

Camping Checklist

Please use this list as a guide to help you pack for camp. The items listed below will help everyone stay comfortable during camp. The weather does not always cooperate, so prepare for rain! We do not cancel outdoor classes because of rain, but have alternate activities in case of lightning, high winds, or hail.

Please make sure that ALL items are clearly marked with the owner's name to ensure that losses are kept to a minimum. Students are responsible for their own belongings.

Prohibited Items:

- Anything not allowed at school, with the exception of cameras. Refer to discipline guidelines in planner.
- Electronic devices: cell phones, iPods/iPads/Nooks/Kindles/etc., Hand held electronic games etc.
- Food
- Knives
- Medications of any kind (all medication must be given to the school nurse in advance)

Mr. Ferra and Mr. Pruitt will be attending Camp Lutherlyn throughout the week. Students who are discipline problems will be dealt with and disciplined according to school rules and regulations.

There is no need for any student to bring a cell phone to Camp Lutherlyn. The camp is located in an area where reception is very poor. If your child needs to contact you for any emergency, the camp has a phone that will be used.

Should you need to contact us while we are at camp, please contact the HMS office at 724.334.1443. Additionally, the contact information for Lutherlyn is listed below.

Camp Lutherlyn
500 Lutherlyn Lane
Butler, PA 16001
