Believe in them. Invest in them.

CROSS “SAVING FOR COLLEGE” OFF YOUR TO DO LIST!

The Pennsylvania 529 College Savings Program, sponsored by the Commonwealth of Pennsylvania and administered by the PA Treasury, can help parents make college possible for their children. To meet the needs of nearly anyone who wishes to save for college, the Program offers two distinct 529 college savings plans – the PA 529 Guaranteed Savings Plan, in which growth is tied to the rate of college tuition inflation, and the PA Investment Plan, in which investment returns are determined by financial markets.

Higher education is an attainable goal for Pennsylvania’s children. The PA 529 College Savings Program can help you make college possible for someone in your family.

Because of our relationship with the Pennsylvania Treasury Department (which administers the PA 529 College Savings Program), we are able to provide parents with a discount on the PA GSP enrollment fee. Normally \$50⁰⁰, online enrollment is FREE if you open an account by June 30, 2014. To receive the discount when enrolling online, enter the Promo Code: “**Burrell SD**”.

The Pennsylvania 529 College Savings Program sponsors two plans – the PA Guaranteed Savings Plan (GSP) and the PA 529 Investment Plan. The guarantee of the PA 529 GSP is an obligation of the GSP Fund, not the Commonwealth of Pennsylvania or any state agency. Before investing in either plan, please carefully read that plan’s disclosure statement (available at www.PA529.com or by calling 1-800-440-4000) to learn more about that plan, including investment objectives, risks, fees, and tax implications.
