Arrival and Dismissal Carline 2022-2023

At Jacksonville Classical Academy, scholars should demonstrate virtue from the moment they enter the school property. It is our civic responsibility to create a structured routine that allows scholars and families to get to and from school in the safest and most efficient way possible. Please be patient as we take the necessary precautions to safeguard all scholars.

This page includes very important information for parents so please read the entire message and view the map with diagram.
