2014. As a resident of Philadelphia, I was searching for an alternative to the Philadelphia Public School District and wanted my girls to have the best education possible. My oldest daughters were able to participate in the athletics programs which laid the foundation for their high school years. My youngest daughter, Mia, has been able to experience and enjoy the new upgrades to the campus made possible by the generous support of the recent Campaign for Holy Child. I am an active member of the Parents' Auxiliary and serve on the Diversity & Inclusion Committee. I also helped to establish the Holy Child Alumni Child Care Network, volunteer for the Book Fair, Auction and serve as a homeroom mom. I'm very grateful for the school and community who has invested so much in all three of my daughters and I will always find a way, even as a busy full-time working mom, to volunteer and give back.

Tomekhia Vega, parent of Jasmine '17, Jenna '19, and Mia '27

As the parents of a self-proclaimed “theater kid” it was a no-brainer for our daughter Chloe to participate in the Middle School play this year. She has been singing and dancing since she was a baby and has performed numerous times in local theaters in our area, before she shined as a “Silly Girl” in “Beauty and the Beast.” It was a tougher sell for our son Frankie, who was in his final year at Holy Child and would much prefer playing or watching a baseball game to having anything to do with the stage. We are truly fortunate that Holy Child offered opportunities to both of our children — to be in the spotlight, and also participate as part of the ensemble. The director, staff and volunteers help each child play up his or her strengths and the teamwork and camaraderie that results from a Holy Child production mirrors that of a sports team! We are excited to watch Chloe continue her journey on stage and hope we haven’t seen Frankie’s final bow on stage.

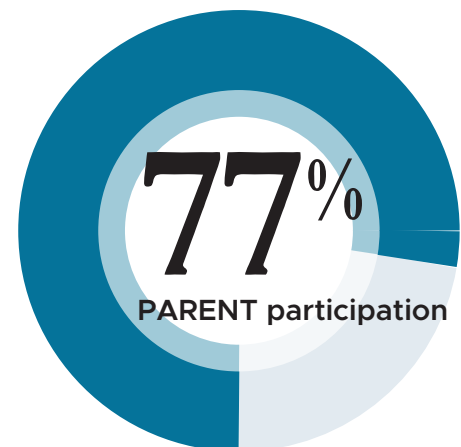

Frank and Tina Tomaszewski, parents of Frankie '22 and Chloe '24

WHY WE GIVE

As parents of two graduates and one current student, one reason we support Holy Child is the school's commitment to furthering our children's readiness for the next step in their education. This area's high schools want Holy Child kids! They want them not just for the great test scores and transcripts — they want them because they come prepared. They arrive ready. It's not just the advanced math classes and impressive social sciences that schools see. Educators know Holy Child students have learned how to learn. Holy Child students come knowing how to take good notes in class and how to manage long term projects. Students arrive with experience in public speaking, study-group dynamics, and balancing the challenges of school and extracurricular activities. They've been encouraged to have confidence in their own abilities and not to be afraid to ask questions and work with their teachers to further their understanding.

Holy Child School at Rosemont gives our children so much at every stage of their education. From the warm welcome of balloons and bubbles the little ones receive in Early Childhood to those first real desks in First Grade. From the big continents projects of Fourth Grade to the rigors of the academic classes throughout Middle School to those final High School applications. However that support doesn't just stop when the children leave Holy Child. It's because of Holy Child that so many students perform so well in their future educational endeavors. Through comprehensive academics, service work, scholarship opportunities and the embrace of both play and study, Holy Child is committed to educating the whole child and building the foundation for future success.

Katie and Dan Pryma, parents of Reilly '20, Marin '22, and Rowan '26

tax credit programs

Pennsylvania's Educational Improvement (EITC) and Opportunity Scholarship (OSTC) Tax Credit Programs

The following businesses and individuals participated in **PENNSYLVANIA'S EDUCATIONAL IMPROVEMENT AND OPPORTUNITY SCHOLARSHIP TAX CREDIT PROGRAMS** which enables them to direct a portion of their PA tax liability to support students who qualify for financial assistance. Last year 148 students received assistance from this program.

Since 2003, we have raised over \$8 million which has impacted the lives of countless children who would otherwise be unable to attend Holy Child.

For more information on how you can participate in the EITC/OSTC program and redirect your tax dollars to Holy Child, please contact the Advancement Office at 610-922-1021.

We extend our deepest gratitude to our EITC/OSTC donors listed below.

falcon hill society

THE FALCON HILL SOCIETY is a special group of Holy Child supporters who have made financial provisions to the school through bequests, charitable trusts, annuities, or gifts of life insurance. Through their thoughtful and generous gift planning, they will one day leave a legacy behind to benefit future generations of Holy Child students.

faculty retirement fund

We wish to thank those listed here for the **VOLUNTARY SUPPORT GIVEN TO THE FACULTY RETIREMENT FUND** through the five percent contribution listed on the tuition bills. These generous gifts, which help us attract and retain excellent educators, send a message of care to the outstanding group of women and men who make up the Holy Child School at Rosemont faculty and staff.

Since its inception in 1949, Holy Child School at Rosemont has always strived to offer our students an **OUTSTANDING EDUCATION IN SPACES THAT HAVE ENCOURAGED THEM TO LEARN, GROW AND SUCCEED**. Five years ago, our Board of Trustees along with many valuable members of our community embarked on a visionary plan that would transform our campus and greatly enhance the Holy Child experience for all of our students for years to come.

The Campaign For Holy Child: *Inspiring Joyful Excellence*

sought to expand our campus to ensure that we “meet the wants of the age.” This historic endeavor added a new dimension to our student experience:

- **The Fitzgerald Performing Arts and Athletic Center (PAAC)** provides a multi-purpose venue that serves as a space for the entire student body to gather for performances, liturgies or assemblies.
- **The Gaffney Family Field**, a multi-sport, regulation-size turf field, gives our athletes the opportunity to host games on campus and enables our students to remain on campus to cheer on our teams.

Thank You Campaign for Holy Child Donors

THANK YOU TO THE FOLLOWING DONORS whose contributions will have an impact on current and future generations of Holy Child students. We are humbled by the generosity of our Holy Child community who helped to raise over **\$8.5 MILLION** for this endeavor.

- **The Grotto** — featuring a statue of the Holy Child of Jesus, this quiet area provides our students a place for reflection and prayer.
- **The NEST** — Nature, Exploration and Science Territory, opening this Fall, will serve as an outdoor learning space where the children will play, learn and grow with nature. Students will be inspired to deepen their love of nature and learn how to be good stewards of the environment.
- **A new Middle School Playground.**
- **A new parking lot** was added to accommodate visitors to the school for sporting and performing arts activities.
- **Improvements to the Academic Center** which included a new Early Childhood Learning Suite and renovations to the Kindergarten classrooms.

GENERAL ENDOWMENT

Mr. & Mrs. Michael J. Farrell

Rejoicing In Our Faith

On Saturday, April 30, 2022, our community gathered to support twenty-six members of the **CLASS OF 2028** as they received the **SACRAMENT OF FIRST HOLY COMMUNION** at St. Thomas of Villanova Rosemont Chapel. Each of the students participated in the Mass with roles, including serving as lectors for readings and prayers of the faithful, and carrying the offertory gifts. Preceding this joyful event, the class received the Sacrament of Reconciliation on Thursday, December 2, 2021 at Rosemont College Chapel.

Overall, the 2021-2022 school year was a joyous time for Grade 2 students as they prepared to receive the sacraments. Prayer services provided moments of reflection and learning for students as they prepared for their roles in the Mass and the church as a whole. The celebration of both sacraments is significant to our second grade class every year, and witnessing these faith commitments within our community reminds us how we may continue to grow in our faith.

Honoring Our Holy Child Values and Community

On Thursday, June 2, thirty-five Grade 8 students received their diplomas and became the newest alumni of Holy Child School at Rosemont. The Commencement Mass and graduation ceremony were held at St. Thomas of Villanova Rosemont Chapel, and the graduates were surrounded by their families, fellow Middle School students, and our faculty and staff.

The evening was full of joyful moments where our students reflected on their experiences of personal growth and community at Holy Child. During the homily, Father Joseph Genito invited members of the class to reflect on the ways they had grown, developed, and honed their skills during their time at Holy Child. He reminded the class that everyone has potential within themselves and this next step in their educational journey would provide them with new opportunities to learn about themselves. Our Student Council Co-Presidents, Jayden Nelson '22 and Will Kelly '22, spoke about personal growth and the cherished memories they made with their classmates and the greater Holy Child community.

"Holy Child has been my, along with many others, second home for seven years," reflected Jayden. "Throughout our time here at Holy Child, we have all grown as students, athletes, and people. Holy Child has shaped us all into the 'best people we can be.'"

Will, who attended Holy Child for 8 years, added, "Over the years we have spent at this school, the bond we have created is unrepeatable. Through every step of the way we have been there for each other, doing everything together."

Beloved graduation traditions showcased the growth of many graduates who shared their talents through different parts of the mass: Natalie Ade '22 and Philip Okala, Jr. '22 sang the Gospel Acclamation, and Grace Carroll '22 and Alexandra Ortiz '22 performed the Communion Meditation together on violin and piano, respectively. Siblings of several graduates, who are also Holy Child students, participated in the ceremony by delivering the diplomas to the altar. Then, diplomas were awarded to the graduates, and fourteen students were recognized as scholarship recipients to area high schools. The Commencement Mass concluded with the tradition of sixth- and seventh-grade students singing "Peace My Friend" to wish the graduates well on their next steps beyond Holy Child.

“Throughout our time here at Holy Child, we have all grown as students, athletes, and people. Holy Child has shaped us all into the ‘best people we can be.’”

— Jayden Nelson '22

On behalf of their fellow graduates, the Co-Presidents thanked their families and the greater school community for supporting and guiding them through their time at Holy Child.

Will shared, “This school is known for many things but what stands out the most to me is the community. This community works in so many different ways, through the Buddy Program, after school activities, or even a fellow student helping you out. When you enter our school, you feel welcome right away. We are fortunate and should all thank our parents for letting us attend such a great school. And thank you to all the students, faculty and staff for making our time at this school so perfect.”

Jayden echoed these thoughts and added, “The Holy Child community is amazing beyond words. The community is one of the things that I will miss most.”

— Milly Fenlin '22

DIRECTOR'S AWARD FOR MUSIC

Natalie Ade
Alexandra Ortiz

Presented to a student who has shown dedication, commitment and leadership in music during his or her time at Holy Child School at Rosemont.

ARTS AWARD

Grace Carroll
