Frequently Asked Questions

What is my username?

Your username is the email address that you used to register.

What if I want to participate in more than one sport?

Once you complete a clearance for one sport and arrive at the confirmation message, you will have the option to check off additional sports/activities for the current school year. **Please only check off sports you know you will play.** If you decide to participate in an additional sport/activity later on, you can access the multiple sport checkboxes by clicking on "Print" under the confirmation message of your original clearance for that specific year.

Why haven't I been cleared?

Lake Highland will review the information you have submitted and **clear or deny** your student for participation. If cleared, you will receive an email for clearance. If denied, you will receive an email explaining why the athlete has been denied and what is needed for clearance.

If you have any further questions or need assistance with the submission process, please contact Scott Schenker.
