A MESSAGE OF GRATITUDE

Dear Princeton Day School Community,

When members of our community come together, something truly powerful results. The phrase ‘great schools never stand still’ has never been more true than in the last two and a half years. We all experience PDS differently and yet, our common experience binds us together. We saw this happen this past year in our fundraising efforts. Thank you for sharing with us your precious resources and for making Princeton Day School a philanthropic priority.

For the first time in the school’s history, the PDS Annual Fund surpassed \$2M. For a day school of our size, this is a monumental achievement, and one that we can all take great pride in. Funding the operational budget for our school is a critical charge that must be accomplished each and every year. Your commitment to the Annual Fund this past year fueled our signature programs, financial aid and faculty support, ultimately catapulting us to a position of great strength.

You have all played a role in this success. We are grateful to our alumni, parents, faculty, staff and friends who believe in the work that is happening here, and we look ahead with great enthusiasm for the future of Princeton Day School. With your support, we will thrive — today, tomorrow and always.

Gratefully,

Katherine A. Schulte
Assistant Head of School for Advancement and Strategic Priorities

I make an annual donation to PDS to help current and future students receive the same kind of education I was offered there more than forty years ago. When I visited the school during my recent reunion, I found it dramatically expanded and improved, both in terms of the buildings themselves and also the course offerings and activities for students. The student body is more diverse than ever and receives significantly more financial aid than when I was enrolled. All these developments would not be possible without the generosity of alumni, and I am more than happy to do what I can to support the continued growth of the school.

There are so many reasons why I continue to give back to PDS. Perhaps most importantly, I feel that it prepared me (and my classmates) for success beyond the Great Road - in career, college and the peaks and valleys along the way. I also have so many wonderful memories of my time there and hope that my participation in the Annual Fund helps PDS continue to foster a great environment for generations to come.

I give to PDS because I have experienced firsthand the immense impact of alumni, family, and community generosity. Without support for faculty members and extracurricular programs, such as Cymbals magazine and the performing arts program, my most meaningful PDS experiences would not have been possible. Now, as a young alumna, I give so that current and future students can have transformative opportunities and experiences of their own.

Donating to the PDS Annual Fund is a “no-brainer” for us because: 1) PDS has been doing an excellent job in educating our kids and the fund is utilized to make it even better; 2) The donations are tax deductible; and 3) We have company match that doubles the benefit. So, essentially every dollar we donate to PDS would maximize its value.

PDS has had a profound impact on the lives of both of our sons, not only in the form of an exceptional formative education but also in the journey of self-discovery to the best possible versions of themselves. The PDS Annual fund is a way for us to give back in appreciation and support of the unwavering commitment of every member of the faculty to excellence, embodied in both a quality education and a rich thriving community. We are honored to be a part of the PDS family!

One of the things I love best about working at PDS is the school's willingness to say "yes" to great ideas – projects, whether big or small, that help nurture a love of learning in our students and to bring us together as a community. It's a philosophy that speaks to the school's commitment to excellence at every level. To me, giving to the Annual Fund is a commitment to that shared ideal.

I give back to PDS because of how much my experience there shaped me as the person I am today. I am so grateful for the opportunities I had to explore different interests, the mentors who guided me in following those passions, and the friends who made PDS such a fun and welcoming place. As a recent college graduate, I credit PDS for not only preparing me for college, but also for providing me with the tools to navigate the world beyond!

SEMPER LUCEATS

The Semper Luceats are our most loyal donors who have given to the Annual Fund for 10 or more consecutive years. We thank them for giving back and helping us provide opportunities to the students of today. Semper Luceat was the Miss Fine's School motto and means "may it always shine."

THE MAY MARGARET FINE SOCIETY

Honoring and recognizing those who understand
the important legacy a planned gift creates.

Established in 1998, the May Margaret Fine Society recognizes those loyal alumnae/i, parents and friends who have informed the school that they have made provisions for Princeton Day School in their estate plans. Including the school in their will, establishing a charitable trust while maintaining life income, or naming the school as a life insurance beneficiary are some of the ways these individuals have helped secure the long-term strength of PDS. We are grateful for the generosity and vision of these planned giving donors.
