Key Considerations for PD Adjustments for Plans A, B, C, D

- Build teacher capacity in the area of student engagement within the backdrop of reinventing school and a focus on students interacting with their content/peers.
- Plan out “Practice Perfect” professional development for teacher and students regarding social distancing in key areas.
- Addressing (in our curriculum guides/PLC work) “COVID Gaps” and subsequent curriculum compacting.

2020-2021 ILTexas Employee Handbook
The Board of Directors of International American Federation, Inc. authorizes the Superintendent or its designee to make administrative amendments to this Handbook, as deemed necessary, without further Board approval.
Welcome to International Leadership of Texas.

Thank you for being part of our team.

As an employee of International Leadership of Texas (“ILTexas”), you are part of a team that is dedicated to our mission:

“To prepare students for exceptional leadership roles in the international community by emphasizing servant leadership, mastering the English, Spanish and Chinese Languages, and strengthening the mind, body and character.”

Everything we do and every action each of us takes is to support that mission by, in turn, supporting our students, their parents, our teachers and other staff. There are two types of employees here at ILTexas – Teachers and those who support teachers. I and every other employee who are not in a classroom daily teaching students are here in ILTexas for only one reason and that is to support the teachers.

Our motto at ILTexas is “Others Before Self”. It means looking out for the other person, it means to treat others like you would want to be treated, it means not turning the other way when you see someone not being treated right and it means not just standing there in front of others when someone else is speaking ill of or making inappropriate comments about another person. Each of us has to look out for the welfare of others.

I only have three expectations and they are to “Be on Time, Be Responsible, and Be Respectful”.

Be on Time. If you are 5 minutes early, then you are late. Punctuality is very important, and it reflects not being responsible and not being respectful of other people’s time. Additionally, Be on Time also means that deadlines are to be met. If you need more time or don’t fully understand the task, ask and ask several days before the task is due and not the day before the task is due.

Be responsible in everything that you do. You are responsible for everything that you do or that you fail to do. If you don’t understand something, it is your responsibility to ask questions and get answers from your supervisor and your supervisor’s supervisor as necessary to get full clarity and understanding. This also means that “if you hear something, say something; if you see something, say something.” If your concern has anything to do with the safety of a child, even if you are not sure, even if it is just something that makes you uneasy that something just does not seem right, then you have exactly one hour (sixty minutes) to report your concern to your Principal or the Chief Legal Officer or me (817) 946-4350 cell. You are legally morally and ethically responsible for speaking up and asking questions and you will be held accountable if you don’t.

Finally, Be Respectful. I expect the students to be respectful of each other and of the adults but I also expect adults to be respectful to the students and believe it or not, respectful to each other. This means that if someone is rubbing you the wrong way, you must first “Presume Positive Intent” and first seek clarity by asking “Help me understand” questions. If you are the other person, you are responsible for “Presuming Positive Intent” as well and not get upset when someone is asking you “Help Me Understand”. Basic respect of each other is a culture at ILTexas that all of us are responsible for nurturing and creating. In an attempt to provide you with a safe and respectful way to reach out to your chain of command we provide you the expectation that if you need help with something within the next seven days or so, you text or email your supervisor a GREEN FLAG issue. If you need help or a
response within 48–72 hours, text or email your supervisor a YELLOW FLAG with the issue. If you need immediate help that must be done now within 24 hours, then text RED FLAG and follow up with a RED FLAG if you have time. All supervisors and above are taught that they should get back with you immediately if possible and no later than 24 hours.

Here is the next important thing. If they get back with you and their response or answer is not satisfactorily answering your question or concern nor addressing your needs, then it is your responsibility to thank them but then you must raise your concern to the next higher level and keep doing this up the chain of command every 24 hours that your concern is not adequately or satisfactorily addressed all the way until your issue gets to me. Eddie Conger (817) 946-4350 cell or email ECONGER@ILTexas.org. You are that important to me and my expectation of every leader between you and me is that you are just that important to them as well.

At ILTexas we operate in the classroom and out of the classroom using the four R’s: Relationships, Relevance, Rigor, and Results.

Reread the page above. You will see “servant leadership”, “Character”, “Others Before Self”, “Respect”, “Presume Positive Intent” and all of these are to be used to promote positive healthy relationships with everyone – students, parents, teachers, staff, and everyone we come in contact with on or off duty. Relationships, Relationships, Relationships!

Relevance to the mission, to the Texas Education Knowledge and Skills, to supporting the teachers, and supporting your team to support the campuses.

Rigor. The instruction should be rigorous in order to challenge the student in a way that engages and encourages them to explore beyond what they are expected to learn. And the rest of us who are not teachers, we should engage our work with the rigor to get the job done and to do it well. To find ways to do our jobs more efficiently and more effectively. Have a bias for action, don’t wait for things to happen, make them happen.

Results. At the end of the day, the parents are not sending their kids to us just to be baby sat. They send them to us hoping that we really do mean what we say in our mission statement. The taxpayers of this great country are not giving us their hard-earned tax dollars so that we can punch a clock and collect a check. Each of us are here to do a job and to do it well. Results matter and we will all be individually and collectively held accountable for the results.

Finally, as a Marine, I’m always reminded of something that President Ronald Reagan said when he spoke of Marines.

_Some people go through an entire lifetime and wonder if they have ever made a difference in the world. But the Marines don’t have that problem…”_

At ILTexas, I don’t think you should have that problem either. If you are teaching or if you are supporting teachers or cutting grass or doing paperwork or any of the other jobs at ILTexas, you are part of a team that truly is unlike any other education system in America. You are part of an effort that “prepares our students for exceptional leadership roles in the international community by emphasizing servant leadership, mastering English, Spanish, and Chinese, and strengthening the mind, body and charter.” You are empowering kids who will grow up and will change the world.
Thank you for choosing to be part of the ILTexas family; now for the fine print legalese:

This handbook contains information about ILTexas’ employment policies and practices. We have designed our employment policies and practices not only to comply with federal and state employment laws, but also to attract, develop, and reward talented educators, administrators, support staff, and leaders.

This handbook supersedes all previously issued handbooks and is a valuable reference for understanding your job at ILTexas. Each employee is expected to read this handbook carefully and know and abide by the policies outlined herein as revised over time, throughout your employment. No oral statement or representations can change the provisions of this handbook. Nothing in this handbook creates an employment contract, constitutes a legally binding agreement, or alters your “at-will status” of employment in any way.

If you have any questions regarding the contents of this handbook or any other policy or procedure, please ask your Principal, supervisor, or the Human Resources Department.

Please sign the acknowledgement form agreeing to read and abide by the policies and procedures outlined in this handbook and return it to the Human Resources Department. This acknowledgement will also provide ILTexas with a record that each employee has been provided access to an online version of this handbook and/or has received instructions on how to obtain a printed copy of the handbook.

With the utmost respect,

Eddie Conger, Founder/CEO/Superintendent

PART 2: EQUAL OPPORTUNITY EMPLOYMENT PRACTICES

2.1 Non-Discrimination Statement/Equal Employment Opportunity

ILTexas does not discriminate against any employee or applicant for employment because of race, color, national origin, religion, sex or gender, disability, military or veteran status, genetic information, age, or any other basis prohibited by law as required by Titles VI and VII of the Civil Rights Act of 1964, as amended; Title IX of the Education Amendments of 1972; Titles I and V of the Americans with Disabilities Act of 1990, as amended (“ADA”); the Age Discrimination in Employment Act of 1967, as amended (“ADEA”); Section 504 of the Rehabilitation Act of 1973, as amended; the Genetic Information Nondiscrimination Act of 2008 (“GINA”); and any other legally-protected classification or status protected by federal, state, or local law. Additionally, ILTexas does not discriminate against an employee or applicant who acts to oppose such discrimination or participates in the investigation of a complaint related to an alleged discriminatory employment practice. Employment decisions will be made on the basis of each individual’s job qualifications, experience and abilities, and the needs of ILTexas, an in accordance with applicable federal and state law.

We are committed to providing an inclusive and welcoming environment for all members of our staff, volunteers, subcontractors, and vendors.

Employees can raise concerns and make reports without fear of reprisal. Employees with questions or concerns relating to equal employment opportunity, including discrimination and disability accommodations, are encouraged to bring these issues to the attention of an ILTexas administrator or the
designated Title VII/Title IX, ADA, or ADEA Coordinator.

ILTexas has designated the following person as the Title VII/Title IX Coordinator, ADA Coordinator, and ADEA Coordinator: Chief Legal Officer, 1820 N. Glenville Dr., Ste. 100, Richardson, Texas 75081, 972-479-9078.

The Chief Legal Officer is responsible for receiving and investigating complaints of alleged discrimination or harassment on the basis of race, color, national origin, religion, sex or gender, or sexual harassment; alleged discrimination or harassment on the basis of disability; and receiving and investigating complaints of alleged discrimination or harassment on the basis of age.

All other complaints regarding equal employment opportunity may be directed to the Director of Human Resources.

2.2 Federal and State Worksite Postings

Required state and federal postings are found at each ILTexas facility. The following postings can be found in an area common to all employees at their facility: Employee Rights Under the Fair Labor Standards Act; Job Safety and Health: It’s the Law; Employee Rights and Responsibilities Under the Family and Medical Leave Act; Equal Employment Opportunity is the Law; Your Rights Under USERRA; Employee Polygraph Protection Act Notice (EPPA); Texas Payday Law; Texas Whistleblower Act Notice; Unemployment & Payday Law; Notice to Employees Concerning Workers’ Compensation in Texas; and the Texas Hazard Communication Act Notice to Employees. Postings are in both English and Spanish for all employees to read.

2.3 Immigration Law Compliance

ILTexas is committed to employing only United States citizens and aliens who are authorized to work in the United States and does not unlawfully discriminate on the basis of citizenship or national origin.

Employees with questions or seeking more information on immigration law issues are encouraged to contact the Chief Legal Officer, 1820 N. Glenville Dr., Ste. 100, Richardson, Texas 75081, 972-479-9078. Employees may raise questions or complaints about immigration law compliance without fear of reprisal.

2.4 Nondiscrimination Based on Religion

ILTexas does not discriminate on the basis of any aspect of religious observance, practice, or belief unless the school demonstrates that it is unable to reasonably accommodate the religious observance or practice of an employee or applicant without undue hardship to ILTexas’ business.

2.5 Nondiscrimination Based on Military Service

ILTexas will not deny initial employment, reemployment, retention in employment promotion, or any benefits of employment on the basis of membership in a uniformed service, performance in a uniformed service, application for uniformed service, or obligation to a uniformed service.

ILTexas will not take adverse employment action or discriminate against any person who takes action to enforce protections afforded by the Uniformed Services Employment and Reemployment Rights Act of 1994 (“USERRA”).
2.6 Americans with Disabilities Act (ADA)

ILTexas is committed to complying fully with the ADA, as amended, and ensuring equal opportunity in employment for qualified persons with disabilities (which includes life-threatening illnesses and HIV and AIDS). All employment practices and activities are conducted on a non-discriminatory basis.

Hiring procedures have been reviewed and provide persons with disabilities meaningful employment opportunities. Pre-employment inquiries are made only regarding an applicant’s ability to perform the duties of the position.

Reasonable accommodation is available to all qualifying disabled employees, where their disability affects the performance of job functions, in accordance with the ADA.

Qualified individuals with disabilities shall not be discriminated against on the basis of disability in regards to recruitment, advertising, job application procedures, hiring, upgrading, promotion, demotion, transfer, layoff, termination, right of return from layoff, rehiring, rates of pay, or any other form of compensation and changes in compensation, benefits, job assignments, job classifications, organizational structures, position descriptions, lines of progression, seniority lists, leaves of absence, sick leave, any other leave, fringe benefits available by virtue of employment, selection and financial support for training, school-sponsored activities, including social and recreational programs, and any other term, condition, or privilege of employment.

ILTexas does not discriminate against qualified employees or applicants because they are related to or associated with a person with a disability.

2.7 Nondiscrimination Based on Genetic Information (GINA)

ILTexas will not deny initial employment, reemployment, retention in employment promotion, or any benefits of employment on the basis of genetic information including information about an individual’s genetic tests and the genetic tests of an individual’s family members, as well as information about the manifestation of a disease or disorder in an individual’s family members.

PART 3: EMPLOYMENT PRACTICES

3.1 At-Will Employment

Employment with ILTexas shall be at-will unless a term of employment is expressly stated in a written contract. At-will employment means that an employee may be terminated with or without cause, with or without prior notice, at any time, for any reason or for no reason. Similarly, employment with ILTexas is voluntarily entered into, and employees are free to resign at any time, with or without cause or notice.

Status as an at-will employee may not be changed except in writing signed and approved by the Board of Directors. Employment at-will is the sole and entire agreement between ILTexas and you concerning the duration of your employment, and the circumstances under which your employment may be terminated.

Nothing in this handbook is to be construed as creating an employment contract or agreement. No one other than the Board of Directors has the authority on behalf of ILTexas to alter an employee’s at-will employment arrangement, to enter into an agreement for employment for a specified period of time, or to make any agreement contrary to this policy, and any such agreement must be in writing and must be signed.
by the Board of Directors.

3.2 Verification of Employment Eligibility

Prior to the start of employment, ILTexas shall confirm the employment eligibility of all new hires by examination of documents establishing identity and employment authorization and completion of the Federal Form I-9 required by the Department of Homeland Security. Each new employee, as a condition of employment, must complete a Federal Form I-9 and present appropriate documentation establishing identity and employment eligibility.

All former employees who are rehired must also complete the form if they have not completed an I-9 with ILTexas within a timeframe established by Human Resources (generally three years after the date of hire or one year after employment is terminated, whichever is later), or if their previous I-9 is no longer retained or valid.

3.3 New Hire Reporting

Federal and state law requires ILTexas to provide information about all new or rehired workers to the Employer New Hire Reporting Operations Center in the Texas Office of the Attorney General.

3.4 New Hire Orientation

Each new employee experiences an orientation period during the first 90 days of employment. During this time, the Principal or the employee’s immediate supervisor will provide training, guidance, feedback regarding performance, and an explanation of benefits, services, rules, safety training, and other information that is helpful to the new employee. At the end of the initial orientation period, the Principal or supervisor may conduct a performance evaluation.

3.5 In-Service Training

ILTexas provides an ongoing in-service education program for all employees. Attendance at in-service training meetings is mandatory.

3.6 Criminal History Records

ILTexas will obtain criminal history records from a law enforcement or criminal justice agency for all prospective volunteers and applicants for employment as required by Chapter 22 of the Texas Education Code prior to employment or the commencement of volunteer service. Additionally, as allowed by state law, criminal history checks of employees (or volunteers whose duties are performed where students are regularly present) may be obtained at any time during employment or volunteer services.

Criminal history records must also be obtained and reviewed prior to the employment of any driver for student transportation either directly or through a commercial service. Criminal history checks of a bus monitor or bus aide employed through a commercial service must be obtained and reviewed through a commercial service. The Board of Directors shall be informed of a criminal record of a felony or misdemeanor involving moral turpitude and must affirmatively vote to employ such driver, monitor, or aide affiliated with a commercial service.

Information collected on an individual to comply with the requirements listed above is confidential and may not be released except as authorized by law or with the consent of the person who is the subject of the
information.

All employees and applicants must complete the Authorization for Criminal History Background Check form accompanying this Handbook.

Additionally, prior to the start of employment, applicants must complete the Pre-Employment Affidavit form, as published by the Texas Education Agency, disclosing whether the applicant has been charged with, adjudicated for, or convicted of having an inappropriate relationship with a minor.

3.7 **Prohibition Against Employing Individuals Convicted of Certain Offenses**

ILTexas may not hire an individual who is prohibited from serving as an officer or employee of an open-enrollment charter school under Texas Education Code § 12.120(a). Additionally, ILTexas shall discharge or refuse to hire an employee or applicant for employment if it obtains information through a criminal history review that:

1. The employee or applicant has been convicted of or placed on deferred adjudication community supervision for an offense for which a defendant is required to register as a sex offender under Chapter 62, Code of Criminal Procedure; or
2. The employee or applicant has been convicted of:
   a. A felony under Penal Code Title 5, if the victim of the offense was under 18 years of age at the time the offense was committed, or
   b. An offense under the laws of another state or federal law that is the equivalent to an offense under item 1 above (relating to registration as a sex offender).

However, ILTexas may not be required by law to discharge or refuse to hire an employee or applicant if the person committed an offense under Title 5 of the Texas Penal Code and:

1. The date of the offense is more than 30 years before:
   a. June 15, 2007 in the case of an employee’s employment by ILTexas as of that date; or
   b. The date the applicant’s employment will begin, in the case of a person applying for employment with ILTexas after June 15, 2007; and
2. The employee or applicant for employment satisfied all terms of the court order entered on conviction

ILTexas may make employment decisions in accordance with its policy regarding employment of personnel with criminal histories (or arrested or charged with a criminal offense). ILTexas’ policy regarding employment of personnel with criminal histories is as follows:

As allowed by Commissioner of Education rule, a person may not serve as an ILTexas officer or employee if the person has been convicted of:

1. A misdemeanor involving moral turpitude or any felony;
2. An offense listed in Texas Education Code § 37.007(a); or
3. An offense listed in Code of Criminal Procedure, Article 62.001(5).

ILTexas shall also discharge or refuse to hire a person listed on the registry of persons not eligible for employment in public schools, as maintained and made available by the Texas Education Agency.
ILTexas may discharge an employee if it obtains information of the employee’s conviction of a felony or misdemeanor involving moral turpitude that the employee did not disclose to ILTexas or the State Board for Educator Certification (“SBEC”).

Except as required by state or federal law or as determined by ILTexas to be in the best interest of student and employee safety (and in accordance with law), ILTexas does not automatically prohibit employment or refuse to consider an application for employment solely on the grounds that an applicant/employee has a prior criminal record. ILTexas does not prohibit employment or refuse to consider an application for employment based solely on the grounds that the applicant/employee has been arrested. Instead, ILTexas reviews these circumstances on a case-by-case basis and in accordance with applicable law.

ILTexas reserves the right to perform criminal history record checks on current employees.

3.8 Fingerprinting

In accordance with state law, ILTexas requires all employees and substitutes to complete the fingerprinting process implemented by the SBEC/Texas DPS Clearinghouse prior to employment.

3.9 Arrest & Conviction Occurring after Employment Begins

An employee must notify his or her Principal or immediate supervisor within three calendar days of any arrest, indictment, conviction, no contest or guilty pleas, or other adjudication of the employee for any felony and/or any other offenses as indicated below:

- Crimes involving school property or funds;
- Crimes involving attempt by fraudulent or unauthorized means to obtain or alter any certificate or permit that would entitle any person to hold or obtain a position as an educator;
- Crimes that occur wholly or in part on school property or at a school-sponsored activity; or
- Crimes involving moral turpitude.

Moral turpitude includes, but is not limited to: (a) dishonesty; (b) fraud; (c) deceit; (d) theft; (e) misrepresentation; (f) deliberate violence; (g) base, vile, or depraved acts that are intended to arouse or gratify the sexual desire of the actor; (h) crimes involving any felony possession or conspiracy to possess, or any misdemeanor or felony transfer, sale, distribution, or conspiracy to transfer, sell, or distribute any controlled substance; (i) felonies including driving while intoxicated; and (j) acts constituting abuse or neglect under SBEC rules. If an educator is arrested or criminally charged, the Superintendent is also required to report the educator’s criminal history to the Division of Investigations at TEA.

The requirement to report an arrest, indictment, conviction, no contest or guilty pleas, or another adjudication after employment begins shall not apply to minor traffic offenses. However, a first offense of DWI or DUI must be reported if the employee drives or operates (or is authorized to do so) an ILTexas vehicle or other mobile equipment.

Failure to timely report the items listed in this section may result in disciplinary action, up to and including termination.

An arrest, indictment, conviction, no contest or guilty plea, or other adjudication after employment begins may not be an automatic basis for termination, unless the circumstances make the employee ineligible for employment in a Texas public school. ILTexas shall consider the following factors (or other appropriate
considerations as deemed by ILTexas) in determining what action, if any, should be taken against an employee who reports a criminal history during employment with ILTexas:

- The nature of the offense;
- The date of the offense;
- The relationship between the offense and the position to which the employee is assigned; and
- The best interests of ILTexas and its students, staff, and community.

3.10 Fair Credit Reporting Act

ILTexas may utilize consumer reports – e.g., credit, criminal, employment references and Department of Public Safety reports to assist us in making employment decisions. In addition, ILTexas may conduct annual driving record checks to verify that the licenses and driving records of those employees required to drive ILTexas owned vehicles are valid and acceptable to our insurance carrier.

Where required by applicable law, prior to running any of the above-mentioned checks/records, each employee will be provided any required notice form(s) and must sign an authorization form at the time of the initial job interview or prior to being extended an offer of employment. Refusal to sign such authorization is grounds for disqualification from employment with ILTexas. Continued employment is also expressly conditioned on satisfactory results from legally authorized or required record and background checks.

In the event ILTexas relies on a “consumer report” for an “adverse action” as defined by the Fair Credit Reporting Act and regulation – i.e., denying a job application, reassigning or terminating an employee, or denying a promotion – ILTexas will take the following action(s):

**Step 1:** Before taking adverse action, the employee will be provided a pre-adverse action disclosure that includes a copy of the individual’s consumer report and a copy of “A Summary of Your Rights Under the Fair Credit Reporting Act” – a document prescribed by the Federal Trade Commission.

**Step 2:** After taking an adverse action, the employee will be provided notice – either orally, in writing, or electronically – that the action has been taken. This notice will include:

- The name, address, and telephone number of the Credit Reporting Agency (“CRA”) that supplied the report;
- A statement that the CRA supplying the report did not make the decision to take the adverse action, and cannot give specific reasons for it; and
- A notice of the individual’s right to dispute the accuracy or completeness of any information the agency furnished, and his or her right to an additional free consumer report from the agency upon request within 60 days.

The employee will be given a reasonable time period to refute the information. However, it is ultimately the decision of ILTexas as to what action is taken.

3.11 Reporting an Educator’s Misconduct

The Superintendent shall promptly notify the SBEC by filing a written report (within seven days of first learning about an alleged incident of misconduct) with the Texas Education Agency upon obtaining knowledge or information indicating any of the following circumstances:
1. That an educator, applicant for, or holder of an educator’s certificate has a reported criminal history, and ILTexas learned of the criminal record by means other than the criminal history clearinghouse established by the Texas Department of Public Safety.

2. That an educator or certificate holder was terminated and there is evidence that the educator:
   a. Abused or otherwise committed an unlawful act with a student or minor;
   b. Was involved in a romantic relationship or solicited or engaged in sexual conduct with a student or minor;
   c. Possessed, transferred, sold, or distributed a controlled substance;
   d. Illegally transferred, appropriated, or expended school property or funds;
   e. Attempted by fraudulent or unauthorized means to obtain or alter any certificate or permit that would entitle the individual to be employed in a position requiring such a certificate or permit or to receive additional compensation associated with a position; or
   f. Committed a crime or any part of a crime while on school property or at a school-sponsored event.

3. That a certificate holder resigned, and reasonable evidence supported a recommendation to terminate the individual because he or she committed one of the acts specified in paragraph 2 above.

4. That an educator engaged in conduct that violated the assessment instrument security procedures established by Education Code 39.0301.

Additionally, the Principal shall promptly notify the Superintendent within seven days of obtaining knowledge or information of (1) an educator’s termination of employment or resignation following an alleged incident of misconduct described in items one, two, three, or four above; or (2) learning of an educator’s criminal record by means other than a criminal history clearinghouse report.

In accordance with state law, the Superintendent or designee must complete an investigation of an educator that involves evidence that the educator may have engaged in abuse or otherwise committed an unlawful act with a student or minor, or was involved in a romantic relationship with or solicited or engaged in sexual contact with a student or minor, despite the educator’s resignation from employment before the completion of the investigation. If the educator is arrested and law enforcement requests that the school cease its investigation and the Superintendent or designee is unable to complete the investigation, the Superintendent is still required to timely report to SBEC that the investigation was interrupted at the request of law enforcement.

Pursuant to Education Code § 21.006(c-2), the Superintendent may not be required to notify SBEC or file a report with SBEC if the Superintendent completes an investigation into the alleged incident of misconduct before the educator’s termination or resignation (not after) and the Superintendent determines the educator did not engage in the alleged incident of misconduct. The Superintendent should seek legal counsel before making any such determination, and if there is any doubt or concern, err on the side of reporting to SBEC.

ILTexas shall provide notice to the parent or guardian of a student with whom an educator is alleged to have engaged in misconduct in accordance with state law. ILTexas shall also notify the Board of Directors and the educator of the filing of the report.

3.12 Reporting Employee Misconduct (Non-Educators)

In addition to any reporting requirements under Chapter 261 of the Texas Family Code, the Superintendent shall notify the Commissioner of Education, within seven business days, after knowing of an non-educator’s termination or resignation if:

1. A non-educator’s employment with ILTexas was terminated and there is evidence that the employee:
a. Abused or otherwise committed an unlawful act with a student or minor; or
b. Was involved in a romantic relationship with or solicited or engaged in sexual contact with a student or minor; or

2. The employee resigned and there is evidence that the employee engaged in misconduct described above.

This reporting requirement applies to any person who is employed by ILTexas and who does not hold a certification or permit issued under Subchapter B, Chapter 21 of the Texas Education Code.

The Superintendent shall complete an investigation of an employee that involves evidence that the employee may have engaged in misconduct described above, despite the employee’s resignation from employment before completion of the investigation.

Principals must notify the Superintendent within seven business days after the date of an employee’s termination or resignation following an alleged incident of misconduct described above.

3.13 Assignment and Reassignment

All personnel are subject to assignment and reassignment by the Superintendent or designee, and may also be directed to perform additional or supplemental duties from time to time. Unless specifically required by applicable law or approved by the Board of Directors and/or the Superintendent, no additional financial compensation is provided for additional or supplemental duties. ILTexas’ criteria for approval of campus appointments and reassignments will be consistent with school policy regarding equal opportunity employment.

Any employee may request reassignment to another position for which he or she is qualified by applying for the position at www.ILTexas.org. All interested employees who feel they meet a position’s minimum qualifications are encouraged to apply. Selection is based on the school’s needs and each individual’s job qualifications, experience, and abilities and in accordance with applicable state and federal law. ILTexas reserves the right to select candidates from outside the school.

3.14 Transfers

Employees who are considering transferring to another campus or department must first notify their current Supervisor/Principal. Employees must be in good standing for the transfer to be approved. Good standing is defined as not actively being on any type of professional growth plan and/or not receiving any formal disciplinary actions in the 90 days prior to the transfer request. The employee’s current manager is responsible for requests to Human Resources by the designated deadline. The receiving Supervisor/Principal must accept and sign off on the transfer.

Supervisors or Principals may request an interview and/or sample teaching lesson before a transfer request is approved. Employees selected for a transfer will receive notification from Human Resources.

Requests for transfer during the school year will be considered only when the change will not adversely affect students and after a replacement has been found. All transfer requests will be coordinated by Human Resources and must be approved by the sending and receiving hiring Supervisor/Principal.
3.15 Professional Development

ILTexas is committed to the professional development of all employees. For educators, ILTexas provides training before the start of the school year, on-site coaching and modeling throughout the school year, day-to-day instructional leadership, and access to external workshops. For non-instructional staff, ILTexas provides technical training before the start of the school year and throughout the year. To access this information please go to www.ILTexas.org and select the Curriculum, Instruction, and Assessment tab.

In addition, all employees are encouraged to pursue external professional development opportunities in the form of workshops or additional certification. Employees should talk with their supervisors about additional development opportunities and specific career paths. Supervisors must approve professional development before it is taken if time off will be required to attend the session/course.

3.16 Personnel Records

ILTexas maintains a personnel file on each employee. This file includes the employee’s job application, resume, all new hire paperwork, records of training, documentation of performance appraisals and salary increases, and other employment records. The records housed in the Office of Human Resources are considered the official records for each employee.

All information in an employee’s personnel file will be made available to the employee or his/her authorized representative in the same manner that public information is made available under the public information laws found in Texas Government Code Chapter 552.

An employee or his/her authorized representative has a special right of access, beyond the right of the general public, to information held by ILTexas that relates to the employee, and that is protected from public disclosure by laws intended to protect the employee’s privacy interests. ILTexas may not deny to the employee or his/her authorized representative access to information relating to the employee on the grounds that the information is considered confidential by privacy principles under the Public Information Act. However, ILTexas may assert, as grounds for denial of access, other provisions of the Public Information Act or other laws that are not intended to protect the employee’s privacy interests.

If ILTexas determines that information in an employee’s records is exempt from disclosure under an exception of Texas Government Code chapter 552, Subchapter C, other than an exception intended to protect the privacy interest of the employee or his/her authorized representative, it will, when required, submit a written request for a decision to the Attorney General of Texas before disclosing the information. ILTexas will release the information to the employee requesting the information in accordance with applicable law.

Employees who wish to review their own personnel file in Human Resources should contact the Director of Human Resources.

Many personnel records may also be public information and must be released upon request in accordance with state law. Pursuant to a written Open Records Request under the Texas Public Information Act, employees may choose to have the following personal information withheld from disclosure:

- Home Address,
- Phone number,
- Information that reveals whether they have family members, and
- Emergency contacts.
Please complete and return to the Director of Human Resources the “Texas Government Code § 552.024 Public Access Option Form” included with this handbook if you wish to opt-out and have the above-identified information “exempted” from disclosure under the Texas Public Information Act. New or terminated employees have 14 days after hire or termination to submit the form. A request to deny public access to personal information is effective only for public information requests made after the date the employee submits to the request to deny access. With respect to certain medical information protected by state and federal law and evaluation documents exempted from disclosure under State law, ILTexas will seek to exempt and protect such documentation from disclosure to the extent permitted by law.

3.17 Name and Address Changes

Employment records must be kept up to date. Employees must notify Human Resources if there are any changes or corrections to their name, address, telephone number, marital status, and emergency contact information. Name change notifications must be submitted with the employee’s new social security card depicting the employee’s new name.

3.18 Employment Applications

ILTexas relies upon the accuracy of information contained in the employment application, as well as the accuracy of other information presented throughout the hiring process and employment. Any misrepresentations, falsifications, or material omissions in this information or data may result in ILTexas’ exclusion of the individual from further consideration for employment or, if the person has been hired, termination from employment.

3.19 Minimum Qualifications for Principals and Teachers, and Notification to Parents Regarding Teacher Qualifications

ILTexas employs Principals, teachers and instructional staff members who are properly credentialed and qualified as may be required by state and federal law. Employment is contingent upon and subject to the employee submitting all required documentation in a timely and accurate manner and meeting all other employment requirements of ILTexas.

State law requires that ILTexas provide to the parent or guardian of each enrolled student written notice of the professional qualifications of the student’s classroom teachers. ILTexas will also provide this information upon request from a parent.

3.20 Health Safety Training

Certain employees (i.e., physical education teachers and coaches) who are involved in physical activities for students must maintain and submit to the Principal and Director of Athletics and Physical Fitness, proof of current certification in first aid, cardiopulmonary resuscitation (CPR), and the use of an automated external defibrillator (AED). Certification or documentation of training must be issued by the American Red Cross, the American Heart Association, the University Interscholastic League, or another organization that provides equivalent training and certification. Employees subject to this requirement must submit their certification to Supervisor and the Director of Athletics and Physical Fitness at the start of each school year and each time the employee is re-certified.

3.21 Conflicts of Interest
It is the goal of ILTexas to avoid creating or maintaining circumstances in which the appearance or possibility of favoritism, conflicts or management disruptions exist.

Employees have an obligation to conduct business within guidelines that prohibit actual or potential conflicts of interest. This section of the handbook establishes only the framework within which ILTexas wishes to operate. ILTexas’ framework is also guided by applicable state and federal law governing conflicts of interest and nepotism applicable to Texas open-enrollment charter schools and nonprofit tax-exempt entities.

An actual or potential conflict of interest occurs when an employee is in a position to influence a decision that may result in a personal gain for that employee or for a relative as a result of ILTexas’ business dealings and operations.

No “presumption of guilt” is created by the mere existence of a relationship with an employee, contractor or vendor that may be a potential conflict of interest. However, employees are required to disclose in writing to ILTexas any situation that creates a potential conflict of interest with proper discharge of assigned duties and responsibilities or creates a potential conflict of interest with the best interests of ILTexas. This includes the following:

- A personal financial interest;
- A business interest;
- Any other obligation or relationship; or
- Non-school employment

Employees should contact their supervisor for additional information.

Nothing in this policy is meant to interfere with ILTexas’ desire to encourage staff members to take part in civic, church, and other public services where opportunities to exhibit good citizenship are present.

**Outside Employment**

All employees must recognize that they owe a duty of loyalty to ILTexas. At all times when on duty, without regard to time or place, employees should devote their full attention to school business and their duties. Additionally, employees should not be engaged in outside employment that provides or could give rise to a conflict of interest or directly interferes with the employee’s performance. Employees who wish to engage in any form of outside employment are required to disclose in writing to their immediate supervisor any outside employment and, if a potential or actual conflict of interest is present, have written permission from their immediate supervisor to engage in the outside employment. Supervisors will consider outside employment on a case-by-case basis and determine whether it should be prohibited because of a conflict of interest. Employees are prohibited from performing non-school work while on the job or using ILTexas equipment and/or supplies to perform non-school work.

**Employment of Relatives and Fraternization**

ILTexas is committed to providing equal employment opportunities to its employees. Intimate relationships have the potential to interfere with ILTexas’ ability to provide equal employment opportunities for its employees, and in some instances, may constitute sexual harassment or other unlawful discrimination. To minimize potential conflicts of interest, ILTexas strongly discourages its employees from entering into intimate relationships with other employees for which they have professional supervisory responsibility.

While relatives of employees may be employed by ILTexas in accordance with applicable law, a familial relationship among employees can also create an actual, or at least a potential, conflict of interest in the
employment setting, especially where one relative has professional supervisory responsibility over another relative. No employee shall be hired based solely on his or her family relationship with an ILTexas employee, administrator, or Board member. When a prospective employee-relative applies for a position with ILTexas, the prospective employee-relative shall disclose in writing his or her relationship to any current school employee, administrator, or Board member.

ILTexas may refuse to hire or assign a relative in a position where the appearance of or potential for favoritism or conflict exists or where otherwise prohibited by law. Where hardship exists, employees may appeal to the CEO in accordance with ILTexas’ formal complaint procedures set forth herein.

Unless otherwise approved by the CEO, if two employees marry, become relatives of each other or enter into an intimate relationship, they should not remain in a professional supervisory relationship. ILTexas will, at its discretion, attempt to identify other available positions, and allow one or both of such employees to apply for reassignment, or ILTexas may reassign the employees at its discretion. If no alternate position is available, ILTexas may terminate either of the employees at its discretion.

In other cases, where a conflict or the potential for conflict arises between an employee and another employee, even if there is no professional supervisory responsibility involved, the parties may be separated by reassignment to another position or terminated from employment, at the discretion of ILTexas.

A supervisor shall not have direct professional supervisory responsibility over a relative. In addition, all relatives shall be separated by at least two levels of direct reports. In other words, a supervisor-relative may not have an employee-relative be a direct report, and a supervisor-relative must place two non-relative employees, with supervisory roles, between himself/herself and the employee-relative.

No employment of relatives or fraternization will be allowed to be maintained, regardless of the positions involved, if it creates a disruption or potential disruption in the work environment, creates an actual conflict of interest or is prohibited by any legal or regulatory mandate.

For the purposes of this policy section, a “relative” shall include the following relationships: relationships established by blood, marriage or legal action. Examples include (but are not limited to) the employee’s spouse, mother, father, son, daughter, sister, brother, mother-in-law, father-in-law, sister-in-law, brother-in-law, daughter-in-law, stepparent, stepchild, aunt, uncle, nephew, niece, grandparent, grandchild or cousin. The term also includes domestic partners (a person with whom the employee’s life is interdependent and who shares a common residence) and a daughter or son of an employee’s domestic partners.

An employee who improperly uses or discloses trade secrets or confidential business information belonging to ILTexas will be subject to disciplinary action, up to and including termination of employment and legal action, even if the employee does not actually benefit from the disclosed information. This does not include any disclosure of otherwise confidential business information or trade secrets in accordance with the Texas Public Information Act or other applicable federal or state law.

### 3.24 Copyrighted Material

Employees are expected to comply with the provisions of federal copyright law relating to the unauthorized use, reproduction, distribution, performance, or display of copyrighted materials (i.e., printed material, videos, computer data and programs, etc.). Electronic media, including motion pictures and other audiovisual works, are to be used in the classroom for instructional purposes only. Duplications are to be used in the classroom for educational purposes only. Duplication or backup of computer programs and data must be made within the provisions of the purchase agreement.

Employees acknowledge and understand that the entire right, title and interest of any and all writings, works and other creations that they may prepare, create, write, initiate or otherwise develop as part of their efforts while employed by ILTexas shall be considered the property of ILTexas. This includes, but is not limited to, the development of a curriculum. These works will be “works for hire” and shall be the sole and exclusive property of ILTexas, including any copyright, patent or trademark or application thereof. Employees hereby assign and transfer to ILTexas all right, title and interest in such works and creations, including without limitation, all patent, trademark and copyright rights that now exist or may exist in the future. Employees further agree that at any reasonable time upon request, and without further compensation or limitation, they will execute and deliver any and all papers, applications or instruments that in ILTexas’ opinion may be necessary or desirable to secure the school’s full enjoyment of all right, title interest and properties herein assigned. Employees agree to not charge the school for use of their copyrighted, trademarked and patented material.

### 3.25 Media Consent Policy

International Leadership of Texas retains the right to reproduce the photographs and/or video images taken of employees for the purpose of publication, promotion, or marketing, in any manner or in any medium. This is with the understanding that neither International Leadership of Texas nor its representatives, agents or employees will reproduce said photograph or likeness for any commercial value or receive monetary
gain for use of any reproduction or broadcast of said photograph or likeness. Employees hereby release International Leadership of Texas and its legal representatives, agents and employees from all claims and liability relating to said images or video. Employees may contact Human Resources for questions concerning this policy, or to decline permission to allow a photograph or video image to be used by ILTexas for promotional or marketing purposes.

3.26 Proprietary Information

Proprietary information includes all information relating in any manner to the business of ILTexas and its schools, students, parents, consultants, customers, clients, and business associates obtained by ILTexas employees during the course of their work. Occasionally, in the service of ILTexas’ mission, ILTexas may choose to share otherwise proprietary information (e.g., best practices) with outside parties. Such documents will be prepared specifically for publication and dissemination. If an individual employee receives a request from an outside party for either paper or electronic copies of ILTexas documents, that employee should seek approval from ILTexas’ Legal Department before disseminating documents.

3.27 Performance Management Program

ILTexas has instituted a Performance Management Program to evaluate employee performance. Employees will receive constructive coaching and counseling in conjunction with performance evaluations designed to address performance and develop skills. All employees will participate in the process with the Principal and/or their immediate supervisor at least annually. Principals and/or supervisors may also elect to complete additional period evaluations, as approved by the next level administrator.

3.28 Termination or Resignation

Employees are employed at-will and can be dismissed without notice or warning.

All school-owned property in the employee’s possession must be returned to his or her supervisor upon separation from employment. Failure to return school-owned property constitutes theft of public property and will be reported to law enforcement.

In the event an employee has been terminated or resigns, it is the employee’s responsibility to provide a forwarding address and telephone number. This information must be provided to Human Resources no later than December 31 of that year for W-2 purposes, and no later than the last day of work in the event of termination or resignation. In the event the W-2 or final paycheck is returned to ILTexas, the school will hold the W-2 or the final check until claimed by the former employee or by an individual authorized in writing by the former employee to collect the check and/or the W-2.

Exit packets and surveys will be provided via email for all employees leaving ILTexas. Information on the continuation of benefits, release of information, and procedures for requesting references will be provided at this time.

Money Owed to International Leadership of Texas at Termination

In the event of termination, whether voluntary or involuntary, ILTexas will, to the extent allowed by law, deduct from an employee’s final paycheck and/or expense reimbursement any and all money owed to ILTexas for any reason, including, but not limited to charges for any ILTexas owned property, personal telephone calls, personal charges on any school credit card issued to an employee, any insurance premiums due, and any amounts that the employee may have been overpaid by ILTexas.
**Reports Concerning Court-Ordered Withholding**

ILTexas is required to report the termination of employees that are under court order or writ of withholding for child support or spousal maintenance to the court and the individual receiving the support (Texas Family Code §§ 8.210, 158.211). Notice of the following must be sent to the court and support recipient:

- Termination of employment not later than the seventh day after the date of termination;
- Employee’s last known address; and
- Name and address of new employer, if known.

**Termination/Non-Renewal Grievances (General Complaints)**

A terminated employee may request a review of the dismissal decision. Termination grievances (other than whistleblower complaints) must be submitted in writing to Human Resources within five calendar days of notice of termination. A Human Resources representative will schedule and hold a conference within five business days of the request and shall issue a written decision within five business days after the conference. A former employee wishing to appeal this decision may appeal through the General Employee Complaint and Grievance Process described in Section 3.29 of this handbook, beginning at Level Three.

**3.29 General Employee Complaint and Grievance Process**

**Purpose**

The purpose of the employee complaint process is to provide employees an orderly process for the prompt and equitable resolution of grievances. ILTexas intends that, whenever feasible, grievances be resolved at the lowest possible administrative level.

In using and applying the employee complaint process, all participants are expected to remain courteous and to adhere to the Code of Ethics and Standard Practices for Texas Educators.

**Informal Process**

ILTexas encourages employees to discuss their concerns with their supervisor, Principal, or other appropriate administrator who has authority to address the concerns. Concerns should be expressed as soon as possible to allow early resolution at the lowest possible administrative level.

**Formal Process**

An employee may initiate the formal complaint process described below by timely filing a written complaint form. Even after initiating a formal complaint, employees are encouraged to seek informal resolution of concerns. An employee whose complaints are resolved may withdraw a formal complaint at any time.

The grievance process described below shall not be construed to create new or additional rights beyond those granted by law or Board policy, nor to require a full evidentiary hearing or “mini-trial” at any level.

**Freedom from Retaliation**

Neither ILTexas nor any ILTexas employee shall unlawfully retaliate against an employee for bringing a concern or complaint.

**Guidelines for General Employee Complaints**

**Definitions**

For purposes of understanding the General Employee Complaint and Grievance Process, terms are defined as follows:
The terms “complaint” and “grievance” shall have the same meaning and may pertain to the following situations:

1. Grievances concerning an employee’s wages, hours, or conditions of work;
2. Specific allegations of unlawful discrimination in employment based on the employee’s sex or gender (including allegations of sexual harassment and/or wage discrimination on the basis of sex), race, religion, national origin, age, veteran status, or disability, following completion of an investigation by the designated Chief Equity Officer or designee set by policy; or
3. Specific allegations of unlawful discrimination or retaliation based on the employee’s exercise of constitutional rights.

The term “day” shall be defined as a school business day, unless stated otherwise in this policy. In calculating timelines under these procedures, the day a document is filed is “day zero,” and all deadlines shall be determined by counting the following school business day as “day one.”

Filing
Complaint forms and appeal notices may be filed by hand-delivery, by electronic communication (including e-mail and fax), or by U.S. Mail. Hand-delivered filing shall be timely filed if received by the appropriate administrator or designee by the close of business on the deadline. Filings submitted by electronic communication shall be timely filed if they are received by the close of business on the deadline, as indicated by the date/time shown on the electronic communication. Mail filing shall be timely filed if they are postmarked by U.S. Mail on or before the deadline.

Scheduling Conferences
ILTexas will make reasonable attempts to schedule conferences at a mutually agreeable time. If the employee fails to appear at a scheduled conference, ILTexas may hold the conference and issue a decision in the employee’s absence.

Response
At Levels One, Two, and Three, “response” shall mean a written communication to the employee from the appropriate administrator. Responses may be hand-delivered, sent by electronic communication to the employee’s e-mail address of record, or sent by U.S. Mail to the employee’s mailing address of record. Mailed responses shall be timely if they are postmarked by U.S. Mail on or before the deadline.

If the administrator addressing the complaint determines that additional time is needed to complete a thorough investigation of the complaint and/or to issue a response, the administrator shall inform the grievant in writing of the necessity to extend the response time and a specific date by when the response will be issued.

A grievance official who fails to meet a time requirement, without providing written notice of an extended deadline, shall be considered to have denied the complaint as of the date of the missed deadline.

Representative
“Representative” means a person designated to represent him or her in the complaint process. An employee may designate a representative through written notice to ILTexas at any level of the grievance process. The representative may participate in person or by telephone / video conference. If the employee designates a representative with fewer than three days’ notice to ILTexas before a scheduled conference or hearing, ILTexas may reschedule the conference or hearing to a later date, if desired, in order to include the school’s counsel. ILTexas may be represented by counsel at any level of the process.
Consolidating Complaints
Complaints arising out of an event or a series of related events shall be addressed in one complaint. Employees shall not file separate or serial complaints arising from any event or series of events that have been or could have been addressed in a previous complaint.

When two or more complaints are sufficiently similar in nature and remedy sought to permit their resolution through one proceeding, ILTexas may consolidate the complaints.

Untimely Filings
All time limits for an employee to file a complaint shall be strictly followed unless modified by mutual written consent. If a complaint form or appeal notice is not timely filed, the complaint may be dismissed, upon written notice to the employee, at any point during the complaint process.

Costs Incurred
Each party shall pay its own costs incurred in the course of the complaint.

Complaint and Appeal Forms
Complaints and appeals under this policy shall be submitted in writing on a form provided by ILTexas.

Copies of any documents that support the complaint should be attached to the complaint form. If the employee does not have copies of these documents, they may be presented at the Level One conference. After the Level One conference, no new documents maybe submitted by the employee unless the employee did not know the documents existed before the Level One conference.

A complaint or appeal form that is incomplete in any material aspect may be dismissed but may be re-filed with all the required information if the refiling is within the designated time for filing.

Formal Complaint Process
The formal complaint process provides all employees with an opportunity to be heard up to the highest level of administrative management. Once all administrative procedures are exhausted, employees can bring concerns or complaints to the Board of Directors as outlined below.

Level One
Level One complaints must be filed:

1. Within ten days of the date the employee first knew, or with reasonable diligence should have known, of the decision or action giving rise to the complaint; and

2. With the employee’s immediate supervisor and the Executive Director of Human Resources. If the only administrator who has authority to remedy the alleged problem is the Superintendent or designee, ILTexas may accelerate the complaint to Level Two or Level Three as appropriate.

The employee’s immediate supervisor or designee shall investigate as necessary and schedule a conference with the employee within ten days of receiving the Level One complaint. The grievance officer may set reasonable time limits for the conference.

Absent extenuating circumstances, or if there is a need to gather additional information, the grievance officer shall provide the employee with a written response within ten days following the conference. The written response will set forth the basis of the decision. In reaching a decision, the grievance officer may consider information provided at the Level One conference and any other relevant documents or
information the grievance officer believes will help resolve the complaint.

**Level Two**

If the employee did not receive the relief requested at Level One or if the time for a Level One response has expired, or if the employee is otherwise directed to do so by ILTexas, the employee may request an appeal conference with the Area Superintendent or designee. The appeal notice must be filed in writing to the Executive Director of Human Resources, on a form provided by ILTexas, within ten days of the written Level One response or, if no response was received, within ten days of the Level One response deadline.

After receiving notice of the appeal, the Level One grievance officer will prepare and forward a record of the Level One complaint to the Executive Director of Human Resources.

The Area Superintendent or designee will schedule a conference within ten days after the appeal notice is filed. The conference shall be limited to the issues and documents considered at Level One. The Area Superintendent or designee may set reasonable time limits for the conference.

The Area Superintendent or designee shall provide the employee a written response within ten days following the appeal conference. The written response will set forth the basis of the decision. In reaching a decision, the Area Superintendent or designee may consider the Level One record, information provided at the Level Two conference, and any other relevant documents or information the Area Superintendent or designee believes will help resolve the complaint.

**Level Three**

If the employee did not receive the relief requested at Level Two or if the time for a Level Two response has expired, the employee may request an appeal conference with the Superintendent or Designee. The appeal notice must be filed in writing to the Superintendent or designee, on a form provided by ILTexas, within ten days of the written Level Two response or, if no response was received, within ten days of the Level Two response deadline.

After receiving notice of the appeal, the Level Two grievance officer will prepare and forward a record of the Level Two complaint (including the Level One record) to the Superintendent or designee.

The Superintendent or designee will schedule a conference within ten days after the appeal notice is filed. The Superintendent or designee may set reasonable time limits for the conference.

The Superintendent or designee shall provide the employee a written response within ten days following the appeal conference. The written response will set forth the basis of the decision. In reaching a decision, the Superintendent or designee may consider the Level One and Level Two records, information provided at the Level Three conference, and any other relevant documents or information the Superintendent or designee believes will help resolve the complaint.

**Level Four**

If the employee did not receive the relief requested at Level Three, or if the time for a Level Three response has expired, the employee may appeal to the Board of Directors. The appeal notice must be filed in writing to the Superintendent on a form provided by ILTexas within ten days of the written Level Three response or, if no response was received, within ten days of the Level Three response deadline.

The Superintendent or designee shall inform the employee of the date, time, and place of the Board meeting at which the complaint will be on the agenda for consideration by the Board. The Board of Directors will consider the grievance and may, at its discretion, require the appearance of the employee and administration.
The Board of Directors will determine whether the appeal will be considered in open or closed meeting in accordance with the Texas Open Meetings Act and other applicable law. Generally, complaints involving the appointment, employment, evaluation, reassignment, duties, discipline, or dismissal of the employee bringing the complaint may be heard by the Board of Directors in a closed meeting. Complaints involving a complaint or grievance against another ILTexas employee, director, or officer shall be heard in a closed meeting unless an open meeting is requested in writing by the employee, director, or officer against whom the complaint or grievance is brought.

After considering the appeal, the Board of Directors may subsequently take action or no action. If the Board of Directors takes action, it may make and communicate its decision orally or in writing at any time up to and including the next regularly scheduled Board meeting. If the Board does not make a decision regarding the complaint by the end of the next regularly scheduled meeting, the lack of a response by the Board upholds the administrative decision from the previous grievance level. The Board’s decision, if any, is final and may not be appealed.

3.30 Process for Employee Complaints and Grievances Regarding Harassment and Discrimination

ILTexas takes allegations of harassment and discrimination very seriously and intends to investigate all official complaints. ILTexas will take appropriate actions for all substantiated allegations. Employees who believe they are being harassed or discriminated against are requested to take the following actions:

- In the event you feel you are a victim of discrimination or harassment, you should contact your immediate supervisor and/or the designated Chief Equity Officer or Executive Director of Human Resources immediately. In the event your immediate supervisor is the alleged harasser, you should contact the next level of management immediately. Complaints against the designated Chief Equity Officer may be submitted to the Executive Director of Human Resources.
- Any employees who are uncomfortable with face-to-face interaction may write down their complaints in a memo and submit the memo to their immediate supervisor and/or the designated Chief Equity Officer.
- Any ILTexas employee who receives a report of suspected harassment or discrimination is expected to immediately contact the designated Chief Equity Officer.
- Complaints will be handled in a timely manner.

Reports of prohibited conduct shall be made as soon as possible after the alleged act or knowledge of the alleged act. A failure to promptly report may impair ILTexas’ ability to investigate and address the prohibited conduct.

Any supervisor who receives a report of discrimination or harassment shall immediately notify the appropriate Chief Equity Officer, and take any other steps required by ILTexas.

After receiving a report, the Chief Equity Officer shall determine whether the allegations, if proven, would constitute prohibited discrimination or harassment. If so, ILTexas shall immediately authorize or undertake an investigation. If appropriate, ILTexas shall promptly take interim action calculated to prevent prohibited conduct during the course of an investigation.

ILTexas’ investigation may be conducted by the Chief Equity Officer or designee, or by a third party designated by ILTexas, such as an attorney. When appropriate, the Principal or supervisor shall be involved in or informed of the investigation.
The investigation may consist of personal interviews with the person making the report, the person against whom the report is filed, and others with knowledge of the circumstances surrounding the allegations. The investigation may also include analysis of other information or documents related to the allegations.

After completing an investigation, the investigator shall prepare a written report summarizing the outcome of the investigation.

If the results of an investigation indicate that prohibited conduct occurred, ILTexas shall promptly respond by taking appropriate disciplinary or corrective action reasonably calculated to address the conduct. ILTexas may also take action based on the results of an investigation, even if the conduct did not rise to the level of prohibited or unlawful conduct.

To the greatest extent possible, ILTexas shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. The purpose of this provision is to maintain impartiality and confidentiality to the extent possible. Both the reporting individual, victim and the accused have equal privacy rights under the law, and ILTExx must respond accordingly. However, limited disclosures may be necessary in order to conduct a thorough investigation and comply with applicable law.

An employee who is dissatisfied with the outcome of the investigation may appeal through the “General Employee Complaint and Grievance Process” described in Section 3.29 of this handbook.

ILTexas prohibits retaliation against an employee who, in good faith, makes a claim alleging to have experienced discrimination or harassment, or another employee who, in good faith, makes a report, serves as a witness, or otherwise participates in an investigation. Examples of retaliation may include termination, refusal to hire, demotion, and denial of promotion. Retaliation may also include threats, unjustified negative evaluations, or unjustified negative references.

In addition to using ILTexas’ complaint process, an employee may file a formal complaint with the Equal Employment Opportunity Commission (“EEOC”) or Texas Workforce Commission (“TWC”). Additional information may be found by visiting [http://www.eeoc.gov/employees/charge.cfm](http://www.eeoc.gov/employees/charge.cfm).

### 3.31 Whistleblower Complaints

The Texas Whistleblower Act (“TWA”) protects employees who make good faith reports of violations of law by ILTexas or another employee to an appropriate law enforcement authority. ILTexas is prohibited from suspending, terminating the employment of, or taking other adverse personnel action against an employee who makes a report under the TWA.

An employee who alleges a violation of whistleblower protection must file a written complaint to Human Resources no later than the 90th day after the date on which the alleged suspension, termination, or other adverse employment action occurred or was discovered by the employee through reasonable diligence.

Following receipt of a whistleblower complaint, the Superintendent or designee will conduct an investigation and issue a written response to the complaint. An employee who is dissatisfied with the outcome of the investigation may file an appeal to the Board of Directors through the “General Employee Complaint and Grievance Process” described in section 3.29 of this Handbook, beginning at Level Four.

ILTexas may shorten its general timelines for investigating employee complaints and concerns to allow the Board to make a final decision within 60 calendar days of the initiation of the complaint. If the Board does not render a final decision before the 61st day after a whistleblower complaint is filed, an employee may:
1. Exhaust the ILTexas grievance procedure, in which case the employee must sue not later than the 30th day after the date those procedures are exhausted to obtain relief under the Texas Whistleblower Act; or
2. Terminate the ILTexas grievance procedures and sue within the timelines established by the TWA.

**PART 4: COMPENSATION AND PAY SCHEDULE**

**4.1 Payroll**

Employees are paid in accordance with administrative guidelines and an established pay structure, and as required under the Texas Payday Laws. ILTexas’ pay plans are reviewed by the administration each year and adjusted as needed. All positions are classified as exempt salaried, non-exempt salaried, or non-exempt hourly according to federal law. Professional employees and academic administrators are generally classified as exempt and are not entitled to overtime compensation.

Exempt employees are paid by the 28th of each month. ILTexas shall pay all salaried employees over 12 months, regardless of the number of months employed during the school year.

Non-exempt employees are paid semi-monthly, on the 15th and 28th, in accordance with the Texas Payday law, and receive overtime pay for each hour worked over 40 in a workweek. Employees should contact the Payroll Department for more information about ILTexas’ pay schedules or their own pay.

An employee’s payroll statement contains detailed information including deductions, withholding information, and the amount of leave accumulated.

Pay dates are posted on the main website in Employee Access (Skyward).

The method of pay may be changed at any time, with or without advance notice.

**4.2 Payroll Deductions**

ILTexas is required to make the following automatic payroll deductions:

- Teacher Retirement System of Texas or Social Security employee contributions.
- Federal income tax.
- Medicare tax.
- Child support and spousal maintenance, if applicable.
- Delinquent federal education loan payments, if applicable.

Other payroll deductions employees may elect include deductions for the employee’s share of premiums for health, dental, life, and vision insurance, or annuities. Salary deductions may also be made for unauthorized or unpaid leave in accordance with applicable law.

If you have questions why deductions were made from your paycheck or how they were calculated, please notify the Payroll Office.

**Administrative Pay Corrections**

In the event of an error in payment, the employee should notify the Payroll Department and send the necessary paperwork to correct the matter. Any questions concerning how or when corrections will be made should be directed to the Payroll Office.
**Overpayments**
Employees must inform the Payroll Office of known overpayments on any paychecks received. ILTexas will pursue all legal means necessary to recover overpayments.

**4.3 Direct Deposit**
All faculty and staff are strongly encouraged to take advantage of direct deposit because of the many advantages it offers. In addition to being efficient and convenient, direct deposit is the most reliable method of receiving pay. Every employee participating in the program must sign a Direct Deposit Authorization Agreement form. A notification period of two weeks may be necessary to activate this service, depending on the employee’s designated depository bank. Terminated employees with Direct Deposit will receive a paper check for their final paycheck within six calendar days of termination in accordance with the Texas Payday Act.

**4.4 Lost/Stolen Paychecks**
Lost or stolen paychecks should be reported to the Payroll Office immediately. ILTexas will issue a stop payment on the lost or stolen check. Only after the financial institution has notified ILTexas that payment of the check has been stopped can a new check be issued.

**4.5 Unclaimed Payroll Checks**
In the event an employee does not collect their pay within 90 days, ILTexas will secure such pay and the wages will still be recorded. The employee will be required to present proper identification to ILTexas before pay will be reissued. If unclaimed pay is not claimed for a period of one year from its date of issuance, the pay amount “escheats” to the State of Texas pursuant to the Texas Property Code. After such time, the employee will need to contact the Unclaimed Property Division of the Texas State Comptroller’s Office for instructions on retrieving deposited wages.

**4.6 Authorized Check Pick Up**
ILTexas will release a paycheck to a third party, including a spouse, who is authorized in writing by the employee to receive the paycheck. Written authorization must be provided to the Payroll Manager prior to any paycheck being released.

**4.7 Expense and Travel Expense Reimbursement**
Before any travel expenses are incurred by an employee, the employee must submit a requisition/purchase order. The supervisor must approve the requisition/PO prior to the date of travel. For approved travel, employees will be reimbursed for mileage and other travel expenditures according to the current rate schedule established by ILTexas. Employees must submit itemized receipts, to the extent possible, to be reimbursed for expenses other than mileage and per diem.

**Use of Employee Vehicles for School Business.** Employees may from time to time use their own vehicles for school business, such as attending conferences. The employee must submit a requisition/purchase order to their supervisor for approval. Once the approved travel request is submitted, the employee is eligible for reimbursement. Employees are required to carry personal auto liability insurance at all times. No ILTexas insurance coverage is provided for vehicle repairs to an employee’s vehicle in the event of an accident. The owner is responsible for all repairs. Employees should immediately report all accidents to their insurance.
company.

4.8 **Wage and Tax Statements**

All employees will receive a Wage and Tax Statement (Form W-2) showing their annual earnings and the amounts deducted for Social Security, Medicare, and federal income taxes. Additional earnings and deductions that may be included, if applicable, are social security tips, allocated tips, advance earned income credit, and dependent care benefits. W-2 forms will be prepared by ILTexas and distributed on or before January 31st of each year.

4.9 **Fair Labor Standards Act (FLSA)**

**Employment Categories**

It is the intent of ILTexas to clarify the definitions of employment classifications so that employees understand their employment status and benefit eligibility. These classifications do not guarantee employment for any specified period of time. Accordingly, the right to terminate the employment relationship at-will at any time is retained by both the employee and ILTexas.

Each employment position is designated as either EXEMPT or NON-EXEMPT under federal and state wage and hour laws in accordance with applicable federal law. Employees in NON-EXEMPT positions are entitled to overtime pay under the specific provisions of federal law. Employees in EXEMPT positions are excluded from specific provisions of federal and state wage and hour laws. A position’s EXEMPT or NON-EXEMPT classification may be changed only upon written notification by ILTexas, and in accordance with applicable federal law.

Exempt status applies to the position and not the employee. Exempt simply means the position the employee fills is exempt from the Fair Labor Standards Act (“FLSA”), and is not entitled to overtime compensation. All Professional employees are considered Exempt. Exempt employees are paid on a salaried basis, and their salary is not reduced for absences of less than one full day. However, any full days of absence taken in excess of the employee’s allotment/service record accumulation of sick or personal leave will result in an employee payroll deduction calculated on a pro-rated daily rate.

Non-exempt positions are those positions that are not exempt from the FLSA. Non-exempt positions require the school to pay the employee overtime rates (time and a half) for all hours worked in excess of 40 during a workweek. The key phrase here is “hours worked.” An employee may work 32 hours in a week and have 16 hours of vacation time. This would reflect as 48 hours on a paycheck, but for overtime calculation, the employee actually worked 32 hours – so overtime would not be paid. All employees in positions that are classified as non-exempt will be required to maintain a time card or record and will be eligible for overtime pay in accordance with the appropriate Wage and Hour laws.

ILTexas’ positions are reviewed and assigned an FLSA (exempt or non-exempt) status that is maintained on a master record by ILTexas. Employees may obtain this information from the Human Resources Department upon request.

**Timekeeping**

Federal and state laws require ILTexas to keep an accurate record of time worked in order to calculate employee pay and benefits. Time worked is all the time actually spent on the job performing assigned duties. Employees are not to estimate future hours and include them on their time card.

Non-exempt employees should accurately record the time they begin and end their work, as well as the

beginning and ending time of each meal period. They should also record the beginning and ending time of any split shift or departure from work for personal reasons. This work log should be recorded as it takes place – not several hours or days later. Overtime work must always be approved before it is performed.

**Time Clock Guidelines for Non-Exempt Employees**

ILTexas utilizes an electronic time keeping system called “True Time,” which enables employees to more accurately keep track of time worked. It will also allow ILTexas to more efficiently process time worked for payroll purposes. In order for this system to work to its fullest potential, ILTexas asks all non-exempt employees to follow the guidelines outlined below.

**Official Time Records:** The True Time electronic time keeping system and associated work records will become the official basis for recording hours worked for non-exempt employees. Any disputes over actual hours worked or attendance will be resolved by referring to the True Time records. Employees will be required to submit their time sheets electronically to their supervisor.

**Daily Clock In/Out Requirements:** All non-exempt employees will be required to “clock-in” in the morning and “clock-out” at the end of the workday at their respective locations. Lunch breaks will also require clocking in/out. Missing a clock in/out requires a note be added as to the reason for the missed clock in/out (this will apply to paraprofessional support staff only). All other non-exempt employees will need to complete a missed clock in/out form and turn into their supervisor to enter into the True Time System (Employee Access - Web Post Document Center).

Other requirements and guidelines include:

- Employees are expected to clock in by their scheduled start time.
- Employees shall not clock out before their scheduled ending time, unless authorized to do so by their supervisor. If a non-exempt employee that is paid on an annualized basis clocks out early, they shall use leave or time not worked will be deducted from their pay as allowed by applicable law.
- Employees are required to take a lunch break of at least 30 minutes when working more than six hours a day (failure to comply will result in disciplinary action up to and including termination).

**Falsification, Tampering, and Unauthorized Viewing:** The following actions are considered a violation and could result in immediate disciplinary action including termination.

- Any attempt to tamper with timekeeping hardware or software.
- Clocking in/out for an absent or late employee (a.k.a. “buddy punching”).
- Interfering with other employee’s use of the True Time System.
- Unauthorized viewing of another employee’s time in the True Time System.

The supervisor will review the specific details of any and all infractions and develop an appropriate response.

**Clock Problems:** Employees are responsible for correcting time sheets if they are unable to clock in/out because of a time clock malfunction or accidental oversight. Paraprofessional support staff can make these corrections with notations; all other non-exempt employees need to report immediately to their supervisor for correction. Excessive “edits” to time sheet may result in revoking of edit privileges and possible disciplinary action.

**Unreported Hours:** Intentional or careless working off the clock is prohibited. Employees are required to
clock in before performing any work. Employees are not permitted to clock out and continue to work. Forgetting to clock in/out is not a legitimate reason for working off the clock.

**Processing of Electronic Time Reports:** The payroll office will import time sheets on a weekly basis. Employees must submit their time sheets to their supervisor no later than Monday for the previous weeks’ time worked. Each supervisor or designee will review/ sign and submit to payroll for processing.

**Minimum Wage and Overtime**
ILTexas compensates overtime for non-exempt employees in accordance with federal wage and hour laws. Only non-exempt employees are entitled to overtime compensation. Depending on ILTexas’ need, employees may be requested to work overtime. Overtime should always be authorized in advance by a supervisor. Overtime will be calculated based on the actual hours recorded and credited to the employee, as measured by the True Time System.

Non-exempt employees are not authorized to work beyond their normal work schedule without ADVANCE approval in writing from their supervisor. Employees that work unauthorized overtime could be subject to disciplinary action, up to and including termination.

**PART 5: EMPLOYEE BENEFITS**

The benefits information in this handbook is only a summary of benefit plans offered by ILTexas. This general explanation is not intended to and does not provide employees with all the details of these benefits. This Handbook does not change or otherwise interpret the terms of the official plan documents. If there is any conflict or difference between the information in this Handbook and the plan documents, the plan documents will govern. ILTexas reserves the right to change or end these benefits at any time and for any reason, consistent with all laws. Additionally, benefit eligibility is dependent upon a variety of factors, including employee classification. If employees would like additional information related to any benefits offered by ILTexas, please contact the Employee Benefits Department.

Substitute teachers and temporary employees may be eligible for the benefits described in this section in accordance with the Patient Protection and Affordable Care Act and other applicable rules and regulations governing ILTexas’ benefit plans.

**5.1 Health and Life Insurance**

The insurance plan year is from September 1 through August 31. Current employees can make changes in their insurance coverage during open enrollment each year. Detailed descriptions of insurance coverage, employee cost, and eligibility requirements are provided to all employees at the following website: [http://mybenefitshub.com/iltexas](http://mybenefitshub.com/iltexas). Employees should contact the Benefits Office for additional information.

All new employees must complete the enrollment process within the first 30 days of employment, even if waiving coverage. Except for qualifying events such as marriage, births, or job changes, new employees will only be able to add, change or drop selected benefits once every twelve months during ILTexas’ open enrollment period communicated by the Benefits Department.

Qualifying event changes must be made within 30 days of the qualifying event date. This applies to all employees regardless of whether or not they participate under the Section 125 cafeteria plan.

All employees and their eligible dependents should be aware that HIPAA privacy laws may prevent Benefits Department staff members from discussing personal health information concerning another
member of your family.

## 5.2 Benefit Offerings

ILTexas currently offers the following benefit programs to eligible employees in the manner prescribed by law:

- Teacher retirement.
- Health coverage benefit.
- COBRA.

Benefits eligibility is dependent upon a variety of factors, including employee classification. The employee classification can identify the programs for which you are eligible. Some benefit programs require contributions from the employee; some are fully paid by ILTexas.

## 5.3 Health Coverage Benefits

Group health insurance coverage is available through TRS Active Care to eligible employees in accordance with TRS Active Care provisions. Employees may access the TRS website at: [https://www.trs.texas.gov/Pages/Homepage.aspx](https://www.trs.texas.gov/Pages/Homepage.aspx).

### Eligibility

1. Employees who are active, contributing TRS members.
2. Employees who are not contributing TRS members and who are employed for ten (10) or more regularly scheduled hours per week.
3. TRS Retirees who are enrolled in TRS-Care (Retiree Health Insurance Program) are not eligible to participate in TRS Active Care.

ILTexas’ medical coverage plan(s) is/are reviewed annually and approved as needed by the Board of Directors. ILTexas’ annual contribution to the plan(s) is/are also reviewed on an annual basis by the Board of Directors. Detailed information and descriptions of coverage, premiums, and eligibility are available through ILTexas.

## 5.4 TRS Retirement

Employment that makes one eligible for membership in the Teacher Retirement System (“TRS”) is:

- Regular employment with ILTexas that is expected to last for a period of four and one-half months or more;
- For one-half or more of the standard full-time workload; and
- With compensation paid at a rate comparable to the rate of compensation for other persons employed in similar positions.

ILTexas employees meet these requirements if their customary employment is for 20 hours or more each week and for four and one-half months or more in one school year.

Full-time service is employment that is usually 40 clock hours per week.

If ILTexas has established a lesser requirement for full-time employment for certain positions, full-time
service includes employment in those positions. In no event may full-time employment require less than 30 hours per week for TRS purposes.

All new TRS Eligible employees may start their medical coverage on the 1st of the month following their hire date. At no time will employees be eligible for coverage before the first day worked by the employee. If an employee does not enroll within 31 days of eligibility, that employee will be eligible to enroll during the next open enrollment opportunity.

All regular employees of the public education system in Texas (employed for four and one-half months or more, for one-half time or more of the standard full-time workload and paid at a rate comparable to other persons employed by that employer in similar positions) must participate in TRS, unless an exception to TRS membership applies.

The exceptions to TRS membership include but are not limited to:

- A substitute, as defined by TRS Rules (To be considered a substitute, the individual must be serving in a position currently held by another employee and paid at a rate of pay that does not exceed the rate for substitute work established by the employer.);
- A person employed on a temporary (less than four and one-half months), part-time (less than one-half time), seasonal, or on an irregular basis.

Substitutes not receiving TRS service retirement benefits that work at least 90 days a year may also be eligible for TRS membership and to purchase one year of creditable service. TRS provides members with an annual statement of their accounts showing all deposits and the total account balance for the year ending August 31, as well as an estimate of their retirement benefits.

ILTexas will make all required contributions for employees eligible for TRS benefits on a timely basis. Individuals who are planning retirement and retirees who are considering employment after retirement should contact the Human Resources for the current administrative procedures regarding ILTexas Retire/Rehire Policy.

Employees can contact TRS by calling 800-223-8778 or 512-542-6400. TRS information is also available on the web at www.trs.state.tx.us.

5.5 Benefits Continuation – COBRA

ILTexas will notify employees of their potential rights under COBRA upon separation from employment with the school.

5.6 Other Benefits

From time to time, ILTexas may offer its employees the option to additionally purchase and/or participate in various other benefits and insurance programs, subject to the terms and conditions of the various programs.

Cafeteria Plan

Financial Benefit Services is the Third-Party Administrator that provides online benefit enrollment. National Benefit Services is our Section 125 provider.
5.7 Unemployment Compensation Insurance

Employees who have been laid off or terminated through no fault of their own may be eligible for unemployment compensation benefits. Employees are not eligible to collect unemployment benefits during regularly scheduled breaks in the school year or the summer months if they have employment contracts or reasonable assurance of returning to service. Employees with questions about unemployment benefits should contact the Human Resources department.

5.8 Workers’ Compensation

ILTexas provides workers’ compensation benefits to employees who suffer a work-related illness or are injured on the job. This benefit is administered by Service Lloyds.

Coverage becomes effective on the employees’ first day of employment, and benefits help pay for medical treatment and make up for part of the income lost while recovering. Specific benefits are prescribed by law depending on the circumstances of each case.

All work-related accidents or injuries should be reported immediately to the employee’s immediate supervisor. Employees who are unable to work because of a work-related injury or illness will be notified of their rights and responsibilities with respect to workers’ compensation benefits.

An employee absent from duty because of a job-related illness or injury may be eligible for workers’ compensation weekly income benefits if the absence exceeds seven, calendar days.

An employee receiving workers’ compensation wage benefits for a job-related illness or injury may choose to use accumulated sick leave or any other paid leave benefits. An employee choosing to use paid leave will not receive workers’ compensation weekly income benefits until all paid leave is exhausted or to the extent that paid leave does not equal the pre-illness or pre-injury wage. If the use of paid leave is not elected, then the employee will only receive workers’ compensation wage benefits for any absence resulting from a work-related illness or injury, which may not equal the employee’s pre-illness or pre-injury wage.

An employee whose accumulated leave is exhausted prior to or during an absence for a work-related injury or illness shall be placed on an unpaid leave of absence. Except while on family and medical leave, the employee shall be responsible for full payment, in advance, of all premiums for insurance benefits during such leave of absence.

Upon release from workers’ compensation for regular or accommodated duty, the employee must submit a written request for reinstatement of employment. The request must be accompanied by a physician’s statement certifying the employee’s fitness to return to work. If the release is for an accommodated-duty position, the return to work shall be coordinated by HR and the Benefits Coordinator.

Except as required under the temporary disability law, an employee released from workers’ compensation shall be considered for a position for which the employee is qualified, provided such a position is available. If no position for which the employee is qualified is available at the time the employee requests reinstatement, the employee shall be considered for a subsequent vacancy. Failure of an employee to report to ILTexas upon release from workers’ compensation leave within three days, or refusal to accept an offered position, shall constitute a resignation.

An employee who believes that his or her condition is a qualifying disability and that he or she is a qualified individual with a disability under the ADA may request and pursue accommodations under the ADA.
Additional information about ILTexas’ workers’ compensation benefit offering may be obtained from Human Resources or the Benefits Department.

**PART 6: EMPLOYEE ATTENDANCE AND LEAVE**

ILTexas offers employees paid and unpaid leaves of absence in times of personal need. Following is a description of the basic types of leave available and restrictions on leaves of absence. Employees who expect to be absent for an extended period of more than five days should call the Human Resources Department for information about applicable leave benefits, payment of insurance premiums, and requirements for communicating with ILTexas during absence from work.

### 6.1 Attendance

Employees shall be available full-time during their regular work hours, as defined by their letter of agreement. Any scheduling changes must be discussed with and approved by the employee’s immediate supervisor and/or the Principal.

**Absence**

Employees are responsible for notifying their immediate supervisor and/or the Principal of late arrivals, early departures, and absences. When the need for being absent from or late to work is known in advance, the employee must give notice as far in advance as possible. All employees are required to submit leave requests through Skyward Employee Access or Aesop for all days missed. The True Time System is an electronic timekeeping system only.

**Excessive Absenteeism or Tardiness**

Excessive absenteeism, tardiness, and leaving work prior to the designated time constitute grounds for any of the following disciplinary action:

- Disciplinary probation.
- Denial of pending or future promotion.
- Production of medical certification of reason or reasons for absences and/or tardies.
- Any other appropriate disciplinary measure, including suspension or termination of employment.

**Notice of Unexpected Absence**

When employees who have not given advance notice find that they cannot report for work, they are required to notify their supervisor and/or the Principal within the first working hour each day of the absence. Notification to an employee other than the appropriate supervisor and/or Principal is insufficient.

**Failure to Give Notice – Job Abandonment and Voluntary Resignation**

Failure to report to work without supervisor approval and/or to provide notification of an absence to a supervisor for three consecutive workdays (unless prevented by circumstances beyond the employee’s control) may be considered to be job abandonment and/or voluntary resignation on the last day worked, in accordance with applicable federal and state law, and ILTexas will process the work separation as a voluntary resignation on the employee’s part.

In the event of job abandonment or voluntary resignation, all school-owned property (e.g., keys, uniforms, etc.) must be returned immediately to ILTexas.

No payment shall be made for accrued and unused sick leave or any other type of leave upon voluntary
resignation or job abandonment, regardless of whether or not the employee provided advance notice of resignation.

6.2 **Non-Duty (Holiday) Leave**

Each year, the Board of Directors will establish a school calendar indicating school holidays and closures. This calendar is distributed to each ILTexas employee.

6.3 **Local Leave Overview**

ILTexas allocates leave days to all full-time employees to allow them the flexibility to attend to their personal and medical time-off needs. The allocation is available at the beginning of the year; however, an employee must complete the full year to earn the maximum allocation.

All employees will earn a total of eight leave days per school year; leave availability will be prorated for employees who begin employment with ILTexas after the start of the school year. ILTexas may designate up to five days per year as “state leave days” on an employee’s official service record. **However, ILTexas cannot guarantee that the five days of annual local leave designated as “state leave days” will transfer to another Texas public school.** This is because, as an open-enrollment charter school, ILTexas does not participate in the “state leave” program described in Chapter 22 of the Texas Education Code. Thus, the five days of annual local leave designated as “state leave” may not transfer to another charter school or school district if an employee leaves service with ILTexas.

Local Leave is to be used for the following reasons:

- Employee illness.
- Illness in the employee’s immediate family.
- Family emergency (i.e., natural disasters or life-threatening situations).
- Death in the immediate family, defined as an employee’s parent, stepparent, child, stepchild, sibling, grandparent, aunt, uncle, or cousin.
- Active military service, in conjunction with any applicable military leave of absence.
- Absence for other personal reasons.

Exempt (salaried) employees must take local leave in full or half day increments. Non-exempt (hourly) employees must take local leave in hourly increments in agreement with the number of hours of the absence.

**Approvals for Local Leave Days**

Requests for leave shall be considered on a first come, first serve basis. The employee shall submit request through Skyward Employee Access to the immediate supervisor or designee five days in advance of the requested leave date. In deciding whether to approve or deny leave, the supervisor or designee shall not seek or consider the reasons for which an employee requests to use leave. The supervisor or designee shall, however, consider the effect of the employee’s absence on the educational program or school operations, as well as the availability of substitutes.

**Duration of Leave/Schedule Limitations**

Local leave may not be taken for more than three consecutive days, except in extenuating circumstances as determined by the Principal or Supervisor. Local leave shall not be allowed in the following circumstances:

- The first and last week of school;
- Days scheduled for end-of-semester or end-of-year exams, days scheduled for state-mandated
assessments or for school achievement tests;
• Days scheduled for professional or staff development and/or in-service training;
• Within three days of a scheduled holiday (before or after) unless a request is submitted at least 30
days in advance of the requested time off and such request is approved; and
• Local leave requested to be taken within 30 days of the last day of school must be requested 30
days in advance of the requested time off.

Any leave taken for which leave balances are insufficient shall result in a deduction from the
employee’s paycheck commensurate with the amount of leave taken, to the extent allowed by law.

Personal leave by reason of illness, two or more days in duration, may require a doctor’s note upon return
to work.

Medical Certification
Any employee who is absent more than three days because of a personal or family illness must submit a
medical certification from a qualified health care provider confirming the specific dates of the illness, the
reason for the illness, and – in the case of personal illness – the employee’s fitness to return to work.

Forfeiture of Accrued Leave
Any unused paid accrued leave, regardless of what the leave is called (e.g., sick leave, local leave, vacation,
discretionary leave, etc.), is forfeited upon separation from employment, whether voluntary or involuntary.

If an employee leaves ILTexas before the end of the work year, the amount of wages, based on the
employee’s daily rate, for any unearned leave days taken by the employee shall be deducted from the
employee’s final paycheck in accordance with applicable law.

6.4 Limitations on Leaves of Absence (Unavailability for Work)

With the exception of leaves of absence for military duty or approved leave under the Family and Medical
Leave Act, if an employee accumulates more than ten days of absence after exhausting all available paid
and unpaid leave, the employee will be separated due to unavailability for work, subject to any reasonable
accommodation duties ILTexas may have under the Americans with Disabilities Act (ADA). Any employee
separated for unavailability for work following exhaustion of all available leave may be eligible for rehire
and will be able to apply for any vacancies that may exist at any given time, depending upon qualifications
and availability of job openings.

6.5 Extended Sick Leave

Employees who have worked for ILTexas are eligible for 25 days of paid extended sick leave. This leave
may only be used if an employee has exhausted his or her earned Local Leave benefits and only for the
employee’s personal illness or disability, including pregnancy-related disability or for the personal illness
or disability of an employee’s immediate family member. Immediate family is defined as an employee’s
husband, wife, child (including a biological, adopted, stepchild, a child for whom the employee stands in
loco parentis, or foster child), father, mother, brother, sister, grandfather, grandmother, grandchildren, or
any person who may be residing in the employee’s household at the time of illness or disability.

Extended sick leave is to be used for single, long-term illnesses or conditions. An employee is eligible for
extended sick leave once every three years.

A doctor’s written statement confirming the need for extended sick leave shall be required before leave is
granted, and periodically thereafter as determined by ILTexas. Extended sick leave will stop on the date the doctor releases the employee or when all extended sick leave has been exhausted, whichever comes first.

The daily rate of a substitute shall be deducted from an employee’s daily pay during a period of extended sick leave. Additionally, any period of extended sick leave will run concurrently with any FMLA leave taken by the employee. The Superintendent shall adopt procedures to implement and control Extended Sick Leave benefits.

6.6 Emergency Leave

Employees may be granted up to five days of emergency leave without loss of pay or accumulated Local Leave for destruction of their home or domicile due to flood, fire, or storm, or other natural disasters. Such leave is subject to the approval of the Superintendent or designee. Any further leave granted will result in a deduction of accumulated Local Leave, a deduction of the daily rate of pay, or unpaid leave, unless otherwise provided by ILTexas.

6.7 Family and Medical Leave Act

The Family and Medical Leave Act (“FMLA”) provides employees who meet certain eligibility criteria with unpaid leave for certain family and medical reasons during a 12-month period. During a period of FMLA leave, eligible employees are entitled to continue group health plan coverage as if they had continued to work. At the conclusion of the leave, subject to some exceptions, eligible employees generally have the right to return to the same or an equivalent position and equivalent pay, benefits and working conditions.

NOTE: The following FMLA provisions and references to FMLA in this Handbook and in Board policy are applicable only to employees eligible for FMLA.

The following text is adapted from the federal notice, Employee Rights Under the Family and Medical Leave Act. Specific information that ILTexas has adopted to implement the FMLA follows this general notice.

Leave Entitlements

Eligible employees who work for a covered employer can take up to 12 weeks of unpaid, job-protected leave in a 12-month period for the following reasons:

- The birth of a child or placement of a child for adoption or foster care;
- To bond with a child (leave must be taken within one year of the child’s birth or placement);
- To care for the employee’s spouse, child, or parent who has a qualifying serious health condition;
- For the employee’s own qualifying serious health condition that makes the employee unable to perform the employee’s job; or
- For qualifying exigencies related to the deployment or military service of a family member who is the employee’s spouse, child, or parent.

An eligible employee who is a covered service member’s spouse, child, parent, or next of kin may also take up to 26 weeks of FMLA leave in a single 12-month period to care for the service member with a serious injury or illness.

An employee does not need to use leave in one block. When it is medically necessary or otherwise permitted, employees may take leave intermittently or on a reduced schedule.
Employees may choose, or an employer may require, use of accrued paid leave while taking FMLA leave. If an employee substitutes paid leave for FMLA leave, the employee must comply with the employer’s normal paid leave policies.

**Benefits and Protections**
While employees are on FMLA leave, employers must continue health insurance coverage as if the employees were not on leave.

Upon return from FMLA leave, most employees must be restored to the same job or one nearly identical to it with equivalent pay, benefits, and other employment terms and conditions.

An employer may not interfere with an individual’s FMLA rights or retaliate against someone for using or trying to use FMLA leave, opposing any practice made unlawful by the FMLA, or being involved in any proceeding under or related to the FMLA.

**Eligibility Requirements**
An employee who works for a covered employer must meet three criteria in order to be eligible for FMLA leave. The employee must:

- Have worked for the employer for at least 12 months;
- Have at least 1,250 hours of service in the 12 months before taking leave; and
- Work at a location where the employee has at least 50 employees within 75 miles of the employee’s worksite.

**Requesting Leave**
Generally, employees must give 30-days’ advance notice of the need for FMLA leave. If it is not possible to give 30-days’ notice, an employee must notify the employer as soon as possible and, generally, follow the employer’s usual procedures.

Employees do not have to share a medical diagnosis, but must provide enough information to the employer so it can determine if the leave qualifies for FMLA protection. Sufficient information could include informing an employer that the employee is or will be unable to perform his or her job functions, that a family member cannot perform daily activities, or that hospitalization or continuing medical treatment is necessary. Employees must inform the employer if the need for leave is for a reason for which FMLA leave was previously taken or certified.

Employers can require a certification or periodic recertification supporting the need for leave. If the employer determines that the certification is incomplete, it must provide a written notice indicating what additional information is required.

**Employer Responsibilities**
Once an employer becomes aware that an employee’s need for leave is for a reason that may qualify under the FMLA, the employer must notify the employee if he or she is eligible for FMLA leave and, if eligible, must also provide a notice of rights and responsibilities under the FMLA. If the employee is not eligible, the employer must provide a reason for ineligibility.

Employers must notify its employees if leave will be designated as FMLA leave, and if so, how much leave will be designated as FMLA leave.
**Enforcement**

Employees may file a complaint with the U.S. Department of Labor, Wage and Hour Division, or may bring a private lawsuit against an employer.

The FMLA does not affect any federal or state law prohibiting discrimination or supersede any state or local law or collective bargaining agreement that provides greater family or medical leave rights.

**Local FMLA Guidelines**

**Calculating FMLA Leave Year**

ILTexas uses the following method to establish the 12-month period in which FMLA leave may be used:

- A “rolling” 12-month period, measured backward from the last date an employee uses leave under the FMLA. Under this “rolling” 12-month period, each time an employee takes FMLA leave, the remaining leave entitlement would be the balance of the 12 weeks which has not been used during the immediately preceding 12 months.

**Use of Paid Leave**

FMLA leave runs concurrently with accrued sick and personal leave, emergency leave, temporary disability leave, and absences due to a work-related illness or injury. ILTexas will designate the leave as FMLA, if applicable, and notify the employee that accumulated leave will run concurrently.

**Combined Leave for Spouses**

Spouses who are employed by ILTexas are limited to a combined total of 12 weeks of FMLA leave to care for a parent with a serious health condition, or for the birth, adoption, or foster placement of a child. Military caregiver leave for spouses is limited to a combined total of 26 weeks.

**Intermittent Leave**

When medically necessary or in the case of a qualifying exigency, an employee may take leave intermittently or on a reduced schedule. ILTexas does not permit the use of intermittent or reduced-schedule leave for the care of a newborn child or for adoption or placement of a child with the employee.

**Fitness for Duty**

An employee that takes FMLA leave due to the employee’s own serious health condition shall provide, before resuming work, a fitness-for-duty certification from the health care provider. If certification of the employee’s ability to perform essential job function is required, ILTexas shall provide a list of essential job functions (e.g., job description) to the employee with the FMLA designation notice to share with the health care provider.

**Reinstatement**

With certain exceptions allowed under the FMLA, an employee returning to work at the end of FMLA leave will be returned to the same position held when the leave began or to an equivalent position with equivalent employment benefits, pay, and other terms and conditions of employment.

In certain cases, instructional employees desiring to return to work at or near the conclusion of a semester
may be required to continue on family and medical leave until the end of the semester. The additional time off is not counted against the employee’s FMLA entitlement, and ILTexas will maintain the employees group health insurance and reinstate the employee at the end of the leave according to school policy and procedure.

**Failure to Return**
If, at the expiration of FMLA leave, an employee is able to return to work but chooses not to do so, ILTexas may require the employee to reimburse ILTexas’ share of insurance premiums paid during any portion of FMLA leave when the employee was on unpaid leave. If the employee fails to return to work for a reason beyond the employee’s control, such as a continuing personal or family serious health condition or a spouse being unexpectedly transferred more than 75 miles from ILTexas, the school may not require the employee to reimburse ILTexas’ share of premiums paid.

**School Contact**
Employees that require medical leave under the FMLA or have questions about FMLA leave should contact the Benefits Coordinator for details on eligibility, requirements, and limitations.

### 6.8 Military Leave of Absence

ILTexas is committed to protecting the rights of employees absent on military leave. In accordance with federal and state law, it is ILTexas’ policy that no employee or prospective employee will be subjected to any form of discrimination on the basis of that person’s membership in, or obligation to perform service for any of the Uniformed Services of the United States. Specifically, no person will be denied employment, reemployment, promotion, or other benefit of employment on the basis of such membership. Furthermore, no person will be subjected to retaliation or adverse employment action because such person has exercised his or her rights hereunder. If any employee believes that he or she has been subjected to discrimination in violation of this provision, the employee should immediately contact Human Resources.

**Temporary (Two-Week) Military Leave**
In addition to the rights and benefits provided to employees taking Extended Military Leave, eligible employees who must be absent from their job for a period of not more than ten working days each year in order to participate in temporary military duty are entitled to as many as ten days’ unpaid military leave. All benefits will continue during an employee’s temporary military leave.

**All Other (Extended) Military Leave**
Employees directed to participate in extended military duties in the U. S. Armed Forces that exceed ten working days will be placed on an unpaid military leave of absence status for a period of as long as five years, except as otherwise required by USERRA, and the employee will be entitled to the rights and benefits described in this Handbook and in accordance with ILTexas’ policies and procedures.

To request a temporary or extended military leave of absence the employee should, unless prevented from doing so by military necessity, notify Human Resources and complete and submit the appropriate form. An employee on temporary or extended military leave may elect, at his or her option, to use paid leave (vacation, sick or personal) available; the remainder of military leave will be unpaid.

### 6.9 Bereavement Leave

Full-time and part-time employees are eligible for bereavement leave.

ILTexas employees may be absent, without loss of pay, in the event of the death of one of the following
relatives of the employee or his or her spouse: husband, wife, child (including a biological, adopted, stepchild, a child for whom the employee stands in loco parentis, or foster child), father, mother, brother, sister, grandfather, grandmother, grandchildren, or any person who may be residing in the employee’s household at the time of illness or death. Paid bereavement leave is limited to three days of paid leave during any one school year unless otherwise approved by the Superintendent or designee.

If an employee experiences a death in the family, he or she should inform the Principal or Supervisor as soon as possible. Supporting documentation may be required.

6.10 **Jury Duty and Grand Jury Service**

ILTexas may not discharge, threaten to discharge, intimidate, coerce, reduce the salary, or otherwise penalize or discriminate against an employee because of the employee’s compliance with a summons to appear as a juror or a grand juror. A leave of absence for jury or grand jury duty will be granted to any employee will be compensated at his or her regular daily or hourly rate for each day of absence due to jury or grand jury duty. Employees must present documentation of the service and may keep any compensation they receive. A summons to appear is not proper documentation of the service. If an employee is released early, he or she must return to work. Consideration will be given on a case-by-case basis for travel time.

6.11 **Other Court Appearances**

Employees will be paid while on leave to comply with a valid subpoena related to employment with ILTexas. Employees may be required to submit documentation of their need for leave for court appearances to the Human Resources Department. Absences for court appearances related to an employee’s personal business shall be deducted from the employee’s personal leave or shall be taken as leave without pay.

6.12 **Voting Leave**

Any employee who does not have two consecutive non-work hours while the polls are open on election day will be given up to two hours off with pay in order to vote, unless more time is required by state law. The employee should notify the appropriate supervisor before Election Day if time off is needed, so that the timing of the employee’s absence can be pre-arranged.

**PART 7: EMPLOYEE CONDUCT**

7.1 **General**

The successful operation and reputation of ILTexas is built upon the principles of ethical conduct of our employees. Our reputation for integrity and excellence requires careful observance of all applicable laws and regulations, as well as scrupulous regard for the highest standards of conduct and personal integrity.

ILTexas will comply with all applicable laws and regulations, including its charter agreement with the State of Texas, and expects all employees to conduct their work in accordance with relevant law and to refrain from any illegal, dishonest or unethical conduct. Neither the Board of Directors nor any ILTexas employee shall retaliate against a person who in good faith reports perceived illegal, dishonest or unethical conduct.

In general, the use of good judgment, based on high ethical principles, will guide you with respect to lines of acceptable conduct. If a situation arises where it is difficult to determine the proper course of action, discuss the matter with your immediate supervisor and, if necessary, Human Resources.
Every employee is responsible for complying with ILTexas’ policy of proper business ethics and personal conduct. Disregarding or failing to comply with these standards may lead to disciplinary action, up to and including termination of employment.

7.2 Standards of Conduct

All employees are expected to work together in a cooperative spirit to serve the best interests of ILTexas and to be courteous to students, one another, and the public. Employees are expected to observe the following standards of conduct:

- Engage in professional communications and behavior toward students, fellow employees, service providers, and other ILTexas stakeholders.
- Express concerns, complaints, or criticism through appropriate channels.
- Know and comply with department and Board policies and procedures.
- Maintain confidentiality in all matters relating to students and coworkers.
- Notify their immediate supervisor in advance or as early as possible in the event that they must be absent or late. Unauthorized absences, chronic absenteeism, tardiness, and failure to follow procedures for reporting an absence may be cause for disciplinary action.
- Observe all safety rules and regulations and report injuries or unsafe conditions to a supervisor immediately.

### 7.4 Financial Ethics

ILTexas prohibits fraud and financial impropriety in the actions of its directors, employees, vendors, contractors, consultants, volunteers, and others seeking or maintaining a business relationship with ILTexas.

Fraud and financial impropriety shall include but not be limited to:

- Accepting or seeking anything of material value from contractors, vendors, or other persons providing services or materials to ILTexas, except as otherwise permitted by law or ILTexas policy;
- Failure to disclose conflicts of interest as required by law or ILTexas policy;
- Failure to provide financial records required by state or local entities;

Any person who suspects fraud or financial impropriety shall report the suspicions immediately to any supervisor, the Payroll Manager, the Director of Human Resources, or local law enforcement.

ILTexas will respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosure may be necessary to complete a thorough investigation or to comply with applicable law. All employees involved in an investigation shall be advised to keep information about the investigation confidential to the extent necessary as to not interfere with the investigation process.

Neither the Board of Directors nor any ILTexas employee shall unlawfully retaliate against a person who in good faith reports perceived fraud or financial impropriety.

If an employee is found to have committed fraud or financial impropriety, ILTexas will take appropriate disciplinary action, which may include termination of employment and, when circumstances warrant, referral to appropriate law enforcement or regulatory authorities.

7.5 Unacceptable Employee Conduct

Employees are expected to follow all laws, policies, regulations, terms and conditions of employment and directives of ILTexas. ILTexas expects its employees to act in a mature, professional and responsible manner. The following is a non-exclusive list of prohibited employee conduct. Employees who engage in any conduct listed below are subject to disciplinary action up to and including termination. This is not intended to be a complete list, and it does not alter the contractual or at-will employment relationship between employees and ILTexas.

1. Abuse, including but not limited to sexual abuse of a student.
2. Administering corporal punishment (meaning the infliction of physical pain by hitting, paddling, spanking, slapping, or any other physical force used as a means of discipline) or verbal abuse of students, or the use of profanity or other language that is intended to belittle or degrade a student.
3. Behaviors that interfere with student safety or cause an unsafe environment.
4. Dishonest, immoral, or illegal conduct while on duty and/or on school property that would tend to bring discredit to ILTexas.

27. Violations of ILTexas’ expectations for employee conduct, including but not limited to those set out in Sections 7.2 and 7.3 of this Handbook, or as otherwise distributed to employees by ILTexas. Additionally, educators must adhere to the Professional Code of Ethics and Standard Practices for Texas Educators as set forth at 19 Tex. Admin. Code § 247.2.

**Fraud, Dishonesty and False Statements**

No employee or applicant may ever falsify any application, medical history record, student paperwork, employee paperwork, time sheet, time card, investigative questionnaires or any other document. Any employee found to have engaged in résumé fraud, or who made material misrepresentations or omissions on their employment application, will be subject to immediate termination of employment. Violations of this policy should be immediately reported to the appropriate supervisor.

**Insubordination**

All employees have duties to perform. It is against ILTexas policy for an employee to refuse to follow the directions of a supervisor or other school official. Employees must cooperate fully with investigations into
potential misconduct. Refusal to disclose information during the course of an investigation constitutes insubordination and is subject to possible disciplinary action, up to and including termination.

In the event a supervisor directs an employee to perform an illegal or immoral act/task, the employee should immediately notify the Principal or designee.

**Disciplinary Action**  
Employment with ILTexas is based on mutual consent and both the employee and ILTexas have the right to terminate employment at-will, with or without cause or advance notice. ILTexas may use progressive discipline at its discretion.

Disciplinary action may include, but is not limited to, any of the following:

1. Verbal warning
2. Conference with a supervisor and/or the Principal
3. Letter of Expectation
4. Letter of Concern
5. Letter of Reprimand
6. Imposition of an employee growth plan / performance improvement plan
7. Suspension with or without pay
8. Termination of employment

The progression of these steps depends upon the severity of the problem and the number of occurrences. There may also be circumstances when one or more steps are bypassed.

**Reporting Possible Misconduct**
When you witness or hear of an ILTexas employee conducting any illegal activities, abusing power, stealing or misusing money, or displaying inappropriate passion, it is your duty to immediately pass that information to your direct supervisor. It is then the responsibility of your immediate supervisor to elevate the allegation to their direct supervisor, this process is to be repeated until the allegation reaches the Superintendent. It is imperative that our students and their families feel that they are safe and protected at ILTexas. It is equally important that ILTexas employees, teachers, and administrators feel that they are in a safe and healthy work environment.

a. Power, Pennies, and Passion (the 3 P’s):
   (1) Power: an employee abusing their power, influence, or authority. This list is infinitely long so use your judgement but some examples of abuse of power would be a leader telling their team, “Yes that is what we were told to do, but here at our place we are going to do something different than what we were told to do!”, or a leader cursing, yelling or screaming at others – employees, students or parents.
   (2) Pennies: an employee committing fraud and financial impropriety.
   (3) Passion: an employee displaying inappropriate physical/verbal passion (of a sexual nature) towards a student or another employee.
   (4) If anyone suspects a violation of any of the 3 P’s or if you suspect any illegal activity such as drugs, weapons, alcohol, etc. you are to report it to your supervisor within one hour. Your supervisor must then report it up the chain up command to their supervisor until it gets to the Superintendent. Failure to immediately report up the chain of command is grounds for immediate termination.
   (5) You should then follow up your initial report with a more detailed report within 24 hours.

b. General Misunderstanding and/or possible Misconduct:
   (1) Must be reported to your immediate supervisor within 24 hours.
(2) General misconduct is anything that could have a negative impact on an ILTexas student, parent, employee, or contractor. If you feel that something isn’t right, you should report the behavior. If it doesn’t pass the “smell test”, then report it.

(3) Timely Reporting: reports of possible misconduct should be made as soon as possible after the alleged conduct is witnessed or knowledge of the alleged conduct is received or overheard.

c. Exceptions to relaying witnessed or knowledge of misconduct to your immediate supervisor:
   (1) If your immediate supervisor is the suspect of alleged misconduct.
      a. Should you be concerned that someone who has supervisory authority over you or your department is involved in the suspected misconduct or is condoning it or is failing to address it, you should make your report to your Area Superintendent or the Chief who is directly in your change of command. If you suspect they are somehow involved in the potential misconduct then report your concern directly to the Executive Director of Human Resources.

7.6 **Dress Code Faculty/Staff**

Faculty and staff members are expected to dress in a professional and appropriate manner. Proper grooming and attire have a positive impact on the teaching and learning environment.

The campus principal and/or supervisor will be solely responsible for initially interpreting and enforcing the faculty/staff dress requirements.

Employees will be neatly groomed and dressed with clean and neat hair. Neatly groomed and dressed shall be defined as dress and grooming that is standard and conforms to local community and school etiquette and decorum. Grooming and dress that will disturb, interfere with, or detract from the educational process will not be allowed. It is within these principles that ILTexas will enforce the following dress code items, specifically but not limited to:

The principal or supervisor may approve variations in the dress code for special situations such as field day, spirit day, workday, etc. and for those individuals whose responsibilities may necessitate an alternate form of dress, such as physical education teachers. Jeans may only be worn on a workday or a spirit day where students are allowed to wear jeans. Shorts may only be worn in the physical educational classroom and must be no higher than three inches from the top of the kneecap. Professional dress is always required in the classroom.
7.7 **Prohibition of Discrimination, Harassment, and Retaliation**

ILTexas prohibits discrimination, including harassment, of a co-worker or student based upon race, color, national origin, religion, sex, disability, veteran status, age, genetic information, or any other basis prohibited by law. While acting in the course of their employment, employees shall not engage in prohibited discrimination or harassment of other persons including Board members, vendors, contractors, volunteers, or parents.

Prohibited discrimination or harassment is defined as unwelcome conduct that is based on race, color, religion, sex (including pregnancy), national origin, age (40 or older), disability, or genetic information. Harassment becomes unlawful where:

1. Enduring the offensive conduct becomes a condition of continued employment; or
2. The conduct severe or pervasive enough to create a work environment that a reasonable person would consider intimidating, hostile, or abusive.

Petty slights, annoyances, and isolated incidents (unless extremely serious) will not rise to the level of prohibited discrimination or harassment. To be unlawful, the conduct must create a work environment that would be intimidating, hostile, or offensive to reasonable people.

Prohibited and offensive conduct can include, but is not limited to, offensive jokes, slurs, epithets, or name-calling; physical assaults or threats; intimidation; ridicule or mockery; insults or put-downs; offensive objects or pictures; and/or interference with work performance. Harassment can occur in a variety of circumstances, including but not limited to the following:

1. The harasser can be the victim’s supervisor, a supervisor in another area, an agent of the school, a co-worker, or a non-employee.
2. The victim does not have to be the person harassed, but can be anyone affected by the offensive conduct.
3. Unlawful harassment may occur without economic injury to, or discharge of, the victim.

**Sexual Harassment**

Sexual harassment also constitutes discrimination. Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, or other verbal or physical conduct of a sexual nature when the conduct explicitly affects the individual’s employment, unreasonably interferes with an individual’s work performance, or creates an intimidating, hostile, or offensive work environment. Sexual harassment can occur in a variety of circumstances, including but not limited to:

1. The victim as well as the harasser may be a woman or a man. The victim does not have to be of the opposite sex.
2. The harasser can be the victim’s supervisor, an agent of ILTexas, a supervisor in another area, a co-worker, or a non-employee.
3. The victim does not have to be the person harassed but could be anyone affected by the offensive conduct.
4. Unlawful sexual harassment may occur without economic injury or discharge of the victim.
5. The harasser’s conduct must be unwelcome.
Examples of sexual harassment may include sexual advances; touching intimate body parts; coercing or forcing a sexual act on another; jokes or conversations of a sexual nature; and other sexually motivated conduct, communication, or contact.

Employees shall not engage in conduct constituting sexual harassment.

**Retaliation**

ILTexas strictly prohibits retaliation against a student, parent, or an employee who in good faith reports or complains about discrimination, harassment, or other prohibited conduct, or who serves as a witness or otherwise participates in an investigation. Employees who take part in any retaliatory action will be subject to discipline, up to and including termination. Retaliation may include, but is not limited to: demotion, denial of promotion, poor performance appraisals, transfer, and assignment of demeaning tasks or taking any kind of adverse actions against a person who complains about discrimination or harassment.

An employee who intentionally makes a false claim, offers false statements, or refuses to cooperate with an ILTexas investigation regarding harassment or discrimination is subject to appropriate discipline, up to and including termination.

**Reporting Procedures**

An employee who believes that he or she has experienced prohibited discrimination or harassment, retaliation, or believes that another employee has experienced such prohibited conduct, should immediately report the alleged acts. The employee may report the alleged acts to his or her supervisor, Principal, the Executive Director of Human Resources, or the designated Chief Equity Officer.

Reports of prohibited discrimination or harassment shall be made as soon as possible after the alleged act or knowledge of the alleged act. Failure to promptly report may impair ILTexas’ ability to investigate and address the prohibited conduct.

Any ILTexas supervisor who receives a report of prohibited discrimination or harassment shall immediately notify the designated Chief Equity Officer, and take any other steps required by ILTexas policy.

**Conducting the Investigation**

ILTexas recognizes all official complaints as a serious matter and will follow through with an appropriate and timely investigation of the allegations. All complaints will be investigated. An investigation may be conducted by the Chief Equity Officer or designee, or by a third party designated by ILTexas, such as an attorney. At no time will employees who file a complaint be required or allowed to handle the problem themselves.

The investigation may consist of personal interviews with the person making the report, the person against whom the report is filed, and others with knowledge of the circumstances surrounding the allegations. The investigation may also include analysis of other information or documents related to the allegations.

To the greatest extent possible, ILTexas will respect the confidentiality of the complainant, persons against whom a report is filed, and witnesses. The purpose of this is to maintain impartiality to the extent possible. Both the complaining individual and the alleged harasser have equal privacy rights under the law. However, limited disclosures may be necessary in order to conduct a thorough investigation and comply with applicable law.
Corrective Action
ILTexas will take prompt, effective action to end any harassment and to deter future harassment. After all the circumstances of the complaint, including responses of the alleged perpetrator and witnesses, have been documented, a determination will be made as to whether or not discrimination or harassment has occurred. Prompt corrective action, if warranted, will follow immediately. This may include discipline or termination of the perpetrator or the complainant in the case that a falsified and malicious complaint was discovered and substantiated. The complainant and other persons directly involved will be provided notice of ILTexas’ disposition in the matter.

Either the complaining employee or the alleged harasser has the right to appeal the determination of the investigation to the Board of Directors if he or she indicates so in writing, and delivers the appeal to the Superintendent within ten calendar days of the determination.

ILTexas accepts no liability for harassment of one employee by another employee.

7.8 Discrimination and Harassment of Students

Discrimination and harassment of students by employees are forms of discrimination and are prohibited by law. Employees who suspect a student may have experienced prohibited harassment are obligated to report their concerns to the Principal or other appropriate administrator. All allegations of prohibited harassment of a student by an employee or adult will be promptly investigated. An employee who knows of or suspects child abuse or neglect must also report his or her knowledge or suspicion to the appropriate authorities, as required by law.

ILTexas will take appropriate disciplinary action against employees or students who have engaged in discrimination or harassment of students, up to and including termination of employment.

Retaliation against anyone involved in the complaint process is a violation of ILTexas policy and acts of retaliation may result in disciplinary action, up to and including termination.

Sexual Harassment of Students

Sexual harassment of students includes any unwelcome verbal or physical sexual advances, including but not limited to engaging in sexually oriented conversations; making comments about a student’s potential sexual performance; requesting details of a student’s sexual history; requesting a date, sexual contact, or any activity intended for the sexual gratification of the employee; engaging in conversations regarding the sexual problems, preferences, or fantasies of either party; inappropriate hugging, kissing, or excessive touching; suggestions that a romantic relationship is desired after the student graduates, including post-graduation plans for dating or marriage; telephoning or texting students at home or elsewhere to solicit unwelcome social relationships; physical contact that would reasonably be construed as sexual in nature; threatening or enticing students to engage in sexual behavior in exchange for grades or other school-related benefit; requests for sexual favors; sexually motivated physical, verbal, or nonverbal conduct when the conduct affects the student’s ability to participate in or benefit from a program or activity; or conduct of a sexual nature that creates an intimidating, threatening, hostile or offensive educational environment.

Sexual harassment of students by employees is always a violation of law and will result in appropriate disciplinary action up to and including termination from employment and referral to appropriate law enforcement authorities.

ILTexas employees are generally encouraged to report an action or suspected action that is illegal or in violation of any adopted Board policy. Good faith reports may be made without fear of reprisal.
Any sexual or romantic relationship between a student and an ILTexas employee is always prohibited, even if consensual.

7.9 **Personal Use of Technology**

ILTexas’ technology resources, including its network, computer systems, e-mail accounts, devices connected to its networks, and all school-owned devices used on or off school property, are primarily for administrative and instructional purposes. Limited personal use may be permitted if the use:

- Imposes no tangible cost to ILTexas.
- Does not unduly burden ILTexas’ technology resources.
- Has no adverse effect on job performance or a student’s academic performance.

Employee access to ILTexas’ technology resources will terminate upon the last day of employment with ILTexas. Employees with questions about technology resources may contact the Technology Department.

7.10 **Social Media and Personal Electronic Devices**

Employees have a right to participate in social networking sites, blogs, forums, etc. as individuals in the community. However, employees should not post anything that would violate student confidentiality or the professionalism and ethical conduct of ILTexas employees. Employees are encouraged to adhere to the following guidelines when engaging in activity on social media:

1. Be respectful of the privacy and dignity of your co-workers, and do not post student photographs without appropriate authority.
2. Do not “friend” students on your personal social media page unless you have an appropriate out-of-school relationship with the student such as relatives, church, scouts, or other activity that would be appropriate for such informal communication.
3. Do not create a link from your blog, website, or other social networking site to a School website without identifying yourself as a School employee.
4. Do not infringe on ILTexas’ logos, taglines, slogans, trademarks, or other symbols.
5. Harassing, obscene, defamatory, threatening, or other offensive content must be avoided.
6. Maintain the confidentiality of ILTexas trade secrets and private or confidential information concerning ILTexas employees, students, and/or agents that is obtained from ILTexas’ files or records in the course of employment. Do not post internal reports or other business-related confidential communications.
7. Respect all copyright and other intellectual property laws. For ILTexas’ protection, as well as your own, it is critical that you show proper respect for the laws governing copyright, fair use of copyrighted material owned by others, trademarks, and other intellectual property, including ILTexas’ own copyrights, trademarks, and brands.
8. The employee may not set up or update the employee’s personal social network page(s) using ILTexas’ computers, network, or equipment.
9. The employee shall limit use of personal electronic communication devices to send or receive calls, text messages, pictures, and videos to breaks, meal times, and before and after scheduled work hours, unless there is an emergency or the use is authorized by a supervisor to conduct school business.

If an employee’s use of social media violates state or federal law or ILTexas policy, or interferes with the employee’s ability to effectively perform his or her job duties or adversely impacts ILTexas and its service
to students and parents (as solely determined by ILTexas), the employee is subject to disciplinary action, up to and including termination of employment.

Electronic Communications with Students
“Electronic Communication” includes any communication facilitated by the use of any electronic device, including a cellular telephone, computer, computer network, personal data assistant, or pager, and includes e-mail, text message, instant message, and any communication made through an internet website, including a social media website or social networking website.

Employees shall not engage in inappropriate electronic communications with students. Employees should not “friend” students on their personal social media pages unless they have an appropriate out-of-school relationship with the student such as relatives, church, scouts, or other activity that would be appropriate for such informal communication. Employees may elect not to disclose to a student the employee’s personal telephone number or e-mail address.

Employees shall immediately notify the Principal or other appropriate school administrators concerning an incident in which a student engages in improper communications with an employee. A report should include a summary of the student’s communication, as well as the time, date, and method of communication. See Part 10 for more guidance and policy regarding teacher communication/content with students.

7.11 Sales and Solicitations
In the interest of maintaining an efficient, safe, orderly and productively work environment, ILTexas’ general policy is to prohibit solicitations of products or services by anyone on the premises. Under no circumstances may an employee disturb the work of others to solicit or distribute literature to other employees during working time.

7.12 Public Relations/Media
The Board of Directors has designated the PR/Communications department, as the official spokesperson for media questions and public relations. Any official statements from ILTexas to the media are to be handled through the PR/Communications Office or designee only.

7.13 Employee Involvement
All staff members are encouraged to attend ILTexas functions. Additionally, appropriate staff members must attend student related meetings and functions including, but not limited to: parent meetings and conferences, open houses, scheduled faculty/staff meetings, and ARD meetings. As part of the school’s planning and decision-making process, employees may either be asked or elected to serve on advisory committees.

7.14 Faculty/Staff Meetings
Employees are expected to attend regularly scheduled meetings whenever deemed necessary. Any absence from a meeting must have prior approval. An absent employee is expected to contact his/her supervisor for meeting details.
PART 8: EMPLOYEE HEALTH AND SAFETY

8.1 Accident Reporting

Employees shall report any on-the-job injury or accident immediately to their supervisor. Supervisors must notify the Benefits Coordinator within 24 hours of notification of an occurrence. If an employee fails to report the accident within 30 days of the incident, the claim may be denied by the Texas Department of Insurance – Division of Workers’ Compensation. The employee’s supervisor and/or the appropriate management personnel shall conduct a thorough investigation, involving the employee and any witnesses that observed the injury or accident. The employee’s supervisor and/or appropriate management personnel will ensure corrective action is taken to avoid a recurrence of the accident.

8.2 Alcohol and Drug-Abuse Prevention

ILTexas is committed to maintaining an alcohol-and drug-free environment and will not tolerate the use of alcohol or illegal drugs in the workplace or at school-related or school-sanctioned activities on or off school property. Employees who possess, distribute, use, or are under the influence of alcohol or illegal drugs as defined by the Texas Controlled Substances Act during working hours or while representing ILTexas may be dismissed. ILTexas’ policy regarding employee alcohol and/or drug use is as follows:

DRUG-FREE WORKPLACE NOTICE

ILTexas explicitly prohibits:

- The unlawful manufacture, distribution, dispensation, possession, or use of narcotics or other illegal drugs, alcohol, or prescription medications without a prescription on ILTexas premises or while attending an ILTexas-sponsored or school-related activity.
- Being impaired or under the influence of legal or illegal drugs or alcohol away from school property, if such impairment or influence adversely affects the employee’s work performance, the safety of the employee or of others, or puts at risk ILTexas’ reputation.
- Possession, use, solicitation for, or sale of legal or illegal drugs or alcohol away from ILTexas property, if such activity or involvement adversely affects the employee’s work performance, the safety of the employee or of others, or puts at risk ILTexas’ reputation.
- The presence of any detectable amount of prohibited substances in the employee’s system while at work, on ILTexas property, or while attending a school-sponsored or school-related activity. “Prohibited substances” include illegal drugs, alcohol, or prescription drugs not taken in accordance with a prescription given to the employee.

Employees who violate this policy are subject to disciplinary sanctions, which may include:

- Referral to drug and alcohol counseling or rehabilitation programs;
- Referral to employee assistance programs;
- Termination from employment; and/or
- Referral to appropriate law enforcement officials for prosecution.

As a condition of employment with ILTexas, each employee shall abide by the terms of the requirements and prohibitions set out in this statement and shall notify ILTexas of any criminal drug statute conviction for a violation occurring in the workplace no later than five days after such conviction. Within 30 days of receiving such notice, ILTexas shall either (1) take appropriate personnel action against the employee, up
to and including termination; or (2) require the employee to participate satisfactorily in drug abuse assistance or rehabilitation program approved for such purposes by a federal, state, or local health agency, law enforcement agency, or other appropriate agency.

In addition, ILTexas will conduct drug and/or alcohol testing under any of the following circumstances:

- **For-Cause Testing:** ILTexas may ask an employee to submit to a drug and/or alcohol test at any time it has reason to suspect that the employee may be under the influence of drugs or alcohol, including, but not limited to, the following circumstances: evidence of drugs or alcohol on or about the employee’s person or in the employee’s vicinity; unusual conduct on the employee’s part that suggests impairment or influence of drugs or alcohol; negative performance patterns; or excessive and unexplained absenteeism or tardiness.

- **Post-Accident Testing:** Any employee involved in an on-the-job accident or injury under circumstances that suggest possible use or influence of drugs or alcohol in the accident or injury event may be asked to submit to a drug and/or alcohol test. This includes not only the employee who was or could have been injured, but also any employee who potentially contributed to the accident or injury event in any way.

- **Pre-Employment Testing:** ILTexas may perform pre-employment drug or alcohol testing after an offer of employment is made and accepted.

All reports by ILTexas regarding drug or alcohol testing results shall be kept strictly confidential but may be used as the basis for disciplinary action or other action regarding employment status.

If an employee is tested for drugs or alcohol outside of the employment context and the results indicate a violation of this policy, or if an employee refuses a request to submit to testing under this policy, the employee may be subject to appropriate disciplinary action, up to and possibly including termination. In such a case, the employee will be given an opportunity to explain the circumstances prior to any final employment action becoming effective.

**Employees with Commercial Driver’s License:** Any employee whose duties require a commercial driver’s license (CDL) is subject to drug and alcohol testing. This includes all drivers who operate a motor vehicle designed to transport 16 or more people, counting the driver; drivers of large vehicles; or drivers of vehicles used in the transportation of hazardous materials. Teachers, coaches, or other employees who primarily perform duties other than driving are subject to testing requirements when their duties include driving.

Drug testing will be conducted before an individual assumes driving responsibilities. Alcohol and drug tests will be conducted at random when reasonable suspicion exists, and as a follow-up measure. Testing will be conducted immediately following accidents. Return-to-duty and follow-up testing will be conducted if an employee who has violated the prohibited alcohol conduct standards or tested positive for alcohol or drugs is allowed to return to duty. If the employee has more than one accident or moving violations, the employee may be recommended for termination immediately.

Employees with questions or concerns relating to alcohol and drug policies and related educational material should contact the Director of Human Resources.

### 8.3 Asbestos Management Plan

ILTexas is committed to providing a safe environment for employees. An accredited management planner has developed an asbestos management plan for school facilities. A copy of ILTexas’ management plan is available for inspection during normal business hours by contacting the Facilities Office.
8.4 Communicable Diseases

The following information will provide simple and effective precautions against the transmission of a communicable disease for all personnel who are potentially exposed to the bodily fluids of any person. No distinction is made between bodily fluids from persons with a known disease or those from persons without symptoms or with an undiagnosed disease.

The term “bodily fluids” includes: blood, semen, drainage from scrapes and cuts, feces, urine, vomitus, respiratory secretions and saliva. Contact with bodily fluids presents a risk of infection with a variety of germs. In general, however, the risk is very low and dependent on a variety of factors including the type of fluid with which contact is made and the type of contact made with it.

Transmission of communicable disease is more likely to occur from contact with infected bodily fluids of unrecognized carriers than from contact with fluids from diagnosed individuals, because simple precautions are not always carried out.

To avoid contact with bodily fluids, the following precautions should be observed:

- Avoid direct skin contact with bodily fluids. This also includes the mucous membranes (e.g. eyes, nose, and mouth);
- Wear disposable gloves when contact with bodily fluids is anticipated (e.g. when treating bloody noses; open cuts, abrasions and other lesions; handling contaminated clothing; and cleaning up body fluid spills);
- Always practice good personal hygiene through proper hand washing techniques;
- Request assistance from a custodian for proper cleaning of all bodily fluid spills.

8.5 Hazard Communication Act

ILTexas is concerned about the safety of all employees and will perform the following duties in compliance with the Texas Hazard Communication Act:

- Post and maintain the notice promulgated by the Texas Department of State Health Services (“TDSHS”) in the workplace.
- Provide an education and training program for employees using or handling hazardous chemicals under normal operating conditions or foreseeable emergencies.
- Maintain the written hazard communication program and a record of each training session to employees, including the date, a roster of the employees who attend, the subjects covered in the training session, and the names of the instructors. Records will be maintained for at least five years.
- Compile and maintain a workplace chemical list that includes required information for each hazardous chemical normally present in the workplace or temporary workplace in excess of 55 gallons or 500 pounds, or as determined by the TDSHS for certain highly toxic or dangerous hazardous chemicals. The list will be readily available to employees and their representatives.
- Update the list as necessary, but at least by December 31 each year, and maintain the list as required by law. Each workplace chemical list shall be dated and signed by the person responsible for compiling the information.
- As required by law, label new or existing stocks of hazardous chemicals with the identity of the chemical and appropriate hazard warnings, if such stocks are not already appropriately labeled.
- Maintain a legible copy of the most current manufacturer’s material safety data sheets (“MSDS”) for each hazardous chemical; request such sheets from the manufacturer if not already provided or
otherwise obtain a current MSDS; make such sheets readily available to employees or their representatives on request.

- Provide employees with appropriate personal protective equipment.

The Superintendent shall notify employees of any planned pest control treatment by both of the following methods:

- Posting the sign provided by the certified applicator or technician in an area of common access the employees are likely to check on a regular basis at least 48 hours before each planned treatment.
- Providing the official Structural Pest Control Service Consumer Information Sheet to any individual working in the building, on request.

### 8.6 Occupational Safety and Health Administration (“OSHA”) Statement

ILTexas strives to reduce dangers to health and safety by creating and maintaining improved working conditions, free from recognized hazards that might cause serious physical injury. In accordance with the Occupational Safety and Health Act (“OSHA”), ILTexas maintains a log of all occupational injuries and illnesses, and asks that employees report such injuries and illnesses within 48 hours to Frank Crabill, Director of Facilities and Maintenance, so these occurrences will be reported within a lawful period of time to the nearest OSHA office.

As employees of ILTexas:

- You have the right to notify ILTexas or OSHA about workplace hazards. You may ask OSHA to keep your name confidential.
- You have the right to request an OSHA inspection if you believe that there are unsafe and unhealthful conditions in your workplace. You or your representative may participate in that inspection.
- You can file a complaint with OSHA within 30 days of retaliation or discrimination by ILTexas for making safety and health complaints, or for exercising your rights under the OSHA Act.
- You have a right to see OSHA citations issued ILTexas. ILTexas must post the citations at or near the place of the alleged violation.
- ILTexas must correct workplace hazards by the date indicated on the citation, and must certify that these hazards have been reduced or eliminated.
- You have the right to copies of your medical records and records of your exposures to toxic and harmful substances or conditions.
- ILTexas must post this notice in your workplace.
- You must comply with all occupational safety and health standards issued under the OSHA Act that apply to your own actions and conduct on the job.

As your employer:

- ILTexas must furnish all employees a place of employment free from recognized hazards.
- ILTexas must comply with the occupational safety and health standards issued under OSHA.

If you would like more information regarding your OSHA rights or additional information, visit [www.osha.gov](http://www.osha.gov) or call 1-800-321-OSHA.
8.7 Reporting Serious Injuries

Within eight hours after the death of any employee from a work-related incident or the in-patient hospitalization of three or more employees as a result of a work-related accident, ILTexas will orally report the fatality/multiple hospitalization by telephone or in person to the Area Office of the Occupational Safety and Health Administration (“OSHA”), Department of Labor, that is nearest to the site of the incident. If the Area Office is not reachable, the school may use the OSHA toll-free central telephone number, 1-800-321-6742.

Reporting Procedures

ILTexas will utilize the required OSHA forms to document and log each recordable injury or illness. This information will be kept current, maintained accurately, and retained for a period of five years.

8.8 Searches

ILTexas reserves the right to conduct searches to monitor compliance with rules concerning safety of employees, security of company and individual property, drugs and alcohol, and possession of other prohibited items. “Prohibited items” include illegal drugs, alcoholic beverages, prescription drugs or medications not used or possessed in compliance with a current valid prescription, weapons, any items of an obscene, harassing, demeaning, or violent nature, and any property in the possession or control of an employee who does not have authorization from the owner of such property to possess or control the property. “Control” means knowing where a particular item is, having placed an item where it is currently located, or having any influence over its continued placement. In addition to the school’s premises ILTexas may search employees, their work areas, lockers, personal vehicles (if driven or parked on school property), and other personal items such as bags, purses, briefcases, backpacks, lunch boxes, and other containers. In requesting a search, ILTexas is by no means accusing anyone of theft, some other crime, or any other variety of improper conduct.

There is no general or specific expectation of privacy in the school workplace, either on school or elsewhere while on duty. In general, employees should assume that what they do while on duty or on school premises is not private. All employees and all of the areas listed above are subject to search at any time; if an employee uses a locker or other storage area at work, including a locking desk drawer or locking cabinet, ILTexas will either furnish the lock and keep a copy of the key or combination, or else allow the employee to furnish a personal lock, but the employee must give the school a copy of the key or combination. The areas in question may be searched at any time, with or without the employee being present. As a general rule, with the exception of items relating to personal hygiene or health, no employee should ever bring anything to work or store anything at work that he or she would not be prepared to show and possibly turn over to school officials and/or law enforcement authorities.

All ILTexas employees are subject to this policy. However, any given search may be restricted to one or more specific individuals, depending upon the situation. Searches may be done on a random basis or based upon reasonable suspicion. “Reasonable suspicion” means circumstances suggesting to a reasonable person that there is a possibility that one or more individuals may be in possession of a prohibited item as defined above. Any search under this policy will be done in a manner protecting employee privacy, confidentiality, and personal dignity to the greatest extent possible. ILTexas will respond severely to any unauthorized release of information concerning individual employees.

No employee will ever be physically forced to submit to a search. However, an employee who refuses to submit to a search request by the school will face disciplinary action, up to and possibly including immediate termination of employment.
8.9 Tobacco Products and E-Cigarettes

State law prohibits smoking, using tobacco products, or e-cigarettes on all school-owned property and at school-related or school-sanctioned activities, on or off school property. This includes all buildings, playground areas, parking facilities, and facilities used for athletics and other activities. Drivers of school-owned vehicles are prohibited from smoking, using tobacco products, or e-cigarettes while inside the vehicle. Notices stating that smoking is prohibited by law and punishable by a fine are displayed in prominent places in the school building. Any violation of this policy may result in immediate termination.

For purposes of this policy, “e-cigarette” means an electronic cigarette or any other device that simulates smoking by using a mechanical heating element, battery, or electronic circuit to deliver nicotine or other substances to the individual inhaling from the device. This also includes any and all vapors, inhalants, electronic cigarette devices or other devices or paraphernalia used with vapors, other inhalants or chemicals.

All personnel shall enforce this policy on ILTexas property.

8.10 Weapon & Firearms Possession

Texas Penal Code section 46.03, prohibits firearms, illegal knives, clubs or any prohibited weapon on the physical premises of a school, any grounds or building on which an activity sponsored by a school is being conducted, or school vehicle. Any violation of this policy by an ILTexas employee may result in immediate termination. To ensure the safety of all persons, employees who observe or suspect a violation of this prohibition should report it immediately to their supervisor.

8.11 Workplace Safety

ILTexas has developed and promotes a comprehensive program to ensure the safety of its employees, students, and visitors. The safety program includes guidelines and procedures for responding to emergencies and activities to help reduce the frequency of accidents and injuries. To prevent or minimize injuries to employees, coworkers, and students and to protect and conserve school equipment, employees must comply with the following requirements:

- Observe all safety rules.
- Keep work areas clean and orderly at all times.
- Immediately report all accidents to their supervisor.
- Operate only equipment or machines for which they have training and authorization.

Employees with questions or concerns relating to safety programs and issues can contact their supervisor.

Employees who violate safety standards, cause hazardous or dangerous situations, or fail to report or, where appropriate, remedy such situations, may be subject to disciplinary action, up to and including termination of employment.

8.12 Workplace Violence Prevention

ILTexas is committed to preventing workplace violence and to maintaining a safe work environment. Given the increasing violence in society in general, ILTexas has adopted the following guidelines to deal with intimidation, harassment, or other threats of (or actual) violence that may occur during business hours or on school property.
All employees, including supervisors and temporary employees, should be treated with courtesy and respect at all times. Employees are expected to refrain from fighting, “horseplay,” or other conduct that may be dangerous to others. Firearms, weapons, and other dangerous or hazardous devices or substances are at all times prohibited without proper authorization.

Conduct that threatens, intimidates, or coerces another employee, student, or member of the public at any time, including off-duty periods, will not be tolerated. This prohibition includes all acts of discrimination and/or harassment.

All threats of (or actual) violence, both direct and indirect, should be reported as soon as possible to your immediate supervisor or any other member of management. This includes threats by employees, students, vendors, solicitors, or other members of the public. When reporting a threat of violence, please be specific and as detailed as possible.

All suspicious individuals or activities should be reported as soon as possible to a supervisor. Do not attempt to interfere in a disturbance unless it is reasonably safe to do so.

ILTexas will promptly and thoroughly investigate all reports or threats of violence and suspicious individuals or activities. The identity of the individual making a report will be protected as much as is practical. In order to maintain workplace safety, and the integrity of its investigation ILTexas may suspend employees, either with or without pay, pending investigation. Anyone determined to be responsible for threats of (or actual) violence or other conduct that is in violation of these guidelines will be subject to prompt disciplinary action up to and including termination of employment.

8.13 Video Surveillance

ILTexas is charged with the responsibility of caring for students. Maintaining safe and efficient schools is critical to fulfilling this responsibility. ILTexas reserves the right to conduct surveillance in its facilities and offices when such surveillance is in the best interest of the school, its students, or its employees, such as for possible problems with student abuse, theft, drugs, alcohol or other serious misconduct. Therefore, employees are on notice that they should have no expectation of personal privacy while at work and all schools and school facilities are subject to surveillance, including parking lots. Surveillance may be by electronic means or direct human involvement. Surveillance methods may be visible or may be concealed. Periods of surveillance may or may not be announced at the option of ILTexas. No employee shall initiate surveillance of any kind without express approval of the Superintendent. Technical assistance with surveillance may be sought from local law enforcement agencies in conducting surveillance and surveillance results may be shared with local law enforcement agencies when possible criminal action is indicated.

**PART 9: MISCELLANEOUS PROVISIONS**

9.1 Emergencies

All employees should be familiar with the evacuation diagrams posted throughout the school. Fire, tornado, and other emergency drills will be conducted to familiarize employees and students with evacuation procedures. Fire extinguishers are located throughout all school buildings. Employees should know the location of these devices and how to use them.
School Closures

ILTexas may close because of bad weather or emergency conditions. When such conditions exist, the Superintendent will make the official decision concerning school closures. When it becomes necessary to open late or to release students early, local media will be informed and every effort will be made to contact all staff and students through the school’s emergency broadcast system.

9.2 External Inquiries

Employees should contact, ILTexas Chief Legal Officer, regarding all employee related legal matters and external inquiries. This includes all inquiries, notices or other communication from attorneys, prospective employers or others regarding employees or former employees, whether verbal or written. It also includes, but is not limited to:

- Any Charges of Discrimination that may come from the Equal Employment Opportunity Commission, Texas Human Rights Commission, or other agencies;
- Any notice or indication of an audit by the U.S. Department of Labor or notification from the Texas Workforce Commission;
- Any OSHA complaints or site visits by OSHA staff members.

No response should be given to external inquiries or notifications except how to contact ILTexas Chief Legal Officer. The Chief Legal Officer should be notified as soon as possible. No employee other than ILTexas Chief Legal Officer may be served with legal papers. Employees who become aware of the attempt to serve legal papers should advise the server of the appropriate agent of record for service of process and notify his or her supervisor and/or ILTexas Chief Legal Officer as soon as possible.

9.3 Family Educational Rights and Privacy Act

Student records are confidential and protected from unauthorized inspection or use. Employees with access to student information and/or performance data will consistently and uniformly maintain the privacy and confidentiality of this information in accordance with the Family Educational Rights and Privacy Act (“FERPA”).

9.4 HIPAA

The Health Insurance Portability and Accountability Act of 1996 (“HIPAA”) established rules for protecting individual Personal Health Information (“PHI”). HIPAA provides individuals certain rights regarding their PHI, and requires employers and other individuals to adhere to restrictions on how PHI is disclosed. Every employee should respect the rights of others and only disclose PHI about themselves and others to those with a need to know. Disclosure of PHI without the written approval of the individual is a violation of federal law.

9.5 HIV-AIDS and Other Life-Threatening Illnesses

Individuals infected with HIV and individuals with life-threatening illnesses have the same rights and opportunities as other individuals.

Employees are not required to reveal their HIV status to employers. All medical information that an HIV-infected employee provides to medical or management personnel is confidential and private. ILTexas may
not reveal this information without the employee’s knowledge and written consent, except as provided by law.

Those with access to confidential information must maintain strict confidentiality and privacy, separating this information from employees’ personnel records. Individuals who fail to protect these rights commit a serious offense, which may be cause for litigation resulting in both civil and criminal penalties and may result in disciplinary action, up to and including termination.

Employees who have concerns of a co-worker or student infected with HIV or a life-threatening illness should contact the Benefits Coordinator for appropriate information and reference materials. Employees do not have the right to refuse to work with someone who has HIV or AIDS or any disability. An employee who refuses to work with co-workers or students who have a disability shall be subject to disciplinary or corrective action, up to and including termination.

9.6 Key/Access Device Security

Key and access device security is important because of the nature and value of property on campus. Each employee is responsible for keys issued and losses must be reported immediately. Keys or access devices may not be loaned or duplicated without approval from the campus Principal or supervisor. Employees are required to take all reasonable precautions with the keys issued, and all keys must be accounted for at all times.

9.7 Personal Property

ILTexas recognizes that employees may desire to display mementos pertaining to their families or bring other personal items to work. ILTexas takes no responsibility for the safekeeping of these items. However, should any such personal property be stolen, employees should report the incident to ILTexas. The following guidelines should be observed:

- Safety comes first. No object can interfere with job safety as determined by the Principal.
- Nothing can be displayed that is derogatory (in the opinion of the Principal) to any person or system of beliefs, or that is considered sexually offensive under the reasonable person standard.
- Objects that are inappropriate (in the opinion of the Principal) or that hinder work efforts will not be allowed and must be removed upon request.

9.8 School Property

All employees are responsible for taking proper care of ILTexas owned property, including vehicles, buildings, furnishings, equipment, tools and supplies. School property must remain on the premises at all times unless approved in advance by the Principal or other appropriate administrator. Proper care and maintenance of school-owned vehicles is also required.

The following applies to the usage of any ILTexas-owned vehicle: (1) all doors must be locked when the vehicle is unattended, (2) no unauthorized passengers or merchandise are allowed to be transported, (3) no unauthorized merchandise, and (4) no unauthorized stops may be made.

Employees must return all ILTexas-owned property that is in their possession or control in the event of termination of employment, resignation or layoff immediately upon request.
School employees shall not use school public property for any purpose not described in the ILTexas open-enrollment charter, except that employees may use local telephone service, school-issued cellular phones, electronic mail, Internet connections, and similar property for incidental personal use, if, as determined by school administration, such does not:

- Result in any direct cost paid with state funds, or the charter holder is reimbursed by the employee within five business days for any direct cost incurred;
- Impede charter school functions as determined by the school administration.

Only incidental amounts of employee time, comparable to a five to seven-minute coffee break during each day, may be used for personal matters. This does not authorize incidental personal use of public property for private commercial purposes. Any such incidental use of public property is a privilege not a right, and ILTexas administration may remove or rescind such privilege from time to time on a case-by-case basis for any employee, or all employees.

9.9 **Student Issues**

**Non-Discrimination Statement**

ILTexas does not discriminate on the basis of race; religion; color; national origin; sex or gender; disability; academic, artistic, or athletic ability; sexual orientation; pregnancy; marital status; or the district the child would otherwise attend under state law or in providing educational services, activities, and programs, including vocational and career technology programs, in accordance with Title VI of the Civil Rights Act of 1964, as amended; Title IX of the Educational Amendments of 1972; and Section 504 of the Rehabilitation Act of 1973, as amended.

**Administration of Medication**

Unless otherwise authorized or described below, school employees and volunteers are prohibited from administering medications to students, including vitamins and food supplements. Medication should be administered outside of school hours, if possible. If necessary, medication can be administered at school under the following circumstances:

- Nonprescription medication brought to school must be submitted by a parent along with a written request. The medication must also be in the original and properly labeled container.
- Prescription medications administered during school hours must be prescribed by a physician or advanced nurse practitioner (“ANP”) and filled by a pharmacist licensed in the State of Texas. Prescriptions ordered or filled in Mexico will not be accepted.
- Prescription medications must be submitted in a labeled container showing the student’s name, name of the medication, reason the medication is being given, proper dosage amounts, the time the medication must be taken, and the method used to administer the medication. Medications sent in plastic bags or unlabeled containers will NOT be administered.
- If the substance is herbal or a dietary supplement, it must be provided by the parent and will be administered only if required by the student’s Individualized Education Program (“IEP”) or Section 504 plan for a student with disabilities.
- Only the amount of medication needed should be delivered to the school, i.e., enough medication to last one day, one week, etc. In cases of prolonged need, send in the amount for a clearly specified period. Extra medication will not be sent home with the student.
- In certain emergency situations, ILTexas may administer a nonprescription medication to a student, but only in accordance with the guidelines developed by the school’s medical advisor and when the parent has previously provided written consent for emergency treatment.
**Bullying**

ILTexas prohibits bullying of students, as well as retaliation against anyone involved in the complaint process. Bullying means a single significant act or a pattern of acts by one or more students directed at another student that exploits an imbalance of power and involves engaging in written or verbal expression, expression through electronic means, or physical conduct that:

1. has the effect or will have the effect of physically harming a student, damaging a student’s property, or placing a student in reasonable fear of harm to the student’s person or of damage to the student’s property,
2. is sufficiently severe, persistent, or pervasive enough that the action or threat creates an intimidating, threatening, or abusive educational environment for a student,
3. materially and substantially disrupts the educational process or the orderly operation of a classroom or school, or
4. infringes on the rights of the victim at school.

The definition of bullying includes “cyberbullying,” which means bullying that is done through the use of any electronic communication device, including through the use of a cellular or other type of telephone, a computer, a camera, electronic mail, instant messaging, text messaging, a social media application, an Internet website, or any other Internet-based communication tool.

ILTexas’ anti-bullying policy applies to:

1. bullying that occurs on or is delivered to school property or to the site of a school-sponsored or school-related activity on or off school property;
2. bullying that occurs on a publicly or privately-owned school bus or vehicle being used for transportation of students to or from school or a school-sponsored or school-related activity; and
3. cyberbullying that occurs off school property or outside of a school-sponsored or school-related activity if the cyberbullying:
   a. interferes with a student’s educational opportunities; or
   b. substantially disrupts the orderly operation of a classroom, school, or school-sponsored or school-related activity.

Any employee or student who believes that he or she may have experienced or witnessed bullying should immediately report the alleged acts to the Principal or designee.

The Principal or designee will notify the victim, the student alleged to have engaged in bullying, and any student witnesses of available counseling options.

The Principal or designee will also provide notice of the incident of alleged bullying to:

- A parent or guardian of the alleged victim on or before the third business day after the date the incident is reported; and
- A parent or guardian of the alleged bully within a reasonable amount of time after the incident.

The Principal or designee shall determine whether the allegations in the report, if proven, would constitute prohibited discrimination or harassment, and if so, proceed with an investigation under ILTexas’ anti-discrimination and harassment policy instead. The Principal or designee shall conduct an appropriate investigation based on the allegations in the report, and shall take prompt interim action calculated to prevent bullying during the course of an investigation, if appropriate.
The Principal or designee shall prepare a written report of the investigation, including a determination of whether bullying occurred. If the results of an investigation indicated that bullying occurred, the school shall promptly respond by taking appropriate disciplinary or corrective action reasonably calculated to address the conduct in accordance with the Student Code of Conduct. ILTexas may take action based on the results of an investigation, even if the school concludes that the conduct did not rise to the level of bullying under this policy.

Discipline for a student who receives special education services for conduct meeting the definition of bullying or cyberbullying must comply with applicable requirements under federal law, including the Individuals with Disabilities Education Act (20 U.S.C. Section 1400 et seq.). ILTexas may not impose discipline on a student who, after an investigation, is found to be a victim of bullying, based on that student’s use of reasonable self-defense in response to the bullying.

The Bullying Report Form is attached to this Handbook in the Appendix.

**Parent and Student Complaints**
In an effort to hear and resolve parent and student complaints in a timely manner and at the lowest administrative level possible, the Board has adopted orderly processes for handling parent and student complaints. Parents or students may obtain information on this process from the main office or the Principal.

**Psychotropic Drugs and Psychiatric Evaluations or Examinations**
No ILTexas employee may:

- Recommend that a student use a psychotropic drug;
- Suggest any particular diagnosis; or
- Preclude a student from attending class or participating in a school-related activity if the parent refuses to consent to the administration of a psychotropic drug to a student or to a psychiatric evaluation or examination of a student.

“Psychotropic drug” means a substance that is used in the diagnosis, treatment, or prevention of a disease or as a component of a medication and intended to have an altering effect on perception, emotion, or behavior.

**Student Attendance**
Teachers and staff should be familiar with the school’s policies and procedures for attendance accounting. Contact the Principal for additional information.

**Student Conduct and Discipline**
Students are expected to follow all classroom and campus rules, and the rules listed in the Student Code of Conduct. Teachers and administrators are responsible for taking disciplinary action based on a range of discipline management strategies that have been adopted by ILTexas. Non-instructional employees with concerns about a particular student’s conduct should contact the student’s classroom teacher or the Principal.

**Student Transportation**
Except in limited emergency situations, ILTexas employees are not authorized to transport students in the employee’s personal automobile.
Student Welfare: Child Abuse and Neglect Reporting

Any ILTexas officer, employee, agent or volunteer who has cause to believe that a child’s physical or mental health or welfare has been adversely affected by abuse or neglect or other maltreatment by any person shall immediately make a report as required by law.

If a professional (i.e., teachers, nurses, doctors, day-care employees, or other mandatory reporters) has cause to believe that a child has been or may be abused, maltreated or neglected, that person shall make a report within 48 hours after the person first suspects the abuse or neglect. The person may not delegate to or rely on another individual to make the report.

If the suspected abuse or neglect involves a person responsible for the custody, care or welfare of the child, the report must generally be made to the Texas Department of Family and Protective Services (“DFPS”). All other reports should be made to any local or state law enforcement agency, the DFPS, the Texas Education Agency (if the abuse or neglect occurred at school), another state agency near where the abuse occurred, or any agency designated by a court as responsible for the protection of children.

A report should reflect the reporter’s belief that a child has been or may be abused or neglected or has died of abuse or neglect. The reporter shall identify the following information, if known:

- The name and address of the child;
- The name and address of the person responsible for the care, custody, or welfare of the child; and
- Any other pertinent information concerning the alleged or suspected abuse or neglect.

All reports of abuse shall be reported to the Principal or designee contemporaneous to the report mandated by law.

Any person who makes such a report, or assists in the investigation of a report of child abuse or neglect in good faith, is immune from any criminal or civil liability that might otherwise be incurred or imposed. Authorized officials from the above agencies shall be permitted to conduct the required interview with the child at the school with or without the consent of the parent or guardian. ILTexas will fully cooperate with all official investigations of abuse or neglect.

ILTexas or its agents may not suspend or terminate the employment of, or otherwise discriminate against, a professional employee who, in good faith:

- Reports child abuse or neglect to:
  - The employee’s supervisor,
  - An administrator of the facility where the employee works,
  - A state regulatory agency,
  - A law enforcement agency; or
- Initiates or cooperates with a governmental investigation or proceeding relating to an allegation of child abuse or neglect.

A person who reports his or her own abuse or neglect of a child or who acts in bad faith or with malicious purpose in reporting alleged child abuse or neglect may be subject to criminal prosecution.

The toll free number for the Texas Child Abuse Hotline is 1-800-252-5400.

In addition to the duty to report described above, a person or professional shall make a report if he or she has cause to believe that an adult was a victim of abuse or neglect as a child and the person or professional...
determines in good faith that disclosure of the information is necessary to protect the health and safety of another child. Such a report must be made within 48 hours, and the duty to make a report cannot be delegated.

**Employee Training:** ILTexas shall provide training for all new and existing employees on awareness of issues regarding child abuse and reporting, sexual abuse prevention, sex trafficking, bullying and David’s law, and other maltreatment of children, including prevention techniques for and recognition of child abuse, sex trafficking, and other maltreatment of children.

**Student Welfare: Computer Technician Reports of Child Pornography**

Any computer technician employed by ILTexas who, in the course and scope of employment or business with ILTexas, views an image on a computer that is or appears to be child pornography must immediately report the discovery to a local or state law enforcement agency or the Cyber Tipline at the National Center for Missing and Exploited Children. The report must include the name and address of the owner or person claiming a right to possession of the computer, if known, and as permitted by federal law.

Except in a case of willful or wanton misconduct, a computer technician may not be civilly liable for reporting or failing to report the discovery of an image. A computer technician who intentionally fails to report an image may be subject to criminal prosecution.

### 9.10 Use of Personal Vehicles

Employees conducting ILTexas-related business in their personal vehicles are expected to be in compliance with all state laws related to vehicle insurance coverage requirements. If involved in an accident while on school-related business, personal vehicle insurance takes precedence.

### 9.11 Visitors in the Workplace

All visitors are expected to enter any school facility through the main entrance and sign in or report to the main office. Authorized visitors will receive directions or be escorted to their destination. Employees who observe an unauthorized individual on school premises should immediately direct him or her to the building office or contact the administrator in charge.

ILTexas may establish an electronic database for the purpose of storing information concerning school visitors. Such database may only be used for purposes of school security, and may not be sold or otherwise disseminated to a third party for any purpose. ILTexas may also verify whether any visitor to a campus is a sex offender registered with the computerized central database maintained by the Department of Public Safety, or any other database accessible by ILTexas.

**PART 10: EMPLOYEE ACCEPTABLE USE POLICY**

**Technology Resources**

ILTexas’ technology and information resources, including its networks, computer systems, email accounts, devices connected to its networks, and all ILTexas-owned devices used on or off school property, are primarily for administrative and instructional purposes.

Limited personal use is permitted if the use:

- Imposes no tangible cost to ILTexas;
• Does not unduly burden ILTexas’ technology resources; and
• Has no adverse effect on job performance or on a student’s academic performance.

Email transmissions and other use of ILTexas’ technology resources are not confidential and can be monitored at any time to ensure appropriate use.

ILTexas may permit remote access to its network from the Internet on a limited basis for authorized staff. Users are expected to maintain the same security standards when operating ILTexas computers or accessing the ILTexas network remotely. Access procedures and passwords are not to be shared with anyone. All policies and rules regarding network use apply to remote access.

Employees who are authorized to use ILTexas’ technology and information resources are required to abide by the provisions of ILTexas’ acceptable use policy and administrative procedures. Failure to do so can result in suspension of access or termination of privileges, and may lead to disciplinary and legal action. Employees with questions about technology and information resources can contact the IT Department.

**Network Acceptable Use**

ILTexas provides students, staff, volunteers, and Board members access to the ILTexas electronic network. This network includes Internet access, email accounts, computer services, videoconferencing, computer equipment, and related equipment for educational and school-related purposes. This policy contains the rules and procedures for acceptable use of ILTexas’ electronic network. Where the term “user” appears, the policy applies to any network user.

• The ILTexas electronic network has been established for a limited educational purpose and to allow the transaction of ILTexas-related business. The ILTexas electronic network has not been established as a public access service or a public forum. ILTexas has the right to place reasonable restrictions on material that is accessed or posted throughout the network.
• Access is a privilege – not a right.
• It is presumed that users will honor this policy. ILTexas is not responsible for the actions of users who violate this policy.
• ILTexas reserves the right to monitor all activity on its electronic network. Users will indemnify ILTexas for damage caused by users’ inappropriate use of the network.
• Users are expected to follow the same rules, good manners, and common-sense guidelines that are used with other daily school activities, as well as applicable law, in the use of ILTexas’ electronic network.

**General Unacceptable Behavior**

While utilizing any portion of the ILTexas electronic network, unacceptable behaviors include, but are not limited to:

• Abusing network resources, such as sending chain letters or “spamming.” Emails sent to “all staff” are reserved for the Technology Department and administration. The use of the “all staff” group for other purposes must be approved by the Technology Department prior to sending.
• Attempting to access non-instructional systems, such as student information systems or business systems, without authorization.
• Attempting to circumvent web filtering through proxies or other means.
• Connecting any networkable device (either wired or wireless) to the ILTexas network without authorization. The use of a computer or device brought from home accessing the network in any
way not designated as “guest access.”

- Displaying, accessing, or sending offensive messages or pictures.
- Engaging in activity that may be considered “cyberbullying,” including but not limited to threats of violence, extortion, obscene or harassing messages, harassment, stalking, child pornography, and sexual exploitation.
- Engaging in personal attacks, including prejudicial or discriminatory attacks.
- Gaining unlawful access to information or computer and communication resources.
- Generation, storage, transmission or other use of data or other matter, which is abusive, profane, pornographic, or offensive to a reasonable person.
- Illegal, fraudulent, or malicious activity or activity on behalf of organizations or individuals having no affiliation with ILTexas.
- Installation of any programs or software not approved by ILTexas.
- Intentional introduction of or experimentation with malicious code including but not limited to computer worms or viruses.
- Knowingly or recklessly posting false information about a person or organization.
- Personal use not related to the conduct of work on behalf of ILTexas.
- Posting information that could cause damage or danger of disruption.
- The intentional sending of messages that is likely to harm the recipient’s work or system and any other types of use which could cause congestion of the ILTexas network or otherwise interfere with the work of others. Prohibited uses include, but are not limited to, peer-to-peer applications such as LimeWire, Bit Torrent, or any other file sharing applications, as well as large (>5MB) file transfers from Internet sites without prior permission.
- Transmission of material in violation of applicable copyright laws.
- Unauthorized disclosure, use, or dissemination of personal information regarding students and staff.
- Using criminal speech or speech in the course of committing a crime such as threats against others, instructions on breaking into computer networks, pornography (including child pornography), drug dealing, purchase of alcohol, gang activities, etc.
- Using ILTexas equipment, network, or credential to threaten other users, or cause a disruption to the educational program.
- Using ILTexas equipment, network, or credentials to send or post electronic messages that are abusive, obscene, sexually oriented, threatening, harassing, damaging to another’s reputation, or illegal.
- Using the ILTexas electronic network for commercial or personal business purposes, or offering, providing, or purchasing products or services through the network.
- Using the ILTexas electronic network for political lobbying.
- Using speech that is inappropriate in an educational setting or that violates ILTexas’ standards for employee conduct.

Employees who become aware of a user engaging in inappropriate use of the ILTexas electronic network or who receive any email containing inappropriate content should report the matter immediately to the Technology Department or designee.

**No Expectation of Privacy**

ILTexas email accounts should be used primarily for school-related purposes. Personal use of ILTexas email accounts is only permitted on a limited basis so long as such personal use does not impede school functions, does not result in any direct cost paid with state funds, is not for private commercial purposes,
and does not involve more than incidental amounts of employee time (time periods comparable to reasonable coffee breaks during the day).

ILTexas owns the rights to all data and files stored on any computer, network, or other information system used at ILTexas and to all data and files sent or received using any ILTexas system, including email, to the extent that such rights are not superseded by applicable laws relating to intellectual property.

ILTexas owns any communication sent via email or that is stored on ILTexas equipment or its cloud accounts. ILTexas employees shall have no expectation of privacy in anything they store, send, or receive on ILTexas’ email system or computer equipment or cloud accounts. All communications sent via email or stored on ILTexas equipment may also be subject to the Texas Public Information Act. ILTexas reserves the right to access and/or monitor any material in an employee’s email account at any time, without prior notice, as well as any computer equipment used to create, view, or access email. Violations of this policy may lead to disciplinary action, up to and including termination, and could also lead to referrals to appropriate law enforcement authorities.

No ILTexas employee may access another employee’s computer, computer files, or email messages without prior authorization from the Technology Department or designee to allow access to email accounts.

**System Security**

On occasion, ILTexas may need to access its technology and information resources including computer files, electronic-mail messages, and voicemail messages. Employees should understand, therefore, that the employees have no right of privacy with respect to any messages or information created or maintained on ILTexas’ electronic network, including personal information or messages. ILTexas may, at its discretion, inspect all files or messages on its electronic network at any time in order to determine compliance with its policies, for purposes of legal proceedings, to investigate allegations of misconduct, to locate information, or for any other business purpose.

Users are responsible for their individual accounts and should take all reasonable precautions to prevent others from being able to use them. Users must not provide their user and access credentials including password(s) to another person. Users must immediately notify the technology department if they have identified a possible security issue, received malicious email/communications, or their account may be compromised. Users should not go looking for security problems, as doing so may be construed as an illegal attempt to gain access.

Users will not attempt to gain unauthorized access to any portion of the ILTexas electronic network. This includes attempting to log in through another person’s account or accessing another person’s folders, work, or files.

Users will not make deliberate attempts to disrupt ILTexas’ electronic network or computer system, or destroy data by spreading computer viruses or by any other means.

Users will not attempt to access Web sites blocked by ILTexas policy, including the use of proxy services, software, or Web sites. Users will not use “sniffing” or remote access technology to monitor the network or other user’s activity.
Software and Files

Software is available to users to be used as an educational resource or to conduct school-related business. Users may not install, upload, or download software without permission from the Technology Department or designee. A user’s account may be limited or terminated if a user intentionally misuses software on any ILTexas-owned equipment.

Files stored on the network are treated in the same manner as other school storage areas. Routine maintenance and monitoring of ILTexas’ electronic network may lead to discovery that a user has violated this policy. Users should not expect that files stored on ILTexas servers are private.

When sharing or storing sensitive information, users must utilize approved network storage devices and applications. Appropriate storage protocols should also be followed.

Technology Hardware

Hardware and peripherals are provided as tools to users for educational purposes and for school-related business. Users are not permitted to relocate hardware (except for portable devices), install peripherals, or modify settings to equipment without permission from the Technology Department or designee.

ILTexas may permit the use of personally-owned computing devices on its network, at the discretion of ILTexas. All “guest” users must comply with administrative regulations governing the use of ILTexas’ technology resources and agree to allow monitoring of their usage and to comply with the regulations. Non-compliance may result in suspension of access or termination of privileges and other disciplinary actions consistent with ILTexas policy.

Vandalism

Any malicious attempt to harm or destroy data, the network, other network components connected to the network, hardware, or software will result in cancellation of network privileges. Disciplinary measures in compliance with ILTexas policy will be enforced.

Personal Use of Electronic Media

Electronic media includes all forms of social media, such as text messaging, instant messaging, email, web logs (blogs), electronic forums (chat rooms), video-sharing websites (e.g., YouTube), editorial comments posted on the Internet, and social network sites (e.g., Facebook, Twitter, Instagram, LinkedIn). Electronic media also includes all forms of telecommunications such as landlines, cell phones, and web-based applications.

As role models for ILTexas’ students, employees are responsible for their public conduct even when they are not acting as school employees. Employees will be held to the same professional standards in their public use of electronic media as they are for any other public conduct. If an employee’s use of electronic media interferes with the employee’s ability to effectively perform his or her job duties, the employee is subject to disciplinary action, up to and including termination of employment. If an employee wishes to use a social network site or similar media for personal purposes, the employee is responsible for the content on the employee’s page. The employee is also responsible for maintaining privacy settings appropriate to the content.
An employee who uses electronic media for personal purposes shall observe the following:

- The employee may not set up or update the employee’s personal social network page(s) using ILTexas’ computers, network, or equipment.
- The employee shall limit use of personal electronic communication devices to send or receive calls, text messages, pictures, and videos to breaks, meal times, and before and after scheduled work hours, unless there is an emergency or the use is authorized by a supervisor to conduct ILTexas business.
- The employee shall not use ILTexas’ logo or other copyrighted material of ILTexas without express written consent.
- The employee continues to be subject to applicable state and federal laws, local policies, administrative regulations, and the Code of Ethics and Standard Practices for Texas Educators, even when communicating regarding personal and private matters, regardless of whether the employee is using private or public equipment, on or off campus. These restrictions include:
  - Confidentiality of student information, including photos.
  - Confidentiality of health or personnel information concerning colleagues, unless disclosure serves lawful professional purposes or is required by law.
  - Confidentiality of ILTexas records, including educator evaluations and private e-mail addresses.
  - Copyright law.
  - Prohibition against harming others by knowingly making false statements about a colleague or the school system.

Use of Electronic Media and Electronic Communications with Students

Employees given approval by ILTexas may communicate through electronic media with students who are currently enrolled in ILTexas for educational purposes only. All other employees are prohibited from communicating with students who are enrolled in ILTexas through electronic media.

An employee is not subject to these provisions to the extent the employee has a social or family relationship with a student. For instance, an employee may have a relationship with a niece or nephew, a student who is the child of an adult friend, a student who is a friend of the employee’s child, or a member or participant in the same civic, social, recreational, or religious organization.

The following definitions apply for the use of electronic media and electronic communications with students:

- **Electronic media** includes all forms of social media, such as text messaging, instant messaging, electronic mail (e-mail), Web logs (blogs), wikis, electronic forums (chat rooms), video-sharing websites (e.g., YouTube), editorial comments posted on the Internet, and social network sites (e.g., Facebook, Twitter, LinkedIn, Instagram). Electronic media also includes all forms of telecommunication such as landlines, cell phones, and web-based applications.

- **Communicate** means to convey information and includes a one-way communication as well as a dialogue between two or more people. A public communication by an employee that is not targeted at students (e.g., a posting on the employee’s personal social network page or a blog) is not a communication: however, the employee may be subject to regulations on personal electronic communications. Unsolicited contact from a student through electronic means is not a communication.
An employee uses electronic media to communicate with students shall observe the following:

- Employees should avoid sending text messages to students. Exceptions may apply for a teacher or other employee who has an extracurricular duty, and then only to communicate with students who participate in the extracurricular activity over which the employee has responsibility. An employee who communicates with a student using text messaging should attempt to include at least one of the student’s parents or guardians as a recipient on each text message to the student so that the student and parent receive the same message. Additionally, for each text message addressed to one or more students, the employee must send a copy of the text message to the employee’s ILTexas email address.
- Employees shall limit communications to matters within the scope of the employee’s professional responsibilities (e.g., for classroom teachers, matters relating to class work, homework, and tests; for an employee with extracurricular duties, matters relating to the extracurricular activity).
- Employees are prohibited from knowingly communicating with students through personal social network pages.
- Employees shall not communicate directly with any student between the hours of 10:00 pm and 6:00 am, except when necessary to notify students about urgent scheduling or transportation issues. Employees may, however, make public posts to a social network site, blog, or similar application at any time.
- Employees do not have an absolute right to privacy with respect to communications with students and parents.
- Employees continue to be subject to applicable state and federal laws, local policies, administrative regulations, and the Professional Code of Ethics and Standard Practices for Professional Educators including:
  - Compliance with FERPA, including retention and confidentiality of student records; and
  - Copyright law.
- Employees shall not solicit or engage in sexual conduct or a romantic relationship with a student.
- Upon request form ILTexas’ administration, an employee will provide the phone number(s), social network site(s), or other information regarding the method(s) of electronic media the employee uses to communicate with any one or more current-enrolled student.
- Upon written request from a parent or student, an employee shall discontinue communicating with a student through email, text messaging, instant messaging, or any other form of one-to-one electronic communication.
- Employees shall refrain from inappropriate communications with students. Factors that may be considered in assessing whether the communication is inappropriate include, but are not limited to:
  - The nature, purpose, timing, and amount of the communication;
  - The subject matter of the communication;
  - Whether the communication was made openly or the employee attempted to conceal the communication;
  - Whether the communication could be reasonably interpreted as soliciting sexual contact or a romantic relationship;
  - Whether the communication was sexually explicit; and
  - Whether the communication involved discussion(s) of the physical or sexual attractiveness or the sexual history, activities, preferences, or fantasies of either the employee or the student.

**Consequences**

The guidelines for appropriate use are applicable to all use of school computers and refer to all information resources, whether individually controlled, shared, stand alone, or networked. Disciplinary action for
students, staff, and other users shall be consistent with ILTexas policy and administrative regulation. Violations may result in:

- Suspension of access to school computers and network resources;
- Revocation of access privileges or user accounts; or
- Other school disciplinary or legal action, up to and including termination, in accordance with school policies and applicable laws.

Specific disciplinary measures will be determined on a case-by-case basis.

Disclosure and Authorization for Consumer Reporting Agency Reports

International Leadership of Texas (“ILTexas”) may obtain a consumer report (commonly known as a background report) from a consumer reporting agency for employment purposes. The consumer report may include information concerning your employment history, education, qualifications, character, general reputation, personal characteristics, criminal record, motor vehicle record, mode of living and/or credit standing, and indebtedness. This information may be obtained from public and/or private sources.

A consumer report and/or an investigative consumer report may be obtained in processing your application for employment, or at any time during your employment period, as authorized by state law and/or the Fair Credit Reporting Act (FCRA). Should an investigative consumer report (a consumer report in which the above types of information are obtained through personal interviews) be requested, you will have the right to obtain a complete and accurate disclosure of the nature and scope of the investigation requested and a written summary of your rights under the FCRA.

In the event that information from a consumer report obtained about you from a consumer reporting agency is used in whole or in part in making an adverse decision with regard to employment, you will be provided with a copy of the consumer report and a description in writing of your rights under the law.

A summary of your rights under the FCRA is also included with this notice. Individuals may request more information about the nature and scope of any investigative consumer reports by contacting the Human Resources Department.

AUTHORIZATION

I have carefully read and understand this Disclosure and Authorization Form and the attached Summary of Rights under the Fair Credit Reporting Act. I hereby authorize ILTexas to obtain and/or its agent(s) to obtain and furnish to ILTexas information related to my background to be used for employment purposes. I hereby authorize any law enforcement agency, institution (including learning institution), information service bureau, credit bureau, record/data repository, court, motor vehicle record agency, employer, military, and other individuals and sources contacted by ILTexas and/or its agent(s) to furnish the information requested by the consumer reporting agency for employment purposes.

I understand and agree that a facsimile or photographic copy of this authorization will be as valid as the original.

I hereby release ILTexas, all its agents and employees, and all other persons, agencies, and entities furnishing information or reports about me from all liability arising out of the request for or release of any of the above-mentioned information or reports.

Summary of Your Rights under the Fair Credit Reporting Act on Next Page

A Summary of Your Rights Under the Fair Credit Reporting Act

The federal Fair Credit Reporting Act (FCRA) promotes the accuracy, fairness, and privacy of information in the files of consumer reporting agencies. There are many types of consumer reporting agencies, including credit bureaus and specialty agencies (such as agencies that sell information about check writing histories, medical records, and rental history records). Here is a summary of your major rights under FCRA. For more information, including information about additional rights, go to www.consumerfinance.gov/learnmore or write to: Consumer Financial Protection Bureau, 1700 G Street N.W., Washington, DC 20552.

- **You must be told if information in your file has been used against you.** Anyone who uses a credit report or another type of consumer report to deny your application for credit, insurance, or employment – or to take another adverse action against you – must tell you, and must give you the name, address, and phone number of the agency that provided the information.

- **You have the right to know what is in your file.** You may request and obtain all the information about you in the files of a consumer reporting agency (your “file disclosure”). You will be required to provide proper identification, which may include your Social Security number. In many cases, the disclosure will be free. You are entitled to a free file disclosure if:
  - a person has taken adverse action against you because of information in your credit report;
  - you are the victim of identity theft and place a fraud alert in your file;
  - your file contains inaccurate information as a result of fraud;
  - you are on public assistance;
  - you are unemployed but expect to apply for employment within 60 days.

  In addition, all consumers are entitled to one free disclosure every 12 months upon request from each nationwide credit bureau and from nationwide specialty consumer reporting agencies. See www.consumerfinance.gov/learnmore for additional information.

- **You have the right to ask for a credit score.** Credit scores are numerical summaries of your credit-worthiness based on information from credit bureaus. You may request a credit score from consumer reporting agencies that create scores or distribute scores used in residential real property loans, but you will have to pay for it. In some mortgage transactions, you will receive credit score information for free from the mortgage lender.

- **You have the right to dispute incomplete or inaccurate information.** If you identify information in your file that is incomplete or inaccurate, and report it to the consumer reporting agency, the agency must investigate unless your dispute is frivolous. See www.consumerfinance.gov/learnmore for an explanation of dispute procedures.

- **Consumer reporting agencies must correct or delete inaccurate, incomplete, or unverifiable information.** Inaccurate, incomplete, or unverifiable information must be removed or corrected, usually within 30 days. However, a consumer reporting agency may continue to report information it has verified as accurate.
• **Consumer reporting agencies may not report outdated negative information.** In most cases, a consumer reporting agency may not report negative information that is more than seven years old, or bankruptcies that are more than 10 years old.

• **Access to your file is limited.** A consumer reporting agency may provide information about you only to people with a valid need – usually to consider an application with a creditor, insurer, employer, landlord, or other business. The FCRA specifies those with a valid need for access.

• **You must give your consent for reports to be provided to employers.** A consumer reporting agency may not give out information about you to your employer, or a potential employer, without your written consent given to the employer. Written consent generally is not required in the trucking industry. For more information, go to [www.consumerfinance.gov/learnmore](http://www.consumerfinance.gov/learnmore).

• **You may limit “prescreened” offers of credit and insurance you get based on information in your credit report.** Unsolicited “prescreened” offers for credit and insurance must include a toll-free phone number you can call if you choose to remove your name and address from the lists these offers are based on. You may opt out with the nationwide credit bureaus at 1-888-5-OPTOUT (1-888-567-8688).

• The following FCRA right applies with respect to nationwide consumer reporting agencies:

  **Consumers Have the Right To Obtain a Security Freeze**

You have a right to place a “security freeze” on your credit report, which will prohibit a consumer reporting agency from releasing information in your credit report without your express authorization. The security freeze is designed to prevent credit, loans, and services from being approved in your name without your consent. However, you should be aware that using a security freeze to take control over who gets access to the personal and financial information in your credit report may delay, interfere with, or prohibit the timely approval of any subsequent request or application you make regarding a new loan, credit, mortgage, or any other account involving the extension of credit.

As an alternative to a security freeze, you have the right to place an initial or extended fraud alert on your credit file at no cost. An initial fraud alert is a 1-year alert that is placed on a consumer’s credit file. Upon seeing a fraud alert display on a consumer’s credit file, a business is required to take steps to verify the consumer’s identity before extending new credit. If you are a victim of identity theft, you are entitled to an extended fraud alert, which is a fraud alert lasting 7 years.

A security freeze does not apply to a person or entity, or its affiliates, or collection agencies acting on behalf of the person or entity, with which you have an existing account that requests information in your credit report for the purposes of reviewing or collecting the account. Reviewing the account includes activities related to account maintenance, monitoring, credit line increases, and account upgrades and enhancements.

• **You may seek damages from violators.** If a consumer reporting agency, or, in some cases, a user of consumer reports or a furnisher of information to a consumer reporting agency violates the FCRA, you may be able to sue in state or federal court.

• **Identity theft victims and active duty military personnel have additional rights.** For more information, visit [www.consumerfinance.gov/learnmore](http://www.consumerfinance.gov/learnmore).
States may enforce the FCRA, and many states have their own consumer reporting laws. In some cases, you may have more rights under state law. For more information, contact your state or local consumer protection agency or your state Attorney General. For information about your federal rights, contact:

**Drug and/or Alcohol Testing Consent Form and Policy Acknowledgment Form**

I hereby agree, upon a request made under the drug/alcohol testing policy of ILTexas, to submit to a drug or alcohol test and to furnish a sample of my urine, breath, and/or blood for analysis. I understand and agree that if I at any time refuse to submit to a drug or alcohol test under any ILTexas policy, or if I otherwise fail to cooperate with the testing procedures, I will be subject to immediate termination. I further authorize and give full permission to have ILTexas and/or its physician send the specimen or specimens so collected to a laboratory for a screening test for the presence of any prohibited substances under the policy, and for the laboratory or other testing facility to release any and all documentation relating to such test to ILTexas and/or to any governmental entity involved in a legal proceeding or investigation connected with the test. Finally, I authorize to disclose any documentation relating to such test to any governmental entity involved in a legal proceeding or investigation connected with the test.

I understand that only duly-authorized ILTexas officers, employees, and agents will have access to information furnished or obtained in connection with the test; that they will maintain and protect the confidentiality of such information to the greatest extent possible; and that they will share such information only to the extent necessary to make employment decisions and to respond to inquiries or notices from government entities.

I will hold harmless ILTexas, its physician, and any testing laboratory that it might use, meaning that I will not sue or hold responsible such parties for any alleged harm to me that might result from such testing, including loss of employment or any other kind of adverse job action that might arise as a result of the drug or alcohol test, even if an ILTexas or laboratory representative makes an error in the administration or analysis of the test or the reporting of the results. I will further hold harmless ILTexas, its company physician, and any testing laboratory that it might use for any alleged harm to me that might result from the release or use of information or documentation relating to the drug or alcohol test, as long as the release or use of the information is within the scope of this policy and the procedures as explained in the paragraph above.

I have had an opportunity to read the Drug-Free Workplace Policy included in ILTexas Employee Handbook, and I understand that I may ask my supervisor or Human Resource Department any questions I might have concerning the policy. I accept the terms of the Drug-Free Workplace Policy. I also understand that it is my responsibility to comply with the Drug-Free Workplace Policy, and any revisions made to it. I further agree that if I remain with ILTexas following any modifications to the policy, I thereby accept and agree to such changes.

This policy and authorization have been explained to me in a language I understand, and I have been told that if I have any questions about the test or the policy, they will be answered.

I UNDERSTAND THAT ILTEXAS WILL REQUIRE A DRUG SCREEN TEST UNDER THIS POLICY WHenever I am involved in an on-the-job accident or injury under circumstances that suggest possible involvement or influence of drugs or alcohol.

Searches

ILTexas reserves the right to conduct searches to monitor compliance with rules concerning safety of employees, security of company and individual property, drugs and alcohol, and possession of other prohibited items. “Prohibited items” include illegal drugs, alcoholic beverages, prescription drugs or medications not used or possessed in compliance with a current valid prescription, weapons, any items of an obscene, harassing, demeaning, or violent nature, and any property in the possession or control of an employee who does not have authorization from the owner of such property to possess or control the property. “Control” means knowing where a particular item is, having placed an item where it is currently located, or having any influence over its continued placement. In addition to ILTexas’ premises, ILTexas may search employees, their work areas, lockers, and personal vehicles if driven or parked on company property, and other personal items such as bags, purses, briefcases, backpacks, lunch boxes, and other containers. In requesting a search, ILTexas is by no means accusing anyone of theft, some other crime, or any other variety of improper conduct.

There is no general or specific expectation of privacy in ILTexas’ workplace, either on school premises, or while on duty. In general, employees should assume that what they do while on duty or on school premises is not private. All employees and all of the areas listed above are subject to search at any time; if an employee uses a locker or other storage area at work, including a locking desk drawer or locking cabinet, ILTexas will either furnish the lock and keep a copy of the key or combination, or else allow the employee to furnish a personal lock, but the employee must give ILTexas a copy of the key or combination. The areas in question may be searched at any time, with or without the employee being present. As a general rule, with the exception of items relating to personal hygiene or health, no employee should ever bring anything to work or store anything at work that he/she would not be prepared to show and possibly turn over to ILTexas officials and/or law enforcement authorities.

All employees of ILTexas are subject to this policy. However, any given search may be restricted to one or more specific individuals, depending upon the situation. Searches may be done on a random basis or based upon reasonable suspicion. “Reasonable suspicion” means circumstances suggesting to a reasonable person that there is a possibility that one or more individuals may be in possession of a prohibited item as defined above. Any search under this policy will be done in a manner protecting employee privacy, confidentiality, and personal dignity to the greatest extent possible. ILTexas will respond severely to any unauthorized release of information concerning individual employees.

No employee will ever be physically forced to submit to a search. However, an employee who refuses to submit to a search request by ILTexas will face disciplinary action, up to and possibly including immediate termination of employment.

IN ACCORDANCE WITH ILTEXAS POLICY REGARDING SEARCHES, I UNDERSTAND THAT ALL DESKS, STORAGE AREAS, LOCKERS, AND ALL VEHICLES OWNED, FINANCED, OR LEASED BY ILTEXAS, OR USED BY IT TO TRANSPORT EMPLOYEES, GOODS, AND/OR PRODUCTS ARE SUBJECT TO SEARCH AT ANY TIME WITHOUT MY KNOWLEDGE, PRESENCE, OR PERMISSION. WITH THE EXCEPTION OF MY PERSONAL VEHICLE, I UNDERSTAND I AM PROHIBITED FROM LOCKING OR OTHERWISE SECURING ANY SUCH DESK, STORAGE AREA, LOCKER, OR VEHICLE WITH ANY LOCK OR LOCKING DEVICE NOT SUPPLIED OR APPROVED BY ILTEXAS. IF I USE MY OWN LOCK ON ANY SUCH ITEM, I AGREE TO GIVE MY SUPERVISOR A COPY OF THE KEY OR COMBINATION TO THE LOCK SO THAT [ILTEXAS MAY OPEN THE LOCK AT ANY TIME THAT IT MAY DEEM SUCH ACTION NECESSARY. IN THE EVENT THAT A SEARCH OF MY PERSONAL VEHICLE BECOMES NECESSARY, I AGREE TO ALLOW PERSONEL DESIGNATED BY ILTEXAS TO CONDUCT SUCH A SEARCH AT ANY TIME ILTEXAS MAY
DIRECT DURING MY DUTY SHIFT.

I FURTHER UNDERSTAND THAT IN ORDER TO PROMOTE THE SAFETY OF EMPLOYEES AND VISITORS OF ILTEXAS, AS WELL AS THE SECURITY OF THE FACILITIES AND RESIDENTS OF THE FACILITIES WHERE ILTEXAS IS LOCATED, ILTEXAS MAY CONDUCT VIDEO SURVEILLANCE OF ANY PORTION OF ITS PREMISES AND OPERATIONS AT ANY TIME, THE ONLY EXCEPTION BEING PRIVATE AREAS OF RESTROOMS, SHOWERS, AND DRESSING ROOMS, AND THAT VIDEO CAMERAS WILL BE POSITIONED IN APPROPRIATE PLACES WITHIN AND AROUND THE FACILITIES AND USED IN ORDER TO HELP PROMOTE THE SAFETY AND SECURITY OF PEOPLE AND PROPERTY. I HEREBY GIVE MY CONSENT TO SUCH VIDEO SURVEILLANCE AT ANY TIME ILTEXAS MAY CHOOSE.

I HEREBY RELEASE ILTEXAS FROM ALL LIABILITY, INCLUDING LIABILITY FOR NEGLIGENCE, ASSOCIATED WITH THE ENFORCEMENT OF THESE POLICIES AND/OR ANY SEARCHES OR SURVEILLANCE UNDERTAKEN PURSUANT TO THESE POLICIES.

Wage Deduction Authorization Agreement

I understand and agree that my employer, ILTexas, may deduct money from my pay from time to time for reasons that fall into the following categories:

1. My share of the premiums for ILTexas’ group medical/dental plan;
2. Any contributions I may make into a retirement or pension plan sponsored, controlled, or managed by ILTexas;
3. Installment payments on loans based upon store credit that I use for my own personal purchases, including the value of merchandise or services that I purchase or have purchased for personal, non-business reasons using my employee charge account or credit card, an account or credit card assigned to another employee, or a general company account or credit card, regardless of whether such purchase was authorized, and if there is a balance remaining when I leave ILTexas, the balance of such store credit or charges;
4. If I receive an overpayment of wages for any reason, repayment to ILTexas of such overpayments (the deduction for such a repayment will divided amongst the remaining months of the employee’s School Year;
5. The cost of personal long-distance calls I may make on ILTexas-owned phones or on its accounts, of personal faxes sent by me using ILTexas-owned equipment or its accounts, or of non-work related access to the Internet or other computer networks by me using ILTexas-owned equipment or its accounts;
6. The cost of repairing or replacing any of ILTexas’ supplies, materials, equipment, money, or other property that I may damage (other than normal wear and tear), lose, fail to return, or take without appropriate authorization from ILTexas during my employment (except in the case of misappropriation of money by me, I understand that no such deduction will take my pay below minimum wage, or if I am a salaried exempt employee, reduce my salary below the federal FLSA minimum salary-basis amount);
7. The cost of any uniforms required in my employment with ILTexas, and of cleaning such uniforms;
8. The reasonable cost or fair value, whichever is less, of meals, lodging, and other facilities furnished to me by ILTexas in connection with my employment;
9. Administrative fees in connection with court-ordered garnishments or legally-required wage attachments of my pay, limited in extent to the amount or amounts allowed under applicable laws;
10. If I take paid vacation or sick leave in advance of the date I would normally be entitled to it and I separate from ILTexas before accruing time to cover such advance leave, the value of such leave taken in advance that is not so covered;
11. The value of any time off for absences to which paid leave is not applied (non-exempt salaried employees will have all such unpaid leave deducted from their salary, while exempt salaried employees will experience salary reductions only in units of a full day or week at a time, depending upon the exact nature of the absence, unless partial-day deductions are specifically allowed under federal law);
12. If ILTexas pays any insurance premiums or retirement system contributions (“payments”) on my behalf that I would normally make under any applicable benefit plan offered by ILTexas during my employment, the amount of such payments made by ILTexas, such payments being an advance of future wages payable to me;
13. If I do not report for duty on the first or last day of school, the day before or after a holiday, or a state testing day, without prior approval from my Supervisor/Principal, I am subject to salary reduction for all days missed, to the extent allowed by law; and
14. Unauthorized use of ILTexas credit or debit card.
I agree that ILTexas may deduct money from my pay under the above circumstances, or if any of the above situations occur. I further understand that ILTexas has stated its intention to abide by all applicable federal and Texas wage and hour laws, and that if I believe that any such law has not been followed, I have the right to file a wage claim with appropriate Texas and federal agencies.

Wage Overpayment/Underpayment Policy

ILTexas takes all reasonable steps to ensure that employees receive the correct amount of pay in each paycheck, and that employees are paid promptly on the scheduled paydays.

In the unlikely event that there is an error in the amount of pay, the employee should promptly bring the discrepancy to the attention of the Supervisor, and/or Payroll Manager so that corrections can be made as quickly as possible. If the employee has been underpaid, ILTexas will pay the employee the difference as soon as possible. If the employee has been paid in excess of what he/she has earned, the employee will need to return the overpayment to ILTexas as soon as possible. No employee is entitled to retain any pay in excess of the amount he/she has earned according to the agreed-upon rate of pay. If a wage overpayment occurs, the overpayment will be regarded as an advance of future wages payable and will be deducted in whole or in part from the next available paycheck(s) until the overpaid amount has been fully repaid. Each employee will be expected to sign a wage deduction authorization agreement authorizing such a deduction.

I understand this policy and agree to its terms.

INTERNATIONAL LEADERSHIP OF TEXAS

EDUCATIONAL MISSION

The mission of the International Leadership of Texas is to prepare students for exceptional leadership roles in the international community by emphasizing servant leadership, mastering the English, Spanish and Chinese languages, and strengthening the body, mind and character.

Motto

“Others Before Self”

ILTexas Expectations

Be on time. Be Responsible. Be Respectful

WHY ILTEXAS?

CHINESE AND SPANISH

Texas is a strong economic force in the world. Our top three countries that we export to are Mexico, Canada, and China. China has become the second largest economy in the world. In order for Texas and the United States to remain on top, we intend to provide a unique educational opportunity that ensures our students speak English, Spanish and Chinese.

CHARACTER AND LEADERSHIP DEVELOPMENT

We intend to return leadership and citizenship into the culture and educational experience for every student who attends ILTexas. Every student will be given leadership roles to teach a concept of others before self. Students will exemplify traits such as timeliness, responsibility, and respect with expectations to be on time, to be responsible, and to be respectful. We believe these traits will empower them to overcome the challenges they will face in their lives and create a better and more productive society in which to live and work.

BUILDING INTERNATIONAL RELATIONSHIPS

ILTexas will develop close relationships with schools in China and the international community in order to facilitate the exchange of teachers and students and to promote global understanding. ILTexas will host Chinese students at the high school level to ensure our students not only learn the language but also the Chinese culture and most importantly build long-term professional relationships. It is our goal to team every three American students with one Chinese student to facilitate relationship building and expedited learning. By the time our students are seniors we also intend to provide travel opportunities for our students to visit and study in China. This intentional innovative approach is an incredible learning opportunity and is the greatest difference that ILTexas provides over other public, charter or private school educational opportunities.
ILTEXAS STUDENT PLEDGE

I pledge to be a servant leader and put others before myself. I will serve others, respect others and encourage others. When I graduate from ILTexas, I will be a healthy person with a strong mind and character who speaks at least three languages. I will change the world.

JURAMENTO DE ILTEXAS

Prometo ser un líder servicial pensando en otros antes que en mí mismo. Serviré, respetaré y motivaré a los demás. Cuando me gradúe de ILTexas, seré una persona de mente y carácter saludables, hablando por lo menos tres idiomas. Cambiaré el mundo.

ILTEXAS SHÌ YÁN - 誓言

我宣誓成为 一个 公仆 领袖， 先人 后己。

我将 服务他人， 尊重 他人， 鼓舞他人。

当我从ILTexas 毕业， 我将 成为 一个 体格 强壮，

ILTEXAS INSTRUCTIONAL CURRICULUM SUMMARY

The curriculum at ILTexas, as steered by our mission, prepares students for exceptional leadership roles in the international community by emphasizing servant leadership, mastering the English, Spanish and Mandarin Chinese languages, and strengthening the body, mind and character. Further, ILTexas has a college preparatory program whereby we not only provide our students with the instruction needed to be successful in college, but with the expectation that they will attend and be successful in college and beyond.

As part of our curriculum, we teach the TEKS (Texas Essential Knowledge and Skills) and ELPS (English Language Proficiency Standards) as curriculum standards. Moreover, we’ve adopted both vertically and horizontally aligned TEKS Resource System scope and sequence and supplemental resources. All state assessments are administered as required by the State of Texas.

At the elementary level, we are working towards a 45-45-10 model whereby our students will receive 10% of their instruction in Mandarin Chinese and, as via our 50/50 Dual Language Immersion (DLI) model, will receive 45% of their instruction in English and the other 45% in Spanish. At the secondary levels, our students receive both Mandarin Chinese and Spanish as part of their academic schedule. Our academic model is further enriched by our Physical Fitness program, whereby each student receives conditioning training by a Performance Coach. Through Physical Fitness Training, students also develop important character traits such as servant leadership and putting “others before self,” the ILTexas motto.

Program Overview:

There are different components to ILTexas’ uniform and unified educational program. As referenced above, the ILTexas curriculum incorporates the TEKS for each grade level and each subject area. The TEKS are listed below by Chapter, and a complete list of the TEKS is available online by chapter and by grade level at: https://tea.texas.gov/curriculum/teks/. Further, ILTexas uses a wide variety of state approved instructional materials to address the TEKS. Notably, ILTexas has seven core classes, which significantly differs from the traditional four core classes: (1) Math, (2) Science, (3) Reading Language Arts, (4) Social Studies, (5) Mandarin Chinese, (6) Spanish, (7) Physical Fitness, and (8) Leadership. For each semester students are enrolled at ILTexas they will need to take, in addition to electives, these seven core classes.

TEKS by Chapter:
1. Chapter 110. English Language Arts and Reading
2. Chapter 111. Mathematics
3. Chapter 112. Science
4. Chapter 113. Social Studies

Additionally, we incorporate the ELPS to address the linguistic instructional needs of our English Language Learners (ELLs). The ELPS can be found in their entirety at the following link: [http://ritter.tea.state.tx.us/rules/tac/chapter074/ch074a.html](http://ritter.tea.state.tx.us/rules/tac/chapter074/ch074a.html). Further, the ELPS will also be used to inform Spanish and Chinese language learning, thus the locally developed Spanish Language Proficiency Standards (SLPS) and Chinese Language Proficiency Standards (CLPS), all following the same research base and guided by the same fundamentals of language acquisition. Further, the instructional implications that surface from the ELPS also apply to SLPS and CLPS in all four language domains: listening, speaking, reading, and writing.

The scope and sequence used to teach the TEKS is a critical component of our curriculum model. Our scope and sequence is guided by TEKS RS. TEKS RS aligns the relationship between the TEKS, Student Expectations (SEs), and the State of Texas Assessments of Academic Readiness (STAAR) and End-of-Course (EOC) tests in Reading, Mathematics, Science, and Social Studies. TEKS RS scope and sequence is also aligned with Grades K-12 other college entrance exams, such as the SAT/ACT. TEKS RS addresses the components that are critical for effectively teaching and assessing the TEKS/SEs to the depth and complexity of the STAAR/EOC with both a horizontal and vertically aligned scope and sequence. Moreover, ILTexas works in close collaboration with the TEKS Resource System to provide teachers with a vertically aligned scope and sequence, Instructional Focus Documents, and end of unit assessments, crafted by state curriculum and assessment experts and consultants.

Further, the model of delivery to teach the TEKS is a college preparatory, data-driven, tri-lingual model working alongside the Physical Fitness model to reinforce athletic conditioning and our character education program. Each of these systems work in conjunction to strengthen the body, mind, and character.

**TRILINGUAL EDUCATION K–12**

Students attending ILTexas receive academic instruction in English, Spanish, and Mandarin Chinese. Students in Kindergarten through 5th grade will participate in a two-way, 50/50 dual language program (Spanish/English) as well as participate in Chinese language development classes through their specials classes (FLES). Students in 6th-8th will receive daily language development instruction in Spanish and Chinese as part of their academic instructional schedule (LOTE). In grades 9-12, students will participate in proficiency based Spanish and Chinese language courses for every semester that they are enrolled.

**K-5**

Two-Way Dual Language Immersion (DLI) - Spanish/English

Foreign Language in the Elementary School (FLES) - Mandarin Chinese

**6-12 – Languages Other Than English (LOTE)**

As elementary students move up through the dual language program, we are moving towards incorporating DLI at the secondary level (i.e., Art class in Chinese, Theatre in Spanish, etc.).

**DUAL LANGUAGE IMMERSION (DLI), ENGLISH/Spanish**

Both our native English-speaking students and ELLs reap the benefits of DLI: English speaking students receive an enriched education in the process of becoming tri-lingual, tri-literate, and multicultural and while ELs have the opportunity to form a strong academic foundation in their native
tongue while learning English, Mandarin Chinese, and receiving an equally enriched education. Both native English speakers and ELs are better prepared to compete in an increasingly growing global market and population. ILTexas’ model is 50/50 model, where the goal will be for students to receive ½ of their content area instruction in English and the other ½ in Spanish while incorporating the Mandarin Chinese through the FLES model and infused within the 50/50 model as much as possible (i.e., trilingual word walls and trilingual print-rich environment).

Additionally, our educational model K-12 is organized into seven components and taken from the research-based guidance found in The Guiding Principles for Dual Language Education, Second Edition. (2007). www.CAL.org. The seven strands include: Assessment and Accountability, Curriculum, Instruction, Staff Quality and Professional Development, Program Structure, Family and Community, and Support and Resources. Each strand or element is then composed of the different guiding principles that serve to guide our school wide educational model and address all non-negotiable aspects of the ILTexas model, from the use of sheltered instruction and Comprehensible Input (CI) to the importance of staff quality and professional development aligned with ILTexas and mission.

**DUAL CREDIT/COLLEGE PREP PROGRAM**

ILTexas prepares students for exceptional leadership roles in the international community. As stated in our mission, ILTexas partners with the College Board (for Pre-AP and AP curriculum supplements and instructional strategies, Professional Development, etc.) to assist us in addressing the TEKS with relevant college prep rigor and an emphasis on the Texas College and Career Readiness Standards.

**Dual Credit**

Dual Credit is a nationally recognized program that allows students to complete many “core curriculum” college classes and/or potentially earn an Associate’s Degree while still in high school. ILTexas partners with Dallas County Community College District (DCCCD), Houston Community College (HCC), Tarrant County College District (TCCD), Blinn College District and University of Texas at Arlington (UTA) to offer dual credit classes to students in the 10th, 11th and 12th grade.

Failing a dual credit class may cause the student to be ineligible for the dual credit program and/or the student may be asked to refrain from taking a dual credit class for one semester based on the recommendation of the campus Counselor.

Texas law requires Texas State Community Colleges and Universities to accept core curriculum classes completed with another Texas State Community College. Grades for dual credit classes are transcribed on both ILTexas and college transcripts. After graduation, college transcript must be sent to the student’s college or university of choice for a transcript evaluation. The intended college will then award credit per their policies.

Students and parents are responsible for any tuitions/fees that are associated with dual credit courses, including textbooks.

**LANGUAGE ASSESSMENT AND IMMERSION**

ILTexas will monitor our students’ progress towards mastery of the TEKS and towards mastery of English (for ELs), Spanish and Chinese. ILTexas teachers and administraots monitor students’ development of the Chinese and Spanish languages as shown in the table on the next page:
Every six-weeks’ grading period, student language levels are assessed to track the development of both the Chinese and Spanish languages. American Council on the Teaching of Foreign Languages (ACTFL) Language levels (12) are as follows: Distinguished, Superior, Advanced High, Advanced Mid, Advanced Low, Intermediate High, Intermediate Mid, Intermediate Low, and Novice High, Novice Mid, Novice Low, and 0.

The ACTFL standards are global characterizations of integrated performance in each of four language skills: Listening, Speaking, Writing, and Reading. The ACTFL Can Do statements can be found in their entirety at:

**ADMISSION TO INTERNATIONAL LEADERSHIP OF TEXAS**

SCHOOL ADMISSION

ILTexas is an open-enrollment charter school, which is a public school of choice. Admission and enrollment of students shall be open to persons who reside within the geographic boundaries stated in the school’s charter, and who are eligible for admission based on lawful criteria identified in the charter and state law.

The total number of students enrolled in ILTexas shall not exceed the number of students approved in the school’s charter or subsequent amendments. Total enrollment may further be limited by ILTexas based on occupancy limitations, code compliance, and staffing requirements, as deemed necessary.

In accordance with state law, ILTexas does not discriminate in its admissions policy on the basis of sex; national origin; ethnicity; religion; disability; academic, artistic, or athletic ability; or the district a student would otherwise attend.

Enrollment may not be denied to children who are not legally admitted into the United States.

Exception to Admission

As authorized by the ILTexas charter and Texas Education Code § 12.111(a)(5)(A), students with a documented history of a criminal offense, a juvenile court adjudication, or other school discipline problems under Texas Education Code Chapter 37, Subchapter A, may be excluded from admission and enrollment in ILTexas.

SUBMISSION OF APPLICATIONS AND ADMISSIONS LOTTERY

ILTexas requires applicants to submit a completed application form in order to be considered for admission. ILTexas has established an application period during which applications are accepted for
admissions (or to a lottery if the number of applications exceeds the number of seats available for a grade level). Any person who lives within the geographic boundaries of the charter and who satisfies all other criteria for admission set by the ILTexas policy and state law is eligible to apply. Parents must submit an online application form (a paper application will be provided upon request) and submit it prior to the application deadline in order to participate in the lottery. An admissions lottery will be conducted if the total number of applicants exceeds the number of open enrollment spots. Each applicant will be assigned a number, and all numbers will be randomly drawn during a scheduled lottery. Each applicant whose number is drawn will be offered admission, with notice provided by email and telephone. Failure of an applicant to respond to an admission’s offer within the time specified by ILTexas will result in the forfeiture of his or her position in the application process.

Once all enrollment spots have been filled by the lottery, the remaining numbers will be drawn and the applicants assigned to these numbers will be placed on a waiting list in the order in which they were drawn. When a vacancy arises, the individual next on the waiting list with the lowest number assignment will be offered admission and then removed from the waiting list.

If an application is received after the application period has passed, the applicant’s name will be added to the waiting list in the order of the date and time in which the application is received.

**Exceptions**

Federal guidelines permit ILTexas to exempt from the lottery students who are already attending the school; siblings of students already admitted to or attending ILTexas; and children of ILTexas’ founders, teachers and staff, so long as the number of these students constitutes only a small percentage of the school’s enrollment.

Students already attending ILTexas will be exempt from the lottery as long as an intent to return form is completed during the enrollment period prior to the intent to return deadline. In order to retain this exemption, a student must remain enrolled. For the purpose of the sibling exemption, siblings are defined as a person who shares a common parent through birth, marriage, or adoption.

**MCKINNEY VENTO HOMELESS EDUCATION ASSISTANCE ACT OF 2001**

Homeless children and youth are ensured specific educational rights and protections. A listing of these specific rights may be obtained from ILTexas by contacting Jeff Powers, 1820 N. Glenville Dr., Suite 100, Richardson, TX 72081. 972-479-9078.

“Homeless children and youth” as defined and covered by the McKinney-Vento Homeless Education Assistance Act of 2001 means children and youth who:

- Lack a fixed, regular, and adequate nighttime residence;
- Are sharing the housing of other persons due to loss of housing, economic hardship, or a similar reason;
- Are living in motels, hotels, trailer parks, or camping grounds due to the lack of alternative accommodations;
- Are living in emergency or transitional shelters;
- Are abandoned in hospitals or are awaiting foster care placement;
- Have a primary nighttime residence that is a public or private place not designed as a regular sleeping accommodation for human beings; or
- Are living in cars, parks, public spaces, abandoned buildings, substandard housing, bus or train stations.
Parents of students in homeless situations can keep their students in their schools of origin (the school that the child or youth attended when permanently housed or the school in which the child or youth was last enrolled even if the student is now residing outside the school attendance area or school area) or enroll them in any public school that students living in the same attendance area are eligible to attend.

**PREGNANCY RELATED SERVICES**

Pregnancy Related Services are support services, including Compensatory Education Home Instruction (CEHI), that a pregnant student receives during the pregnancy, prenatal and postpartum periods. Any pregnant and/or parenting student that is enrolled in ILTexas is eligible for PRS services. We support a comprehensive approach to supporting students by offering a coordination of services and monitoring grades and attendance regularly to ensure academic success.

When a student is first reported to be, or is first known to be pregnant by a teacher, counselor, or any school official, a referral is to be made immediately to the student's school nurse. The Nurse/Counselor visits with the student concerning her pregnancy and determines if it has been verified by a doctor or other qualified medical professional. The Nurse/Counselor then initiates PRS services by completing a PRS intake form. That form is submitted to PEIMS and Student Services officials, as well as the student's campus At-Risk Coordinator. PRS services to the student generally begin as of the date the PRS form is completed.

When ILTexas agrees to provide PRS services, it must provide CEHI. CEHI is home instruction in which school assignments for the student are collected from the student's regular classroom teachers and are taken to the student at home by a certified teacher. That teacher works with the student at home for at least four hours a week, and then returns the student’s work to her regular teacher for grading. Prenatal CEHI services are provided when the student’s doctor determines she cannot continue to come to school due to a serious medical complication to the pregnancy. Prenatal CEHI services continue until the doctor determines she can return to school or until the pregnancy ends. Postnatal CEHI services begin the day after delivery and can continue for a maximum of 10 weeks post-delivery if there are serious medical complications relative to the delivery that involves the student or her infant. Postnatal CEHI is generally provided for a period of two to three weeks if the student has a normal delivery, and up to six weeks if the delivery is by C-section. A student with no post-delivery complications returns to her campus within approximately two weeks. PRS services end when postnatal CEHI ends, when the pregnancy ends due to circumstances other than delivery or when the student ends their enrollment in ILTexas during her pregnancy. Additional information regarding ILTexas’ Pregnancy Related Services may be obtained from Angela Marcellus, Director of Student Services, at 972-479-9078.

**TRANSFER POLICY**

ILTexas allows transfers among our schools under the same charter for currently enrolled students. The intent of a transfer is to accommodate families who have moved and have a documented change of residency or have a change in job site location during the school year. The student’s parent must complete a student transfer request form. Decisions on transfers will be made by the office of the Registrar. Transfers are dependent on available spaces for the respective grade level.

Enrolled families who do not meet the criteria above will have the ability to request a transfer to another ILTexas school for the upcoming school year during the Intent to Return period. During the Intent to Return period families may select an alternate returning campus. Decisions on transfers for
the upcoming school year will be made by the office of the Registrar. If there are more requests than
available spaces in a respective grade, we will proceed with the earliest application to determine
which transfers will be approved, and the remainder will be placed on the waitlist. If you have
questions about the transfer process, please contact the DFW Registrar’s office at 972-479-9078 or
Houston Area Registrar’s office at 713-955-7844.

STUDENT INFORMATION

Any student admitted to ILTexas must have records such as report card and/or transcript from the
previous school attended to verify his or her academic standing. Verification of residency and current
immunization records are also required. Every student enrolling in ILTexas for the first time must
present documentation of immunizations as required by the Texas Department of State Health
Services.

No later than 30 days after enrolling in ILTexas, the parent and school district in which the student
was previously enrolled shall furnish records that verify the identity of the student. These records
may include the student’s birth certificate or a copy of the student’s school records from the most
recently attended school. Students will not be denied enrollment because they fail to meet this
requirement.

ILTexas will forward a student’s records on request to a school in which a student seeks or intends to
enroll without the necessity of the parents’ consent.

Establishing Identification

Any of the following documents are acceptable for proof of identification and age: birth certificate;
driver’s license; passport; school ID card; records, or report card; military ID; hospital birth records;
adoptive records; church baptismal record; or any other legal document that establishes identity.

Food Allergy Information

The parent of each student enrolled in ILTexas must complete a form provided by the school that
discloses whether the child has a food allergy or a severe food allergy that should be disclosed to the
school to enable ILTexas to take any necessary precautions regarding the child’s safety and (2)
specifies the food(s) to which the child is allergic and the nature of the allergic reaction.

For purposes of this requirement, the term “severe food allergy” means a dangerous or life-threatening
reaction of the human body to a food-borne allergen introduced by inhalation, ingestion, or skin
contact that requires immediate medical attention.

ILTexas may also require information from a child’s physician if the child has food allergies.

Food allergy information forms will be maintained in a student’s records and shall remain
confidential. Information provided on food allergy information forms may be disclosed to teachers,
school counselors, school nurses, and other appropriate school personnel only to the extent consistent
with Board policy and as permissible under the Family Educational Rights and Privacy Act of 1974
(“FERPA”).

Residency Verification

The Texas Education Code authorizes schools to obtain evidence that a person is eligible to attend
public schools. To be eligible for continued enrollment in ILTexas, each student’s parent must show
proof of residency at the time of enrollment. Residency may be verified through observation,
documentation, and other means, including, but not limited to:
A recently paid rent receipt,
A current lease agreement,
The most recent tax receipt indicating home ownership,
A current utility bill indicating the address and name of the residence occupants,
A current car insurance copy indicating the address and name of the residence occupants,
Mailing addresses of the residence occupants,
Visual inspection of the residence
Interviews with persons with relevant information, or
Building permits issued to a parent on or before September 1st of the school year in which admission is sought (permits will serve as evidence of residency for the school year in which admission is sought only).

Falsification of residence on an enrollment form is a criminal offense.

WITHDRAWAL PROCEDURE

Voluntary Withdrawal
A student under 18 years of age may be withdrawn from school only by a parent. Parents of students withdrawing from ILTexas are requested to meet with the Campus Principal or Designee before proceeding with the withdrawal process. A Withdrawal Form and a Transcript Request Form may be obtained from the office of the registrar. The parent shall also provide the name of the new school in which the student will be enrolled, and must sign the withdrawal request to document that the student will continue to be enrolled in a school as required by compulsory attendance laws. Transcripts or student records will be provided within ten (10) business days of the following:

- Counselor’s receipt of the Transcript Request Form / Student records
- Payment of any unpaid fees: and
- Returning school property, including but not limited to campus technology, books and uniforms associated with band, athletics, etc.

A student who is 18 years of age or older, who is married, or who has been declared by a court to be an emancipated minor, may withdraw without parental signature.

Involuntary Withdrawal
ILTexas may initiate the withdrawal of a student under the age of 19 for non-attendance if:

17. The student has been absent ten consecutive school days; and
18. Repeated efforts by ILTexas to locate the student have been unsuccessful.

Additionally, ILTexas may revoke the enrollment of a student 19 years of age or older who has more than five unexcused absences in one semester.

A student who withdraws for any reason during the school year may re-enroll only if there are open seats available. If no seats are available, the student will be placed in the lottery process and/or added to the waiting list. See also the Student Code of Conduct for additional requirements if a student withdraws prior to a pending disciplinary action including expulsion.

Additional Information on Admission Process may be obtained from the campus Principal’s Office. Information will also be posted on the School and ILTexas website.
ATTENDANCE

STUDENT ATTENDANCE/ABSENCES

Student absences may result in serious disruption of a student’s mastery of instructional materials and therefore, the student should avoid unnecessary absences. If the parent/guardian or student has questions about attendance they should contact the school attendance office for information. Students are expected to be in school except in cases of emergency, illness, or school-approved absences.

Students should make every effort to be present daily. If an absence is unavoidable, a parent/guardian should call or email the campus main office before 9:25 a.m. for students in grades K-8 or before 9:30 for students in grades 9-12 on the date of the absence with the reason for the student's absence. All absences will be verified by the school attendance office starting at 8:30 and if the school has not been notified by 9:25 a.m. (K-8) or 9:30 a.m. (9-12), the student absence will be recorded as “unexcused.” It is important that the parent calls in and that the parent speaks directly to the person in charge of attendance. A message may be left on the school’s voice mail service; however, it is the parent’s responsibility to make sure the message was received. When a parent/guardian knows in advance about a future absence, prior written permission for the absence to be considered excused should be received in advance. When the student returns to school, he/she should provide the office with a note signed by a parent/guardian explaining the reason for the absence. Since absences may determine grading and course credit, all documentation regarding absences will be retained in the student’s cumulative file for a period of 5 years.

COMPULSORY ATTENDANCE

The state compulsory attendance law requires that a student between the ages of six and 19 must attend school and school-required tutorial sessions unless the student is otherwise legally exempted or excused. ILTexas staff must investigate and report violations of the state compulsory attendance law. A student absent from school without permission from any class, from required special programs, or from required tutorials will be considered “truant” and subject to disciplinary action.

A student who voluntarily attends or enrolls after his or her 19th birthday is required to attend each school day. If a student 19 years of age or older has more than five unexcused absences in a semester, ILTexas may revoke the student’s enrollment, except that the school may not revoke the enrollment on a day on which the student is physically present at school. The student’s presence on school property thereafter would be unauthorized and may be considered trespassing. Prior to revoking the student’s enrollment, ILTexas shall issue a warning letter to the student after the third unexcused absence stating that the student’s enrollment may be revoked for the remainder of the school year if the student has more than five unexcused absences in a semester. As an alternative to revoking enrollment, ILTexas may impose a behavior improvement plan.

Notice to Parents:

- Under Texas Education Code § 25.095(a), you are hereby notified that if a student is absent from school on ten or more days or parts of days within a six-month period in the same school year, the student’s parent is subject to prosecution under Texas.
- Education Code § 25.093; and the student is subject to referral to a truancy court for truant conduct under Texas Family Code § 65.003(a).
- ILTexas shall notify a student’s parent if the student has been absent from school without excuse, on three days or parts of days within a four-week period. The notice will inform the parent that it is the
parent’s duty to monitor the student’s school attendance and require the student to attend school; the student is subject to truancy prevention measures under Texas Education Code § 25.0915; and that a conference between school officials and the parent is needed to discuss the absences.

**Personal Illness**

When a student’s absence for personal illness exceeds three consecutive days, the student will be required to present a statement from a physician or health clinic verifying the illness or other condition causing the student’s extended absence from school. If the student has established a questionable pattern of absences, the Campus Principal may require a physician or clinic’s statement of illness after a single day’s absence. This procedure will be used as a condition for classifying the absence as excused or as one for which extenuating circumstances exist. Failure to provide the required statement may result in the student and/or parent being charged with violating the compulsory attendance laws as well as the possibility of a loss of credit.

**Excused Absences**

State law allows exemptions to the compulsory attendance requirements for several types of absences if the student makes up all work. These include the following activities and events:

19. Religious holy days;
20. Required court appearances;
21. Activities related to obtaining United States citizenship;
22. Service as an election clerk;
23. Documented health-care appointments for the student or a child of the student, including absences for recognized services for students diagnosed with autism spectrum disorders. A note from the health-care provider must be submitted upon the student’s arrival or return to campus;
24. For students in the conservatorship (custody) of the state;
25. Mental health or therapy appointments; and
26. Court-ordered family visitations or any other court-ordered activity, provided it is not practicable to schedule the student’s participation in activities outside of school hours.

A junior or senior student may also be absent for up to two days per school year for purposes of visiting a college or university, provided the student receives approval from the counselor or Principal, follows ILTexas’ procedures to verify such a visit, and makes up any work.

Absences of up to two days in a school year will also be considered an exemption for a student serving as an early voting clerk, provided the student notifies his or her teachers and receives approval from the Principal prior to the absence.

Absences of up to five days will be excused for a student to visit with a parent, stepparent, or legal guardian who has been called to duty for, is on leave from, or immediately returned from certain deployments.

Additionally, ILTexas may excuse up to four days of school for a high school student who is 17 years of age or older to pursue enlistment in a branch of the armed services of the United States or the Texas National Guard, provided that ILTexas verifies the student’s activities relating to pursuing enlistment.

For religious holy days, required court appearances, activities related to obtaining citizenship, and serving as an election clerk, one day of travel to the site and one day of travel from the site shall also be excused by ILTexas.

Upon the student’s return to school from being absent, he/she must go to the attendance clerk with a note from parent prior to entering the classroom. Students are to make contact with the teacher to
make up work missed due to excused absences. Regardless of the reason, absences will be marked “unexcused” if the parent does not contact the school in writing. A note (email or written confirmation) from the parent / guardian must be provided the day of the student’s return. If a note is not provided within three working calendar days of the student’s return, the absence will be marked “unexcused” resulting in possible academic penalties. (Example: If a student is absent on Monday and returns to school on Tuesday, then Tuesday would be considered day one; Wednesday, day two; and Thursday, day three). If the student does not have a note submitted to the Attendance Office by the end of the school day on Thursday, the student’s absence(s) will be marked as “unexcused.”

Unexcused Absences
Absences not excused by law or school procedure and absences that are not a result of approved extracurricular activities shall be designated as unexcused, even if the student has parental permission to be absent.

Perfect Attendance
Perfect Attendance is hereby defined as follows:

27. In elementary grades, K-5, a student must be present every day during ADA in order to have “Perfect Attendance.”

28. In secondary grades, 6-12, a student must be present every day, in every class, in order to have “Perfect Attendance.”

CLOSED CAMPUSES
A student may not leave campus after arriving at school unless the student is safely picked up by a parent or designee with parental permission documented with the attendance clerk. A student who leaves campus without permission will receive disciplinary action.

LATE START / EARLY DISMISSAL FOR GRADES 9–12
Students who have a scheduled Late Start/Early Dismissal must show a school ID or driver’s license to the attendance clerk in order to be released from school. Please refer to the section regarding Late Start/Early Dismissal in the Academic Programs section for further eligibility requirements.

DAILY ATTENDANCE TAKING
Grades K-5 attendance is taken at 9:30 a.m. In grades 6-12 attendance is taken each class period and is recorded for state attendance purposes at exactly 9:30 a.m. for grades 6-8 and at 9:40 a.m. for 9-12. In grades 6-8, an absence is defined as missing the first five minutes of class. Missing the first 10 minutes of class is defined as an absence for students in grades 9-12.

Student attendance will also need to be recorded when high school students are enrolled in the dual credit program with our partnering community college. Students are expected to report to their ILTexas campus before leaving to the community college. Attendance will be recorded at the high school campus. If a morning absence at the campus is unavoidable, the student must bring a completed Attendance Verification Form signed by the community college professor to obtain attendance credit for the periods in question.

The “10-minute Rule” will apply to all high school students (Grades 9th-12th). A student that is more than 10 minutes late to class will be counted absent. The “5-minute Rule” will apply to all students in Grades 6-8. A student that is more than 5 minutes late to class will be counted absent.
For students in grades K-5 who demonstrate habitual tardies and/or absences (as determined by campus leadership), the following is required:

29. The parent/guardian will be counseled by school administration (and/or school counselor) as to the importance of student attendance and punctuality.

30. A plan will be developed by the campus that appropriately addresses the student’s attendance. This plan should include school administration, counselor, teacher(s), parent and student.

Attendance requirements will remain consistent with all classes (including high school Leadership and K-8 Enrichment). In the event that a student loses credit due to the 90% rule, the grade earned for that class will not be applied to the student's GPA until the credit is restored (as determined by campus leadership).

**DRIVER’S LICENSE ATTENDANCE VERIFICATION**

The Texas Department of Public Safety (DPS) is required to verify the attendance records of a student between the ages of 16 and 18 that is seeking to obtain or renew a driver’s license. In order for DPS to access this information or, in certain circumstances, for a school administrator to provide the attendance information to DPS, written parental permission must be obtained. Students may obtain the required Verification of Enrollment (VOE) form from the school office.

**EARLY RELEASE/STUDENT SIGN-OUT**

A signed note from a parent should be submitted to the attendance clerk before 10:00 a.m. on the day the student is to be dismissed early. A verifiable telephone number must be written on the note. If the appointment is made after the student arrives on campus, a parent must call or email the attendance clerk. If a parent shows up unannounced, it will take additional time to excuse the student from class. If no dismissal slip is issued, departure from school is unexcused.

Parents will sign the student out with the attendance clerk. If the parent is unable to sign the student out, it must be stated in the note, which should include an explanation of the student’s means of transportation. If the student returns to campus on the same day, he/she must sign in with the attendance clerk. When leaving for a doctor’s appointment, student drivers will be permitted to sign themselves out if they have already submitted a parent authorization note. Students will not be called to the main office until parent arrives.

**STUDENT AGE 18 AND OVER**

A student who is age 18 or older and living independently of his/her parent is permitted to verify his or her own absences and sign out. Parent and student must have a signed release on file with the attendance clerk.

**ATTENDANCE FOR CREDIT OR FINAL GRADE**

To receive credit or a final grade in a class, a student must attend at least 90% of the days the class is offered. These days include both excused and unexcused absences. Attendance is recorded each grading period and reported as part of the report card.

A student who attends at least 75% but fewer than 90% of the days the class is offered may receive credit or a final grade for the class if he or she completes a plan approved by the Principal that allows the student to fulfill the instructional requirements for the class. A student under the jurisdiction of a court in a criminal or juvenile justice proceeding may not receive credit or a final grade without approval from the judge presiding over the student’s case.
A student who attends less than 75% of the days the class is offered or has not completed the plan approved by the Principal will be referred to the Attendance Review Committee to determine whether the absences were due to extenuating circumstances and how the student may regain credit or earn a final grade. The Attendance Review Committee will consider the following factors when determining whether there are extenuating circumstances for the absence:

1. All absences, whether excused or unexcused, must be considered, with consideration given to special circumstances as defined by the Texas Education Code.
2. For a student transferring into ILTexas after school begins, including a migrant student, only those absences after enrollment will be considered.
3. In reaching consensus about a student’s absences, the committee will attempt to ensure that its decision is in the best interest of the student.
4. The committee will consider whether the absences were for reasons over which the student or parent could exercise control.
5. The committee will consider the acceptability and authenticity of documentation expressing reasons for the student’s absences.
6. The committee will consider the extent to which the student has completed all assignments, mastered the essential knowledge and skills, and maintained passing grades in the course or subject.
7. The student, parent or other representative will be given an opportunity to present any information to the committee about the absences and to discuss ways to earn or regain credit.

If credit is lost because of excessive absences, the Attendance Review Committee will decide how the student may regain credit or earn a final grade. If the committee determines there are no extenuating circumstances and that credit or a final grade may not be earned, the student or parent may appeal the committee’s decision to the Board of Directors by filing a written request with the Superintendent. The appeal notice must be postmarked to the following address within 30 days following the last day of instruction in the semester for which credit was denied:

International Leadership of Texas
Attn: Superintendent, Notice of Appeal, Class Credit
1820 N. Glenville Dr., Ste., 100
Richardson, TX 75081

The appeal will then be placed on the agenda of the next regularly scheduled Board meeting. The Superintendent or designee shall inform the student or parent of the date, time, and place of the meeting.

TARDIES

ILTexas expects punctuality and dependability and maintains a strict policy regarding tardiness. Students arriving to school late cannot enter classes without a tardy slip from the Main Office. Every effort should be made to schedule medical/dental appointments at times other than during school hours, especially not the mornings. Nonetheless, tardiness will be excused for scheduled doctor, dentist, or orthodontist appointments, illnesses, and emergencies upon returning to school with a note from the doctor or a parent to the Attendance Office. Tardiness will not be excused for reasons of tiredness, traffic, or errands.

ARRIVAL AND DISMISSAL PROCEDURES (DRIVELINE)

ILTexas students are expected to come directly to school and to go home by the safest possible route. On their way to and from school students are to conduct themselves as Ambassadors by being courteous and respectful to everyone and obey all school and traffic rules. Safe and orderly arrival
and dismissal helps our students begin and end their days in a calm manner. Please help your child be ready to learn by making sure he or she arrives at school on time and knows the schedule. Additionally, please follow campus drop off and pick up procedures as delineated by each campus. For safety reasons, only drop off students at approved/designated areas.

Students who are tardy must enter through the main entrance and report to the office to sign in so that their attendance record can be corrected.

If students arrive or leave school by walking, they should walk with other students, cross the street at the pedestrian crosswalks, and go directly to and from school. Please adhere to all traffic and pedestrian laws. The safety of our students is of utmost concern to us.

It is a violation of state law as well as dangerous for the safety of our students to use hand-held cell phones when driving on school property and in school zones. Cell phones must be hands-free and should never be a distraction. No cell phone use during drop-off and pick-up times unless parked in a marked space.

At dismissal time students are to go directly home, to their designated transportation area (Drive Line zone), or wait in the designated area to be picked up. At the K-8 levels, students should not go to another student’s home without making arrangements prior to coming to school. If you need for your child to go home with someone else, a written (or emailed) note to the school is required. Running around and disruptive play is not acceptable. After school care can be arranged through the campus After School Care provider for ages 5-12.

Parents wishing to pick their child up before school dismissal must do so by following school attendance policies. It is our hope that dentist and doctor appointments can be made after school hours or on Saturdays, if possible. If this is not possible and your child has an appointment and must be released from school early you need to send a note indicating the time you will pick him/her up. Students will not be called to the main office until you arrive.

**SCHOOL HOURS**

ILTexas students attend school for a period of at least 8 hours each day. Each campus will post information regarding school hours on the campus website located at ILTexas.org.

**STUDENT DRIVERS**

Driving and parking on school grounds are a privilege. This privilege may be revoked if proper guidelines are not followed. In order to qualify for parking at ILTexas, student drivers must complete the Student Driver Application, pay the requisite fee of $20 per semester or $30 for the year (paid by September 1), and properly display the school’s parking decal on their vehicle. The application requires students to submit a photocopy of their current driver’s license and proof of insurance. Both documents must be current and on file before parking privileges are extended.

Student drivers must:

- Park only in the areas designated as student parking;
- Drive safely at all times, using extreme caution for other students and pedestrians;
- Obey all traffic instructions from teachers and school personnel; and
- Obey all posted traffic signs and markings.

Painting of parking spaces is at the discretion of the Campus Principal.
ASSESSMENTS, STAAR, AND ACADEMIC SUPPORT

ASSESSMENT

We believe that assessment plays a critical role in driving the quality curriculum necessary to empower students to reach their potential. Assessment tells us where students are in their learning, and provides students with guidance towards higher levels of achievement. Assessment is central to the ILTexas effort to achieve its mission.

END OF CYCLE ASSESSMENTS (ECA)

An End of Cycle Assessment is used at the conclusion of each grading period to assess learning and understanding of the curriculum. An ECA is standardized across ILTexas. Semester Exams/Final Exams at the High School level courses are designed to measure student understanding of required learning objectives taught over the course of the semester/year. The results of these assessments determines a student’s overall understanding or mastery of the assessed subject.

REQUEST FOR FINAL EXAM DATE CHANGE

Final, Semester, or ECA Exam dates are established by headquarters. Only in the most extreme circumstances (e.g. death in the immediate family), will approval be given for a request to change the administration of final or semester exam.

EARLY READING INDICATOR

ILTexas will use a research-based, state approved tool to detect early reading difficulties or risk of reading difficulties at an early level and to provide a summary of reading skills and comprehension which teachers can use in planning individual and/or group instruction.

STATE OF TEXAS ASSESSMENTS OF ACADEMIC READINESS (STAAR) TESTING AND REMEDIATION

ILTexas is committed to student success on the State of Texas Assessments of Academic Readiness (STAAR) and takes seriously its obligation to provide students the support and assistance they need to succeed. All students at STAAR-tested grade levels (3–12) will be regularly assessed to ensure they are making appropriate progress through the required state curriculum. Students who are not making satisfactory progress will receive remedial help. Students who have failed a STAAR test in SSI years will be required to attend academic support classes / tutorials (accelerated instruction) when the school offers them in the areas in which the standard was not met. In some cases, this may be an on-going, regularly scheduled class. In others, it may be an intense scheduled tutorial period for any time frame prior to the STAAR testing scheduled for March-May.

The State of Texas Assessments of Academic Readiness (STAAR) and its related End-of-Course (EOC) assessments for high school grades will consist of the following examinations:

Elementary and Middle School Grade 3: Reading & Math
  Grade 4: Reading, Math, & Writing
  Grade 5: Reading (SSI), Math (SSI), & Science
  Grade 6: Reading & Math
  Grade 7: Reading, Math & Writing
  Grade 8: Reading (SSI), Math (SSI), Science, & Social Studies
Performance on STAAR Exams

High School End of Course English I and II       Algebra I       Biology
US History

Successful performance on the reading and math assessments in grades 5 and 8 is required by law, unless the student is enrolled in a reading or math course for students above the student’s current grade level, in order for the student to be promoted to the next grade level.

Additionally, STAAR Spanish is available for eligible students for whom a Spanish version of STAAR is the most appropriate measure of academic performance.

Performance on EOC Assessments

High School students are required, with limited exceptions, to perform satisfactorily on the High School End of Course assessments listed above. A student who has not achieved sufficient scores on the EOC assessments to graduate will have opportunities to retake the assessments. State law and state rules also provide for certain scores on norm-referenced national standardized assessments to substitute for the requirement to meet satisfactory performance on an applicable EOC assessment should a student choose this option.

If a student fails to perform satisfactorily on an EOC assessment, ILTexas will provide remediation in the content area for which the performance standard was not met. This may require student participation before or after normal school hours, or at times of the year outside of normal school operations. Satisfactory performance on the applicable assessments will be required for graduation, except in circumstances where a student may be eligible to graduate in accordance with a plan approved by an Individual Graduation Committee.

STAAR Alternate 2 is available for students who have significant cognitive disabilities and are receiving special education services, as determined by the student’s ARD committee. These particular assessments may have different testing windows than the general assessments, and the ARD committee will determine whether successful performance on the assessments will be required for graduation.

MIDDLE SCHOOL ALGEBRA I & ENGLISH I PARENT/STUDENT OPTIONS (IF SUCCESS IS NOT MET)

- **Algebra I**
  - A. If a student passes 8th grade Algebra I class but fails the Algebra I EOC then the parent(s) and student have two options: The student retakes EOC in June. If the student passes, they receive HS credit for Algebra I. If the student fails the June administration of the EOC then it is expected that the student repeat Algebra I in 9th grade.
  - B. The student retakes Algebra I the following year as a freshman and then retakes the EOC at the end of Algebra I.

- **English I**

If a student passes 8th grade English I but fails the English I EOC then the parent(s) and student have two options:

31. The student retakes EOC in June. If the student passes, they receive HS credit for English I. If the student fails, the June administration of the EOC then it is expected that the student repeat English I in 9th grade.
32. The student retakes English I the following year as a freshman and then retakes the EOC at the end of English I.
TEXAS ENGLISH LANGUAGE PROFICIENCY ASSESSMENT SYSTEM (TELPAS)

ILTexas will utilize the TELPAS to assess the English language proficiency of K-12 English Language Learners (ELs). English language proficiency assessments in grades K-12 are federally required to evaluate the progress made by ELs in becoming proficient in the use of academic English. ELs will be assessed in four language domains - listening, speaking, reading, and writing.

SPECIAL PROGRAMS

Bilingual/ESL Services

ILTexas offers Bilingual/English as a Second Language (ESL) services (Two-way DLI) for English language learners who are identified as English Learners (EL’s). The program is designed to assist students identified as having Limited English Proficiency with development in language – listening, speaking, reading, and writing. The goal of this program is to provide additional English language assistance to students, enabling them to become academically successful in all classes. Students are assessed with state-approved Oral Language Proficiency and Norm-Referenced Test to qualify for placement in the program. If the test results indicate either limited oral or limited cognitive academic English ability, the student (with parent approval) is provided additional English language support.

Special Education Services

ILTexas has the responsibility of identifying, locating, and evaluating individuals with disabilities who are 5 to 21 years of age and who fall within the school’s jurisdiction. If you know or suspect that your student has a disability, please contact the school’s Special Education Coordinator, Shannon Urbina, 972-479-9078, surbina@ILTexas.org for information about available programs, assessments, and services.

Special education services are specifically designed to meet the unique needs of students with disabilities. Each student who receives special education services has an Individual Education Plan (IEP), which is developed by the student’s Admission, Review, and Dismissal (ARD) Committee. The ARD Committee considers the student’s disability and determines appropriate accommodations, supplementary aids, and/or services that are necessary for the student to participate in the general curriculum.

All special education services are provided in the least restrictive environment, which may be special education settings, general education settings, or a combination of both. All students receiving special education services are educated to the maximum extent appropriate with their non-disabled peers as well as participating in all school activities on the same basis as students who are not disabled.

The Notice of Procedural Safeguards – Rights of Parents of Students with Disabilities, can be obtained from the Special Education Coordinator, Shannon Urbina, 972-479-9078, surbina@ILTexas.org or at the Texas Education Agency Special Education Website:

http://tea.texas.gov/Academics/Special_Student_Populations/Special_Education/Special_Education_Precedural_Safeguards/

Providing Assistance to Students who have Learning Difficulties or who Need Special Education Services

If a student is experiencing learning difficulties, the parent may contact the campus Counselor to learn about ILTexas’ overall general education referral or screening system for support services. This system links students to a variety of support options, including referral for a special education evaluation. Students having difficulty in the regular classroom should be considered for tutorial, compensatory, and other academic or behavior support services that are available to all students,
including a process based on Response to Intervention (RtI). The implementation of RtI has the potential to have a positive impact on the school’s ability to meet the needs of all struggling students. ILTexas shall provide an annual notice to the parent of each child in general education to whom the school provides assistance for learning difficulties, including intervention strategies. The notice must be provided when the child begins to receive the assistance for that school year, in English or in the parent’s native language, to the extent practicable, and must include:

- A reasonable description of the assistance that may be provided to the child;
- Information collected regarding any Tier 1 intervention if a multi-tiered system of supports was previously used with the student;
- An estimate of how long the assistance will be provided;
- The estimated time frame within which the school will provide the parent with a report on the child’s progress with the assistance; and
- A statement that the parents have the right to request an evaluation of the student’s need for special education services under the Individuals with Disabilities Education Act or Section 504 of the Rehabilitation Act of 1973 (29 U.S.C. Section 794).

At any time, a parent is entitled to request an evaluation for special education services by presenting a written request to the Special Education Coordinator, Shannon Urbina, 972-479-9078, surbina@ILTexas.org or an administrative employee. ILTexas must, within 15 school days of receiving the request, either (1) give the parent an opportunity to give written consent for the evaluation or (2) refuse to provide the evaluation and provide the parent with written notice that explains why the child will not be evaluated. This written notice will include a statement that informs the parents of their rights if they disagree with the school. Additionally, the parent will receive a copy of the Notice of Procedural Safeguards – Rights of Parents of Students with Disabilities.

If consent for evaluation is obtained, ILTexas must generally complete the evaluation and report within 45 school days of the date the school receives the written consent. ILTexas must give a copy of the evaluation report to the parent.

**Section 504 Services**

ILTexas provides a free appropriate public education to each qualified student with a disability, regardless of the nature or severity of the student’s disability. A “student with a disability” is one who has a physical or mental impairment that substantially limits one or more of the student’s major life activities, has a record of having such impairment, or is regarded as having such impairment. A student with a disability is “qualified” if he or she is between the ages of 3 and 21, inclusive.

An appropriate education is the provision of regular or special education and related services that are (1) designed to meet the student’s individual educational needs as adequately as the needs of students who do not have disabilities are met; and (2) based on adherence to procedures that satisfy federal requirements for educational setting, evaluation and placement, and procedural safeguards.

Qualified students with disabilities will be placed in the regular educational environment, unless ILTexas demonstrates that education in the regular environment with the use of supplemental aids and services cannot be achieved satisfactorily. Should an alternate educational environment be necessary, the school will comply with all legal requirements regarding least restrictive environment and comparable facilities for students with disabilities. In providing or arranging for nonacademic and extracurricular services and activities, the school will ensure that a qualified student with a disability participates with students who do not have disabilities to the maximum extent appropriate.
To be eligible for services and protections against discrimination on the basis of disability under Section 504 of the Rehabilitation Act, a student must be determined, as a result of an evaluation, to have a “physical or mental impairment” that substantially limits one or more major life activities. If a student has or is suspected of having a disability, or requires special services, parents or teachers should contact the Special Education Coordinator for information concerning available programs, assessments, and services.

**Services for Title I Participants**

Information regarding ILTexas’ Title I program may be obtained from Krystal Lovato, Director of Federal Programs.

**FIELD TRIPS AND ACTIVITIES BEYOND THE CLASSROOM**

Scheduled field trips are an important part of the school curriculum. Parents will be notified (campus website, email, School Messenger) when field trips are planned. Permission/Release forms must be signed by the parent and presented to the field trip organizer before a student is permitted to participate in a field trip activity. All students are expected to be in full uniform unless special permission has been obtained from the campus principal.

**END OF YEAR EDUCATIONAL TRIPS**

Throughout the year, students work in their academic classes to earn trips that help make connections between their in-class learning and the world beyond. In order to attend, students must meet academic and behavioral expectations of the school, participate in Grade Level Trip Fundraising Activities, and pay for their portion of the trip as allowed by law. Information will be distributed by campuses and/or headquarters and can be subject to change.

**FUNDRAISING**

Students and/or parents/guardians will have opportunities to participate in Principal-approved fundraising activities. Fundraising for personal (non-ILTexas) reasons will not be allowed.

**TRANSPORTATION**

ILTexas does not provide regular transportation to and from school, unless required by a student’s Individualized Education Plan (“IEP”) for a student with disabilities.

ILTexas may arrange and coordinate transportation for off-site events for participants. Students must get written permission in advance and assume all liability if they do not use school transportation, if it is provided. If ILTexas provides transportation, students are expected to follow the directions of the teacher/sponsor and driver at all times. The Student Code of Conduct and all school rules apply when attending a school-sponsored and/or sanctioned event.

If a student with a disability is receiving school transportation as a result of an IEP, the Admission Review and Dismissal (“ARD”) Committee will have the discretion in determining appropriate disciplinary consequences related to inappropriate behavior in a school vehicle.
VIDEO MONITORING SYSTEM

For safety purposes, including the maintenance of order and discipline, surveillance cameras may be used to monitor student behavior in classrooms, on school vehicles, and in common areas. Video recordings may be reviewed routinely to document student misconduct and used by ILTexas staff when investigating an incident. Tapes and other video recordings will be available for viewing pursuant to the Family Educational Rights and Privacy Act (“FERPA”).

LUNCH VISITATIONS

Grades K – 12: Relatives of students are welcome to visit during lunch. Please follow campus lunch visitation procedures/protocol.

BIRTHDAYS/INVITATIONS (K–8)

Student birthdays may be celebrated by distributing “goodie bags” with prepackaged/sealed items to each student in the class right before dismissal. Birthdays will not be celebrated by bringing in balloons, cakes, cupcakes, and other food items. Invitations to a private birthday party will only be distributed at school if each student in the class receives one.

STUDENT PARTIES FOR K–5

In an effort to maximize instructional time, school parties are scheduled twice a year – Winter Holiday party and End of Year party.

CHILD NUTRITION PROGRAM

COMMUNICATION WITH PARENTS

Ongoing communication between home and school is a high priority at ILTexas. The role of the parent or guardian continues to be an important factor in the academic and social success of each student. Parents will be informed through various means of communication throughout the school year. Parents will be informed of involvement activities and opportunities through their home campuses and throughout ILTexas. Newsletters, written notices, email, websites, Principal Coffees and Parent Nights may be utilized to establish and maintain an open line of communication. Parents are also encouraged to become active members of the Parent Teacher Organization (PTO) established at their campus. The website ILTexas.org provides general information about the headquarters and its programs, as well as current news items and the calendar.

There are a number of ways for parents to receive information about their child’s progress and school:

Grades
Grades will be available online through Skyward. Parents are encouraged to monitor their child’s grades on a regular basis. Progress Reports and Report Cards will be available via Skyward.

Parent-Teacher Conferences
Parent-Teacher Conferences provide opportunities for teachers to share information with parents about their child’s progress in school. The parent/teacher conference is an important means of reporting to parents and guardians. These conferences are scheduled after the first six weeks of each semester. Additional conferences may be held at the request of the parent or teacher anytime during the year.

PARENT AND STUDENT COMPLAINTS AND GRIEVANCES

International Leadership of Texas, ILTexas, values the opinions of its parents and the public it serves. Parents and students have the right to express their views through appropriate informal and formal processes.

The Board of Directors encourages parents and students to discuss concerns and complaints through informal meetings with their Campus Principal. Concerns and complaints should be expressed as soon as possible to allow early resolution at the lowest possible administrative level.
Neither the Board of Directors nor any school employee shall retaliate against a parent or student for voicing a concern or compliant.

The purpose of the grievance process is to resolve conflicts in an efficient, expeditious, and just manner.

The Superintendent or Director of Student Services may develop more detailed grievance procedures. The Superintendent or Director of Student Services shall ensure that the School’s grievance procedures are provided to any grievant. The formal grievance procedures shall be in accordance with Commissioner of Education rules.

For purposes of this policy, “days” shall mean school days, and announcement of a decision in the student’s or parent’s presence shall constitute communication of the decision.

**Informal Conferences**

A parent or student may request an informal conference through the relevant Campus Principal within ten calendar days of the time the parent or student knew or should have known of the event(s) giving rise to the complaint. If a parent or student is not satisfied with the results of the informal conference, he or she may request a second informal conference with the Director of Student Services. If, after an informal conference with the Director of Student Services, the parent or student is not satisfied, they may then submit a written grievance form to campus Principal. Grievance forms may be obtained from the office of the Director of Student Services.

**Formal Grievance Process**

The formal process provides all persons with an opportunity to be heard up to the highest level of management if they are dissatisfied with an administrative response. Once all administrative procedures are exhausted, a person can bring concerns or complaints to the Board, as outlined below.

A grievance must specify the harm alleged by the parent or student, and the remedy sought. A parent or student should not submit separate or serial grievances regarding the same event or action. Multiple grievances may be consolidated at the school’s discretion. All time limits shall be strictly complied; however, if an administrator determines that additional time is needed to complete a thorough investigation of the complaint and/or to issue a response, the administrator shall inform the parent or student in writing of the need to extend the response time and provide a specific date by which the response will be issued. Costs of any grievance shall be paid by the grievant.

☐ **LEVEL ONE GRIEVANCE**

A parent or student shall submit a written Level One Grievance Form to the Campus Principal or designee within the latter of (1) ten school days from the time the event(s) causing the complaint were or should have been known, or (2) within five school days following an informal conference with the Campus Principal and/or the Director of Student Services. The school reserves the right to require the grievant to begin the grievance process at Level Two.

The Campus Principal or designee will meet with the complaining parent or student within ten school days after receiving the Level One Grievance Form. Following this conference, the Campus Principal or designee shall have ten school days to issue a Level One decision.

*Note:* A complaint against the Superintendent shall begin at Level Four.

☐ **LEVEL TWO GRIEVANCE**

If the parent or student is not satisfied with the Level One decision, or if no decision is provided, the parent or student may submit a written appeal to the Executive Director – Office of Professional
Responsibility. The appeal must include a signed statement of the complaint, any evidence supporting the complaint, and the date and results of the conference with the Campus Principal or designee. The appeal must be filed within ten school days of the Level One decision or the response deadline if no decision is made.

The Director of Student Services or designee will hold a Level Two conference within ten school days after receiving the Level Two appeal. The Executive Director – Office of Professional Responsibility or designee will have ten school days following the conference to issue a Level Two decision.

☐ LEVEL THREE GRIEVANCE

If the parent or student is not satisfied with the Level Two decision, or if no decision is provided, the parent or student may request in writing a conference with the Superintendent or designee. The request must include the documentation submitted to the Director of Student Services or designee, and the date and results of the Level Two conference. The request must be filed within ten school days of the Level Two decision or the response deadline if no decision is made.

The Superintendent or designee will hold a conference with the parent or student within ten school days after receiving the Level Three appeal. The Superintendent or designee shall have ten school days following the conference to issue a Level Three decision.

☐ LEVEL FOUR GRIEVANCE

If the parent or student is not satisfied with the Level Three decision, or if no decision is provided, the parent or student may submit to the Superintendent or designee a written appeal to the Board of Directors. The request must be filed within ten school days of the Level Three decision or the response deadline if no decision is made. The parent or student shall subsequently be informed of the date, time, and place of the appeal hearing before the Board of Directors.

The Board of Directors shall hear the parent or student complaint, and may set a reasonable time limit for presenting the complaint. Only written documentation and issues previously submitted and presented by the parent or student and the school will be considered. An audiotape recording of the hearing shall be made.

If the complaint involves concerns or charges regarding a school employee, it shall be heard by the Board of Directors in closed session unless the employee to whom the complaint pertains requests that it be heard in public.

The Board of Directors shall communicate its decision within ten school days of the hearing. The Board of Directors may not delegate its authority to issue a decision, and any decision by the Board of Directors is final and may not be appealed.

Additional Complaint Procedures

This Parent and Student Complaints and Grievances process does not apply to all complaints:

**CELL PHONES AND ELECTRONIC DEVICES**

Students are permitted to have cell phones and other electronic devices in their possession, however, cell phones and electronic devices are not to be seen nor utilized during instructional time. There is an exception provided in instances when students are directed by their teacher to utilize their cell phones for instructional purposes during designated lessons.

If an ILTexas employee observes a student using personal electronic device (including a cell phone) during instructional time without permission from a school official, the employee will collect the device and turn it in to the front office. School officials may search the device if there is reasonable cause to believe that the device has been used in the transmission or reception of communications prohibited by law, policy, or regulation.

A parent will be contacted and a $15 fee will be assessed and collected before the device is returned. A $15 fee will be assessed each subsequent time a device is confiscated. Any disciplinary action will be in accordance with the Student Code of Conduct. ILTexas will not be responsible for damage to or loss of theft of confiscated devices.

**CREDITS/TRANSCRIPTS FOR TRANSFER STUDENTS**

**EVALUATION OF CREDITS FOR TRANSFER STUDENTS**

ILTexas accepts credits from other schools accredited by the State of Texas and other states. Courses will be evaluated by a counselor to determine if the course meets the requirements for graduation...
from a Texas high school, as well as from ILTexas. All transfer grades earned in accredited schools will be converted to ILTexas grading scale and course designation consistent with ILTexas standards. In order to receive credit for work completed, students entering ILTexas from a non-accredited school or from home schooling may take credit-by-exam (CBE) tests approved in advance by ILTexas (through Texas Tech University). Students are responsible to pay applicable fees for these tests. Students must achieve test scores acceptable to ILTexas.

GRADE CONVERSION FOR TRANSCRIPTS WITH LETTER GRADES
Conversion of letter grades to numerical grades for students transferring in with letter grades from accredited schools will be based on numerical equivalents. Conversion of out-of-country students’ grade equivalency will be determined by evaluation of the students’ transcripts. A plus or a minus attached to a letter grade shall be converted as follows:

A+ = 98  B+ = 88  C+ = 78
A = 95  B = 85  C = 75  D = 70
A - = 92  B - = 82  C - = 72  F = 69

ACADEMIC ACHIEVEMENT RECORD (AAR)/TRANSCRIPT
Each student has an academic achievement record with grades, graduation credits, grade point average and standardized test scores recorded from the beginning of the freshman year. A photocopy of the record is called a transcript and is required for admission by most secondary and post-secondary institutions. An official transcript may not be released without written request from a parent or student over (18) years of age.

Students taking dual credit classes are required to request their official transcripts with partnering institutions every semester in order for ILTexas to input dual credit course grades into their ILTexas transcript. It is the student’s responsibility to provide college transcripts to their Universities of choice.

DISCIPLINE/STUDENT CODE OF CONDUCT

GENERAL PRINCIPLES AND GUIDELINES
These rules of conduct and discipline are established to maintain good order and discipline in the school and to encourage responsible behavior on the part of all students. The objective of the Student Code of Conduct (the “Code of Conduct”) is to change errant behavior and to help the student make wiser decisions and better choices. The staff of the school has the responsibility to enforce the standards and policies of this Code of Conduct. Full cooperation of the students and parents/guardians is expected.

This Code of Conduct has been adopted by the Board of Directors and provides information to parents and students regarding expectations for behavior, consequences for misconduct, and procedures for administering discipline.

In accordance with state law, the Code of Conduct will be posted at each ILTexas campus and/or will be available for review at the Campus Principal’s office. Parents will be notified of any violation that may result in a student being suspended or expelled from ILTexas.

Students are expected to conduct themselves in an appropriate and respectful manner at all times. Any behavior that is detrimental to the learning environment of the student or other students and/or
staff members will not be tolerated. A student whose behavior shows disrespect toward others, including interference with another’s access to public education and to a safe environment, will be subject to disciplinary action.

REPORTING TO LEGAL AUTHORITIES
The Campus administration will notify the appropriate law enforcement officials, if there is reason to believe a violation of law has occurred or there is a threat to safety.

**HONOR CODE**

“I pledge to uphold the honor of the International Leadership of Texas Honor Code and that all the work bearing my name is my own.”

Our Honor Code:
Every student is expected to uphold the highest standards of honor with regard to academics, activities, and other related pursuits. By means of the Honor Code, students practice responsible leadership, accept personal responsibility, and develop strong character to create an atmosphere free from suspicion. Violation of the Honor Code includes but is not limited to cheating, plagiarism, forgery, which are considered severe discipline problems and are subject to disciplinary action within the by-laws of the Honor Code. We believe that students can and must take responsibility for establishing and maintaining standards for their own behavior. At its core, the Honor Code is based on mutual respect and trust. It serves as a written model for what is expected from students. It also serves as a pledge to uphold the school’s values while maintaining college preparation as the number one priority.

Taking responsibility for one’s actions is vital to the maturity of each individual. The trust among all students in the school builds confidence in the overall school community and enables each student to be grounded in the leadership core values of COURAGE and INTEGRITY which guide the student’s every decision.

Teachers may require students to write the full honor code on major assignments. Actions or attempted actions that run counter to these perceptions are violations to the honor code.

- A student’s word is expected to be the complete truth; therefore, lying and forgery are violations of the honor code.
- A student’s work is expected to be his/her own, unless properly credited; therefore, plagiarism and cheating are violations of the honor code.
- The property of others is to be respected; therefore, stealing – no matter how minor – is a violation of the honor code.

In situations that seem unclear, it is each student’s responsibility to check with the teacher or principals regarding the honor code. Ignorance of the honor code will not be an excuse for a violation. Students who witness an honor code violation are strongly encouraged to report the action to the teacher who will notify the Campus Principal. Witnessing an honor code violation and reporting it constitutes honorable behavior and is an expectation for all students. Students may opt to report a violation through an anonymous referral. Working together, we can ALL create a community of learners that value hard work, creativity, and commitment to college success. It is crucial that every member of ILTexas community – students, parents, staff, and trustees – understands the importance of the International Leadership of Texas Honor Code and strives to maintain its integrity.

**ACADEMIC HONESTY**

The International Leadership of Texas Honor Code is based on the belief that true learning depends on honesty. The International Leadership of Texas community acts on the basis of mutual trust and respect between all members of the community. As a result, students are expected to demonstrate integrity and individual responsibility, both personally and academically, in order to maintain a fair and honest environment. Students who commit themselves to upholding the International Leadership of Texas Honor Code will be instilled with a sense of honor and integrity that will last beyond their high school years.
PLAGIARISM is a form of dishonesty where a student presents the work of another as one’s own. Plagiarism is the taking of ideas, writing, etc. from another and submitting them as one’s own (Webster’s New World Dictionary). It is important to acknowledge that plagiarism is not only the stealing of words but also of ideas. Plagiarism includes, but is not limited to:

- Copying word for word and turning in as your own work information from books, magazines, essays, the Internet, etc.
- Rewording or rewriting text and information from documents not originally written by you and turning it in as your own work without proper citation.
- Paraphrasing with minimal word changes (citing the source or not).
- Borrowing ideas and patterns of thought without proper citation.
- Printing an essay from the Internet and turning it in as your own work.

COLLABORATION on independent homework/assignments or tests will not be permitted unless permission has been secured from the teacher allowing for cooperative or group work. Students are permitted to receive assistance or guidance from others, but the entirety of the work itself and the content must always be the student’s own.

COPYING and submitting the work of another or submitting work done by another is an act of academic dishonesty.

ALLOWING ANOTHER STUDENT to copy one’s work, quiz, test, or submit one’s work, quiz, or test is an act of academic dishonesty.

CHEATING is defined by Webster’s dictionary as “dealing with dishonesty for one’s own gain.” Dishonesty promotes bad character and prevents students from gaining a full grasp of information presented to them. Cheating also prevents teachers from fully evaluating the progress of students and is a form of theft. Cheating includes, but is not limited to:

- Using a “cheat sheet” or other unauthorized notes during a test or quiz.
- Looking at someone else’s paper for an answer on a test or quiz and changing an answer.
- Having someone else do all or part of your homework or assignment for you.
- Failing to mark an answer wrong when self-grading.
- Telling others or asking others the content of an exam or quiz.
- Giving a student or using an old test without teacher permission.
- Looking at an exam prior to taking it without teacher permission.
- Copying someone else’s homework or other assignment.
- Using old assignments written by you or someone else instead of creating new work.
- Using an online translator or other translation in place of your own.
- Copying material during an examination or quiz.
- Using unauthorized notes or devices.
- Submitting falsified information for grading purposes.
- Obtaining a copy of and/or information about an examination or quiz without the knowledge and consent of the teacher.
- Submitting a paper or project which is not the student’s work.
- Impersonating a student to assist the student academically.
- Stealing or accepting stolen copies of tests or answer keys.
- Altering a teacher’s grade book.
- Falsifying information for applications (i.e. college scholarships).
- Using professional help such as an author, expert, or purchased service in violation of guidelines established by the teacher.
- Unlawfully copying computer software or data created by others.
- Any other violation intended to obtain credit for work which is not one’s own.

ACADEMIC CONSEQUENCES (IMMEDIATE)
If a student is suspected of plagiarism or any other form of academic dishonesty, the following procedure will be followed:

- The student’s exam, test, or quiz, or assignment will be confiscated by the teacher.
- The paper, exam, test, quiz, or assignment will be submitted to an Administrator for consideration.
- The student will be required to meet with the teacher and the Campus Principal for review of the student’s work with consequences up to and including dismissal/expulsion from school, in accordance with the ILTexas Student Code of Conduct.

The following general procedures shall be applied:

**First Offense**

In general, consequences for a first offense may include, but not be limited to, the following:

- Meeting with the parent(s) followed by written notification to the parent of the academic integrity policy.

**Additional or More Serious Offenses**

Additional or more serious incidents of academic dishonesty or plagiarism shall be dealt with more severely. Consequences for any offense beyond the first or a more serious initial offense may include:

- Meeting with the parent(s); and
- One to three days of out of school suspension (up to five if referred for expulsion).
- Notification to the student’s post-high school counselor and any faculty members writing a college/university letter of recommendation;
- No public recognition of the student at any senior honors function (if applicable);
- No distinguished scholar recognition (if applicable);
- No scholarship money granted to the student by International Leadership of Texas, or any other school affiliated organization; or
- A withdrawn failing grade from the class in which the additional offense occurred and placement in a restricted study hall after withdrawal from the course.

Furthermore, faculty members will have full access to any disciplinary records documenting academic dishonesty for the purpose of writing letters of recommendation.

**Conferences, Hearings, and Appeals**

All students are entitled to conferences, hearings, and/or appeals of disciplinary matters as provided by state and federal law, and by school policy.

**Process for Suspensions Lasting Up to Five Days**

In addition to the above list of Code of Conduct violations the Campus Principal has authority to suspend a student for a period of up to five school days (except that the student may be suspended for up to ten school days, with no more than five consecutive days being out of school, if student will be recommended for expulsion) for any or the following reasons:

1. The need to further investigate an incident or allegation;
2. A recommendation to expel the student; or
3. An emergency constituting endangerment to health or safety.

While suspended, students are not allowed to be on the campus, including at after school activities. The suspended days will be counted as unexcused absences. Students may receive credit for work missed during the period of suspension if the student makes up work missed during the period of suspension within the same number of days the student was absent. Students are expected to make up
all assignments missed during the suspension and the student’s grade will be based on the academic performance and merit of the students’ work without regard to the reason of the student’s absence due to suspension. Notwithstanding the aforementioned, the Area Superintendent, the Superintendent or the Superintendent’s Designee may continue the aforementioned suspension(s) (ISS or OSS) during an expulsion process, if deemed reasonable by the Area Superintendent, the Superintendent or the Superintendent’s Designee.

Prerequisites to Suspension

Prior to suspending a student, the Campus Principal or designee must hold an informal conference with the student to:

1. Notify the student of the accusations against him/her;
2. Allow the student to relate his/her version of the incident; and
3. Determine whether the student’s conduct warrants suspension.

Notification to Parents/Guardians

If the Campus Principal or designee determines the student’s conduct warrants suspension, the Campus Principal or designee will notify the student’s parents that the student has been suspended before the student is sent home. At this time, the Campus Principal or designee will also notify the student’s parents of the period of suspension, the grounds for suspension, and the time and place for a post-suspension conference with the Campus Administration.

PROCESS FOR OUT-OF-SCHOOL SUSPENSIONS OVER FIVE DAYS AND EXPULSION

When the Campus Principal determines that a student’s conduct warrants suspension for more than five days, or expulsion, the Campus Principal (or acting Principal) shall make a recommendation for disciplinary action to the Area Superintendent.

Prior to taking any long-term disciplinary action, the Campus Principal or designee will provide the student’s parent(s) with written notice of:

1. The Principal’s recommendation for the long-term disciplinary action,
2. The specific violation of the Student Code of Conduct, and
3. The reasons for the recommended long-term disciplinary action.

EMERGENCY PLACEMENT

If the Campus Principal reasonably believes that a student’s behavior is so unruly, disruptive, or abusive that it seriously interferes with a teacher’s ability to communicate effectively with students in a class, with the ability of a student’s classmates to learn, or with the operation of ILTexas or a school-sponsored activity, the Campus Principal may order immediate removal of the student. The Campus Principal may impose immediate suspension if he/she reasonably believes such action is necessary to protect persons or property from imminent harm. At the time of such an emergency removal, the student will be given verbal notice of the reason for the action and appropriate hearings will be scheduled within a reasonable time after the emergency removal.

LEVEL I EXPULSION HEARING

Administration shall designate a Hearing Officer to conduct a Level I Expulsion Hearing. The Hearing Officer shall provide the student’s parent(s) with written notice of the Hearing, including the
date (within five school days of the recommended disciplinary action), time, and location of the Hearing, and shall further state that, at the Hearing, the student:

1. may be present;
2. shall have an opportunity to present evidence;
3. shall be apprised and informed of the school’s evidence and witnesses;
4. may be accompanied by his or her parent(s) or other adult, who can provide guidance to the parent or student, and who is not an employee of ILTexas; and
5. may be represented by an attorney.

ILTexas shall inform the student and the student’s parent(s) of the time and place of the Hearing and shall hold the Hearing regardless of whether the student, the student’s parents or another adult representing the student attends. The Hearing Officer may record the hearing using audio and/or video equipment. After the Hearing, the Hearing Officer has 48 hours to issues his/her written decision. The decision shall specify:

6. The length of the suspension or expulsion, if any;
7. When the expulsion is not permanent, the procedures for re-admittance to the school at the end of the expulsion period; and
8. The right to appeal the Hearing Officer’s decision to Level II. The notice shall also state that failure to request such an appeal within 7 calendar days constitutes a waiver of further rights in the matter.

**LEVEL II EXPULSION HEARING**

The request to appeal the Level I decision may be made to the Superintendent or to the Chief Executive Officer. Upon receipt of the request, Administration has seven days to schedule and conduct a Level II Expulsion Hearing. Administration will appoint a panel of three administrators (two of whom will be former school principals) to serve as a Hearing Panel for the Level II hearing and will provide written notice of the hearing date, time and location to the student and student’s parents. The Level II Expulsion hearing may be recorded using audio and/or video equipment. At the Level II Hearing the student may

1. may be present;
2. shall have an opportunity to present evidence;
3. shall be apprised and informed of the school’s evidence and witnesses;
4. may be accompanied by his or her parent(s) or other adult who can provide guidance to the parent or student and who is not an employee of ILTexas; and
5. may be represented by an attorney.

The Panel will hear the testimony and review the evidence to make a decision to grant or deny the appeal and will provide their decision to the student and/or guardian within 48 hours after the hearing.

**LEVEL III – BOARD OF DIRECTORS**

The student or his/her parent(s) may appeal the long-term suspension or expulsion decision to the Board of Directors and the General Counsel in writing within 48 hours of notification of the decision. If such an appeal is made, a quorum of the Board will consider the appeal at a regular or specially-called meeting in closed session as allowed by the Texas Open Meetings Act. The quorum of the Board will review the record of the expulsion hearing and may also hear a statement from the student or parent (or representative) and from the school administration. The Board may listen to the recording of the expulsion hearing to or at the appeal hearing. The Board will notify the student and his or her
parent (or representative) of its decision within five calendar days of the hearing. The decision of the Board is final and may not be appealed.

Discipline consequences will not be deferred pending the outcome of an appeal of an expulsion to the Board.

**READMISSION AFTER WITHDRAWAL OR EXPULSION**

A student who has been expelled from ILTexas may re-apply for admission and potentially gain re-enrollment subject to meeting each of the following criteria:

1. The student must have been enrolled in another school during the term of the expulsion from ILTexas.
2. The student must re-apply for admission to ILTexas and follow the same application process as all other applicants. A student who withdraws for any reason during the school year may re-enroll only if there are open seats available. If no seats are available, the student will be placed in the lottery process and/or added to the waiting list (see the Involuntary Withdrawal Section).
3. A vacancy must exist in the requested grade level and campus or, if the requested grade level is oversubscribed such that an admissions lottery is conducted, the student is selected for admission through the lottery process or otherwise on the waitlist.
4. Pursuant to the decision of the Hearing Officer, the student must submit a petition for readmission to the Campus Principal. This request must be in writing, and may be required to include copies of the student’s complete discipline records from the public school(s) attended during the term of the expulsion from ILTexas.

During the consideration of the petition, the student and his or her parents may make a statement to support the request for re-admission. The student may also submit documentation consisting of recommendations from his or her current teacher(s), commentary from any counselor or school administrator with whom the student may have consulted having personal knowledge of the student and their education experience and conduct, and any other documentation pertinent to the application. The Principal may also consider comments from the Assistant Principal, Counselor, Grade Level Administrator for the requested campus of enrollment, or any other ILTexas Administrator.

After reviewing all relevant documentation, the Principal will decide on whether the student will be re-admitted to ILTexas. If the student is re-admitted, he or she may be admitted on a 120-day behavior contract recognizing that any violation of the Student Code of Conduct within that time period may result in expulsion without the possibility of readmission.

**STUDENTS WITH DISABILITIES**

All disciplinary actions regarding students with disabilities (504 or special education under the IDEA) shall be conducted in accordance with current federal and state laws.

**SUSPENSION/EXPULSION REQUIREMENT**

A student with a disability shall not be excluded from his or her current placement pending appeal for more than ten days without ARD Committee action to determine appropriate services in the interim and otherwise in accordance with applicable law. Pending appeal to a special education hearing officer, a student with a disability shall remain in the present educational setting, unless ILTexas and the parents agree otherwise.
REMOVAL FROM SCHOOL TRANSPORTATION

A student being transported by ILTexas transportation to or from school or a school-sponsored or school-related activity may be removed from a school vehicle for conduct violating ILTexas’ established standards for conduct in a school vehicle.

GUN-FREE SCHOOLS ACT

In accordance with the Gun-Free Schools Act, ILTexas shall expel, from the student’s regular program for a period of one year, any student who is determined to have brought a firearm, as defined by federal law, to school. The Superintendent or designee may modify the term of expulsion for a student or assess another comparable penalty that results in the student’s expulsion from the regular school program on a case-by-case basis and in accordance with legal requirements.

### HEADQUARTERS INFORMATION

#### DISASTER AND FIRE PREPAREDNESS

Each campus has an emergency preparedness plan in addition to posting evacuation routes in each
classroom. Fire Drills, Lock Down Drills and Tornado Drills will be conducted regularly throughout
the school year. Medical Emergency Drills for staff to include training on AED’s will be conducted.

#### PEST CONTROL INFORMATION

ILTexas periodically applies pesticides inside school buildings and on school grounds. Except in an
emergency, signs will be posted 24 hours before application. Students may not reenter a treated area
inside a building or use an area on school grounds for at least 12 hours following application. Parents
who want to be notified prior to pesticide application may contact the Superintendent or designee.

#### FREE SPEECH

The school believes that it is important for students to learn the meaning and practice of freedom of
speech while in school.

#### EQUAL ACCESS

The school retains its right to make decisions concerning access to student organizations while
maintaining an orderly and disciplined school environment. Specifically, IL Texas is not an open
public forum and reserves the right to limit activity that is disruptive to its educational mission and
environment.

#### INAPPROPRIATE USE OF TECHNOLOGY (ON OR OFF CAMPUS)

Students are prohibited from sending or posting electronic messages that are abusive, obscene,
sexually oriented, threatening, harassing, damaging to another’s reputation, or illegal. This
prohibition applies to conduct off school property if it results in a substantial disruption to the
educational environment, as determined by the Principal. Any person taking, disseminating,
transferring, or sharing obscene, sexually oriented, lewd, or otherwise illegal images or other content
will be disciplined according to the Student Code of Conduct and may, in certain circumstances, be
reported to law enforcement. Such conduct may also be considered cyberbullying, which is subject
to discipline according to the Student Code of Conduct. ILTexas has the right to monitor and examine
any files and activity on all ILTexas technology resources. The appropriate personnel may monitor,
examine or disclose the contents of any activity to guarantee proper use of these resources as well as investigate complaints of possible inappropriate use.

**INTERROGATIONS AND SEARCHES**

In the interest of promoting student safety and attempting to ensure that ILTexas is safe and drug free, school officials may from time to time conduct searches. Such searches are conducted without a warrant and as permitted by law.

Administrators, teachers and other professional personnel may question a student regarding the student’s own conduct or the conduct of other students. In the context of school discipline, students have no claim to the right not to incriminate themselves. When student interrogation/questioning is necessary, parent permission or presence is not required. Parents do not have the ability to object to or prevent the questioning of their child when deemed necessary in the course of an investigation.

Students shall be free from unreasonable searches and seizures by school officials. School officials may search a student’s outer clothing, pockets, or property by establishing reasonable suspicion or securing the student’s voluntary consent. A search is reasonable if (1) the school official has reasonable suspicion for suspecting that the search will uncover evidence of a rule violation or a criminal violation and (2) the scope of the search is reasonably related to the circumstances justifying the search, such as the extent of the search, the objectives of the search, the age and sex of the student, and the nature of the infraction.

**Desk and Locker Searches**

Students should have no expectation of privacy in the contents of their lockers, desks or other school property. Lockers and desks assigned to students remain at all times under the control and jurisdiction of ILTexas. The school will make periodic inspections of lockers and desks at any time, with or without notice or student consent. School officials will remove any item that violates school policy or that may potentially be dangerous.

Students have full responsibility for the security of their lockers and desks, and shall be held responsible for any prohibited items found therein. A student’s parent shall be notified if any prohibited articles or materials are found in a student’s locker or desk, or on the student’s person.

**Vehicles on Campus**

Vehicles parked on school property and property under school control are under the jurisdiction of ILTexas and may be searched at any time if reasonable suspicion exists to believe that the search will result in evidence that school rules or other laws have been violated. If a vehicle subject to search is locked, the student shall be asked to unlock the vehicle and consent to a search of the vehicle. If the student refuses to permit the vehicle to be searched, ILTexas may contact the student’s parents and/or law enforcement officials. A student may be held responsible for and in possession of prohibited items found in his or her vehicle parked on school property or at a school-related event.

**Random Drug Searches**

In order to ensure a drug-free learning environment, ILTexas conducts random drug searches of all school facilities. ILTexas may use or contract for specially trained nonaggressive dogs to sniff out and alert school officials to the current presence of concealed prohibited or illegal items, including drugs and alcohol. Canine visits may be unannounced. The dogs shall be used to search vacant classrooms, vacant common areas, the areas around student lockers, and the areas where vehicles are
parked on school property or at school-related events. The dogs shall not be asked to alert on students. A dog alert to a locker, vehicle, or item in a classroom, constitutes reasonable grounds for a search by school officials.

**OFF-CAMPUS P.E.**

Although we are supportive of our many students who participate in a variety of athletic activities outside of the school curriculum, approval for off-campus PE will be at the sole discretion of the school administration. In rare instances, students interested in this option must obtain permission from the campus Principal.

**PHYSICAL EDUCATION PARTICIPATION REQUIREMENTS**

Students at ILTexas are required to earn 4 credits in P.E. before graduating high school. A student may be excused from activity due to health reasons for a maximum of three days with a note from a parent given to the Performance Coach. If it is necessary to be excused for an extended period of time, a doctor’s note must be provided to the school. The student is still responsible for attending class and learning the curriculum even if physical restrictions prevent the student from actively participating in the program. A uniform is part of the overall ILTexas safety plan for students. Therefore, all students are expected to wear the appropriate uniform in order to participate in physical fitness activities. Students who fail to dress out in proper uniform will receive a grade reflective of the assessment policy instituted by their teacher.

**PROCEDURES FOR USE OF RESTRAINT AND TIME-OUT**

School employees, volunteers, or independent contractors are only to use restraint in the event of an emergency constituting a threat to the student or others, and subject to the following limitations:

- Only reasonable force, necessary to address the emergency, may be used.
- The restraint must be discontinued at the point at which the emergency no longer exists.
- The restraint must be implemented in such a way as to protect the health and safety of the student and others.
- The student may not be deprived of basic human necessities.

At no time, however, may a student be placed in seclusion.

A student with a disability may not be confined in a locked box, locked closet or other specially designated locked space as either a discipline management practice or a behavior management technique. Discipline for any student with a disability must strictly conform to their individual Behavior Management Plan or IEP.

**SCHOOL CLOSINGS OR DELAY**

Cancellations and delays will be communicated to parents via School Messenger (phone call and email) and school website at ILTexas.org. It is imperative and incumbent of parents to ensure that their email and phone contact information is always accurate and updated. Correct information should be given to your campus main office.

**TEACHER QUALIFICATIONS – PARENTS’ RIGHT TO KNOW**

At the beginning of each school year, ILTexas will notify the parent of each student attending with information regarding the professional qualifications of their student’s classroom teachers. ILTexas will also provide this information upon request from a parent. Information provided in response to a parent request will include, at a minimum:
1. Whether your child’s teacher(s) have met state qualification and licensing criteria for their grade levels and subject areas;
2. Whether your child’s teacher(s) are serving under emergency or other provisional status through which state qualification or licensing criteria have been waived;
3. Whether the teacher is teaching in the field of discipline of the certification of the teacher; and
4. Whether your child receives services from paraprofessionals and, if so, their qualifications.

TUTORIALS FOR GRADES 1–12
All teachers schedule tutorial times and encourage students to attend. Teachers may require students who do not meet academic expectations to attend tutorials. Students who are failing a course at designated checkpoints (available on school calendar prior to the start of school) will be required to attend mandatory tutoring or participate in a credit recovery program. Tutoring may take place during the day, before school, after school, or on Saturdays.

EAGLE ACADEMY FOR GRADES 3–12
Eagle Academy is a system that promotes Mastery learning by providing students the opportunity to achieve a higher grade by correcting or finishing missing and failing assignments. Any student who receives a grade below 70 for any grade in any class entered in the Skyward Gradebook may be assigned Eagle Academy. Eagle Academy will be held each school weekday (Monday through Friday), unless approval has been given by the Area Superintendent to cancel the session.

AFTER SCHOOL DISCIPLINE
After School Discipline (ASD). If ASD is not served, the student may be assigned to In School Suspension (ISS). If ISS is not served, the student may be assigned Out of School Suspension (OSS).

STUDENT FEES
Materials that are part of the basic educational program are provided with state and local funds at no charge to a student. Students are expected to provide their own consumable items, such as pencils, paper, pens, erasers, notebooks, calculators, headsets, etc. Students may be required to pay certain fees or deposits, including:

13. A fee for summer school courses that are offered tuition-free during the regular school year;
14. A reasonable fee, not to exceed $50, for costs associated with an educational program offered outside of regular school hours through which a student who was absent from class receives instruction voluntarily for the purpose of making up the missed instruction and meeting the level of attendance required for class credit, so long as the fee would not create a financial hardship or discourage the student from attending the program;
15. A fee for lost, damaged, or overdue library book; or
16. A fee specifically permitted by any other statute.

ILTexas may waive any fee or deposit if the student and parent are unable to pay. A request for such a waiver must be made in writing to the Principal or designee, and include evidence of inability to pay. Details for the fee waiver are available in the Principal’s office.

Families are responsible for paying all fees associated with extra-curricular programs, including clubs, parking, athletics, fine arts, UIL academics, and academic supervision prior to participation.

Any student who posts material without prior approval will be subject to disciplinary action in accordance with the Student Code of Conduct. Materials displayed without approval will be removed.

Written or printed materials, handbills, photographs, pictures, films, tapes, or other visual or auditory materials over which ILTexas does not exercise control shall not be sold, circulated, or distributed by persons or groups not associated with ILTexas or a school support group on school premises unless the person or group obtains specific prior approval from the Superintendent or designee. State law requires that one minute of silence will follow recitation of the pledges. Each student may choose to reflect, pray, meditate, or engage in any other silent activity during that minute so long as the silent activity does not interfere with or distract others. In addition, state law requires that ILTexas provide for the observance of one minute of silence at the beginning of the first class period when September 11 falls on a regular school day in remembrance of those who lost their lives on September 11, 2001.

**DRESS CODE & UNIFORMS**

**ILTEXAS UNIFORM CODE AND POLICY**

wearing of the school uniform signifies community and the student’s desire to obtain excellence. Neat, clean grooming for school is expected at all times. Each student is expected to comply with this code during regular school hours. Parents are responsible for ensuring that their child complies with the dress code before the child comes to school. All uniform items must be in good condition, correctly sized and labeled with the student’s name. Students may not deface, add or detract from the uniform, shoes or any uniform accessory. This includes: marking on uniform items, wearing un-hemmed skirts or pants, or wearing other items that are not part of the uniform. A student’s citizenship grade may be lowered for a uniform violation. Violations of the dress code may result in disciplinary action. Students who come to school inappropriately dressed may be asked to contact a parent, may be asked to visit the nurse in order to wear available school-provided items, or may be sent home. The ILTexas Administrative team is responsible for interpreting, implementing, and enforcing the dress code policy. The only exceptions to this portion of the handbook would be those pertaining to religious beliefs. In these instances, parents must consult with the administration about their specific concerns and how the dress code would be affected. All decisions about a student’s compliance of the dress code are at the discretion of the campus Principal.

Parents must provide their student(s) with the required uniform, except in the case of educationally disadvantaged students as provided in the Texas Education Code. ILTexas may provide a uniform for educationally disadvantaged students. EXTRACURRICULAR ACTIVITIES AND ATHLETICS

PHILOSOPHY STATEMENT

We believe that physical activity is an integral component of a student’s intellectual, social, and emotional development. The athletic program of ILTexas is designed to complement and foster our academic goals. We offer every student the opportunity to participate in a variety of programs provided they are able to maintain a level of academic performance consistent with our school mission. Our goal is the development of our students who are able to meet and balance the demands of our rigorous curriculum as well as the challenges of our extracurricular activities and sports programs.

ELIGIBILITY AND COMMITMENT REQUIREMENTS

STUDENT ATHLETIC CODE

It is the desire of the administration and coaching staff of ILTexas that being an athlete will be an integral part of his/her secondary educational experience. Being an ILTexas athlete is a privilege and is one that carries with it many responsibilities. As athletes at ILTexas our young people have a standard to reflect and uphold. That standard is one of positive leadership, character, responsibility, and a competitive spirit. Participation in the educational athletic program and/or TCSAAL or University Interscholastic League contests is not a right, but a privilege. No student is required to take part in athletic contests or activities. Therefore, it is imperative that all students participating in athletics understand the regulations that can be found below while conforming to the rules therein. Student athletes failing to follow these regulations or failing to live up to the ILTexas Student Code of Conduct, Athletic Department rules and regulations, and/or the Co-Curricular policy can have athletic participation privileges removed by the coach.
The following regulations will be in effect for all athletes in ILTexas, both on and off the field of play, in order to be eligible to participate in any competitive sport practice or program directly related to improvement in a sport.

1. The athlete must refrain from the use of profanity or resorting to illegal tactics. Temper fits, flagrant rules violations, etc. will not be tolerated.
2. He/She must learn that both winning and losing are a part of the game and that you have to win or lose with class and emotional maturity.
3. Total Respect for officials is an absolute must; any disrespect from athletes or fans will not be tolerated.
4. Any behavior contrary to the above mentioned or any other act, which is not conducive to good sportsmanship, may result in disciplinary action at the coach’s discretion, which may include removal from the contest.

Again, participation in educational athletics is a privilege, not a right; therefore, there are certain standards which must be maintained.

1. **Uniformity:** Athletes travel quite frequently to other schools, towns, communities, restaurants, etc., as representatives of ILTexas; therefore, they should be groomed in a manner in which our community, school and sponsors will be proud. We expect our athletes to set the example for our school in the area of grooming and personal appearance.
   a. **Hair:** All athletes who represent ILTexas will be properly dressed and hair will be neatly cut per the Student Code of Conduct. No haircuts or hair color (including the use of feathers in any form – clipped, banded, or attached permanently) outside of the TCSAAL / UIL Guidelines or Student Code of Conduct will be allowed for playoffs or any other contests. This includes males bleaching their hair blonde, Mohawks, or cutting numbers/designs in their hair, etc. Long hair must be pulled back out of the student athlete’s face during practices and competitions.
   b. **Jewelry:** No jewelry will be allowed during practices or games (piercings, including new piercings must be removed during practice and games). Not only is this a safety issue, but it is also in accordance with TCSAAL and UIL rules for practice and competition.

**Disrespect to a Teacher or Coach**

Any act of disrespect by a student athlete to his/her teacher, support staff, coach or member of school administration will be handled on an individual basis. Punishment will be up to the discretion of the coach.

**Rules Applicable to Athletes (At All Times)**

1. **Tobacco use, drinking of alcoholic beverages and abusive drugs** will not be tolerated in athletics at any time during his/her school career. Punishment will be in accordance with the ILTexas Co-Curricular Contract and the Student Code of Conduct. Also, ILTexas requires that all participants in athletics for grades 7–12 may undergo random drug testing in accordance with the ILTexas Random Student Drug Testing Policy.
2. **Theft:** Taking things from other players, students, school, etc. will not be tolerated. Consequences will be determined on a case-by-case basis and up to coach’s discretion.
3. **Hazing/fighting/bullying** or any physical harm to another student may result in consequences including but not limited to a potential loss of athletic privileges. Discipline is up to coach’s discretion.
4. Athletes assigned to **ISS (In School Suspension)/ OSS (Off Campus Suspension) or administrative behavioral placements** will lose all extracurricular privileges for each school day served in said placement. Additional consequences for high school student athletes will be left up to the Head
Coach’s discretion.

5. **School Equipment**: The athlete shall not wear or use school equipment for personal use. Equipment may not be removed from school property without permission from his/her coach. All articles of the school-issued uniform must be returned at the conclusion of the competitive season. The athlete is financially responsible for all equipment checked out to him/her that is either not returned or returned as damaged.

6. **Quitting**: A student/athlete who decides to quit one sport and enter another will be ineligible for participation in another sport until the end of the season for the sport for which he/she has quit, or unless the head coaches of both sports mutually agree to the student/athlete’s participation. A student/athlete quitting a sport after the first contest will forfeit any award for that sport.

7. **Practice and Game Regulations**: A coach must be contacted ahead of time if an athlete must miss a practice or game. Missing any type of practice or game will result in an appropriate type of make-up work. No electronic devices or backpacks will be allowed during practices or games.

8. **Parent/Doctor’s Notes**: We will accept a parent’s note for an athlete to sit out of practice due to an illness/injury for a maximum of three days. After three days, a note from a doctor or Athletic Trainer will be required indicating the injury and anticipated inactivity. If after the three days we do not have a doctor’s note, the absences will be counted as unexcused absences and consequences will be assessed according to coach’s discretion.

9. **School vs. Club Expectations**: All school practices and games will take priority over club practices and games. A student can participate on a select/club team while participating on a school team; however, missing a scheduled school event to participate in a non-school event will count as an unexcused absence. If a student misses one school event/game, they will be suspended the following corresponding number of events/games in middle schools. For this purpose, a tournament will be considered two games. In high school, it is the head coach’s discretion.

10. **Travel**: All athletes in Middle School and High School represent the community, school and coaches. All athletes will travel to the competition with their team. High school students will also return on the bus unless an emergency type situation occurs or prior arrangements have been made with the Head Coach. Middle school students will be picked up by their parent/guardian at the site of their in town games.

11. **Tutoring** and any re-tests – all reasonable efforts should be made to schedule these outside of practice time.

12. **Athletic concerns or problems** will be addressed in this order:

   a. Athlete/coach
   b. Athlete/parent or guardian/coach
   c. Athlete/parent or guardian/coach/athletic coordinator
   d. Athlete/parent or guardian/coach/athletic coordinator/athletic director/principal

**Arrival on Campus and Participation in After School Activities**

Students that arrive after 10:00 a.m., even with parental permission, will not be allowed to participate in activities that include contests, dramatic rehearsals and performances, and club activities on that day.

Students who arrive after 10:00 a.m. because of a doctor’s appointment are not subject to this policy. Any student who is at a doctor’s appointment will need to bring a note from the doctor when arriving on campus

**LETTER JACKETS AND LETTERS**

Students in grades 9–12 have the opportunity to be awarded a letter in Fine Arts, Academics, and Athletics. These are awarded in the fall following the completion of the academic school year. Basic
criteria include citizenship, commitment to the program, and leadership. For the specific requirements of these awards, see the sponsor of the activity in which you wish to receive a letter.

**ATHLETIC PARTICIPATION FEE**

There is an extra-curricular sports fee of $25.00, representing a security deposit for the return of equipment and a fee for athletic apparel and equipment, for all student athletes. This fee is only assessed to student-athletes who are selected as a member of any sports team and not a requirement to “try-out” for the team. Student-Athletes are deemed “members” of the team upon entry to the official team roster by the respective coach. This fee is a one-time assessment and in the instance of a student-athlete being selected and participating in multiple sports, the fee will not be assessed for the subsequent sports/teams. Thus, the minimum and maximum yearly fee for any student-athlete will be $25.00. Application for exemption of paying this fee due to financial hardship will be available to the parent(s) or guardian(s) at the time of the parent meeting.

**EXTRACURRICULAR CLUBS AND ORGANIZATIONS**

Participation in clubs and organizations is a privilege that allows students the opportunity to develop leadership skills, special talents, and new interests. Participation is a privilege, and therefore, students must meet all of the requirements set forth in this handbook. ILTexas recognizes that the learning process is not confined to the classroom and that school life and social interchange are very important aspects of the educational process. We endeavor to provide a well-balanced extracurricular program. To supplement the basic educational programs and to provide opportunities for students to learn in various school settings, a comprehensive extracurricular activity program is available. Each school activity is organized to accomplish four major goals:

1. School Service: perform various activities to enhance the school’s academic function.
2. Community Service: support a community activity in line with the functions of the student group.
3. Fundraising Activities: raise money to carry out defined activities.
4. Social Activities: provide an opportunity for students to socialize through group activities.

Each extracurricular activity should compete on a yearly basis, at least one activity corresponding to the above stated purposes. The following extra-curricular activities may (not an all-inclusive list) be offered:

- Band
- Baseball
- Basketball
- Cheer
- Choir
- Cross Country
- Debate
- Flag Football
- Model UN (GEMUN)
- Orchestra
- Soccer
- Softball
- Student Council
- Dance
- Destination Imagination
- Beta Club
- HOSA
- FCCLA
- Track and Field
- Volleyball
- World Affairs (JWAC)
- Language clubs and societies

In addition, a variety of after school clubs may be offered.
HONOR SOCIETIES (NJHS AND NHS)

Requirements for becoming a member in the National Junior Honor Society (NJHS) in grades 7 and 8 include an average GPA of 95.0 with no grade lower than 90.0. Maintaining membership requires an average of 90.0.

Membership in the National Honor Society is open to any eligible student in grade 10, 11, or 12 who has been enrolled for a minimum period of one semester. Students achieve membership because they are held in the highest regard in all aspects of their student life. To become a member of the Senior National Honor Society students must be enrolled in at least four courses in the core curriculum areas of English, Foreign Language, Social Studies, Mathematics, and Science. Students must earn an overall 92.0 weighted average. Maintaining membership requires an overall 88.0 average. In order to be a member of the National Honor Society students must be outstanding in the areas of Scholarship, Service, Leadership and Character.

The Honor Society Committee (as assigned by the Principal) ultimately will determine those students who have upheld, to the highest degree, the standards that are required. Specific requirements include:

- **Scholarship.** Students must have a minimum of grade A in all academic courses.
- **Leadership.** Students should have demonstrated leadership. It is helpful if students have held a variety of offices with the school and community. These offices should have required the student to demonstrate a variety of skills and abilities.
- **Character.** Students should actively demonstrate the qualities of honesty, responsibility, fairness, courtesy, tolerance and cooperation.
- **Service.** The student should have made significant contributions to the school, classmates and community. Such contributions should be readily identifiable.

STUDENT COUNCIL

The ILTexas Student Council meets regularly. The student body elects the Student Council that is responsible for organizing social activities on behalf of the students and for determining student needs and opinions on matters affecting them. The Council works closely with both the student body and administration in an effort to build a stronger school community.

GRADING PROGRAM, PROMOTION STANDARDS, GRADUATION REQUIREMENTS

Grading and reporting should focus on student growth and learning in a climate of high expectations. Instructional emphasis should be placed on the accomplishment of defined school goals. Student progress will be assessed every six-weeks, using several rubrics, which include portfolios, verbal assessments and written formats, such as tests and quizzes. Additionally, students will be administered an End of Cycle Assessment (ECA) at the end of each grading period.

OTHERS BEFORE SELF SERVICE LEARNING PROJECT

In order to both teach and highlight our “Others Before Self” motto in theory and action, every student at ILTexas will need to complete an “Others Before Self” service learning project in collaboration with their grade level peers. Further, ILTexas high school students are required to complete a total of 60 service hours by the time they graduate (or 15 hours for every year they attend ILTexas). These credit hours can be completed outside of the school and they can be completed during their class
service project. The hours need to be turned in monthly to their counselor using the ILTexas Community Volunteer Service Hours Tracking Sheet.

**TEST RETAKES FOR GRADES K-12**

Students who earn a grade below 70 on a test are eligible for a retake (with the exception of ILTexas benchmarks and high school semester exams). The student may not earn a grade higher than a 70%. The score recorded on the grade book will be the higher of the two. Tests may be retaken only once. Re-takes must be done within 10 instructional days.

**LATE WORK FOR GRADES 3-5**

All assignments are expected to be turned in on time. If assignments are turned in late, the grade will be affected by the following adjustments:

- On the 1st day of class that the assignment is due, the student will be able to earn a maximum grade of 100%.
- On the 2nd day of class, the student will be able to earn a maximum grade of 90%.
- On the 3rd day of class, the student will be able to earn a maximum grade of 70%.

**LATE WORK FOR GRADES 6–12**

All assignments are expected to be turned in on time. Students who turn in assignments one class period or more after the due date will earn a maximum grade of 70%. Additionally, students who turn in work two or more days after the due date may face further discipline consequences (see details below). Students who attend after-school tutoring or Saturday tutoring may be able to earn grades above the minimum (based on campus principal and instructor discretion).

- On time: Maximum grade of 100%
- One Class Period Late: Maximum grade of 70%

**HOMEWORK AND TEST PROCEDURE FOR GRADES 1–12**

It is the student’s responsibility to turn in homework on the assigned date. When absent, students must obtain the missed assignments and make up the work in accordance with the procedure for excused absences. Please reference ILTexas.org for links to teacher pages for class specific information.

**MANDATORY EAGLE ACADEMY**

Failure is not an option at ILTexas, and our objective is to ensure that every student demonstrates “Mastery of the Material.” Students are expected to complete and to turn in their homework or other assignments when they are due. For students in grades 4 and higher, failure to turn in homework will result in the student being required to stay at school that day to complete the assignment. Parents will be contacted by School Messenger that the student will be staying that day to complete the assignment. The details of each campus Eagle Academy will be determined at the campus level by the Campus Principal.

**MAKING UP WORK FOR EXCUSED ABSENCES**

Students who have missed work due to an excused absence have as many class days to make up the work as they were absent. All work assigned before the student absence will be due the day the student returns to class. If a student misses one class, the student will have one additional class day to turn in the assignment.
If a student has missed several days due to an excused absence, parents should contact the teacher to determine a reasonable plan to help their child catch up on missed work. The late work procedure does not apply to an excused absence.

**MAKING UP WORK FOR UNEXCUSED ABSENCES**

Students with unexcused absences are required to make-up and demonstrate mastery for all missed daily work. Major work may be made up; however, the grade will be no higher than 70%.

**PROMOTION STANDARDS**

In order for ILTexas students to be promoted to the next grade level, students must demonstrate proficiency in the subject matter of the course or grade level. To earn credit in a course, a student must demonstrate mastery on grade level standards and meet ILTexas’ requirements for attendance. For English Language Learners, the Grade Placement Committee (GPC) in consultation with the Language Proficiency Assessment Committee (LPAC) will determine promotion standards. For students with disabilities, the student’s ARD/IEP committee will determine the promotion status based on mastery of IEP goals and objectives and/or course requirements.

Additionally, the Texas Legislature created The Student Success Initiative (SSI) to ensure that students receive the instruction and support they need to be academically successful in reading and mathematics. Under SSI, students in 5th and 8th grade must pass the STAAR reading and math tests.

ILTexas Promotion standards include:

*Sufficient attendance: A student’s total number of absences should not exceed 10% of class meetings from the date of enrollment.

If a student in grade 5 or 8 is enrolled in a course that earns high school credit and for which an end-of-course ("EOC") assessment will be administered, the student will not be subject to the promotion requirements described above for the relevant grade 5 or 8 assessment. However, for federal accountability purposes, the student may be required to take both the grade level and EOC assessment.

If a student in grade 8 is enrolled in a class or course intended for students above his or her current grade level in which the student will be administered a state-mandated assessment, the student will be required to take an applicable state mandated assessment only for the course in which he or she is enrolled, unless otherwise required to do so by federal law.

**GPA EXEMPT COURSES**

All courses taken during the regular school year at ILTexas shall count toward GPA except for the following: aide positions, study hall, peer tutoring, college credits that are not dual credits, credit by examination credits, & SAT prep class.

**CALCULATION OF WEIGHTED LOCAL GPA**

Only courses taken at ILTexas count towards local GPA. Local GPA is based on a 100-point scale. Further, weightings are based on the following scale:

- **Advance Placement/Dual Credit** 1.15
- **Honors/Pre-AP** 1.1
- **All other courses** 1

**SENIOR CALCULATION OF WEIGHTED LOCAL GPA**

For the purpose of determining honors to be conferred during graduation activities, the campus shall calculate class rank by using grades available at the time of calculation at the end of the fifth six week grading period of the senior year. For the purpose of applications to institutions of higher education, ILTexas shall also calculate class rank as required by state law (top 10% only).
VALEDICTORIAN AND SALUTATORIAN REQUIREMENTS

Graduating seniors with the highest and second highest cumulative local weighted grade point average as determined at the end of the 5th grading period of the senior year and carried out three decimal places, will be eligible to serve as the Valedictorian and Salutatorian respectively. In the event of a tie for Valedictorian, the student with the highest number of AP and Dual Credit classes taken shall be declared the Valedictorian. If still tied, the person with the highest SAT score will be designated Valedictorian. All courses and corresponding numeric grades earned to determine GPA must not be modified in content and must be identified by the state as a regular, honors, and/or AP course in order to qualify for Valedictorian and Salutatorian.

Each ILTexas High School shall have a Valedictorian and Salutatorian. Candidates shall be in attendance at the awarding High School continuously, commencing with enrollment no later than the first day of the second six-week grading period of the student’s junior year until graduation. The Valedictorian shall be the eligible graduate with the highest local GPA; the Salutatorian shall be the eligible graduate with the second highest local GPA.

Further, all senior Honors students are recognized at Graduation based on the following criteria:

<table>

Evaluation of Credits for Transfer Students

ILTexas accepts credits from other schools accredited by the State of Texas and accredited schools from other states. Courses will be evaluated by a counselor to determine if the course meets the requirements for graduation from a Texas high school, as well as from ILTexas. All transfer grades
earned in accredited schools will be converted to ILTexas grading scale and course designation consistent with ILTexas standards (though only courses taken at ILTexas count towards GPA class rank).

Evaluation of Foreign Transcripts
A transfer student who has been attending a non-US affiliated foreign school should have his/her transcript evaluated for appropriate placement at an ILTexas high school by the Principal or his/her designee. In most cases the student will not be placed higher than the eleventh grade and no more than eight credits will be awarded per school year.

Although credit will be given for appropriate, comparable courses passed, grade points and grades will not be awarded for courses from non-US affiliated foreign schools. Only a “P” (pass) will be designated for credits earned in foreign schools that are non-US affiliated.

Grade Conversion for Transcripts with Letter Grades
Conversion of letter grades to numerical grades for students transferring in with letter grades from accredited schools will be based on numerical equivalents (reminder: only courses taken at ILTexas count towards GPS/class rank). Conversion of out-of-country students’ grade equivalency will be determined by evaluation of the students’ transcripts. A plus or a minus attached to a letter grade shall be converted as follows:

<table>
<thead>
<tr>
<th>A+</th>
<th>A</th>
<th>A-</th>
<th>B+</th>
<th>B</th>
<th>B-</th>
<th>C+</th>

<td>92</td>
<td>88</td>
<td>85</td>
<td>82</td>
<td>78</td>
<td>75</td>
<td>72</td>
<td>69</td>
</tr>
</tbody>
</table>

Student academic evaluation is achieved through the use of a grading system. An average grade of 70 is required for successful completion of a course. The grading system of ILTexas shall be in accordance with the following scale:

**On 100 Scale**
- A: 90 – 100
- B: 80 – 89
- C: 70 – 79
- *D: 70
- F: .......69 and below

**On 4.0 Scale**
- A: 4.0
- B: 3.0
- C: 2.0
- *D: 1.0 (for transfer of grades from dual credit courses)
- F: 0.0

To earn credit in a course, a student must receive a grade of 70 or higher based upon specific course or campus standards and meet minimum attendance requirements. Guidelines for grading must be in compliance with headquarters policy and shall be communicated to students and parents upon the student’s enrollment.

**Semester Average**
85% Average of the three grading periods 15% End of semester exam

**Six Weeks Averages and Weighting of Grades**
- Students will have a minimum of three grades per week per subject entered into the gradebook.
- Students will have a minimum of three exam or major project grades per grading cycle entered into the gradebook.
- Quizzes shall be weighted as exams

K-2: Exams and Major Projects– 50% Daily Assignments and Homework – 50%
3-5: Exams and Major Projects– 50% Daily Assignments and Homework – 50%
6-8: Exams and Major Projects– 50% Daily Assignments and Homework – 50%
9-12: Exams and Major Projects– 50% Daily Assignments and Homework – 50%

One-half credit may be earned in one semester. Students who fail either semester of a yearlong course may be permitted to continue the course and by cumulative grade average of 70 or higher for both semesters to receive credit for both semesters. Grades from correspondence courses, credit by exam, summer school, online courses, dual credit courses or credit recovery may be averaged with regular session semester grades to earn credit for both semesters of a yearlong course.

- *English III
- Algebra I

*Not a state requirement, nor an FSP graduation requirement. However, an ILTexas requirement

Satisfactory performance on the applicable assessments will be required for graduation, except in circumstances where a student may be eligible to graduate in accordance with a plan approved by an Individual Graduation Committee. (See “Individual Graduation Committee Decisions” below.)

There are three testing windows during the school year in which a student may take an EOC assessment, which will occur during the fall, spring, and summer months. If a student does not meet satisfactory performance, the student will have additional opportunities to retake the assessment.

Texas Success Initiative Assessment: Prior to enrollment in a Texas public college or university, most students must take a standardized test called the Texas Success Initiative (“TSI”) assessment. The purpose of the TSI assessment is to assess the reading, mathematics, and writing skills that entering freshmen-level students should have if they are to perform effectively in undergraduate certificate or degree programs in Texas public colleges and universities. This assessment may be required before a student enrolls in a dual-credit course offered through ILTexas as well.

Individual Graduation Committee Decisions

A student who was enrolled in the 11th or 12th grade and who has failed the EOC assessment graduation requirements for no more than two courses may receive a high school diploma if the student has qualified to graduate by means of an individual graduation committee (“IGC”). A student may not graduate under an IGC if the student did not take each required EOC assessment or an approved substitute assessment for each course for which there is an EOC assessment.

Please see the Principal for more information on the makeup of an IGC and all other requirements for graduation.

Accelerated Instruction

Parents of students who do not perform satisfactorily on their STAAR or EOC assessments will be notified that their child will participate in an Accelerated Instructional Program designed to improve performance. A student in grade 5 or 8 will have two additional opportunities to take a failed assessment. If a student fails a second time, a grade placement committee, consisting of the Principal or designee, the student’s teacher, and the student’s parent will determine the additional special instruction the student will receive.

Students will also have multiple opportunities to retake EOC assessments.

If a student fails after a third attempt, the student will be retained at his or her current grade level. The parent, however, may appeal this decision to the grade placement committee. A decision to promote a student to the next grade level must be unanimous. Regardless of whether the student is retained or promoted, an educational plan for the student will be designed to enable the student to perform at grade level by the end of the next school year.

In addition to the requirements listed above for students in grades 5 and 8, a student may be considered for retention if they have met any of the following criteria:

1. failed one or more core subject areas;
2. failed one or more state assessments
3. is below level in one or more core subject areas;
4. missed more than 10% of instructional days in an academic year. The decision must be made by a committee, which is comprised of the child’s core subject area teachers, the counselor, and the Principal.

Students with Disabilities: Upon the recommendation of the Admission, Review, and Dismissal (“ARD”) Committee, a student with disabilities who is receiving special education services may be promoted and/or permitted to graduate under the provisions of his or her Individualized Education Program (“IEP”).

A student who receives special education services and has completed four years of high school, but has not met the requirements of his or her IEP, may participate in graduation ceremonies and receive a certificate of attendance. Even if the student participates in graduation ceremonies to receive the
certificate of attendance, he or she may remain enrolled to complete the IEP and earn his or her high school diploma; however, the student will only be allowed to participate in one graduation ceremony.

**For the Class of 2018 and Beyond**

Students who enter high school during the 2014-15 school year and thereafter will graduate under the foundation school program. Within the foundation graduation program are “endorsements,” which are described below. Endorsements earned by a student will be noted on the student’s transcript and diploma. The foundation graduation program also involves the term “distinguished level of achievement,” which reflects the completion of at least one endorsement and Algebra II as one of the required advanced mathematics credits. State law and rules prohibit a student from graduating solely under the foundation graduation program without an endorsement unless, after the student’s sophomore year, the student and the student’s parent are advised of the specific benefits of graduating with an endorsement and submit written permission to an appropriate school administrator for the student to graduate without an endorsement. A student who anticipates graduating under the foundation graduation program without an endorsement and who wishes to attend a four-year university or college after graduation must carefully consider whether this will satisfy the admission requirements of the student’s desired college or university. Graduating under the foundation graduation program will also provide opportunities to earn “performance acknowledgements” that will be acknowledged on a student’s diploma and transcript.

Students will need to declare their preferred endorsement area, in writing, by the beginning of their 9th grade year. Students will be able to change their endorsement at any time. An endorsement is basically an opportunity for students to select a “major” during their high school career.

The endorsement areas are:

- Arts & Humanities
- Business & Industry
- Multidisciplinary
- Public Service
- Science, Technology, Engineering & Math (STEM)

**NOTE:** To earn the STEM endorsement students MUST take Algebra II, Chemistry & Physics in concert with other Foundation + Endorsement Program requirements

ILTexas offers courses to meet endorsements in all areas. There are specific course requirements in the foundation curriculum based on the Endorsement selected.

**ADDITIONAL INFORMATION REGARDING THE FHSP AND GRADUATION PLANS FOR STUDENTS ENTERING GRADE 9 PRIOR TO THE 2014–2015 SCHOOL YEAR MAY BE OBTAINED FROM THE PRINCIPAL.**

**GRADE CLASSIFICATION**

The following standards apply to grade classification. Standing is determined at the start of each school year. Classification is for the complete school year.

**Core Classification**

*Four English:* I, II, III, IV, and/or other approved English course

*Four Math:* Algebra I, Algebra II, Geometry, and/or other approved Math course

CLASS LOADS
ILTexas high schools have 10 period block schedules. All students must be enrolled in all 10 classes, unless they are participating in the dual credit program or a qualifying internship.
CREDIT BY EXAM (CBE) FOR ACCELERATION

ILTexas uses examinations and guidelines established by the State Board of Education to offer credit and acceleration by exam. Credit by examination may not be available for courses that require students to successfully complete an end-of-course exam.

If a Student has Prior Instruction

A student in grades 6–12 who has previously taken a course or subject (but did not receive credit for it) may, in circumstances determined by the Principal or designee, be permitted to earn credit by passing an exam on the essential knowledge and skills defined for the course or subject. To receive credit, a student must score at least 70% on the exam.

The Attendance Review Committee may also offer a student with excessive absences an opportunity to receive credit for a course by passing an exam.

If a Student Has Not Taken the Course

A student will be permitted to take an exam to earn credit for an academic course or subject area for which the student has had no prior instruction or to accelerate to the next grade level. The exams offered by ILTexas are approved by the Board of Directors. The dates on which exams are scheduled during the academic year will be published in an appropriate school publication and on the ILTexas website.

A student in grade 6 or above will earn course credit with a passing score of at least 80 on the exam, or a score designated by the state for an exam that has alternate scoring standards. A student may take an exam to earn course credit no more than twice. If a student fails to achieve the designated score on the approved exam before the beginning of the school year in which the student would need to enroll in the course according to the school’s course sequence, the student must complete the course.

If a student plans to take an exam, the student (or parent) must register with the Principal no later than 30 days prior to the scheduled testing date. ILTexas will not honor a request by a parent to administer a test on a date other than the published dates. If ILTexas agrees to administer a test other than the one chosen by the school, the student’s parent will be responsible for the cost of the exam.

CREDIT RECOVERY GUIDELINES

The goal of the ILTexas Credit Recovery Program is to assist students deficient in credits. It is the responsibility of each student to be aware of their progress toward a diploma and to take full advantage of the assistance available. Please contact the individual campus for additional information. ILTexas utilizes the Plato/Edmentum courseware to assist with credit recovery.

High school students who fail a course may recover credit through the following options:

1. Correspondence
2. Credit by Examination
3. Summer School
4. On-line courses
5. Dual-credit
6. Repeating the class during the school day
7. Credit Recovery class scheduled before or after school
PLATO FOR INITIAL CREDIT

Plato courses may be used for initial credit under extenuating circumstances, pending counselor and principal’s written approval. The preference is for students to receive face to face instruction in a traditional setting for initial credit; however, there may be scenarios (schedule conflicts, singleton courses, students needing a course not offered, etc.) where we will need to look to the Plato catalogue of courses as an option. Plato courses taken for initial credit will receive a weight of 1.0, regardless of level or rigor.

- Any cost associated with any Credit Recovery or courses for acceleration outside of the school day will be the responsibility of the student and parent.
- Course progress will be checked weekly and good attendance and effort must be evident or the student may be dismissed from the credit recovery course with no refund.
- For dual credit courses, transportation to and from the college campus either outside of the school day or during the school day will be the responsibility of the student and parent.
- Seniors planning to participate in graduation must provide proof of credit earned and recorded at least seven school days before graduation. All other students must provide proof of credit prior to the start of the following school year in order to receive credit that would result in promotion to the next grade level. Reclassification is only done each year prior to the start of school except when students are classified as juniors who are enrolled in courses for the second semester that would enable them to graduate if completed successfully will be reclassified as seniors at mid-term. Students must seek prior approval from appropriate campus staff before enrolling in any of the credit recovery options.
- Students should refer to existing guidelines for details regarding Correspondence, Credit by Exam, Dual-Credit, Summer School and On-line Courses.
- Final decisions regarding placement in credit recovery rest with the campus principal.

Steps to take to place a newly enrolled student into a language course

- Please review the student's transcript and withdraw paperwork before making any placement decisions.
- Please reach out to the headquarters Chinese or Spanish Director if you have any questions regarding placement or testing.
- All ILTexas students will enroll in both a Chinese and Spanish course from 6-12 grade.
- Decisions should be made using the following criteria.

HEALTH INFORMATION

ALCOHOL-FREE SCHOOL NOTICE

In order to provide a safe and alcohol-free environment for students and employees, all alcoholic beverages are prohibited on ILTexas property at all times, and at all school-sanctioned activities occurring on or off school property. Student violators are subject to possible prosecution, as allowed by law, as well as the disciplinary terms of the Student Code of Conduct.

DRUG-FREE SCHOOL NOTICE

ILTexas believes that student use of illicit drugs is both wrong and harmful. Consequently, ILTexas prohibits the use, sale, possession, or distribution of illicit drugs by students on school premises or any school activity, regardless of its location. ILTexas also prohibits the use, sale, possession, or distribution of look-alike substances and/or synthetic substances designed to imitate the look and/or effects of illicit drugs. Student violators are subject to possible prosecution, as allowed by law, as well as the disciplinary terms of the Student Code of Conduct.
TOBACCO-FREE SCHOOL NOTICE

Smoking (including electronic cigarettes, cigars, and pipes) and using tobacco products is prohibited in school buildings, vehicles, or on or near school property, or at school-related or school-sanctioned events off school property. Students may not possess tobacco products at any of the locations or activities listed above. Student violators are subject to possible prosecution, as allowed by law, as well as the disciplinary terms of the Student Code of Conduct.

ASBESTOS MANAGEMENT PLAN

All school facilities have been inspected for asbestos by a licensed Asbestos Hazard Emergency Response Act (“AHERA”) inspector. An Asbestos Management Plan has been created for each ILTexas campus in accordance with federal regulations. Parents may view the Asbestos Management Plan by contacting the Principal. Copies of the management plan are also available at a reasonable charge.

BACTERIAL MENINGITIS INFORMATION

State law requires ILTexas to provide the following information:

What is bacterial meningitis?

Meningitis is an infection of the fluid surrounding the brain and spinal cord. It is usually caused by viruses, bacteria, parasites, and fungi. Viral meningitis is the most common and least serious. Most people completely recover from viral meningitis. Parasitic and fungal meningitis are very rare. Bacterial meningitis is very serious and may involve complicated medical treatment.

What are the symptoms of bacterial meningitis?

Someone with meningitis will become very ill but not everyone with meningitis will have the same symptoms. The illness may develop over one or two days, but it can also rapidly progress in a matter of hours. Children (over one year old) and adults with meningitis may have a severe headache, high temperature, nausea, vomiting, sensitivity to bright lights, neck stiffness or joint pain, drowsiness, or confusion. In both children and adults, there may be a rash or tiny red-purple spots that can occur on any part of the body.

How is Bacterial Meningitis diagnosed?

The diagnosis of bacterial meningitis is based on a combination of symptoms and laboratory results.

How serious is Bacterial Meningitis?

Bacterial meningitis is a very serious disease. If it is diagnosed early and treated promptly, the majority of people make a complete recovery. Even with prompt treatment, some cases may result in permanent disabilities such as loss of hearing, loss of vision, mental retardation, paralysis, or limb amputations. Bacterial meningitis can also be fatal.

How is bacterial meningitis spread?

Fortunately, none of the bacteria that cause meningitis are as contagious as diseases like the common cold or the flu, and they are not spread by casual contact or by simply breathing the air where a person with meningitis has been. The germs that cause meningitis live naturally in the back of our noses and throats, but they do not live for long outside the body. They are spread when people exchange saliva (such as by kissing, sharing drinking containers, eating utensils or cigarettes). The germ does not cause meningitis in most people. Instead, most people become carriers of the germ for days, weeks
or even months. Being a carrier helps to stimulate your body’s natural defense system. The bacteria rarely overcome the body’s immune system and causes meningitis or another serious illness.

How can bacterial meningitis be prevented?

Bacterial meningitis can be prevented by limiting the number of people you kiss and by not sharing food, drinks, utensils, toothbrushes, or cigarettes.

Vaccines that help prevent meningitis are required for young children, if there is a meningitis outbreak in the community, and for people traveling to foreign countries where there is a high risk of getting the disease. A vaccine that can prevent meningitis in adolescents and young adults is state mandated for students in grades 7–12 and unvaccinated first year college students ages 19–21. Administer booster dose if most recent dose given was when student was younger than age 16. The vaccine is safe and effective (85%-90%). It can cause mild side effects such as redness and discomfort at the injection site lasting up to two days

What should you do if you think you or a friend might have bacterial meningitis? You should seek prompt medical attention.

Where can you get more information?

Your family doctor and the staff at your local or regional health department office are excellent sources for information on all communicable diseases. You may also call your local health department or Regional Texas Department of Health office to ask about meningococcal vaccine. Additional information may also be found at the web sites for the Centers for Disease Control and Prevention: www.cdc.gov and the Texas Department of State Health Services: www.dshs.state.tx.us.

EMERGENCY MEDICAL TREATMENT

If a student has a medical emergency at school or a school-related activity and the parent cannot be reached, ILTexas staff will seek emergency medical treatment unless the parent has previously provided a written statement denying this authorization. Therefore, parents are asked each year to complete an emergency care consent form. Parents should keep emergency care information up-to-date (name of doctor, emergency phone numbers, allergies, etc.). Please contact the campus registrar to update any information.

STUDENT ILLNESS

When your child is ill, please contact ILTexas to let us know he or she will not be attending that day. Students must be fever-free without the use of fever-reducing medication and must be free of vomiting/diarrhea without the use of diarrhea suppressing medication for at least 24 hours before returning to school.

If a student becomes ill during the school day, he or she must receive permission from the teacher before reporting to the school nurse. If the nurse determines that the child should go home, the nurse will contact the parent.

DISPENSING OF PRESCRIPTION MEDICATIONS AT SCHOOL

ILTexas recognizes medication orders provided by health-care professionals (MD, DO, DDS, APN, PA, etc.) that are licensed by the State of Texas and have authority to write prescriptions.
Medication must be filled by a pharmacist licensed by the State of Texas. **In accordance with the Texas Board of Nursing’s Nurse Practice Act, ILTexas will not administer medications prescribed or filled in Mexico.**

All prescriptions MUST be in the ORIGINAL and be properly labeled container. Prescription labels must include the student's name, name of medication, date filled, dosage, how the medication is administered, time/or frequency to give the medication, and physician’s name printed on the bottle. All prescriptions shall be accompanied by a “Permission to Administer” form and signed by the parent. It must state the instructions on the prescription label and must include the parent’s daytime phone numbers. Permission forms are available through the clinic and are active for one school year. If a prescription changes, the parent/guardian must complete a new permission form.

- Parents should deliver medications to the clinic or nurse’s office for their children. Please do not send medications to school with the student.
- Paperwork must be completed and signed by the parent/guardian and prescribing physician.
- Students K-5 should NEVER have any medications in the backpacks, purses, or on themselves.
- Medication will be secured, stored and administered only in the nurse’s office.

**DISPENSING OF OVER-THE-COUNTER (OTC)/NON-PRESCRIPTION MEDICATIONS AT SCHOOL**

International Leadership of Texas does not provide OTC (Over-the-counter) or prescription medication for students.

Medication packaged as a physician’s sample or OTC must be provided by the parent/guardian and accompanied by a written, signed prescription by the doctor, including all information listed above. Prescription and OTC medications will only be given if the parent’s and physician’s current phone numbers are on file in the nurse’s office.

Non-prescription medication must be provided by the parent or guardian labeled with the students’ name and in the original manufacturer’s container. OTC medications will be kept in the nurse’s office ONLY if a medication administration form signed by the prescribing physician is provided.

NO aspirin will be given to students. Herbal, experimental, trial or medications not approved by the FDA will not be administered to students, unless the medication is required by the student’s Individualized Education Program (“IEP”) or Section 504 plan for a student with disabilities.

The nurse keeps no medications of any kind in stock.

**Any student found taking medication or giving medication to another student will be subject to school disciplinary action per the Student Code of Conduct.**

**ASTHMA AND ANAPHYLAXIS MEDICATIONS**

Asthma and anaphylaxis are life-threatening conditions, and students with those conditions are entitled to possess and self- administer prescription medication while on school property or at school-related events. Student possession and self- administration of asthma or anaphylaxis medication at school requires the student to demonstrate his or her ability to self- administer the medication to the student’s physician or other licensed health care provider and the school nurse, if available. Requirements also include written authorization from the student’s parent and physician or other licensed health care provider on file in the school office indicating the student is capable of independently administering his or her own asthma or emergency anaphylaxis medication.
Medication in a student’s possession must be in an original container with a prescription label. Please note that most pharmacies will place a label on the inhaler device upon request.

**SEVERE ALLERGIC REACTION**

It is the responsibility of the parents to ensure that the nurse is aware of any student’s hypersensitivities to food/environment/insects. An Allergy Action Plan is advised for any student with a known history of anaphylactic reaction and is available from the school nurse. Students requiring medication for the treatment of an allergic reaction (Examples of medication include Benadryl in a lotion or pill form, Epi-pen, or topical creams) must have a signed Allergy Action Plan and a “Permission to Administer” form on file in the nurse’s clinic.

**COMMUNICABLE DISEASES**

To protect other students from contagious illnesses, students infected with certain diseases are not allowed to come to school while contagious. Parents of students with a communicable or contagious disease should notify the Campus Principal or designee so that other students who might have been exposed to the disease can be alerted. School authorities will report those students who are suspected of having a reportable condition. A list of reportable conditions can be found on the DSHS website: [http://www.dshs.state.tx.us/idcu/investigation/conditions/](http://www.dshs.state.tx.us/idcu/investigation/conditions/).

Any student excluded from school attendance for reason of communicable disease may be readmitted by one or more of the following methods, as determined by the local health authority:

- Certificate of the attending physician, advanced practice nurse, or physician assistant attesting that the child does not currently have signs or symptoms of a communicable disease or to the disease’s non-infectiousness in a school setting;
- Submitting a permit for readmission issued by a local health authority; or
- Meeting readmission criteria as established by the commissioner of health.

**IMMUNIZATIONS**

The State of Texas requires that every child in the state be immunized against vaccine preventable diseases caused by infectious agents in accordance with an established immunization schedule.

To determine the specific number of doses that are required for your student, please read “2020–2021 Texas Minimum State Vaccine Requirements for Students Grades K–12” document issued by the TDSHS. Specific immunization information is available on the TDSHS website at [http://www.dshs.texas.gov/immunize/school/](http://www.dshs.texas.gov/immunize/school/).

Proof of immunization may be personal records from a licensed physician or public health clinic with a signature or rubber-stamp validation.

**Provisional Enrollment**

A student can be enrolled provisionally for no more than 30 days if her or she transfers from one Texas school to another, and is awaiting the transfer or the immunization record.

A student may be enrolled provisionally if the student has an immunization record that indicates the student has received at least one dose of each specified age-appropriate required vaccine. To remain enrolled, the student must complete the required subsequent doses in each vaccine series on schedule and as rapidly as is medically feasible and provide acceptable evidence of vaccination to the school. ILTexas shall review the immunization status of a provisionally enrolled student every 30 days to ensure continued compliance in completing the required doses of vaccination. If at the end of the 30-
day period, a student has not received a subsequent dose of vaccine, then the student is not in compliance and ILTexas shall exclude the student from school attendance until the required dose is administered.

A student who is homeless, as defined by the McKinney Act (42 U.S.C. § 11302), shall be admitted temporarily for 30 days if acceptable evidence of vaccination is not available. ILTexas shall promptly refer the student to appropriate public health programs to obtain the required vaccinations.

**Exclusions from Immunization Requirements**

Exclusions from immunization requirements are allowable on an individual basis for medical reasons, reasons of conscience (including a religious belief), and active duty with the armed forces of the United States.

To claim exclusion for medical reasons, the student must present a statement signed by the student’s physician (M.D. or D.O.), duly registered and licensed to practice medicine in the United States who has examined the student, in which it is stated that, in the physician’s opinion, the vaccine required is medically contraindicated or poses a significant risk to the health and well-being of the student or any member of the student’s household. Unless it is written in the statement that a lifelong condition exists, the exemption statement is valid for only one year from the date signed by the physician.

To claim an exclusion for reasons of conscience, including a religious belief, a signed Texas Department of State Health Services (“TDSHS”) affidavit must be presented by the student’s parent, stating that the student’s parent declines vaccinations for reasons of conscience, including because of the person’s religious beliefs. The affidavit will be valid for a period of two years. The form affidavit may be obtained by writing the TDSHS Immunization Branch (MC 1946), P.O. Box 149347, Austin, Texas 78714-9347, or online at [https://corequest.dshs.texas.gov/](https://corequest.dshs.texas.gov/). The form must be submitted to the Campus Principal within 90 days from the date it is notarized. If the parent is seeking an exemption for more than one student in the family, a separate form must be provided for each student. Students, who have not received the required immunizations for reasons of conscience, including religious beliefs, may be excluded from school in times of emergency or epidemic declared by the commissioner of public health.

To claim exclusion for armed forces, the student must prove that he or she is serving on active duty with the armed forces of the United States.

**Immunization Records Reporting**

ILTexas’ record of a student’s immunization history, while private in most instances, may be inspected by the Texas Education Agency, local health departments, and TDSHS and transferred to other schools associated with the transfer of the student to those schools.

**STEROID NOTICE**

ILTexas does not permit steroid use. A notice shall be posted in a conspicuous location in the school gym or in each other place in a building where physical education classes are conducted for 7th grade and higher.
SUPPLEMENTAL INFORMATION

LAW ENFORCEMENT AGENCIES

Questioning of Students

When law enforcement officers or other lawful authorities wish to question or interview a student at school, the Principal will cooperate fully regarding the conditions of the interview if the questioning or interview is part of a child abuse investigation. In other circumstances:

1. The Principal or designee shall verify and record the identity of the official and request an explanation of the need to question or interview the student at school.
2. The Principal or designee ordinarily will make reasonable efforts to notify the student’s parent, unless the interviewer raises what the Principal or designee considers to be a valid objection.
3. The Principal or designee ordinarily will be present during the questioning or interview, unless the interviewer raises what the Principal or designee considers to be a valid objection.

When the investigation involves allegations of child abuse, special rules apply.

Students Taken into Custody

State law requires ILTexas to permit a student to be taken into legal custody:

1. Pursuant to an order of the juvenile court;
2. Pursuant to the laws of arrest;
3. By a law enforcement officer if there is probable cause to believe the student has engaged in conduct that violates a penal law, delinquent conduct or conduct in need of supervision, or conduct that violates a condition of probation imposed by the juvenile court;
4. By a probation officer if there is probable cause to believe the student has violated a condition of probation imposed by the juvenile court;
5. Pursuant to a properly issued directive to apprehend; or
6. By an authorized representative of the Texas Department of Family and Protective Services (“TDFPS”), a law enforcement officer, or a juvenile probation officer, without a court order, under the conditions set out in Section 262.104 of the Texas Family Code relating to the student’s physical health or safety.

Before a student is released to a law enforcement officer or other legally authorized person, the Principal or designee will verify the officer’s identity and, to the best of his or her ability, verify the official’s authority to take custody of the student.

The Principal or designee will immediately notify the Superintendent and will ordinarily attempt to notify the parent unless the officer or other authorized person raises what the Principal or designee considers to be a valid objection to notifying the parents. Because the Principal or designee does not have the authority to prevent or delay a student’s release to a law enforcement officer, any notification will most likely be after the fact.

CHILD ABUSE REPORTING AND PROGRAMS

ILTexas provides child abuse anti-victimization programs and cooperates with official child abuse investigators as required by law. The school also provides training to its teachers and students in preventing and addressing incidents of sexual abuse and other maltreatment of children, including knowledge of likely warning signs indicating that a child may be a victim of sexual abuse or maltreatment. Assistance, interventions and counseling options are also available.
The school’s administration shall cooperate with law enforcement investigations of child abuse, including investigations by the Texas Department of Protective and Family Services. School officials may not refuse to permit an investigator to interview a student who is alleged to be a victim of abuse or neglect at school. School officials may not require the investigator to permit school personnel to be present during an interview conducted at school.

Investigations at school may be conducted by authorized law enforcement or state agencies without prior notification or consent of the student’s parent, if necessary.

**PLAN FOR ADDRESSING SEXUAL ABUSE AND OTHER MALTREATMENT OF CHILDREN**

**What is Sexual Abuse of a Child?**

The Texas Family Code defines “sexual abuse” as any sexual conduct harmful to a child’s mental, emotional, or physical welfare as well as, in certain circumstances, failure to make a reasonable effort to prevent sexual conduct harmful to a child.

**What is Other Maltreatment of a Child?**

Under State law, “other maltreatment” of a child includes “abuse” or “neglect,” as defined by the Texas Family Code sections 261.001 and 261.401.

**Reporting Obligation**

Anyone who suspects that a child has been or may be abused or neglected has a legal responsibility, under state law, for reporting the suspected abuse or neglect to law enforcement or to the Texas Department of Family and Protective Services (“DFPS”). Reports may be made by contacting one of the following:

- Texas Abuse Hotline: 1-800-252-5400 or, in non-emergency situations only; http://www.txabusehotline.org;
- Your local police department; or
- Call 911 for emergency situations.

ILTexas has established a plan for addressing child sexual abuse and other maltreatment of children (the “Plan”). The Plan is addressed in this section of the Handbook.

**Methods for Increasing Awareness Regarding Sexual Abuse or Other Maltreatment of Children**

For Staff: ILTexas annually trains staff in all content areas addressed in the Plan. Training is provided by campus staff, administrative staff, or outside agencies as determined by the campus administration.

For Students: School counseling staff will address issues to increase awareness regarding sexual abuse and other maltreatment of children and anti-victimization programs with age appropriate conversation and materials no less than once per school year. These discussions will occur in classroom group settings.

For Parents: Parents must be aware of warning signs indicating that their child may have been or is being sexually abused or otherwise maltreated. A child who has experienced sexual abuse or other maltreatment should be encouraged to seek out a trusted adult. Be aware as a parent or other trusted adult that evidence of sexual abuse or other maltreatment may be more indirect than disclosures or signs of physical abuse. It is important to remain calm and comforting if your child, or another child, confides in you. Reassure the child that he or she did the right thing in coming to you.
The fact that the abuser is a parent or other family member does not remove your obligation to protect the child. Parents who permit their child to remain in a situation where he or she may be injured or abused may also be subject to prosecution for child abuse. And, if you are frightened for your own safety or that of your child, you should call 911 or 1-800-252-5400.

Also remember that parents are legally responsible for the care of their children and must provide their children with safe and adequate food, clothing, shelter, protection, medical care and supervision, or arrange for someone else to provide these things. Failure to do so may be considered neglect.

The Principal or designee will provide information regarding counseling options available in your area for you and your child if your child is a victim of sexual abuse or other maltreatment. The DFPS also provides early abuse intervention through counseling programs. Services available in your county can be accessed at the following web address:

Likely Warning Signs of Sexual Abuse or Other Maltreatment

Psychological and behavioral signs of possible sexual abuse or other maltreatment may include:

- Nightmares, sleep problems, extreme fears without an obvious explanation.
- Sudden or unexplained personality changes; becoming withdrawn, angry, moody, clingy, “checking out” or showing significant changes in eating habits.
- Depression or irritability.
- An older child behaving like a young child, for example, bedwetting or thumb sucking.
- Developing fear of certain places or resisting being alone with an adult or young person for unknown reasons.
- Resistance to routine bathing, toileting, or removing clothes, even in appropriate situations.
● Play, writing, drawings, or dreams of sexual or frightening images.
● Refusal to talk about a secret he or she has with an adult or older child.
● Leaving clues that seem likely to provoke a discussion about sexual issues.
● Using new or adult words for body parts.
● Engaging in adult-like sexual activities with toys, objects or other children.
● Developing special relationships with older friends that may include unexplained money, gifts, or privileges.
● Intentionally harming him or herself, for example, drug/alcohol use, cutting, burring, running away, and sexual promiscuity.
● Thinking of self or body as repulsive, dirty, or bad.
● Becoming increasingly secretive about Internet or telephone use.

Physical symptoms of possible sexual abuse or other maltreatment include:

● Stomachaches or illness, often with no identifiable reason.
● Difficulty in walking or sitting.
● Stained or bloody underwear.
● Genital or rectal pain, itching, swelling, redness, or discharge.
● Bruises or other injuries in the genital or rectal area.
● Unexplained soreness, pain or bruises around mouth, sexually transmitted disease, or pregnancy.

Any one sign does not necessarily mean that a child has been sexually abused or maltreated, but the presence of several signs is the time you should begin asking questions and seeking help. Often signs first emerge at other times of stress, such as during a divorce, death of a family member or pet, problems at school or with friends, or other traumatic or anxiety-inducing events.

**Actions That a Child Who Is a Victim of Sexual Abuse or Other Maltreatment Should Take**

During student awareness sessions concerning sexual abuse and other maltreatment issues, students will be encouraged to tell a trusted adult in a private and confidential conversation if they have been a victim of sexual abuse or other maltreatment or have been in situations that make them feel uncomfortable in any way. School employees are trained to take appropriate actions to help the child obtain assistance and to follow proper reporting procedures. Older students will also be provided with local crisis hotline numbers to obtain assistance.

**FREEDOM FROM DISCRIMINATION, HARASSMENT, AND RETALIATION**

**Statement of Nondiscrimination**

ILTexas prohibits discrimination, including harassment, against any student on the basis of race, color, religions, gender or sex, national origin, disability, age, or any other basis prohibited by law. ILTexas also prohibits dating violence, as defined by this Handbook. Retaliation against anyone involved in the complaint process is a violation of school policy.
Discrimination

For purposes of this Handbook, discrimination against a student is defined as conduct directed at a student on the basis of race, color, religion, gender or sex, national origin, disability, age, or any other basis prohibited by law and that adversely affects the student.

Prohibited Harassment

Prohibited harassment of a student is defined as physical, verbal, or nonverbal conduct based on the student’s race, color, religion, gender or sex, national origin, disability, age, or any other basis prohibited by law that is so severe, persistent, or pervasive that the conduct:

- Affects a student’s ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
- Has the purpose or effect of substantially or unreasonably interfering with the student’s academic performance; or
- Otherwise adversely affects the student’s educational opportunities.

Examples of prohibited harassment may include offensive or derogatory language directed at another person’s religious beliefs or practices, accent, skin color, or need for accommodation; threatening or intimidating conduct; offensive jokes; name calling, slurs, or rumors; physical aggression or assault; display of graffiti or printed material promoting racial, ethnic, or other negative stereotypes; or other kinds of aggressive conduct such as theft or damage to property.

Sexual Harassment and Gender-Related Harassment

In compliance with the requirements of Title IX, ILTexas does not discriminate on the basis of sex in its educational programs or activities. Sexual harassment of a student, including harassment committed by another student, includes unwelcome sexual advances; requests for sexual favors; or sexually motivated physical, verbal, or nonverbal conduct when the conduct is so severe, persistent, or pervasive that it:

- Affects the student’s ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
- Has the purpose or effect of substantially or unreasonably interfering with the student’s academic performance; or
- Otherwise adversely affects the student’s educational opportunities.

Examples of sexual harassment of a student may include sexual advances; touching intimate body parts or coercing physical contact that is sexual in nature; jokes or conversations of a sexual nature; and other sexually motivated conduct, communications, or contact.

ILTexas also does not tolerate sexual harassment of a student by school employees. Romantic or inappropriate social relationships between students and school employees are prohibited. Any sexual relationship between a student and a school employee is always prohibited, even if consensual.

Sexual harassment of a student by a school employee includes both welcome and unwelcome sexual advances; requests for sexual favors; sexually motivated physical, verbal, or nonverbal conduct; or other conduct or communication of a sexual nature when:

- A school employee causes the student to believe that the student must submit to the conduct in order to participate in a school program or activity, or that the employee will make an educational decision based on whether or not the student submits to the conduct; or
- The conduct is so severe, persistent, or pervasive that it:
Affects the student’s ability to participate in or benefit from an educational program or activity, or otherwise adversely affects the student’s educational opportunities; or
- Creates an intimidating, threatening, hostile, or abusive educational environment.

Gender-based harassment includes harassment based on a student’s gender, expression by the student of stereotypical characteristics associated with the student’s gender, or the student’s failure to conform to stereotypical behavior related to gender.

Examples of gender-based harassment directed against a student, regardless of the student’s or the harasser’s actual or perceived sexual orientation or gender identity, may include, but not be limited to, offensive jokes, name-calling, slurs, or rumors; physical aggression or assault; threatening or intimidating conduct; or other kinds of aggressive conduct such as theft or damage to property.

**Dating Violence**

Dating violence occurs when a person in a current or past dating relationship uses physical, sexual, verbal, or emotional abuse to harm, threaten, intimidate, or control the other partner. Examples of dating violence against a student may include physical or sexual assaults, name-calling, put-downs, threats to hurt the student or the student’s family members or members of the student’s household, destroying property belonging to the student, threats to commit suicide or homicide if the student ends the relationship, attempts to isolate the student from friends and family, stalking, or encouraging others to engaged in these behaviors.

For purposes of this Handbook, dating violence is considered prohibited harassment if the conduct is so severe, persistent, or pervasive that the conduct:
- Affects the student’s ability to participate in or benefit from an educational program or activity, or creates an intimidating, threatening, hostile, or offensive educational environment;
- Has the purpose or effect of substantially or unreasonably interfering with the student’s academic performance; or
- Otherwise adversely affects the student’s educational opportunities.

**Retaliation**

ILTexas prohibits retaliation against a student alleged to have experienced discrimination or harassment, including dating violence, or another student who, in good faith, makes a report, serves as a witness, or otherwise participates in an investigation. Examples of retaliation may include threats, rumor spreading, ostracism, assault, destruction of property, unjustified punishments, or unwarranted grade reductions. Unlawful retaliation does not include petty slights or annoyances.

A student who intentionally makes a false claim, offers false statements, or refuses to cooperate with a school investigation regarding discrimination or harassment is subject to appropriate discipline.

**Reporting Procedures**

Any student who believes that he or she has experienced prohibited discrimination, harassment, or retaliation (“prohibited conduct”) or believes that another student has experienced prohibited conduct should immediately report the alleged acts to a teacher, counselor, the Campus Principal, or the designated Compliance Coordinator. Any school employee who receives a report of prohibited conduct must immediately relay the report to the Campus Principal.

Upon receipt of a report of prohibited conduct, the Campus Principal will immediately notify the appropriate Compliance Coordinator designated to investigate the complaint, as follows:
1. Reports of prohibited conduct based on sex, including sexual harassment will be directed to the local Title IX Coordinator: Victor Cathey.

2. Reports of prohibited conduct based on age will be directed to the Chief Legal Officer.

3. Reports of prohibited conduct based on disability will be directed to the ADA/Section 504 Coordinator: Shannon Urbina, Executive Director of Special Populations.

4. A student shall not be required to report prohibited conduct to the person alleged to have committed the conduct. Reports of prohibited conduct against a Campus Principal should be submitted to the designated Compliance Coordinator. Reports against a Compliance Coordinator may be directed to the CEO.

Investigation of Complaints

Students and parents are encouraged to report potential prohibited conduct as soon as possible, so that the school may conduct a thorough and efficient investigation. After receiving a complaint of potential prohibited conduct, the school may, but need not, require the student to prepare a written report. Oral complaints will be reduced to written form. When appropriate, the school may take interim action to avoid additional opportunities for discrimination, harassment, or retaliation.

Upon receipt of a complaint, the Compliance Coordinator or designee shall promptly authorize and undertake an investigation. Following completion of the investigation, the Compliance Coordinator or designee will prepare a written decision regarding the complaint, including a determination of whether prohibited discrimination or harassment occurred.

The investigation may consist of personal interviews with the person making the report, the person against whom the report is filed, and any others with knowledge of the circumstances surrounding the allegations. If the results of the investigation establish that prohibited conduct occurred, the school shall promptly respond by taking appropriate disciplinary or corrective action reasonably calculated to address the prohibited conduct and prevent its recurrence. The school may take disciplinary action based on the results of an investigation, even if the school concludes that the conduct did not rise to the level of prohibited conduct prohibited by law or policy.

Confidentiality

To the greatest extent possible, ILTexas will respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary in order to conduct a thorough investigation and comply with applicable law.

Appeal

A student or parent who is dissatisfied with the outcome of the investigation may appeal through the process set forth in the “Parent and Student Complaints and Grievances” process beginning on page 44 of this handbook. The student and/or parent shall also be informed of his or her right to file a complaint with the United States Department of Education, Office for Civil Rights.

**FREEDOM FROM BULLYING AND CYBER-BULLYING**

ILTexas prohibits bullying as defined by this section, as well as retaliation against anyone involved in the complaint process. Bullying means a single significant act or a pattern of acts by one or more students directed at another student that exploits an imbalance of power and involves engaging in written or verbal expression, expression through electronic means, or physical conduct that:

- Has the effect or will have the effect of physically harming a student, damaging a student’s property, or placing a student in reasonable harm to the student’s person or damage to the student’s property;
- Is sufficiently severe, persistent, or pervasive enough that the action or threat creates an intimidating,
threatening, or abusive educational environment for a student; or
● Materially and substantially disrupts the educational process or the orderly operation of a classroom or the School; or
● Infringes on the rights of the victim at school.

Cyberbullying means bullying that is done through the use of any electronic communication device, including through the use of a cellular or other type of telephone, a computer, a camera, electronic mail, instant messaging, text messaging, a social media application, an Internet website, or any other Internet-based communication tool.

The school’s bullying policy applies to:
● Bullying that occurs on or is delivered to school property or to the site of a school-sponsored or school-related activity on or off school property;
● Bullying that occurs on a publicly or privately-owned school bus or vehicle being used for transportation of students to or from school or a school-sponsored or school-related activity; and
● Cyberbullying that occurs off school property or outside of a school-sponsored or school-related activity if the cyberbullying:
  o Interferes with a student’s educational opportunities; or
  o Substantially disrupts the orderly operation of a classroom, school, or school-sponsored or school-related activity.

Reporting Procedures

Any student who believes that he or she has experienced any form of bullying or believes that another student has experienced bullying should immediately report the alleged acts to the Principal or designee, a teacher, counselor, or other school employee. A report may be made orally or in writing, and may be submitted anonymously. Any school employee who receives notice that a student has or may have experienced bullying shall immediately notify the Principal or designee. The Principal or designee will notify the victim, the student who engaged in bullying, and any student witnesses of available counseling options.

The Principal or designee shall provide notice of incident of alleged bullying to:
● A parent or guardian of the alleged victim on or before the third business day after the date the incident is reported; and
● A parent or guardian of the alleged bully within a reasonable amount of time after the incident.

Investigation of Report

The Principal or designee shall determine whether the allegations in the report, if proven, would constitute prohibited harassment and, if so, proceed under that policy instead. The Principal or designee shall conduct an appropriate investigation based on the allegations in the report, and shall take prompt interim action calculated to prevent bullying during the course of an investigation, if appropriate.

The Principal or designee shall prepare a written report of the investigation, including a determination of whether bullying occurred. If the results of an investigation indicated that bullying occurred, the school shall promptly respond by taking appropriate disciplinary or corrective action reasonably calculated to address the conduct in accordance with the Student Code of Conduct.

ILTexas may take action based on the results of an investigation, even if the school concludes that the conduct did not rise to the level of bullying under this policy.
Discipline for bullying of a student with disabilities shall comply with applicable requirements under federal law, including the Individuals with Disabilities Education Act (20 U.S.C. Section 1400 et seq.). ILTexas may not impose discipline on a student who, after an investigation, is found to be a victim of bullying, based on that student’s use of reasonable self-defense in response to the bullying.

The Principal, or the Principal’s designee, may make a report to the police department of the municipality in which the school is located or, if the school is not in a municipality, the sheriff of the county in which the school is located if, after an investigation is completed, the Principal or designee has reasonable grounds to believe that a student engaged in conduct that constitutes an offense under Section 22.01 (Assault) or 42.07(a)(7) (Harassment), Texas Penal Code.

Confidentiality
To the greatest extent possible, ILTexas shall respect the privacy of the complainant, persons against whom a report is filed, and witnesses. Limited disclosures may be necessary to conduct a thorough investigation.

Appeal
A student or parent who is dissatisfied with the outcome of the investigation may appeal through the ILTexas grievance procedure.

STATE-MANDATED SCHOOL HEALTH SCREENING PROGRAM

Students are screened according to the Texas Board of Education Rules and the school health programs mandated by the Texas Department of State Health Services.

Dyslexia and Related Disorders
From time to time, students may be tested and, where appropriate, treated for dyslexia and related disorders in accordance with programs, rules, and standards approved by the state. The program approved by the state must include screening at the end of the school year of each student in kindergarten and each student in the first grade. Parents will be notified should ILTexas determine a need to identify or assess a student for dyslexia and related disorders.

Fitness Testing
According to requirements under state law, ILTexas will annually assess the physical fitness of students. ILTexas is not required to assess a student for whom, as a result of disability or other condition identified by rule or law, the assessment exam is inappropriate.

Screening for COVID-19 and Other Infectious Diseases
ILTexas will implement screening for COVID-19 and other infectious diseases as directed by CDC, the Texas DSHS, and the State of Texas.

Vision and Hearing Screening
All children enrolled in Texas schools must be screened for possible vision and hearing problems in accordance with regulations issued by the Texas Department of State Health Services. Students in certain grade levels identified by state regulations shall be screened for vision and hearing problems annually. A student may be screened using photoscreening to detect vision disorders.
Screening records for individual students may be inspected by the TDSHS or a local health department, and may be transferred to another school without parental consent.

Exemption: A student is exempt from screening requirements if screening conflicts with the tenets and practices of a recognized church or religious denomination of which the individual is an adherent or a member. To qualify for the exemption, the individual or, if the individual is a minor, the minor’s parent, managing conservator, or guardian, must submit to the Campus Principal or designee on or before the day of admission an affidavit stating the objections to screening.

**Spinal Screening**

Certain students must be screened at various times set by law for abnormal spinal curvature before the end of the school year. The screening requirement for students may be met if the child has been screened for spinal deformities during the previous year.

A parent who declines participation in the spinal screening provided by ILTexas must submit to the Superintendent or designee documentation of a professional examination which includes the results of a forward-bend test. This documentation must be submitted to ILTexas during the year the student is scheduled for screening or, if the professional exam is obtained during the following summer, at the beginning of the following school year.

**Exemption:** A student is exempt from screening if the screening conflicts with the tenets and practices of a recognized church or religious denomination of which the individual is an adherent or member. To qualify for the exemption, the student’s parent, managing conservator, or guardian must submit to the Superintendent or designee on or before the day of the screening procedure an affidavit stating the objections to screening.

**Texas Risk Assessment for Type II Diabetes**

All first, third, fifth, and eighth grade students will be screened for a skin marker that may indicate high levels of insulin in the blood which results from insulin resistance. If the screening reveals abnormal results, the parent/guardian is notified through the referral process.

**Referrals**

Referrals should be returned to the school nurse as soon as possible after a specialist is seen. When referrals are not returned to the campus, the school nurse follows up with parents/guardians to determine whether or not the student was seen and treated. The State of Texas requires each school district to report screening results at the end of each school year.

**For questions regarding any of the above health policies, please refer to your campus Nurse.**

**PARENT INVOLVEMENT AND PARENT-TEACHER ORGANIZATIONS**

**ENGAGING OUR PARENTS**

ILTexas believes in the importance of partnerships that support education. We believe that parents are an essential partner in the education of students, and over 30 years of research supports this belief. We know that a parent is a child's first and most important teacher, and a great deal of learning occurs before children begin school. We rely on the guidance parents provide their children and the insights they provide us as educators.
Parental involvement in education is necessary in order to create a stronger, safer, and more enriching future for our ILTexas students.

We invite you to help us help your child by practicing some of these basic standards of good parenting:

<table>
<thead>
<tr>
<th>• Read together</th>
<th>• Monitor and limit the use of electronics</th>
</tr>
</thead>
<tbody>
<tr>
<td>• Establish a daily family routine</td>
<td>• Schedule and keep daily homework time</td>
</tr>
<tr>
<td>• Monitor out-of-school activities</td>
<td>• Talk regularly with your children and listen to what they have to say</td>
</tr>
<tr>
<td>• Communicate positive values: respect, hard work, and responsibility</td>
<td>• Express high expectations and offer praise and encouragement for achievement</td>
</tr>
</tbody>
</table>

Furthermore, you are highly encouraged to join your campus Parent Teacher Organization (PTO). The PTO is an essential part of ILTexas. Campus PTOs work hard at enriching our students’ education and building stronger bonds between the campus and the home. Although the PTO works very closely with the campus and campus principal, it is a separate entity. Campuses will have a wall mounted locked box in the reception area and cafeteria, where parents or students can make their PTO deposits (to which only the PTO will have a key).

COMMUNICATION

A healthy school environment requires ample and appropriate communication between all members of the school community. Communication requires regularly scheduled progress conferences, reports, and timely responses to other issues that arise. If you feel this is not occurring, please contact your student’s teacher first, then the appropriate school Administrator. Appropriate communication is respectful of the time, opinions, and feelings of others. It is directed toward the person charged with solving the problem or knowing the answer to the question. To help you determine who the appropriate individual is with ownership of an issue, please consult the school’s directory.

ILTEXAS.ORG

The ILTexas website is a primary source of communication for our parent community. All families are encouraged to regularly view the website for updated information. Please make the website one of your “favorites.” All important information is posted on the front page of the website.

PARENT/TEACHER CONFERENCES

Parents will be actively involved in their child’s education. They will have scheduled meetings with their child and teacher periodically during the year to review goals and progress. Methods in which the child can be supported outside of school in order to expand on the learning occurring at school will be discussed. Parents will want to participate in the demonstration and presentation nights. They are encouraged to share their knowledge, talents and interests/expertise with students in large and small groups or with students working on individual projects.

PARENT VOLUNTEERS (VOLUNTEERS IN PUBLIC SCHOOLS - VIPS)

The International Leadership of Texas volunteer program, Volunteers in Public Schools (VIPS), consists of all people who donate their time and talents to assist our schools in enriching the learning environment. Everyone who volunteers in our schools is a VIPS volunteer. Some of the volunteers are mentors, tutors, business partners, PTO members, booster club backers, Campus Improvement
Committee (CIC) participants, and homeroom parents. All campuses will have a Volunteer Coordinator working with the VIPS program. The Volunteer Coordinator will assist the school in meeting the educational needs of the students by matching the volunteers’ abilities/preferences to those needs.

Strong parental involvement is a key component of any successful school. Parents, as well as relatives and friends, are encouraged to participate in a wide variety of volunteer opportunities available through the campus Parent Teacher Organization (PTO). The PTO aims to:

- Facilitate communication between the school and parents as well as between parents
- Provide essential support to the school and its staff
- Promote age appropriate social activities for students
- Foster a sense of inclusion and community within our school family

VOLUNTEER BACKGROUND CHECKS

All volunteers who will be working in the school or around students must consent to a background check, which will be conducted by the school headquarters. Volunteer Background Checks are completed entirely electronically and must be completed every school year. See our volunteer link: https://www.iltexas.org/volunteer

VISITOR POLICY

Everyone coming to ILTexas must first check in with the receptionist. Visitors, parents, guests, and service workers will be given a visitor’s pass to wear and will be checked in via the Raptor system. School visitations are not permitted during school hours without prior approval from the Campus Principal. Parents may not visit students in classrooms without an escort and may not visit teachers unannounced. If you wish to speak with your child's teacher, please make an appointment with the office manager or by emailing with the teacher. We would like to be considerate of our teachers; therefore; please allow 24-hour notice. Please also see Lunch Visitation.

DISRUPTIONS

In order to protect student safety and sustain an educational program free from disruption, state law permits ILTexas to take action against any person – student or nonstudent – who:

- Disrupts classes while on school property or on public property that is within 500 feet of school property. Class disruption includes making loud noises; trying to entice a student away from, or to prevent a student from attending, a required class or activity; entering a classroom without authorization; and disrupting the activity with profane language or any misconduct.
- Interferes with an authorized activity by seizing control of all or part of a building.
- Interferes with the movement of people at an exit or an entrance to school property.
- Interferes with the movement of people in an exit, an entrance, or a hallway of a school building without authorization from an administrator.
- Interferes with the transportation of students in school vehicles.
- Uses force, violence, or threats in an attempt to prevent participation in an authorized assembly.
- Uses force, violence, or threats in an attempt to prevent people from entering or leaving school property without authorization from an administrator.
- Uses force, violence, or threats to cause disruption during an assembly.
VISITOR SCREENING

ILTexas uses Raptor Technologies visitor registry program to screen and identify those individuals who are listed as Registered Sexual Offenders who might try to enter the School. Upon entering the school, a visitor will present a valid state or government issued photo identification card (usually a person’s driver license) to the front desk attendant and it will be scanned into the Raptor system. Once completed, a visitor’s badge will be issued with the person’s name and photo, the day’s date, the time, and the destination within the building for the visit. When the visitor leaves the building, an entry will be made that the person has left the building. If you have any questions about the screening system, please contact the school Principal.

RETURNED CHECKS

In the event the bank returns a check for non-sufficient funds, repayment must be made by money order or cash and will include a $30.00 returned item-handling fee to cover bank charges. By submitting payment by check, you agree to this policy as allowed by law. A student may be restricted from extracurricular activities and records will be held until full payment is received. After three occurrences of returned checks from one family, all future fees must be paid by money order, cashier’s check or cash. When paying by cash, always request a receipt.

FINANCIAL NEED

Any family in need of financial assistance with school fees of any kind should contact the Campus Principal.

SCHOOL PROPERTY

TECHNOLOGY, TEXTBOOKS AND LIBRARY BOOKS

ILTexas is committed to preparing students to be highly successful citizens in a global economy and have developed a technology program for one-to-one computing for all students. This program will immerse our students into a technology-rich learning environment to prepare for the workplace and life. ILTexas will issue electronic chromebooks to students in grades 4-12, and they are considered property of ILTexas. ILTexas will charge an annual use and maintenance fee, as described in the “Chromebook Use Agreement” distributed to each student and parent. ILTexas may waive or decrease the fee for educationally disadvantaged students. As long as the student is enrolled in ILTexas schools, the student management system will remain on the device.

State-approved textbooks and additional curriculum materials are provided free of charge for each subject or class, except for dual credit courses. Materials must be used by the students as directed by the teacher, and treated with care. A student who is issued damaged materials should report the damage to the teacher. Students must also take proper care of library books. Students will be required to pay a fine for lost, damaged, or overdue materials.

Students must return all textbooks and supplemental materials to the teacher at the end of the school year or when the student withdraws from school. Any student failing to return issued materials in an acceptable condition loses the right to free textbooks and educational materials until the student and/or parent pay for the damages. However, a student will be provided textbooks and educational materials for use during the school day. ILTexas may reduce or waive the payment requirement if the student is from a low-income family. Release of student records, including official transcripts, will be delayed pending payment for lost or severely damaged textbooks.
ILTEXAS ACCEPTABLE USE POLICY (AUP)

Introduction
ILTexas provides students and employees with extensive technology resources, including computing facilities, local area networks, Internet access, and email addresses. Our goal is to promote educational excellence by facilitating resource sharing, innovation and communication within our own community and the world. As a member of the ILTexas community, I agree to follow School rules and commit to the School’s values. We must all agree to support the needs of the School community even if they may conflict with one’s personal desires.

● I may be held responsible for any online behavior or content that connects me to the School or implicates the School in that behavior.
● If I knowingly enable others to violate these rules, I may lose my School network, e-mail, or World Wide Web access.

SURVEYS AND ACTIVITIES

Students will not be required to participate without parental consent in any survey, analysis, or evaluation – funded in whole or in part by the U.S. Department of Education – that concerns:

1. Political affiliations or beliefs of the student or the student’s parent;
2. Mental or psychological problems of the student or the student’s family;
3. Sexual behavior or attitudes;
4. Illegal, antisocial, self-incriminating or demeaning behavior;
5. Critical appraisals of individuals with whom the student has close family relationship;
6. Relationships privileged under law, such as relationships with lawyers, physicians and ministers;
7. Religious practices, affiliations, or beliefs of the student or parents; or

Parents will be able to inspect the survey or other instrument and any instructional materials used in connection with such a survey, analysis, or evaluation.

“OPTING OUT” OF SURVEYS AND ACTIVITIES

Parents have the right to receive notice of and deny permission for their student’s participation in:

1. Any survey concerning the private information listed above, regardless of funding;
2. School activities involving the collection, disclosure, or use of personal information gathered from their student for the purpose of marketing or selling that information;

ANNUAL NOTICE OF PARENT AND STUDENT RIGHTS (Annual Ferpa Confidentiality Notice)

The Family Education Rights and Privacy Act (“FERPA”) affords parents and students over 18 years of age (“eligible students”) certain rights with respect to the student’s educational records. These rights include the following:

The Right to Inspect and Review

Parents and/or eligible students have the right to inspect and review the student’s educational records within 45 days of the day the school receives an access. Parents or eligible students should submit to the Principal or designee a written request that identifies the record(s) they wish to inspect. ILTexas will make arrangements for access and notify the parent or eligible student for the time and place where the records may be inspected.
If circumstances effectively prevent the parent or eligible student from exercising the right to inspect and review the student’s educational records, ILTexas shall provide the parent or eligible student with a copy of the records requested to make arrangements for the parent or eligible student to inspect and review the requested records.

If the student’s educational records contain information on more than one student, the parent or eligible student may inspect and review or be informed of only the specific information about that student.

**The Right to Seek Amendment of the Student’s Educational Records**

Parents or eligible students may ask ILTexas to amend a record that they believe is inaccurate, misleading, or in violation of the student’s privacy rights. Parents or eligible students should submit to the Campus Director/Principal or designee a written request that clearly identifies the part of the record they want changed, and specifies why it is inaccurate, misleading, or in violation of the student’s privacy rights. ILTexas will decide whether to amend the record as requested within a reasonable time after receiving the request. If ILTexas decides not to amend the record as requested by the parent of eligible student, the School will notify the parent of eligible student of the decision and advise them to their right to a hearing to challenge the content of the student’s education records on the grounds that the information contained in the educational records is inaccurate, misleading, or in violation of the student’s privacy rights.

If, as a result of the hearing, ILTexas decides that the information in the educational record is not inaccurate, misleading, or in violation of the student’s privacy rights, it shall inform the parent or eligible student of the right to place a statement in the record commenting on the contested information in the record or stating why he or she disagrees with the decision of ILTexas. If the school places an amended statement in the student’s educational records, ILTexas is obligated to maintain the amended statement with the contested part of the record for as long as the record is maintained and disclose the statement whenever it discloses the portion of the record to which the statement relates.

**The Right to Consent Prior to Disclosure**

Parents and/or eligible students have the right to consent to disclosures of personally identifiable information contained in the student’s educational records, except to the extent that FERPA authorizes disclosure without consent.

One exception that permits disclosure without consent is disclosure to school officials with legitimate educational interest. A “school official” is a person employed by ILTexas as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the Board of Directors; a person or company with whom ILTexas has outsourced services or functions it would otherwise use its own employees to perform (such as an attorney, auditor, medical consultant, or therapist); a parent or student serving on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other volunteer assisting another school official in performing his or her tasks.

A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his or her professional responsibility.
Upon request, ILTexas discloses educational records without consent to officials of another school in which a student seeks or intends to enroll or is already enrolled, so long as the disclosure is for purposes related to the student’s enrollment or transfer.

**The Right to File a Complaint**

Parents and/or eligible students have the right to file a complaint with the Family Policy Compliance Office of the U.S. Department of Education (“Office”) concerning alleged failures by ILTexas to comply with the requirements of FERPA. These complaints should be addressed as follow:

Family Policy Compliance Office
U.S. Department of Education 400 Maryland Avenue, SW. Washington, D.C. 20202

**Access to Medical Records**

Parents are entitled to access their student’s medical records.

**Notice for Directory Information**

Under FERPA, ILTexas must, with certain exceptions, obtain written consent prior to the disclosure of personally identifiable information from a student’s education records. However, ILTexas may disclose appropriately designated “directory information” without written consent, unless a parent or eligible student has advised ILTexas, in writing, to the contrary. The primary purpose of directory information is to allow the School to include this type of information from a student’s education records in certain school publications.

ILTexas has designated the following categories of information as directory information for the purpose of disclosure relating to school-related purposes:

- Student name;
- Address;
- Telephone listing;
- Electronic mail address;
- Photographs (including video image);
- Date and place of birth;
- Major field of study
- Degrees, honors, and awards received;
- Dates of attendance;
- Grade level;
- Most recent educational institution attended;
- Participation in officially recognized activities and sports; and
- Weight and height of members of athletic teams.
School-related purposes are those events/activities that ILTexas conducts and/or sponsors to support the School’s educational mission. Examples include, but are not limited to:

- Extracurricular programs or events (school plays, concerns, athletic events, graduation ceremonies, etc.).
- Publications (newsletters, yearbook, etc.).
- Honor roll and other student recognition lists.
- Marketing materials of ILTexas (print media, website, videos, newspaper, etc.).

ILTexas has designated the following categories of information as directory information for purposes of disclosure to military recruiters and institutions of higher education, but only for secondary students:

- Student’s name, address, and telephone number.

ILTexas shall not release directory information except for the purposes indicated above, namely, disclosure relating to school-sponsored/school-affiliated purposes or for the purposes of disclosure to military recruiters and institutions of higher education for secondary students.

A PARENT OR ELIGIBLE STUDENT MAY OPT OUT OF THE RELEASE OF DIRECTORY INFORMATION FOR EITHER OR BOTH OF THESE PURPOSES BY SUBMITTING A WRITTEN OBJECTION TO THE SCHOOL OFFICE WITHIN 15 DAYS AFTER RECEIVING THIS “NOTICE OF PARENT AND STUDENT RIGHTS (ANNUAL FERPA CONFIDENTIALITY NOTICE).”
FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT: DIRECTORY INFORMATION OPT OUT FORM

“Directory Information” means information contained in an educational record of a student that would not generally be considered harmful or an invasion of privacy if disclosed. The law permits ILTexas to designate certain personal information as “directory information,” which may be released to anyone who follows procedures for requesting it as proscribed in school policy.

To prohibit ILTexas from releasing your student’s directory information, you must circle NO adjacent to the appropriate statement(s) below, sign the form, and return it to your student’s school. Completion of this form is optional. However, if you do not circle NO or return this form, directory information about your student may be released in accordance with ILTexas policy.

INTERNATIONAL LEADERSHIP OF TEXAS ELECTRONIC COMMUNICATION DEVICE COMMITMENT FORM

Electronic communications at school and at school-related functions are subject to regulation by ILTexas.

This Electronic Communication Device Commitment Form grants authority and permission to ILTexas to regulate electronic communication devices when these devices are brought to and/or used while on school property or while attending school related functions and events. Such communication devices include but are not limited to cellular phones, pagers, PDAs, and pocket computers. These regulations are made necessary in light of the unique opportunities these devices create for violations of law and school policies, and to perpetrate conduct disruptive of an educational environment essential to the school’s educational program. These concerns are exacerbated by electronic security protections and the personal size of these devices, which are often carried concealed in pockets and purses.

Therefore, all students who would possess or use such devices on school property or at school-related activities are required to sign this form together with their parent, guardian or other adult person having the authority of a parent for school purposes.

Each of you, by your signature below, agrees to the following:

● The possession and use of cellular phones, PDAs, smart watches, wireless speakers/earbuds, and other electronic communication devices by a student on school property or at school-related events is subject to regulation by ILTexas.

● If a student possesses such devices on school property or while attending school-related events, ILTexas is authorized and has my full consent to confiscate, power on or off, manipulate and do all things necessary to search my device and recover or intercept communications (including but not limited to text messaging) when reasonable suspicion exists that such device has been used to transmit or receive communications in violation of law, the Student Code of Conduct, school policy or regulation.

● I further understand, agree and consent that an electronic communication device used or possessed in violation of law, the Student Code of Conduct, school policy or regulation is subject to confiscation and that ILTexas is not liable for any loss of or damage to confiscated devices.

### Problem Statement 3:

In 2019 40% of all students were performing at the Meets grade level standard or above on all assessments which is an equivalent of a scaled score of a 70% or "C" and 10%-pts. below the State average. **Root Cause:** There is a lack of research-based pedagogy, DLI instructional practices, content knowledge, and formative assessment in mathematics classrooms.

### Problem Statement 12:

Faculty feedback indicates that communication at the campus and district levels need improvement. **Root Cause:** As a district, we have a lot of moving parts and decisions are sometimes made without consulting others or at the last minute resulting in late communication or miscommunication.

70% or "C" and 10%-pts. below the State average. **Root Cause:** There is a lack of research-based pedagogy, DLI instructional practices, content knowledge, and formative assessment in mathematics classrooms.

**Problem Statement 5:** There is a need to prioritize the instructional focus among all levels of leadership- district, campus, GLAs, PLCs. **Root Cause:** Campus administrative leaders are pulled towards devoting a higher percentage of their time to operational issues vs. focusing on instructional leadership.

**Problem Statement 12:** Faculty feedback indicates that communication at the campus and district levels need improvement. **Root Cause:** As a district, we have a lot of moving parts and decisions are sometimes made without consulting others or at the last minute resulting in late communication or miscommunication.

CONSENT ITEM 5

1. HB3 Board Goals '20-'24 Slides
2. HB3 Board Goals and Plans
School boards are required to adopt plans in:
1) Early childhood literacy and math (3rd grade STAAR), and
2) College, career and military readiness (CCMR readiness indicators).

All plans must include:
* 5-year goals, with annual targets
* Annual report to the board with interim progress monitoring
* Annual report posted on our district and campus websites
* Specific, quantifiable, annual goals for five years at each campus
* Annual targets for students in each group evaluated under closing the gaps domain, at the district and campus level
• Review of current data (to determine SMART Goal)
• Federal Targets
• Goals were set at the higher ‘meets’ level of performance, not the passing ‘approaches’ level of performance.
Early Childhood Literacy Board Outcome Goal

The percent of 3rd grade students that score meets grade level or above on STAAR Reading will increase from 39% to 54% by June 2024.

All Students
Imagination Station

Istation is an online research-based curriculum, assessment and intervention program for reading and writing for grades pre-K through 8 in both English and Spanish.

At the beginning of each month students take the nationally normed Istation’s Indicators of Progress (ISIP™) which measures each student’s growth with engaging, computer-adaptive diagnostic and screening programs for pre-K – 8.

Based on their results, learners are seamlessly placed in interactive online instruction. Struggling students are routed through reteach lessons, and teachers are given instant reports to monitor student progress. Each Priority Report directs teachers to specific skills-based, small-group lessons for targeted reading intervention.

PURCHASE AND SALE AGREEMENT

THIS PURCHASE AND SALE AGREEMENT (this "Agreement") is made between LIFE TABERNACLE OF HOUSTON, INC., a Texas non-profit corporation ("Seller"), and, INTERNATIONAL AMERICAN EDUCATION FEDERATION, INC., d/b/a International Leadership of Texas, a Texas non-profit corporation and open-enrollment public charter school ("Purchaser"). In consideration of the agreements contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Seller and Purchaser agree as follows:

1. PURCHASE AND SALE.

Subject to the terms and provisions of this Agreement, Seller agrees to sell to Purchaser and Purchaser agrees to purchase from Seller that certain real property (the "Property") located at 9901 Windmill Lakes Boulevard, Houston, Texas 77075, and more particularly described on Exhibit A attached hereto and incorporated herein for all purposes, together with all and singular the estate, interests, claims, reversions, remainder, licenses, contracts, permits, approvals, authorities, consents, bonds, rights, benefits, privileges, easements, tenements, entailments, hereditaments, privileges and appurtenances thereon or in anywise appertaining thereto (whether surface, subsurface or otherwise) to the extent they exist and are owned by Seller, together with all improvements situated thereon and any right, title and interest of Seller, if any, in and to all of the personal property located thereupon, and adjacent streets, alleys and rights-of-way (along with the Land, all of the foregoing being referred to collectively herein as the "Property").

2. PURCHASE PRICE.

The total purchase price for the Property (the "Purchase Price") will be $13,200,000.00, subject to prorations, expenses, charges and other credits expressly provided for in this Agreement, and will be paid to Seller at Closing in cash, by wire transfer or other method sufficient to provide Seller with "same day" or "good" funds on the date of closing (the "Closing Date").

3. EARNEST MONEY DEPOSIT: INDEPENDENT CONSIDERATION.

A. Earnest Money Deposit and Title Company. Purchaser shall, within five (5) days after the parties' execution of this Agreement, deposit with Old Republic National Title Insurance Company; Attention: Tammy Newberry, newberry@OldRepublicTitle.com (the "Title Company"), the sum of $50,000.00 (the "Earnest Money Deposit"). In the event Purchaser fails to timely deliver to the Title Company the Earnest Money Deposit, Seller may terminate this Agreement by providing written notice thereof to Purchaser at any time prior to the date Purchaser delivers to the Title Company the Earnest Money Deposit. At Closing (as defined below), the Earnest Money Deposit will be credited against the Purchase Price.

B. Independent Consideration. Seller shall be entitled to receive and the Title Company shall pay to Seller the sum of $100.00 in cash (the "Independent Contract Consideration") from the Earnest Money Deposit, which amount has been bargained for and agreed to as consideration for Purchaser's exclusive option to purchase the Property and for Seller's execution and delivery of this Agreement. The Independent Contract Consideration is in addition and independent of all other consideration provided in this Agreement and is non-refundable in all events. At Closing, the Independent Contract Consideration will be applied to the Purchase Price.

4. TITLE AND SURVEY.

A. Title Commitment. Within ten (10) days after the Effective Date (defined herein), Seller, at Seller's sole cost and expense, shall cause the Title Company to issue and deliver to Purchaser a current standard Texas form title commitment (the "Commitment"), issued through the Title Company, describing the Property, listing Purchaser as the proposed insured, showing the Purchase Price as the policy amount and including a legible copy of all recorded documents evidencing title exceptions. (to the extent available).
Seller authorizes the Title Company to deliver the Commitment and related documents to Purchaser at Purchaser's address. The Commitment shall be subject only to standard printed exceptions and those recorded title exceptions or as shown on the Survey (as defined hereinafter) approved or deemed approved by Purchaser (the "Permitted Exceptions").

B. **Survey.** Seller shall provide to Purchaser the most recent existing survey of the Property (the "Survey") within five (5) days after the Effective Date, and, if applicable, agree to execute any necessary and truthful affidavit required from the Title Company to have the Title Company to approve same. If the existing Survey is not approved by Purchaser, Purchaser's lender, or the Title Company for any reason, then Purchaser shall obtain a new survey (which will then be deemed the "Survey" for all purposes herein) and will receive a credit against the Purchase Price at the Closing (but not otherwise) for its costs related to obtaining the new Survey in an amount equal to the actual cost of the Survey up to, but not to exceed, $3,500.00.

C. **Review of Title and Survey.** If any exceptions appear in the Commitment or on the Survey that affect the Property and that are unacceptable to Purchaser, Purchaser shall notify Seller in writing of such objections (the "Purchaser's Title Objections") on or before 30 days after Purchaser's timely receipt of the last of (i) the Commitment, (ii) title exception documents referenced in the Commitment and (iii) the Survey, but in no event later than the date ten (10) days prior to the expiration of the Inspection Period. If Purchaser fails to notify Seller timely of Purchaser's Title Objections within such 30-day period, Purchaser shall be deemed to have accepted all exceptions to title and all other matters shown on the Commitment and all such exceptions and all other matters shown on the Commitment and Survey shall be included as Permitted Exceptions to the Deed (as defined hereinafter). Seller shall have 10 days after receipt of such notice from Purchaser ("Cure Period") to cure Purchaser's Title Objections; provided, however, Seller shall have no obligation to cure Purchaser's Title Objections or to bring any action or proceeding or otherwise to incur any expense whatsoever to eliminate or modify Purchaser's Title Objections. If Seller is unable or unwilling to satisfactorily cure Purchaser's Title Objections to the sole satisfaction of Purchaser, then Purchaser may either (i) terminate this Agreement by giving notice in writing to Seller prior to the expiration of the Inspection Period, which such termination shall constitute a Permitted Termination (as defined below) or (ii) accept such title as Seller can or is willing to deliver, in which event, such unsecured Purchaser's Title Exceptions shall be included in the term "Permitted Exceptions." Notwithstanding anything to the contrary contained herein, any item listed in Schedule C of the Commitment or any liens upon the Property created by, through, or under Seller (but not otherwise) WILL NOT be a Permitted Exception for the purpose of this Agreement under any circumstances whatsoever and Seller must satisfy and cause any such items created by, through, or under Seller (but not otherwise) to be removed from the Commitment no later than Closing as a condition to Closing for Purchaser.

5. **INSPECTION AND DUE DILIGENCE.**

A. **Delivery of Property Information.** Within five (5) days after the Effective Date, Seller will, at Seller's sole cost and expense, deliver to Purchaser the following items to the extent Seller currently has them in its possession or control (collectively, the "Property Information"):

(vi) any warranties and all other agreements or records affecting the Property; and

(vii) a current list of all personal property, furniture, fixtures, equipment, machinery, tools, inventory, and supplies located at the Property or used in connection therewith.

Except as expressly provided otherwise herein, any and all Property Information furnished by Seller to Purchaser shall be delivered to and accepted by Purchaser without any representation or warranty of any kind or nature whatsoever, including, but not limited to, the truth, accuracy, completeness, or correctness of such items.

If Purchaser terminates this Agreement for any reason whatsoever, Purchaser shall concurrently therewith return to Seller all Property Information and neither Purchaser nor its agents, employees, or representatives shall retain any copies thereof.

B. Inspection of Property. Subject to the limitations and requirements in this Agreement, beginning on the Effective Date and ending at 11:59 p.m. CST 60 days thereafter (the "Inspection Period"), Purchaser and Purchaser’s engineers, architects, employees, agents, contractors, subcontractors and representatives (collectively, "Purchaser’s Agents") will, upon reasonable prior verbal notice to Seller, have access to the Property for conducting such investigations, tests and studies (collectively, the "Tests") of any and all aspects of the Property, including, without limitation, physical inspections, engineering and economic feasibility studies, soil tests, structural tests, topographical surveys and non-invasive environmental assessments as Purchaser may require in Purchaser’s sole and absolute discretion, with Seller hereby acknowledging, consenting to, and agreeing to fully cooperate with Purchaser to facilitate all such Tests, at no cost or expense to Seller. All Tests shall be conducted by or on behalf of Purchaser in a good and workmanlike manner and in conformance with all applicable governmental and industry standards and all such Tests must be performed by qualified and insured contractors. Notwithstanding anything herein to the contrary, Purchaser shall not conduct any invasive Tests of the Property (such as, without limitation, a Phase II Environmental Assessment) without Seller’s prior written approval. Purchaser shall furnish to Seller prior to the commencement of each Test which Purchaser desires to conduct on the Property: (a) a list of Purchaser’s Agents who will conduct such Test, (b) a description of the Tests which each such Purchaser’s Agent will perform at or about the Property, and (c) evidence that Purchaser or Purchaser’s Agents are covered, at a minimum, for the following insurance: Workers Compensation and Employers Liability insurance, statutory limits; Comprehensive General Liability insurance, $1,000,000.00 each occurrence and $2,000,000.00 in the aggregate; and Comprehensive Automobile Liability insurance, $1,000,000.00 each occurrence and $2,000,000.00 in the aggregate. All third party reports shall be paid for by Purchaser at Purchaser’s sole cost and expense, and Purchaser covenants and agrees to deliver to Seller a copy of all such reports promptly upon completion thereof (unless instructed otherwise by Seller), and Seller shall have the right to use the same for its own benefit without Purchaser’s consent. Purchaser covenants and agrees to furnish to Seller promptly upon completion thereof, a legible and complete copy of any and all plans, documents, studies, reports and other data furnished to or obtained by Purchaser in connection with or pertaining to the Property (unless instructed otherwise by Seller), including, without limitation, all engineering plans and studies, utility studies and reports, and environmental inspection reports, without, however, including any confidential information regarding Purchaser and the delivery thereof to Seller shall be a condition precedent to the refund to Purchaser of the Earnest Money Deposit as applicable hereunder. Any and all items furnished by Purchaser to Seller shall be delivered to and accepted by Seller without any representation or warranty of any nature whatsoever by Purchaser as to the truth, accuracy, completeness, or correctness thereof. Seller shall be responsible for reimbursement or direct payment for the cost of providing any copy of any Test or report required in this paragraph (but not the cost...
or expense of the underlying Test). Notwithstanding the foregoing, Purchaser shall have the right at any time to extend the Inspection Period for 2 additional 30 day periods by notifying Seller in writing and depositing an additional $10,000.00 into escrow with the Title Company prior to the expiration of the Inspection Period (or the extended Inspection Period, as applicable), with such money becoming a part of the Earnest Money Deposit for any and all purposes.

C. **Restoration of Property.** Purchaser shall, at its sole cost and expense: (a) promptly restore any physical damage or alteration of the physical condition of the Property that results from any Test conducted by or on behalf of Purchaser to as close to the physical condition of the Property existing immediately prior to such Tests as reasonably possible, normal wear and tear excepted; (b) be responsible for and pay or bond around any and all liens by contractors, subcontractors, materialmen, or laborers performing the Tests or any other work for Purchaser on or related to the Property; and (c) pay and/or reimburse Seller for the payment of any actual out of pocket expenses (including reasonable attorneys' fees and court costs) incurred by Seller in enforcing subsection (a) or (b) above. The rights of Purchaser to enter on and Test the Property shall cease upon the termination of this Agreement. TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, PURCHASER HEREBY COVENANTS AND AGREES TO INDEMNIFY, DEFEND, AND HOLD SELLER HARMLESS FROM AND AGAINST ANY AND ALL CLAIMS, DEMANDS, LIABILITIES, COSTS AND EXPENSES (INCLUDING, WITHOUT LIMITATION, COURT COSTS AND REASONABLE ATTORNEYS' FEES) ARISING OUT OF, RESULTING FROM, IN CONNECTION WITH, OR RELATING TO PURCHASER'S TESTS (AS DEFINED ABOVE) OF THE PROPERTY EXCEPT TO THE EXTENT ANY OF THE FOREGOING IS CAUSED BY THE GROSS NEGLIGENCE OR WILLFUL MISCONDUCT OF SELLER OR SELLER'S AGENTS OR EMPLOYEES. Notwithstanding the foregoing, in no event will Purchaser be liable for any damage, loss, cost, expense or claim attributable to (i) a diminution in the value of the Property as a consequence of the results revealed by the Tests conducted by or on behalf of Purchaser, (ii) the discovery of Hazardous Substances existing in, on or under the surface of the Property as of the date such Tests are conducted by or on behalf of Purchaser, or (iii) the gross negligence or willful misconduct of Seller or Seller's employees, principals, officers, agents, representatives, invitees, contractors, or anyone else acting on behalf of Seller or Seller's employees, principals, officers, agents, representatives, invitees, contractors. Purchaser's obligations in this Section shall survive the termination or Closing of this Agreement, as applicable.

D. **Inspection Period and Right to Terminate.** If Purchaser determines for any reason or for no reason that the Property is unacceptable to Purchaser in any respect, in Purchaser's sole and absolute discretion, then Purchaser may elect to terminate this Agreement by sending Seller written notice thereof prior to 11:59 p.m. CST on the last day of the Inspection Period. If Purchaser elects to terminate this Agreement by sending Seller written notice thereof prior to 11:59 p.m. CST on the last day of the Inspection Period, the Earnest Money Deposit shall be immediately returned to Purchaser (less the Independent Contract Consideration), and the parties will have no further liability or responsibilities towards the other party except those that expressly survive the expiration or termination of this Agreement.

E. **Use Applications.** Within twenty-four (24) hours after the Effective Date, Seller shall designate Purchaser as its representative in order for Purchaser to obtain the approvals, permits and consents from applicable governmental and administrative agencies necessary for the use of the Property as desired by Purchaser (the "Approvals"). Seller, at no cost or expense to Seller, will assist and cooperate with Purchaser in Purchaser's efforts to obtain such Approvals, including the timely execution of such applications, documentation and agreements related thereto. Purchaser shall be responsible for all costs and expenses related to obtaining the Approvals. Notwithstanding the foregoing, in no event shall Purchaser be permitted to cause any replatting, or other variances, modifications, or other alterations of or to the Property until after it closes on the purchase of the Property, unless agreed to in writing by the Parties.

F. **Disclaimer.** It is especially understood, agreed and stipulated by Purchaser that this Agreement is an arms-length agreement between the parties. Except for Seller's representations and warranties expressly set forth in this Agreement and in the documents to be delivered by Seller to Purchaser at, at or prior to, Closing, as may be required herein, Seller hereby specifically and expressly disclaims any warranty, guaranty, or representation, oral or written, past, present or future, of, as to, or concerning: (a) the nature, quality, and condition of the Land, including without limitation, the water, soil, geology, flora and

(xi) Except for this Agreement, Seller has not entered into any contract for the sale of, and no person or entity has any option or any other rights to purchase, all or any portion of the Property. 7. **CLOSING.**

A. **Time and Place of Closing.** Assuming all of the Closing Conditions (as defined below) have been satisfied or waived, the closing for this transaction (the “Closing”) will take place at the Title Company on the 60th day (or such earlier date as may be mutually agreed upon between the parties or determined by Purchaser in its sole discretion) following the expiration of the Inspection Period. Notwithstanding the foregoing, Purchaser may extend the Closing for an additional thirty (30) days in exchange for Purchaser’s delivery to the Title Company on or before the date of Closing of a non-refundable extension fee (except in the case of a default by Seller) in the amount of $10,000.00 (the “Extension Fee”). The Extension Fee will be credited to the Purchase Price at Closing but shall otherwise be non-refundable to Purchaser except upon a default by Seller hereunder beyond any applicable notice and cure periods.

B. **Conditions to Closing.** Purchaser’s obligation to close the transaction contemplated by this Agreement is conditioned upon satisfaction of the following conditions (the “Closing Conditions”):

   (i) The certifications, statements, representations and warranties made by Seller in this Agreement must be true and correct in all material aspects when made and on the Closing Date.

   (ii) The Title Company must be unconditionally prepared to issue an owner’s title policy to Purchaser in the face amount of the Purchase Price insuring good and indefeasible title to the Property in Purchaser and including only the Permitted Exceptions and the standard title company printed exceptions.

   (iii) Purchaser is able to obtain all Approvals for the Property, which may include, but not limited to specific use permits or other permitting which may be required to operate a school on the Property; and, final approval of the sale by the Purchaser’s Board of Directors provided Purchaser covenants and agrees to diligently pursue all such Approvals at its sole cost and expense.

   (iv) All of the Seller’s Deliverables (as hereinafter defined) are delivered at Closing to Purchaser in forms satisfactory to Purchaser and Title Company.

If any of the Closing Conditions have not been satisfied by or on the Closing Date, then Purchaser will have the option, exercisable by giving written notice to Seller, to (i) terminate this Agreement, which will constitute a Permitted Termination, or (ii) extend the Closing Date until such Closing Condition is satisfied, in which event the Closing will take place ten (10) days after such Closing Condition is satisfied.

C. **Seller’s Expenses.** Seller shall pay the cost of the tax certificates, one-half of the escrow fee charged by the Title Company, the total premium for the basic owner’s title policy (without endorsements, deletions, or other enhancements), any rollback taxes assessed to the Property attributable to a time period prior to and up through the Closing Date, the recording fees for the Deed, its own attorney’s fees, and any other costs, expenses or fees attributable to the obligations of Seller arising from the ownership and/or operation of the Property and any business operated on the Property prior to and up to the Closing, including, without limitation, liens, commissions, salaries, contracts and similar agreements.

D. **Purchaser’s Expenses.** Purchaser shall pay the cost of its proportionate share of the prorations as set forth in Section 7(E) hereof, one-half of the escrow fee charged by the Title Company, the total premium and other charges for any and all endorsements and other enhancements in coverage to the owner’s title policy (e.g. amending the area and boundary exception) and all premiums and other charges and endorsements for the lender’s title policy required by Purchaser and/or Purchaser’s lender, any rollback taxes assessed to the Property attributable to a time period attributable to the time after the Closing Date, and its own attorney’s fees. Except as otherwise provided in this Section, all other expenses hereunder shall be paid by the party incurring such expenses.

E. **Prorations.** Rental income, real and personal property ad valorem taxes, and other operating expenses, if any, shall be prorated to the Closing Date, based upon actual days involved. To the

Purchase and Sale Agreement 8
extent that the actual amounts of such charges, expenses, and income referred to in this Section 7(E) are unavailable at the Closing Date, the closing statements shall be based upon estimated amounts, and a readjustment of these items shall be made by the later of (i) 30 days after Closing or (ii) when such information to determine with certainty the costs of such items becomes available to the parties. Seller shall receive all income for the Closing Date and bear all expenses and liability for the Closing Date. Seller shall, on or before the Closing Date, furnish to Purchaser and the Title Company all information necessary to compute the prorations provided for in this Section. This Section, and the obligations of the parties to determine the prorations, will survive Closing and not merge into the Deed. If applicable, the following notice is given to Purchaser as required by Section 5.010 of the Texas Property Code: If for the current ad valorem tax year, the taxable value of the land that is the subject of this Agreement is determined by special appraisal method that allows for appraisal of the land at less than its market value, the person to whom the land is transferred may not be allowed to qualify the land for that special appraisal in a subsequent tax year and the land may then be appraised at its full market value. In addition, the transfer of the land or a subsequent change in the use of the land may result in the imposition of an additional tax, plus interest as a penalty for the transfer or the change in the use of the land. The taxable value of the land and the applicable method of appraisal for the current tax year is public information and may be obtained from the tax appraisal district established for the county in which the land is located.

F. Seller's Deliverables at Closing. At Closing, Seller shall deliver to Purchaser the following (the "Seller's Deliverables"):

8. **TERMINATION, DEFAULT AND REMEDIES.**

   A. **Permitted Termination.** If this Agreement is terminated by either Seller or Purchaser pursuant to a right expressly given it to do so hereunder (herein referred to as a "Permitted Termination"), except for a termination by Seller because of the default of Purchaser, the Earnest Money Deposit and Extension Fee, if applicable, will immediately upon written notice from Purchaser to Seller be returned by Seller or the Title Company, as applicable, to Purchaser and neither party shall have any further rights or obligations under this Agreement.

   B. **Default by Seller.** In the event of a default by Seller under this Agreement, Purchaser shall notify Seller in writing of the nature of and occurrence of the event of default and Seller shall have fifteen (15) days after receipt of such notice to cure such event of default. If Seller fails or refuses to timely cure such event of default Purchaser may, as Purchaser’s sole and exclusive remedies, either (i) terminate this Agreement by written notice delivered to Seller at or prior to Closing, with Purchaser being entitled to immediately being refunded the Earnest Money Deposit (less the Independent Contract Consideration which shall be retained by Seller), and the Extension Fee (if any), or (ii) specifically enforce this Agreement provided that Purchaser notifies Seller of Purchaser’s election to enforce specific performance of this Agreement within thirty (30) days following scheduled date of Closing and institutes legal proceedings against Seller for specific performance within such thirty (30) days. If Purchaser fails to enforce specific performance of this Agreement in a timely manner under this Section, Purchaser shall be deemed irrevocably and conclusively to have elected to terminate this Agreement and to obtain a refund of the Earnest Money Deposit and Extension Fee (if any) under clause (i) above as its sole and exclusive remedy against Seller. In the event Purchaser elects the remedy of specific performance and prevails in court, Purchaser may also recover its reasonable out-of-pocket costs and attorney fees in seeking such specific performance. In no event shall Seller be liable for damages to Purchaser or any party claiming by, through or under Purchaser for loss of profit, actual, special, incidental, punitive, indirect, or consequential damages. Nothing contained in this Section shall limit Seller’s indemnity obligation set forth in Section 9.C. below.

   C. **Default by Purchaser.** In the event of a default by Purchaser under this Agreement, Seller shall notify Purchaser in writing of the nature of and occurrence of the event of default and Purchaser shall have fifteen (15) days to cure such event of default. If Purchaser fails or refuses to cure such event of default Seller may, as Seller’s sole and exclusive remedy, terminate this Agreement by written notice delivered to Purchaser at or prior to Closing and Seller shall be entitled to retain the Earnest Money Deposit and Extension Fee, if applicable, it being agreed between Purchaser and Seller that such sum shall be liquidated damages for a default by Purchaser hereunder because of the difficulty, inconvenience, and uncertainty of ascertaining actual damages for such default. Landlord shall not be liable for any interruption or failure whatsoever in utility services except the extent caused by the sole negligence, gross negligence, or willful misconduct of Landlord or Landlord's agents, employees, contractors, or subcontractors. Except as expressly set forth herein, Landlord shall keep and maintain the Premises, including the Facility, in good, clean, habitable, and safe working condition, all at Landlord's sole cost and expense, subject to Tenant's express obligations in this Lease as to the Facility.
10. **Responsibility for Special Clean-Up Costs.** Tenant is responsible for cleaning the Shared Facility used by Tenant after every use. Tenant agrees to keep the Shared Facility neat and clean after each use by Tenant, and to place trash in appropriate receptacles prior to leaving the Shared Facility at the end of each use. Tenant agrees to remove, clean, rearrange, and/or dismantle any items brought in, and leave the Shared Facility in broom clean, good working order upon completion of any of Tenant's activities and upon termination of this Lease. Failure of Tenant to comply with this requirement following any use of the Facility by Tenant shall permit Landlord to undertake, without further notice, cleanup procedures, and Tenant shall be charged as an additional fee, a cleanup fee calculated at the same hourly rate as the Services Fee above.

Tenant is solely responsible and liable, at its own expense, for cleaning the Church Facility used by Tenant. Tenant agrees to keep the Church Facility neat and clean, and to place trash in appropriate receptacles. Tenant agrees to remove, clean, rearrange, and/or dismantle any items brought in, and leave the Church Facility in broom clean, good working order upon completion of any of Tenant's activities and upon termination of this Lease. Failure of Tenant to comply with this requirement shall permit Landlord to send Tenant a default notice of Tenant's failure to comply with this provision. If Tenant fails to cure its default within five (5) days of receipt of Landlord's notice, Landlord shall be entitled to undertake, without further notice, cleanup procedures, and Tenant shall be charged as an additional fee, a cleanup fee calculated at the same hourly rate as the Services Fee above.

11. **Responsibility for Damage to Landlord Property.** Tenant shall be responsible for the cost of repairing physical damage to the Premises, a portion thereof, or any other property of Landlord, Landlord's officers, employees, agents, contractors, students, or any other third party to whose property is lawfully on the Premises, arising from or attributable to Tenant's use of the Facility or damage arising from or attributable to Tenant's agents, employees, volunteers, contractors, members, clients, guests, invitees, or Tenant's use of the Facility.

12. **Signage and Iconography.** Prior to the sale and conveyance by Tenant to Landlord of the premises, Tenant placed (a) a monument sign on the premises on Almeda Genoa Road, and (b) a sign identifying "Life Church" by its lettering and logo on the front exterior of the Shared Facility. Landlord hereby agrees to allow such signs to remain in place until the expiration of the Shared Facility Term or the earlier termination of this Lease in accordance with the terms hereof. However, Tenant shall ensure the signage, lettering and logo be covered from 7 a.m. and 5 p.m. during weekdays. Except as expressly set forth herein, Tenant shall not, except during the days and hours of use described above, place any sign, symbol, or object on the Facility identifying it as being used by Tenant. No religious iconography, messages, images, or other objects may appear or be left in the Shared Facility outside of those days and times that Tenant is authorized to and is actually using the Shared Facility and may not appear during the school-day in the Shared Facility and/or any area accessible to or used by students. Tenant hereby agrees to fully cooperate with Landlord to ensure that the program, operation, and physical environment of Landlord's charter school is free of any religious iconography, displays, insignia, or any other indicia or influence of religion and that all such iconography, indicia, or influence shall be removed or appropriately covered, at Landlord's sole and absolute discretion, in all areas of the Shared Facility. Furthermore, Tenant may not conduct (or allow any other third parties to conduct) religious activities or otherwise promote, proselytize, or encourage religious affiliation or participation in religious activities during Landlord's public school activities or promote or encourage Landlord's employees, students, agents, or invitees to participate in, join, or inquire about religious activities or any other activities of Tenant that may be perceived by Landlord, in its sole and absolute discretion, as religious in nature and conflict with Tenant's public school activities or events. Tenant's failure to comply with the requirements of this Section 12 of this Lease within twenty-four (24) hours of written notice shall, at Landlord's election, cause an immediate and automatic revocation/termination of this Lease without any further action by Landlord, in which event neither party shall have any further rights or obligations hereunder except as expressly set forth herein.

13. **No Relationship with Landlord.** Tenant and Landlord have no relationship beyond that described in this Lease. Tenant shall not state or imply through any medium, including, without limitation, advertisements or websites, that it is in anyway connected to or affiliated with Landlord.
14. **Indemnity and Hold Harmless Agreement.** TO THE FULLEST EXTENT PERMITTED BY LAW, TENANT HEREBY AGREES TO INDEMNIFY, DEFEND, AND HOLD HARMLESS LANDLORD FROM AND AGAINST ALL SUITS, ACTIONS, OR CLAIMS OF ANY KIND BROUGHT OR MADE AGAINST LANDLORD, FOR OR ON ACCOUNT OF ANY INJURIES OR DAMAGES RECEIVED OR SUSTAINED BY ANY PERSON OR PERSON’S PROPERTY, ARISING FROM, OR OCCASIONED BY, DIRECTLY OR INDIRECTLY THE NEGLIGENCE OR WILFUL MISCONDUCT OF TENANT ON THE PREMISES OR THE BREACH BY TENANT OF ANY OF ITS OBLIGATIONS, REQUIREMENTS, OR LIABILITIES UNDER THIS LEASE. TO THE FULLEST EXTENT PERMITTED BY LAW, LANDLORD HEREBY AGREES TO INDEMNIFY, DEFEND, AND HOLD HARMLESS TENANT FROM AND AGAINST ALL SUITS, ACTIONS, OR CLAIMS OF ANY KIND BROUGHT OR MADE AGAINST TENANT, FOR OR ON ACCOUNT OF ANY INJURIES OR DAMAGES RECEIVED OR SUSTAINED BY ANY PERSON OR PERSON’S PROPERTY, ARISING FROM, OR OCCASIONED BY, DIRECTLY OR INDIRECTLY THE NEGLIGENCE OR WILFUL MISCONDUCT OF LANDLORD ON THE PREMISES OR THE BREACH BY LANDLORD OF ANY OF ITS OBLIGATIONS, REQUIREMENTS, OR LIABILITIES UNDER THIS LEASE. TENANT AND LANDLORD BOTH ACKNOWLEDGE AND STIPULATE THAT THE PROVISIONS IN THIS SECTION 15 COMPLY WITH THE EXPRESS NEGLIGENCE RULE AND ARE CONSPICUOUS. THIS INDEMNITY SHALL SURVIVE THE TERMINATION OF THIS LEASE.

15. **Insurance.** Upon the execution of this Lease, Tenant shall submit to Landlord a declarations page and copy of a policy of insurance showing proof of (i) a policy or policies of Workers’ Compensation with statutory limits, with Employer’s Liability, (ii) Commercial General Liability insurance (with contractual liability endorsement) insuring both Landlord and Tenant against all claims, demands, or actions arising out of or in connection with Tenant’s use or occupancy of the Facility, or by the condition of the Facility in an amount not less than $2,000,000.00, (iii) Special causes of loss or similar “all risk” form property insurance covering the replacement cost of (a) all alterations, partitions, and improvements installed or placed on the Facility by Tenant, and (b) all of Tenant’s personal property contained within the Facility, (iv) Umbrella or excess liability policy, and (v) Umbrella or excess liability policy, and (vi) Automobile Liability for hired vehicles. Said policies (other than Worker’s Compensation) shall (a) name Landlord as an additional insured, (b) be issued by an insurance company which is acceptable to Landlord, in Landlord’s reasonable discretion, (c) provide that said insurance shall not be cancelled or non-renewed unless thirty (30) days prior written notice shall have been given to Landlord, and (d) shall be delivered to Landlord by Tenant upon commencement of the Term and upon each renewal of said insurance. Landlord may, without notice, cancel or terminate this Lease in the event of Tenant’s failure to timely submit the declarations page and copy of the insurance, as required by this paragraph, or if the insurance policy lapses, is cancelled, or is modified to no longer provide the coverage required herein. Tenant shall keep this insurance policy in effect for a period of two (2) years after this Lease ends.

16. **Default by Tenant.** The occurrence of any of the following shall constitute a default by Tenant (an “Event of Default”): (a) failure to pay when due any Monthly Rent, Services Fee, or any other monetary obligations payable by Tenant hereunder if such failure continues for five (5) days after Tenant receives written notice of the same from Landlord; provided, however, Landlord is only required to provide notice one (1) time per each calendar year for Tenant’s failure under this subpart (a), with each subsequent failure by Tenant not requiring notice by Landlord; (b) failure to perform any maintenance, replacement, or repair obligation under this Lease within five (5) days of receiving written notice of the same from Landlord; or (c) except for any specific cure period (or lack of a cure period) as otherwise detailed herein, with such other specific cure period (or lack of a cure period) controlling over the generality of this subpart (c), failure to comply with or oppose any other provision of this Lease if the failure to perform is not cured within thirty (30) days after written notice by Landlord to Tenant. In any Event of Default, Landlord may: (i) immediately revoke/terminate this Lease by written notice to Tenant, with such revocation/termination becoming effective automatically one (1) day after the date of such written notice without any further action by Landlord, in which event neither party shall have any further rights or obligations hereunder except as expressly set forth herein; or (ii) cure the default at Tenant’s cost, and Tenant shall promptly reimburse Landlord for all sums paid by Landlord in curing such default, including attorney’s fees. The remedies provided for in this Lease are in addition to any other remedies available to Landlord elsewhere in this Lease, at law, in equity, by statute, or otherwise, and provided in no event shall Tenant be liable to Landlord for any loss-of-profit, consequential, punitive, special, or speculative damages.
The failure by Landlord to insist upon strict performance of any of the terms set forth herein shall not be deemed a waiver of any rights or remedies that Landlord may have and shall not be deemed a waiver of any subsequent breach or default in the performance of any of the terms contained herein by Landlord.

17. **Miscellaneous Provisions.**

   a. **Assignment Prohibited.** Tenant may not sublet, assign, transfer, or convey its rights under this Lease in any manner whatsoever. Any such sublease, assignment, transfer, or conveyance shall be void and without effect. Landlord shall be free to sublet, assign, transfer, or convey its rights hereunder, and upon any such sublease, assignment, transfer, or conveyance Landlord shall be fully released and relieved of any obligations and liabilities hereunder, with Tenant hereby acknowledging, agreeing, and stipulating to look solely toward the assignee as relates to this Lease.

   b. **Texas Law to Apply.** This Lease shall be construed under and in accordance with the laws of the State of Texas, regardless of conflict of law principles.

   c. **Legal Construction.** In case any one or more of the provisions contained in this Lease shall, for any reason, be held to be invalid, illegal, or unenforceable in any respect, this invalidity, illegality, or unenforceability shall not affect any other provision hereof, and this Lease shall be construed as if the invalid, illegal, or unenforceable provision had never been contained herein. Furthermore, it is the intention of both parties that in lieu of each clause or provision that is illegal, invalid, or unenforceable there shall be added as a part of this Lease a clause or provision as similar in terms to the illegal, invalid or unenforceable clause or provision as may be possible and that is legal, valid, and enforceable.

   d. **Prior Leases and Agreements Terminated.** This Lease constitutes the sole and only agreement of the parties as to the subject matter hereof, and Landlord and Tenant each revoke and terminate any prior understandings, written or oral, between the parties respecting the within matter.

   e. **Force Majeure.** Each party shall be excused from performing any of its obligations due under the terms of this Lease when prevented by government mandates, pandemics, natural disasters, by acts of war, riot, or civil commotion, by an act of the state, strikes, fire, flood, or by the occurrence of any other event beyond the control of such party.

   f. **Amendment.** This Lease may be amended only in a writing executed by both parties.

   g. **Waiver of Consequential Damages and Limitation on Liability.** By signing below, Landlord and Tenant each stipulates, acknowledges, and agrees that it waives, releases, and forever disclaims the right to recover speculative, consequential, punitive, indirect, and/or any other non-actual damages whatsoever from the other party by reason of a party’s breach of this Lease.

   h. **Headings; Construction.** This Lease shall be deemed drafted equally by both parties. Its language shall be construed as a whole and according to its fair meaning. The parties acknowledge that each party has taken the opportunity to review and revise this Lease and that the normal rule of construction to the effect that any ambiguities are to be resolved against the drafting party will not be employed in the interpretation of this Lease or any amendments or exhibits to this Lease. The headings in this Lease are only for convenience and are not intended to affect construction or interpretation. Words of any gender used in this Lease shall be held and construed to include any other gender, and words in the singular number shall be held to include the plural, unless the context otherwise requires.

   i. **Brokers.** Landlord and Tenant each represents and warrants to the other that no person or entity has any right or claim to a brokerage commission, finder’s fee, or similar compensation in connection with this Lease that arises out of any act or agreement of either Landlord or Tenant, and Landlord and Tenant each agrees to indemnify the other against and hold harmless from, all liabilities arising from any such right or claim, including reasonable attorney’s fees.
j. **Notices.** Wherever any notice, communication, request, demand, reply, or advice (severally and collectively referred to as "Notice") is required or permitted hereunder such Notice shall be in writing and shall be deemed to be delivered when actually received if delivered by (i) hand or overnight delivery service to a party, or an agent of such party or (ii) facsimile transmission (with electronic confirmation) or email communication. Notice sent by United States mail, postage prepaid, Certified or Registered Mail, Return Receipt Requested, addressed to the Parties hereto at the below, or at such other addresses as they may have hereafter specified by written notice shall be effective on the earlier of the second (2nd) business day after such deposit or the actual receipt thereof. Notice given in any other manner shall be effective only if and when received by the party to be notified. The parties hereto shall have the right from time to time to change their respective addresses, and each shall have the right to specify as its address any other address within the United States of America, by not less than ten (10) days' prior written notice to the other party.

RESOLUTION OF THE BOARD OF DIRECTORS OF INTERNATIONAL AMERICAN EDUCATION FEDERATION, CHARTER HOLDER OF INTERNATIONAL LEADERSHIP OF TEXAS REGARDING DECLARATION OF EMERGENCY, SUSPENSION OF THE TEXAS PUBLIC INFORMATION ACT, WAIVER OF PROCUREMENT POLICIES, WAIVER FOR MISSED INSTRUCTIONAL DAYS/LOW ATTENDANCE, APPROVAL OF PAY DURING CLOSURE/QUARANTINE, AUTHORIZATION OF TEA ATTESTATIONS, APPROVAL OF CLOSURES, APPROVAL OF DISTANCE INSTRUCTIONAL LEANING, AND OTHER DELEGATIONS OF AUTHORITY DURING THE COVID-19 EMERGENCY

WHEREAS, on March 13, 2020, the Governor of the State of Texas declared a statewide emergency, and, later that same day, the President of the United States declared a national emergency regarding COVID-19;

WHEREAS, Governor Abbott declared all schools closed;

WHEREAS, on March 25, 2020, and again on April 15, 2020, this Board declared a state of emergency and delegated certain authority to the Superintendent and Chief Financial Officer;

WHEREAS, the delegation of Procurement Authority expired on May 26, 2020, and the circumstances which led to the delegation of authority are still in existence and likely to continue;

WHEREAS, the Board recognizes that COVID-19 remains an unforeseen and unavoidable emergency of urgent public necessity, that the World Health Organization has declared COVID-19 a pandemic, and that additional emergency declarations may follow in the coming days and weeks;

WHEREAS, the Board of Directors of International Leadership of Texas (“School”) has a substantial public interest in protecting the health and safety of its students, staff and community;

WHEREAS, the School’s community, including its personnel and students and their families, have been or are likely to be substantially impacted by the COVID-19 Virus and there are or may soon be confirmed cases of COVID-19 in the School’s approved geographic boundary;

WHEREAS, the Board and Administration are following advice and directives from federal, state and local authorities in responding to the COVID-19 Virus;

WHEREAS, through circumstances completely beyond their control, School employees may be forced to miss an undetermined number of work-days due to likely closure of school facilities and operations;

WHEREAS, the school’s response includes likely closure of school
facilities and operations, and keeping employees at home; and

WHEREAS, the Board finds the COVID-19 pandemic to be a catastrophe that interferes with the school’s ability to comply with the requirements of the Texas Public Information Act, Texas Government Code Chapter 552 (the “Act”); and

WHEREAS, the Board finds it to be in the best interest of its students and the community, and that a public purpose exists, to suspend the requirements of the Act pursuant to § 552.233;

WHEREAS, there is a public purpose served and a benefit to International Leadership of Texas to continue employee pay during any extended school-wide closures, namely, to demonstrate support of the School’s employees, enhance morale and to support retention of employees so they can resume work with minimal impact on students once school reopens/work resumes;

WHEREAS, a public purpose exists for excusing absences of employees who are under medically directed quarantine on advice of their doctor or local health authorities, or who are otherwise directed by the School to not return to work;

WHEREAS, in order to conduct School operations while protecting the health safety and welfare of students and staff, it is prudent to suspend the application of procurement policies to enable the Superintendent to respond efficiently, expeditiously to emergency;

WHEREAS, in response to this emergency, there may be need to allow community use of school facilities; and

WHEREAS, in lieu of a complete or sustained closure of School, providing distance learning and virtual learning to students, and following TEA Guidance for same, is in the best interest of students and, so that the Superintendent may restructure and reassign/redeploy faculty and staff as necessary to accomplish these purposes and continue services to students, including providing food services to students in non-traditional manners.

NOW, THEREFORE, BE IT RESOLVED, that the Board of Directors, at a lawfully called meeting of the Board, held in compliance with the Texas Open Meetings Act, formally extends its March 25, 2020 and April 15, 2020 emergency declarations and delegations until the earlier of either Governor Abbott lifting the state of emergency or this resolution is terminated by the Board, and declares that:

2. Need for Immediate Action. Immediate action is necessary to be able to minimize the COVID-19 impact to students, staff, families and the community. Therefore, the instructional campuses and other school facilities operated by International Leadership of Texas shall be closed at least until the Governor or Texas Education Agency declares
schools to be opened or a later date as determined by the Superintendent in accordance with Paragraph 13 of this Resolution.

a. In lieu of a complete or sustained closure, the administration shall provide for instructional continuity for its students including but not limited to options for distance learning and/or virtual learning and follow TEA Guidance for same.

b. The Superintendent may restructure and reassign/redeploy faculty and staff as necessary to accomplish this purpose and continue services to students, including the provision of food services to students in non-traditional manners.

c. The Superintendent may open or re-open school facilities on as-needed basis to facilitate school business and instructional continuity for students.

3. **Procurement Waiver:** The delays and public health risks posed by the applicable procurement laws and corresponding Board policies coupled with the need to procure services and support to respond to COVID-19 to ensure safety of all students, staff, property and equipment will prevent or substantially impair student safety and or other essential school activities, the Board declares an emergency under Section 44.031(h) of the Education Code and other applicable law, and the Board hereby is suspending its normal purchasing policies and authorizing the Superintendent or Chief Financial Officer to make emergency procurements reasonably necessary to respond to COVID-19 issues. This waiver of procurement policies is expressly limited to responding to COVID-19 matters and is extended by the Board until such time as Governor Abbott or the Texas Education Commissioner declares the emergency situation lifted, the Schools systems are declared open, or if withdrawn by this Board, which occurs first.

4. **Waiver for Instructional Days:** The Superintendent is authorized to apply for missed instructional day waivers. Low attendance day waivers are also to be submitted for future dates, as may necessary and approved by the Texas Education Agency.

5. **Absence Waivers:** The Superintendent or designee is authorized to excuse absences for any employee who is under a medically directed quarantine for up to fourteen consecutive days.

6. **Employee Pay During Closures:** The Board authorizes and grants the discretion to the Superintendent to determine to continue pay and benefits, subject to any requirements or guidance from the State, to employees who are impacted by a federal, state or local agency ordered school closure of the employee’s assigned campus or duty-station or closure determined by the Superintendent. The Board delegates to the Superintendent the authority to implement this, and to make determinations on first use of available paid time off and other leave balances, before expending additional funds for absences during a facility closure. The Board finds that a public purpose and benefit to the school and its students exists to compensate employees for work days missed due to the closure of their assigned school facilities as a result of COVID-19, and that this is necessary in the conduct of the public schools pursuant to Education Code § 45.105(c). The Board authorizes the
Superintendent or designee to make compensation decisions and adjustments to impacted employees as deemed appropriate to fulfill the purposes of this Resolution.

7. **Mandatory Quarantine of Employees and Students:** The Superintendent shall direct and prohibit employees and students who have traveled within the past seven days to Level 3 designated countries or states, including any country in Europe or who otherwise had direct contact with persons known to the employee/student or their family that have traveled to the same locations in the same time period, from attending school for a quarantine period. Such quarantine period from attending school or school-related activities/events shall extend at least 14-days with the date the student returned home as day-zero and the next day as day-one. The same quarantine restrictions shall also apply to any family member of said persons living in the same household. The Superintendent may extend or amend requirements based on guidance from state and local health officials.

8. **Pay During Quarantine:** for the same reason supporting pay during closures, any employee under required quarantine may continue to receive pay and benefits as determined by the Superintendent, subject to administration’s determination regarding accrued state/local leave days and their use.

9. **TEA Attestations:** The Superintendent and Board President are authorized to execute and file the 2019-2020 COVID-10 Missed School Day Waiver Attestation Statement. Further, the Superintendent and Board President are authorized to execute and file the Attestation of Off-Campus Programs Approved for Purposes of Average Daily Attendance (TEC §48.007) with TEA. In addition, authorization is given, as necessary for the 2020-2021 school year.

10. **Instructional Continuity:** In addition to or in lieu of closure, The Superintendent is authorized to develop and implement education continuity plans following state guidelines to allow students to be educated through low-tech, workbooks/worksheets/packets, online learning, tele-and video-learning, and other virtual or distance learning/low-tech programs. The Superintendent is authorized and fully supported by the Board in reassigning staff to aid in development and implementation of education continuity plans to benefit and serve students. The Superintendent is authorized to make procurements necessary to fulfill the purposes of this resolution and to meet the needs and best interest of students.

11. **Use of School Facilities:** In response to this emergency, the Superintendent is authorized to make school facilities available for use to provide child care and other support services to first responders, health care workers, other critical infrastructure workers and other
personnel determined by the Superintendent, including staffing such services with school personnel and use of school equipment.

12. **Authorization to School Superintendent for Additional Waivers, Attestations or Reports:** In the event other waivers or immediate action is needed, the Superintendent is authorized, in consultation with the Board’s Chair (or Vice Chair in absence of Chair), to take other action and to submit/apply for other waivers, attestations or reports in accordance with guidance and instructions from the State of Texas. Unless already permitted under the charter school contract with the State of Texas, the Superintendent is not authorized to take any action that is specifically reserved for the governing board of the charter holder under 19 TAC §100.1033 (b)(14)(C).

13. **Authorization to School Superintendent to Extend School Closure.** As necessary to minimize the COVID-19 impact to students, staff, families and the community or as ordered by federal, state or local public health officials, the Superintendent in consultation with the Board’s Chair (or Vice Chair in absence of Chair), is authorized to continue campus closures for extended periods of time as determined to be in the best interest of health and safety.

14. **Suspension of Texas Public Information Act.** COVID-19 constitutes a catastrophe that interferes with the school’s ability to comply with the requirements of the Texas Public Information Act, Texas Government Code chapter 552.
   a. The requirements of the Act are suspended.
   b. The Superintendent, or designee, is authorized to submit notice to the Attorney General pursuant to the Form attached hereto as **Exhibit A.**
