

EXPERIENTIAL LEARNING

LAKESIDE
S C H O O L

For Lakesiders, learning takes place everywhere: in our local community, in our region, and around the world.

THE SERVICE LEARNING PROGRAM

engages students in thoughtful, planned volunteer activities and teaches civic responsibility with a connection to our community.

80 service hours required to graduate.

On average, each graduate reports

146 hours of service.

Our students work with

370+ organizations.

GLOBAL SERVICE LEARNING (GSL)

combines learning, service, and cultural immersion, developing students' understanding of and respect for different cultures, as well as the common issues that face us globally.

Upper School GSL recent locations:

- China
- Colombia
- Ecuador
- Fiji
- French Polynesia
- Mexico
- Puerto Rico
- Thailand

Middle School GSL for all 8th graders:

6 locations within the Pacific Northwest.

THE OUTDOOR PROGRAM

brings students outside of their comfort zone and helps them develop relationships and practice skills that enrich their everyday lives.

17 Middle School trips.

18 Upper School trips.

We travel to

**WA, OR,
AZ, UT**

We travel using rafts, canoes, kayaks, crampons, skis, rope, and hiking boots.

“Service learning is one of the many bridges that anchors Lakeside’s community down to Earth. Not only is it a practice of self-awareness, but more importantly, it is active participation in giving. It’s one thing to say you’re grateful for what you have, and it’s another give what you have.”

— David Concepcion, Class of 2022
