Spooky Fast Start!

Why didn't the zombie go to school? It was feeling rotten! Sorry, I had to sneak that one in. It's been a spooky fast start to the year, so this special squash edition of *The Hawk Eye* is an attempt to slow it down and be sure we are on the same page with a few things, specifically celebrations & clubs.

We have so much to **celebrate** around here, but we also need to maintain a healthy learning environment and follow our nutrition guidelines. This means we need to get creative at times. [HERE's](#) a great resource for creative celebrations. Big thanks to so many of you who have found fun ways to celebrate birthdays that doesn't include junk food. More information can be found at our [Mead Healthy Living](#) website.

PV has a few **clubs** launching this fall, and we couldn't be more excited to get back into providing opportunities for students to connect with school outside of the regular day. After much calculation, our first club will be Math Club. It will be an enrichment club for ALL 4th and 5th graders interested in math. More info will come out soon, but as a former math teacher and Math is Cool participant (yes, I was a mathlete at the first Math is Cool competition!) I couldn't wait to

tell you. Mrs. Schaefer will advise our Prairie View athletic department starting in November and other clubs will be out soon. Hint: Don't be so dramatic!

Finally, our Fall Book Fair opens soon. This is a great opportunity to encourage the love of lifelong reading, support our library, and even get some great gift ideas. [HERE's](#) some more information for you to peruse. We will keep you in the loop. Keep an eye on some of the other great upcoming community activities:

- October 24: [Mead Spooktacular!](#)
- October 26: [Mead High School Trunk or Treat Carnival!](#)
- October 27: [Mead vs. Mt. Spokane Volleyball @ Mead HS!](#)

- October 31: Halloween Dress up Dance (grades 3 - 5 = 1:30p - 1:50p; grades K - 2 = 2:00p - 2:35p)

I see YOU, Hawks!
