

Learning *and* Innovation Summit

Saturday Feb. 4, 2023

8:30 a.m. to 2:30 p.m.

The Learning and Innovation Summit offers something for everyone, from novice teachers to seasoned professionals, transitional kindergarten and primary through high school educators. This established conference highlights the innovative teaching practices of outstanding, vetted teachers. Technology integration sessions focus on strong pedagogy and ways to strengthen learning through meaningful integrations that engage, enrich, and extend learning experiences. Also addressed are concepts of equity, inclusive and relevant curriculum, design thinking, and fostering student agency.

Cost: \$75 or \$50 groups of 10 or more
