9651 Barkley St, Overland Park, KS 66212

This is a senior, independent living facility (not a nursing home). We need people to take food & drink (sodas & milk) orders & serve food, drinks & desserts, and then clean up. There are only 2 menu choices & they have preordered on forms already.

The hours would be about 3:30-8 M-F & 9-2 on Saturday or Sunday. They can work with students that can only work a portion of these shifts. We also need someone to wash the dishes during the evening hours. They are paid well. Have them ask for Kadee, the kitchen manager
