SCHOOL GOAL #2

The percentage of students who reclassify from English Learner to Fully English Proficient (RFEP) will improve by 10% in the 21-22 school year based on the ELPAC data from the previous school year.

SCHOOL GOAL #3

By April 30th 2022, 90% of students will report feeling safe or "very safe" on the student survey from Panorama. We will compare this data with the prior data collected in the Spring Survey. We will also support English-only families in ways to develop and support students' development of the Spanish language so that they feel supported and cared for. We will gauge this by the response of Sense of Belonging and Climate of Support for Academic learning in the Panorama survey.

SCHOOL GOAL #4

Maintain a high level of parent engagement to support our student achievement goals in Reading/Language Arts, Math, English Learner, Spanish Learners, and students with disabilities.
