

# Health and Safety Plan Summary: Hampton Township School District

**Initial Effective Date: June 15, 2021**

**Date of Last Review: August 28, 2022**

**Date of Last Revision: February 28, 2022**

1. How will the LEA, to the greatest extent practicable, support prevention and mitigation policies in line with the most up-to-date guidance from the CDC for the reopening and operation of school facilities in order to continuously and safely open and operate schools for in-person learning?

Hampton Township School District will develop practices and policies with the guidance provided by the Centers for Disease Control (CDC) *Operational Strategy for K-12 Schools through Phased Prevention* and the Pennsylvania Department of Education's *COVID-19 Resources for Pre-K to 12 Schools* to ensure Safe operation of full in-person instruction and with guidance from the Allegheny County Health Department.

2. How will the LEA ensure continuity of services, including but not limited to services to address the student's academic needs and students' and staff members' social, emotional, mental health, and other needs, which may include student health and food services?

The Hampton Township School District will provide full in-person instruction as well as Hampton Online Academy to meet student's academic and health needs. The district will closely monitor transmission rates in Allegheny County and, in consultation with the Allegheny County Health Department, will make decisions about school remote learning if indicated. Student services, including School Health, School Counseling, and Nutrition will continue to operate during a potential remote learning scenario.

3. Use the table below to explain how the LEA will maintain the health and safety of students, educators, and other staff and the extent to which it has adopted policies, and a description of any such policy on each of the following safety recommendations established by the CDC.

ARP ESSER Requirement	Strategies, Policies, and Procedures
<p><b>a. Universal and correct wearing of <u>masks</u>;</b></p>	<p>The District will move from Universal Masking to Optional Masking in all settings, including transportation, activities, and athletic events beginning on March 1, 2022.</p>
<p><b>b. Modifying facilities to allow for <u>physical distancing</u> (e.g., use of cohorts/podding);</b></p>	<p>Due to optional masking, educational and communal environments will not require additional social distancing.</p>
<p><b>c. <u>Handwashing and respiratory etiquette</u>;</b></p>	<p>Students will be encouraged and provided with opportunities for hand washing.</p> <p>Signage for handwashing will be displayed to remind students of proper handwashing procedures.</p> <p>Adequate supplies (e.g., soap, paper towels, hand sanitizer, tissue) to support healthy hygiene practices will be available. Students will be provided access to alcohol-based hand sanitizer that contains at least 60% alcohol. Hand sanitizer will also be located in several areas of the building.</p>
<p><b>d. <u>Cleaning and maintaining healthy facilities, including improving ventilation</u>;</b></p>	<p>The District will use the CDC's Guidance for Cleaning &amp; Disinfecting Schools.</p> <p>Frequently touched surfaces and objects within the school and on buses will be cleaned and disinfected on a regular basis. This includes, but is not limited to, door handles, sink handles, and drinking fountains.</p> <p>Instructions will be issued to ensure safe and correct storage of cleaning and disinfecting products.</p> <p><u>Ventilation</u></p> <p>Ensure HVAC systems (heating, ventilation, and air conditioning systems) are operating correctly.</p> <p>Adjust settings on the Building Automation systems to the maximum outside air setting.</p> <p>Classrooms and common areas will be ventilated with additional outdoor air</p>

	<p>circulation when possible, using windows and doors.</p> <p>Filtration systems have been upgraded in high occupancy areas throughout the District with the addition of Bipolar Air Ionization Unit installation. The District has Implemented a plan to monitor humidity levels during the winter months.</p>
<p><b>e. <u>Contact tracing</u> in combination with <u>isolation</u> and <u>quarantine</u>, in collaboration with the State and local health departments;</b></p>	<p>Parents are asked to continue to contact the school nurse or complete District forms if a student is positive for COVID-19.</p> <p>The District will no longer conduct contact tracing. Parents may voluntarily quarantine students based on close contact that might occur outside of school.</p> <p>Students and staff returning to school or work after testing positive for COVID-19 can return after 5 days and mask on days 6-10 per the CDC shortened isolation protocol. If masking is not preferred a 10 day isolation is required.</p> <p>If a student is displaying symptoms of COVID-19, they may be asked to wear a mask in the nurse’s office and may be sent home due to symptoms.</p>
<p><b>f. <u>Diagnostic</u> and screening testing;</b></p>	<p>All students and staff are strongly encouraged to remain home if exhibiting symptoms of COVID-19.</p> <p>Students and staff will consistently be made aware of the signs and symptoms of COVID-19.</p> <p>Students and staff will go to the nurse immediately if feeling symptomatic.</p> <p>The District will share resources with the school community to help families understand when to keep children home.</p>
<p><b>g. Efforts to provide <u>vaccinations</u> to <u>school communities</u>;</b></p>	<p>The District will help to publicize vaccination opportunities within the local community.</p>

<b>h. Appropriate accommodations for students with disabilities with respect to health and safety policies; and</b>	Accommodations should not be necessary while the District offers optional masking.
<b>i. Coordination with state and local health officials.</b>	The district will work closely with the ACHD for appropriate response to changing pandemic conditions.
